Section 1 – Introduction

Network Providers

This directory provides a list of your plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Cigna is committed to building a trusted network of health care providers. The doctors, hospitals, facilities, and other providers we contract with must meet certain credentialing requirements. They must also agree to our billing rates. This helps make sure you have access to quality, cost-effective care. To build our network, we look at how many primary care and specialty doctors are in a specific area. We also look at what hospitals, labs, and other facilities are in that area. Our goal is to build a network that gives you choice and convenient access to treatment and services. Provider networks vary by state and plan, and include doctors, hospitals, and health care facilities in your local area.

You will have to choose one of our network providers who are listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. Your PCP is a physician who is trained to provide general medical care. Your PCP can also coordinate the rest of the covered services you need.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, in some plans certain services may require a referral. In some cases, you may get covered services from non-network providers.

Specialists – Referrals

Even though your PCP is trained to handle the majority of common health needs, there may be a time when you need more specialized treatment. In those situations, you may see a plan specialist. Specialists are doctors who are trained to provide health services for a specific disease or part of the body. For some types of specialists and specific plans, you will need to obtain a "referral" from your PCP before you can schedule an appointment with the specialist. Below is a list of provider specialty types that require referrals from your PCP before you can schedule an appointment with them. Please note: Some provider types may have been added or removed from the list after this directory was printed. You should check with your PCP or call Customer Service at the phone number on the cover to see if a referral is required by your plan to see a specialist or other provider. Note that a referral is different from "prior authorization", which is required before certain services or procedures can be performed.

In addition, each PCP has certain plan specialists and hospitals they use for referrals. This means that the Cigna Medicare Advantage specialists or hospitals you can use may depend on which PCP you select. If there are specialists or hospitals that you want to use, it is important to find out if your chosen PCP refers to them.

Relationships within our Provider Network

Cigna Medicare Advantage has different types of Primary Care Provider relationships. We may have contracts with Cigna Medical Group, independent physicians, Independent Physician Associations, Physician Organized Delivery system and clinic-based providers in your area. The following paragraphs describe the relationship these providers have with us.

- **Cigna Medical Group**
  Cigna Medical Group (CMG) is the medical group practice division of Cigna HealthCare of Arizona, Inc. CMG consists of Primary Care and Specialist Physicians located in and around your area. CMG further includes Cigna-owned and operated clinics, pharmacies, urgent care, hearing and vision centers, and ambulatory surgery centers. If you select a Primary Care Physician who belongs to CMG, you should be aware that your CMG PCP will refer you to CMG specialists or other specialists and hospitals with whom CMG works closely to coordinate your care. You will receive your care from CMG providers and the specialty, ancillary and hospital providers CMG works with to coordinate the provision of services. However, Gynecological care can be accessed through any Gynecologist in the network.

  CMG providers will serve as your core team of primary care and specialty physicians who can manage your care needs. If your medical condition should require you to seek care outside CMG, your primary care physician will continue to assist you in the coordination of any needed prior authorizations or referrals for services outside CMG.

- **Independent Physician Associations (IPA)**
  Independent Physician Associations (IPAs) consist of Primary Care and Specialist Physicians located in and around your area. If you select a Primary Care Physician who belongs to an IPA, you should be aware that your PCP will refer you to specialists and hospitals affiliated with the same IPA and with whom they work closely to coordinate your care. You will receive all of your care, including gynecological and specialty care from the physicians within the same IPA. Gynecological care can be accessed by any Gynecologist in the network.

  Your IPA is designed to provide a team of primary care and specialty physicians who can manage your care needs. However, if your medical condition should ever require you to seek care outside the IPA, your primary care physician will continue to assist you in the coordination of any needed prior authorizations or referrals for services outside the IPA.

- A **Physician Organized Delivery (POD)** system represents a network of physicians with similar referral patterns, organized to administer health care services to the plan's customers. If you select a Primary Care Physician who belongs to a POD, you should be aware that your PCP will refer you to specialists affiliated with the same POD and with whom they work closely to coordinate your care. However, your primary care physician can refer you to any other in-network physician outside of the POD, and your primary care physician will continue to assist you in the coordination of any needed services outside the POD.

