Section 1 – Introduction

Network Providers

This directory provides a list of Cigna-HealthSpring's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Cigna-HealthSpring is committed to building a trusted network of health care providers. The doctors, hospitals, facilities, and other providers we contract with must meet certain credentialing requirements. They must also agree to our billing rates. This helps make sure you have access to quality, cost-effective care. To build our network, we look at how many primary care and specialty doctors are in a specific area. We also look at what hospitals, labs, and other facilities are in that area. Our goal is to build a network that gives you choice and convenient access to treatment and services. Provider networks vary by state and plan, and include doctors, hospitals, and health care facilities in your local area.

You will have to choose one of our network providers who are listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. Your PCP is a physician who is trained to provide general medical care. Your PCP can also coordinate the rest of the covered services you need.

The network providers listed in this directory have agreed to provide you with your health care, vision and dental services. Please note: Not all Cigna-HealthSpring plans have vision and dental benefits. Please check your Evidence of Coverage to see if your plan has a vision and/or dental benefit. You may go to any of our network providers listed in this directory; however, in some plans certain services may require a referral. Other physicians/providers are available in our network.

For POS Plans: Out-of-Network Providers

Cigna-HealthSpring offers a Point-of-Service (POS) option. The POS option allows you to use out-of-network area providers. You must notify Cigna-HealthSpring **prior to** using out-of-network area providers. If you use an out-of-network area provider for non-emergent services except for emergency care or out-of-network urgent care, your out-of-pocket costs may be higher. If you do not notify the plan prior to using an out-of-network provider, you will be responsible for 100% of the cost(s) billed. Neither Cigna-HealthSpring nor Medicare will pay for these services. Please refer to your Evidence of Coverage for details.

With your POS plan, you don't need to get a referral, but you may need prior authorization for some plans* when you get care from out-of-network providers. In non-emergent situations, please tell out-of-network providers that you are a Cigna-HealthSpring customer before you see them to ensure that they will see Cigna-HealthSpring customers. Our payment for out-of-network services is based on the Medicare Allowable Amount. If the out-of-network provider charges more than the Medicare Allowable Amount, you may be liable for the difference between the Medicare Allowable Amount and the provider's total charge. (*Cigna-HealthSpring Premier (HMO-POS) does require prior authorization for out-of-network providers.)

Specialists – Referrals

Even though your PCP is trained to handle the majority of common health needs, there may be a time when you need more specialized treatment. In those situations, you may see a plan specialist. Specialists are doctors who are trained to provide health services for a specific disease or part of the body. For some types of specialists and specific plans, you will need to obtain a "referral" from your PCP before you can schedule an appointment with the specialist. Below is a list of provider specialty types that require referrals from your PCP before you can schedule an appointment with them. Please note: Some provider types may have been added or removed from the list after this directory was printed. You should check with your PCP or call Customer Service at

the phone number on the cover to see if a referral is required by your plan to see a specialist or other provider. Note that a referral is different from "prior authorization", which is required before certain services or procedures can be performed.

In addition, each PCP has certain plan specialists and hospitals they use for referrals. This means that the Cigna-HealthSpring specialists or hospitals you can use may depend on which PCP you select. If there are specialists or hospitals that you want to use, it is important to find out if your chosen PCP refers to them.

Cigna-HealthSpring's relationship with its Provider Network

Cigna-HealthSpring has different types of Primary Care Provider relationships. We have contracts with independent physicians, Physician Organized Delivery system (PODs) and clinic-based providers in your area. The following paragraphs describe the relationship these providers have with Cigna-HealthSpring.

- A **Physician Organized Delivery (POD)** system represents a network of physicians with similar referral patterns, organized to administer health care services to the plan's customers. If you select a Primary Care Physician who belongs to a POD, you should be aware that your PCP will refer you to specialists affiliated with the same POD and with whom they work closely to coordinate your care. However, your primary care physician can refer you to any other in-network physician outside of the POD, and your primary care physician will continue to assist you in the coordination of any needed services outside the POD. The following PODs are network providers with your plan.