- **Independent physicians**
  Independent physicians are Primary Care and Specialist physicians located in and around your area that are not part of an Independent Physician Association (IPA) or Physician Organized Delivery system (POD). If you select an independent Primary Care Physician you should be aware that your PCP will refer you to specialists and hospitals with whom he/she is

affiliated and with whom they work closely to coordinate your care. Please confirm whether the referred physician or hospital is a network provider with your plan. You will receive all of your care, including gynecological and specialty care from the physicians affiliated with your PCP. Gynecological care can be accessed through any independent Gynecologist.

If you should receive a full-cost bill from a provider

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should contact Customer Service or send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. (Please note that we cannot pay a provider who has opted out of the Medicare program. Check with your provider before receiving services to confirm that they have not opted out of Medicare.) If we determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost.

Emergency care/Urgent care

You may get emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Please refer to your Evidence of Coverage for details. If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

For HMO Plans: You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Cigna will be responsible for the costs.

Telehealth Services

For nonemergency care, you can get on-demand doctor visits in minutes via your smart phone, computer or tablet. You can talk live with an MDLIVE telehealth provider about a number of health issues, including allergies, flu, and joint aches and pains. To learn more about this benefit, call Customer Service at the phone number listed on the cover.

Behavioral Health Services

Behavioral health services, including mental health and substance abuse services, for beneficiaries covered by your plan are provided through Cigna Behavioral Health. Customers and providers may access Cigna Behavioral Health by calling 1-800-866-6534 (TTY 711) for assistance in finding a behavioral health care professional or to arrange for inpatient admission authorization. Cigna Behavioral Health is available 24 hours per day, 7 days a week.

Sección 1 – Introducción

Proveedores de la red

Este directorio proporciona una lista de proveedores de la red de su plan. Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su Evidencia de cobertura (EOC, por sus siglas en inglés).

Cigna tiene el compromiso de construir una red confiable de proveedores de cuidado de la salud. Los médicos, hospitales, centros y otros proveedores que contratamos deben cumplir determinados requisitos de acreditación. También deben aceptar nuestras tarifas de facturación. Esto ayuda a que nos aseguremos de que usted tenga acceso a servicios de calidad y con una buena relación costo-beneficio para el cuidado de su salud. Para construir nuestra red, nos fijamos cuántos médicos de cuidado primario y especialistas hay en un área en particular. También nos fijamos en qué hospitales, laboratorios y otros centros hay en esa área. Nuestra meta es construir una red que le dé opciones y un acceso cómodo a tratamiento y servicios. Las redes de proveedores varían según el estado y el plan, e incluyen médicos, hospitales y centros de cuidado de la salud en el área donde usted vive.

Deberá elegir uno de los proveedores de nuestra red incluidos en este directorio como su **p**roveedor de **c**uidado **p**rimario (PCP). Por lo general, usted deberá obtener sus servicios de cuidado de la salud por medio de su PCP. Su PCP es un médico que está capacitado para brindar atención médica general. Su PCP también podrá coordinar el resto de los servicios cubiertos que usted necesite.

Los proveedores de la red incluidos en este directorio han aceptado brindarle servicios de cuidado de la salud y cuidado de la vista. Puede dirigirse a cualquiera de los proveedores de nuestra red incluidos en este directorio; sin embargo, en algunos planes es posible que necesite una referencia para determinados servicios. En algunos casos, puede recibir servicios cubiertos de proveedores no pertenecientes a la red.

Referencias a especialistas

Aunque su PCP esté capacitado para manejar la mayoría de las necesidades médicas comunes, es posible que en algunas ocasiones usted necesite tratamiento más especializado. En esas situaciones, podrá consultar a un especialista del plan. Los especialistas son médicos que están capacitados para brindar servicios de salud para una enfermedad o una parte del cuerpo específica. Para algunos tipos de especialistas y planes específicos, deberá obtener una “referencia” de su PCP antes de poder programar una cita con el especialista. A continuación encontrará una lista de los tipos de especialidades de los proveedores para los que se necesitan referencias de su PCP antes de que pueda programar una cita con ellos. Tenga en cuenta que: es posible que se hayan agregado o eliminado algunos tipos de proveedores de la lista desde la fecha de impresión de este directorio. Debería consultar a su PCP o llamar a Servicio al Cliente al número de teléfono que aparece en la portada para ver si su plan exige una referencia para consultar a un especialista u otro proveedor. Tenga en cuenta que una referencia es diferente de la “autorización previa”, que se requiere antes de que puedan realizarse determinados servicios o procedimientos.