  — Erlanger POD
  — Memorial POD
  — Peerless POD

- **Independent physicians**
  Independent physicians are Primary Care and Specialist physicians located in and around your area that are not part of an Independent Physician Association (IPA) or Physician Organized Delivery system POD. If you select an independent Primary Care Physician you should be aware that your PCP will refer you to specialists and hospitals with whom he/she is affiliated and with whom they work closely to coordinate your care. Please confirm whether the referred physician or hospital is a network provider with your plan. You will receive all of your care, including gynecological and specialty care from the physicians affiliated with your PCP. Gynecological care can be accessed through any independent Gynecologist.

If you should receive a full-cost bill from a provider

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should contact Customer Service or send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. (Please note that we cannot pay a provider who has opted out of the Medicare program. Check with your provider before receiving services to confirm that they have not opted out of Medicare.) If we determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost.

Emergency care/Urgent care

You may get emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Please refer to your Evidence of Coverage for details. You may get covered emergency medical care whenever you need it, anywhere in the world. If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers neither Medicare nor Cigna-HealthSpring will be responsible for the costs.

For POS Plans: If you obtain routine care from out-of-network providers, you will have to pay the out-of-network cost-sharing except for emergency care and out-of-network urgent care. Please refer to your Evidence of Coverage for more information.

Sección 1 – Introducción

Proveedores de la red

Este directorio proporciona una lista de proveedores de la red de Cigna-HealthSpring. Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su Evidencia de cobertura.

Cigna-HealthSpring tiene el compromiso de construir una red confiable de proveedores de cuidado de la salud. Los médicos, hospitales, centros y otros proveedores que contratamos deben cumplir determinados requisitos de acreditación. También deben aceptar nuestras tarifas de facturación. Esto ayuda a que nos aseguremos de que usted tenga acceso a servicios de calidad y con una buena relación costo-beneficio para el cuidado de su salud. Para construir nuestra red, nos fijamos cuántos médicos de cuidado primario y especialistas hay en un área en particular. También nos fijamos en qué hospitales, laboratorios y otros centros hay en esa área. Nuestra meta es construir una red que le dé opciones y un acceso cómodo a tratamiento y servicios. Las redes de proveedores varían según el estado y el plan, e incluyen médicos, hospitales y centros de cuidado de la salud en el área donde usted vive.

Deberá elegir uno de los proveedores de nuestra red que figuran en este directorio como su **p**roveedor de **c**uidado **p**rimario (PCP). Por lo general, usted deberá obtener sus servicios de cuidado de la salud por medio de su PCP. Su PCP es un médico que está capacitado para brindar atención médica general. Su PCP también podrá coordinar el resto de los servicios cubiertos que usted necesite.

Los proveedores de la red que figuran en este directorio han aceptado brindarle servicios de cuidado de la salud, de la vista y dentales. Tenga en cuenta que: no todos los planes de Cigna-HealthSpring tienen beneficios dentales y de la vista. Consulte su Evidencia de cobertura para ver si su plan tiene un beneficio de la vista o dental. Puede dirigirse a cualquiera de los proveedores de nuestra red que figuran en este directorio; sin embargo, en algunos planes es posible que necesite una referencia para determinados servicios. Nuestra red incluye otros médicos/proveedores.

Para planes POS: Proveedores fuera de la red

Cigna-HealthSpring ofrece una opción Point-of-Service (POS). La opción POS le permite usar proveedores del área fuera de la red. Debe notificar a Cigna-HealthSpring **antes de** usar proveedores del área fuera de la red. Si usa un proveedor del área fuera de la red para servicios que no son de emergencia, a excepción de la atención de emergencia o el cuidado de urgencia fuera de la red, es posible que sus costos de desembolso sean más altos. Si no notifica al plan antes de usar un proveedor fuera de la red, será responsable de pagar el 100% del/de los costo(s) facturado(s). Ni Cigna-HealthSpring ni Medicare pagarán por estos servicios. Consulte su Evidencia de cobertura para conocer detalles.