Además, cada PCP tiene determinados especialistas y hospitales del plan que usa para las referencias. Esto significa que los especialistas u hospitales de Cigna Medicare Advantage que usted pueda usar pueden depender del PCP que elija. Si usted desea usar determinados especialistas u hospitales, es importante que averigüe si el PCP que ha elegido da referencias para ellos.

Relaciones dentro de nuestra red de proveedores

Cigna Medicare Advantage tiene diferentes tipos de relaciones con los proveedores de cuidado primario. Es posible que tengamos contratos con médicos independientes, Asociaciones de Médicos Independientes, sistema de Prestación Organizada de Médicos y proveedores que atienden en clínicas de su área. Los siguientes párrafos describen la relación que tienen estos proveedores con nosotros.

- **Cigna Medical Group**
  Cigna Medical Group (CMG) es la división del grupo médico de Cigna HealthCare of Arizona, Inc. CMG comprende médicos de cuidado primario y especialistas ubicados en su área y en los alrededores. CMG además incluye clínicas, farmacias, centros de cuidado de urgencia, centros de cuidado de la vista y de la audición y centros quirúrgicos ambulatorios de propiedad de Cigna y operados por Cigna. Si usted elige un médico de cuidado primario que pertenece a CMG, debe saber que su PCP de CMG le referirá a especialistas de CMG u otros especialistas y hospitales con quienes CMG trabaja en estrecha colaboración para coordinar su cuidado. Usted recibirá servicios para el cuidado de su salud a través de proveedores de CMG y de los especialistas, proveedores auxiliares y hospitales con los que CMG trabaja para coordinar la prestación de servicios. Sin embargo, se puede acceder a atención ginecológica a través de cualquier ginecólogo de la red.

  Los proveedores de CMG le brindarán servicios como su equipo principal de médicos de cuidado primario y especialistas que pueden manejar sus necesidades para el cuidado de su salud. Si por su afección médica usted tuviera que solicitar atención fuera de CMG, su médico de cuidado primario seguirá brindándole asistencia para la coordinación de las autorizaciones previas o referencias necesarias para los servicios fuera de CMG.

- **Asociaciones de Médicos Independientes (IPA)**
  Las Asociaciones de Médicos Independientes (IPA, por sus siglas en inglés) comprenden médicos de cuidado primario y especialistas ubicados en su área y en los alrededores. Si usted elige un médico de cuidado primario que pertenece a una IPA, debe saber que su PCP le referirá a especialistas y hospitales afiliados a la misma IPA con quienes trabaja en estrecha colaboración para coordinar su cuidado. Recibirá toda su atención, incluida la atención ginecológica y especializada, de médicos pertenecientes a la misma IPA. Se puede acceder a atención ginecológica a través de cualquier Ginecólogo de la red.

  Su IPA está diseñada para brindarle un equipo de médicos de cuidado primario y especialistas que puedan manejar sus necesidades para el cuidado de su salud. Sin embargo, si su afección médica alguna vez exigiera solicitar atención fuera

de la IPA, su médico de cuidado primario seguirá brindándole asistencia para la coordinación de las autorizaciones previas o referencias necesarias para los servicios fuera de la IPA.

- Un sistema de **Prestación Organizada de Médicos (POD)** representa una red de médicos con patrones de referencia similares, organizados para administrar servicios de cuidado de la salud a los clientes del plan. Si usted elige un médico de cuidado primario que pertenece a una POD, debe saber que su PCP le referirá a especialistas afiliados a la misma POD con quienes trabaja en estrecha colaboración para coordinar su cuidado. Sin embargo, su médico de cuidado primario puede referirle a cualquier otro médico de la red fuera de la POD, y su médico de cuidado primario seguirá brindándole asistencia para la coordinación de los servicios necesarios fuera de la POD.