Con su plan POS, no necesita obtener una referencia, pero es posible que necesite autorización previa para algunos planes* cuando reciba atención de proveedores fuera de la red. En situaciones que no constituyan una emergencia, informe a los proveedores fuera de la red que usted es cliente de Cigna-HealthSpring antes de la visita para asegurarse de que atiendan a clientes de Cigna-HealthSpring. Nuestro pago por servicios fuera de la red se basa en la Cantidad permitida por Medicare. Si el proveedor fuera de la red cobra más que la Cantidad permitida por Medicare, es posible que deba pagar la diferencia entre la Cantidad permitida por Medicare y el cargo total del proveedor. (* Cigna-HealthSpring Premier (HMO-POS) no requiere autorización previa para proveedores fuera de la red).

Especialistas – Referencias

Aunque su PCP esté capacitado para manejar la mayoría de las necesidades médicas comunes, es posible que en algunas ocasiones usted necesite tratamiento más especializado. En esas situaciones, podrá consultar a un especialista del plan. Los especialistas son médicos que están capacitados para brindar servicios de salud para una enfermedad o una parte del cuerpo específica. Para algunos tipos de especialistas y planes específicos, deberá obtener una "referencia" de su PCP antes de poder programar una cita con el especialista. A continuación encontrará una lista de los tipos de especialidades de los proveedores para los que se necesitan referencias de su PCP antes de que pueda programar una cita con ellos. Tenga en cuenta que: es posible que se hayan agregado o eliminado algunos tipos de proveedores de la lista desde la fecha de impresión de este directorio. Debería consultar a su PCP o llamar a Servicio al Cliente al número de teléfono que figura en la portada para ver si su plan exige una referencia para consultar a un especialista u otro proveedor. Tenga en cuenta que una referencia es diferente de la "autorización previa", que se requiere antes de que puedan realizarse determinados servicios o procedimientos.

Además, cada PCP tiene determinados especialistas y hospitales del plan que usa para las referencias. Esto significa que los especialistas u hospitales de Cigna-HealthSpring que usted pueda usar pueden depender del PCP que elija. Si usted desea usar determinados especialistas u hospitales, es importante que averigüe si el PCP que ha elegido da referencias para ellos.

Relación de Cigna-HealthSpring con su red de proveedores

Cigna-HealthSpring tiene diferentes tipos de relaciones con los proveedores de cuidado primario. Tenemos contratos con médicos independientes, sistema de Prestación Organizada de Médicos (POD, por su sigla en inglés) y proveedores que atienden en clínicas de su área. Los siguientes párrafos describen la relación que tienen estos proveedores con Cigna-HealthSpring.

- Un sistema de **Prestación Organizada de Médicos (POD)** representa una red de médicos con patrones de referencia similares, organizados para administrar servicios de cuidado de la salud a los clientes del plan. Si usted elige un médico de cuidado primario que pertenece a una POD, debe saber que su PCP le referirá a especialistas afiliados a la misma POD con quienes trabaja en estrecha colaboración para coordinar su cuidado. Sin embargo, su médico de cuidado primario puede referirle a cualquier otro médico de la red fuera de la POD, y su médico de cuidado primario seguirá brindándole asistencia para la coordinación de los servicios necesarios fuera de la POD. Las siguientes POD son proveedores de la red de su plan.

— Erlanger POD
— Memorial POD
— Peerless POD

- **Médicos independientes**
  Los médicos independientes son médicos de cuidado primario y especialistas que atienden en su área y en los alrededores que no forman parte de una Asociación de Médicos Independientes (IPA) o un sistema de Prestación Organizada de Médicos (POD). Si usted elige un médico de cuidado primario independiente, debe saber que su PCP le referirá a especialistas y hospitales con los que esté afiliado y con los cuales trabaja en estrecha colaboración para coordinar su cuidado. Confirme si el médico u hospital referido es un proveedor de la red de su plan. Recibirá toda su atención, incluida la atención ginecológica y especializada, de médicos afiliados a su PCP. Puede acceder a atención ginecológica a través de cualquier Ginecólogo independiente.

Si recibe una factura por el costo total de un proveedor

También puede haber ocasiones en que reciba una factura de un proveedor por el costo total de la atención médica que recibió. En muchos casos, debe comunicarse con Servicio al Cliente o enviarnos esta factura en lugar de pagarla. Nosotros analizaremos la factura y decidiremos si los servicios se deben cubrir. Si decidimos que se deben cubrir, le pagaremos directamente al proveedor. (Tenga en cuenta que no podemos pagarle a un proveedor que ha optado por quedar excluido del programa Medicare. Consulte a su proveedor antes de recibir servicios para confirmar que no haya optado por quedar excluido de Medicare). Si determinamos que los servicios no están cubiertos o que no eran médicamente necesarios, es posible que deneguemos la cobertura, y usted será responsable del costo total.

Atención de emergencia/de urgencia

Usted puede recibir atención médica de emergencia cuando la necesite, en cualquier lugar de los Estados Unidos o de sus territorios. Nuestro plan cubre servicios de ambulancia en situaciones en las que llegar a la sala de emergencias de otra forma podría poner en peligro su salud. Consulte su Evidencia de cobertura para conocer detalles. Usted puede recibir atención médica de emergencia cubierta cuando la necesite en cualquier lugar del mundo. Si tiene una emergencia, hablaremos con los médicos que le están brindando la atención de emergencia para ayudar con la administración y el seguimiento de su atención. Los médicos que le estén brindando atención de emergencia determinarán cuándo su afección está estable y ha finalizado la emergencia médica. Una vez finalizada la emergencia, usted tiene derecho a recibir atención de seguimiento para asegurarse de que su afección se mantenga estable. Nuestro plan cubrirá su atención de seguimiento. Si la atención de su emergencia es proporcionada por proveedores fuera de la red, intentaremos coordinar que proveedores de la red se hagan cargo de su atención tan pronto como su situación médica y las circunstancias lo permitan.

Debe usar proveedores del plan, salvo en situaciones de atención de emergencia o de urgencia. Si obtiene atención de rutina de proveedores no pertenecientes a la red, ni Medicare ni Cigna-HealthSpring se harán cargo de los costos.

Para planes POS: Si obtiene atención de rutina de proveedores no pertenecientes a la red, tendrá que pagar el costo compartido fuera de la red, a excepción de la atención de emergencia y el cuidado de urgencia fuera de la red. Consulte su Evidencia de cobertura para obtener más información.

Servicios de salud del comportamiento

Los servicios de salud del comportamiento, incluidos los servicios de salud mental y abuso de sustancias, para beneficiarios cubiertos por Cigna-HealthSpring se brindan a través de los Servicios de Salud del Comportamiento de Cigna-HealthSpring. 2019 Pharmacy Directory

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1 each year.

This pharmacy directory was updated in November 2019. For more recent information or other questions, please contact Cigna-HealthSpring Customer Service at 1-800-668-3813, October 1st – March 31st, 8 a.m. - 8 p.m. local time, 7 days a week. From April 1st – September 30th, Monday - Friday 8 a.m. - 8 p.m. local time, Saturday 8 a.m. 5 p.m. local time. Messaging service used weekends, after hours, and Federal holidays. TTY users should call 711, or visit www.cignahealthspring.com.

The pharmacy network may change at any time. You will receive notice when necessary. Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.cignahealthspring.com. You may also call Customer Service for updated provider information.

Introduction

This booklet provides a list of Cigna-HealthSpring's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Cigna-HealthSpring's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan customers. In most cases, your prescriptions are covered under Cigna-HealthSpring only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a gray box to distinguish them from other pharmacies in our network that offer standard cost-sharing. If you are a customer of our TotalCare, Primary or Traditions plan, your cost-share is the same at a standard network pharmacy as it would be at a preferred network pharmacy.

You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order and your method of payment. If you do not receive your prescription drug(s) within this time, please contact us at 1-800-668-3813 (TTY 711). For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Tennessee Counties: Bledsoe, Bradley, Grundy, Hamilton, Marion, Polk and Sequatchie.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Cigna-HealthSpring.

Cigna-HealthSpring

Directorio de farmacias 2019

Los beneficiarios deben usar farmacias de la red para recibir el beneficio para medicamentos con receta. Los beneficios, el formulario, la red de farmacias, las primas y/o los copagos/el coseguro pueden cambiar el 1 de enero de cada año.

Este directorio de farmacias se actualizó en noviembre de 2019. Para obtener información más reciente o si tiene otras preguntas, comuníquese con Servicio al Cliente de Cigna-HealthSpring al 1-800-668-3813, del 1 de octubre al 31 de marzo, de 8 a.m. a 8 p.m., hora local, los 7 días de la semana. Del 1 de abril al 30 de septiembre, de lunes a viernes, de 8 a.m. a 8 p.m., hora local; los sábados, de 8 a.m. a 5 p.m., hora local. Se usa un servicio de mensajes los fines de semana, fuera del horario de atención y en los días festivos federales. Los usuarios de TTY deben llamar al 711 o visitar www.cignahealthspring.com.

La red de farmacias puede cambiar en cualquier momento. Recibirá una notificación cuando sea necesario. Es posible que, durante el año de beneficios, se realicen cambios en nuestra red de farmacias. Podrá encontrar un Directorio de farmacias actualizado en nuestro sitio web www.cignahealthspring.com. También puede llamar a Servicio al Cliente para obtener información actualizada sobre los proveedores.

Introducción

Este cuadernillo proporciona una lista de farmacias de la red de Cigna-HealthSpring. Para obtener una descripción completa de su cobertura de medicamentos con receta e información sobre cómo despachar sus recetas, consulte la Evidencia de cobertura y el formulario de Cigna-HealthSpring.

Llamamos a las farmacias de esta lista “farmacias de la red” porque firmamos convenios con ellas para que proporcionen medicamentos con receta a los clientes del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por Cigna-HealthSpring únicamente si se despachan en una farmacia de la red o a través de nuestro servicio de farmacia de pedido por correo. Una vez que vaya a una farmacia, no es necesario que siga yendo a la misma farmacia para que le despachen sus medicamentos con receta, sino que puede cambiar por cualquier otra farmacia de nuestra red. Le despacharemos los medicamentos con receta en farmacias no pertenecientes a la red en determinadas circunstancias, tal como se describe en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Es posible que se hayan agregado o eliminado farmacias de la lista desde la fecha de impresión de este directorio. Esto significa que es posible que algunas farmacias que figuran aquí ya no pertenezcan a nuestra red o que haya farmacias más nuevas en nuestra red que no figuren en la lista. Esta lista está actualizada a partir de noviembre de 2019. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y la contraportada.

Puede ir a todas las farmacias que figuran en esta lista, pero sus costos para algunos medicamentos pueden llegar a ser más bajos en las farmacias de esta lista que ofrecen opciones preferidas de costo compartido. Hemos marcado estas farmacias con un recuadro gris para distinguirlas de otras farmacias de nuestra red, que ofrecen opciones estándar de costo compartido. Si usted es cliente de nuestro plan TotalCare, Primary o Traditions, su costo compartido es el mismo en una farmacia de la red estándar que en una farmacia de la red preferida.

Puede pedir que los medicamentos con receta se le envíen a su hogar a través del programa de entrega mediante pedido por correo de nuestra red. Por lo general, debería recibir sus medicamentos con receta dentro de los 14 días siguientes al momento en que la farmacia de pedido por correo reciba el pedido y su forma de pago. Si no recibe su(s) medicamento(s) con receta dentro de este plazo, comuníquese con nosotros al 1-800-668-3813 (TTY 711). Para obtener más información, comuníquese con nosotros o consulte la sección sobre pedidos por correo de este directorio de farmacias.

Este directorio es para los siguientes condados de Tennessee: Bledsoe, Bradley, Grundy, Hamilton, Marion, Polk y Sequatchie.

Si tiene alguna pregunta sobre alguno de los temas mencionados, en la portada y en la contraportada de este directorio encontrará información sobre cómo ponerse en contacto con Cigna-HealthSpring.