- **Médicos independientes**
  Los médicos independientes son médicos de cuidado primario y especialistas que atienden en su área y en los alrededores que no forman parte de una Asociación de Médicos Independientes (IPA) o un sistema de Prestación Organizada de Médicos (POD). Si usted elige un médico de cuidado primario independiente, debe saber que su PCP le referirá a especialistas y hospitales con los que esté afiliado y con los cuales trabaja en estrecha colaboración para coordinar su cuidado. Confirme si el médico u hospital referido es un proveedor de la red de su plan. Recibirá toda su atención, incluida la atención ginecológica y especializada, de médicos afiliados a su PCP. Puede acceder a atención ginecológica a través de cualquier Ginecólogo independiente.

Si recibe una factura por el costo total de un proveedor

También puede haber ocasiones en que reciba una factura de un proveedor por el costo total de la atención médica que recibió. En muchos casos, debe comunicarse con Servicio al Cliente o enviarnos esta factura en lugar de pagarla. Nosotros analizaremos la factura y decidiremos si los servicios se deben cubrir. Si decidimos que se deben cubrir, le pagaremos directamente al proveedor. (Tenga en cuenta que no podemos pagarle a un proveedor que ha optado por quedar excluido del programa Medicare. Consulte a su proveedor antes de recibir servicios para confirmar que no haya optado por quedar excluido de Medicare). Si determinamos que los servicios no están cubiertos o que no eran médicamente necesarios, es posible que deneguemos la cobertura, y usted será responsable del costo total.

Atención de emergencia/cuidado de urgencia

Usted puede recibir atención médica de emergencia cuando la necesite, en cualquier lugar de los Estados Unidos o de sus territorios. Nuestro plan cubre servicios de ambulancia en situaciones en las que llegar a la sala de emergencias de otra forma podría poner en peligro su salud. Consulte su Evidencia de cobertura para conocer detalles. Si tiene una emergencia, hablaremos con los médicos que le están brindando la atención de emergencia para ayudar con la administración y el seguimiento de su atención. Los médicos que le estén brindando atención de emergencia determinarán cuándo su afección está estable y ha finalizado la emergencia médica. Una vez finalizada la emergencia, usted tiene derecho a recibir atención de seguimiento para asegurarse de que su afección se mantenga estable. Nuestro plan cubrirá su cuidado de seguimiento. Si la atención de su emergencia es proporcionada por proveedores fuera de la red, intentaremos coordinar que proveedores de la red se hagan cargo de su atención tan pronto como su situación médica y las circunstancias lo permitan.

Para planes HMO: Debe usar proveedores del plan, salvo en situaciones de atención de emergencia o cuidado de urgencia. Si obtiene atención de rutina de proveedores no pertenecientes a la red, ni Medicare ni Cigna se harán cargo de los costos.

Servicios de telesalud

Para la atención que no es de emergencia, puede conseguir visitas al médico a demanda en minutos a través de su teléfono inteligente, su computadora o su tableta. Puede hablar en vivo con un proveedor de telesalud de MDLIVE acerca de varios temas de salud, como alergias, gripe, y molestias y dolores articulares. Para obtener más información sobre este beneficio, llame a Servicio al Cliente al número de teléfono que se indica en la portada.

Servicios de salud del comportamiento

Los servicios de salud del comportamiento, incluidos los servicios de salud mental y abuso de sustancias, para beneficiarios cubiertos por su plan se brindan a través de Cigna Behavioral Health. Los clientes y proveedores pueden acceder a los servicios de Cigna Behavioral Health llamando al 1-800-866-6534 (TTY 711) para recibir asistencia para encontrar un profesional de cuidado de la salud del comportamiento o para coordinar la autorización para una admisión como paciente internado. Los servicios de Salud del Comportamiento de Cigna están disponibles las 24 horas del día, los 7 días de la semana.

2020 Pharmacy Directory

This pharmacy directory was updated in September 2020. For more recent information or other questions, please contact Cigna Customer Service at 1-800-627-7534, From October 1-March 31, 8:00 am-8:00 pm local time, 7 days a week. From April 1-September 30, Monday - Friday 8:00 am-8:00 pm local time. Messaging service used weekends, after hours, and on federal holidays. TTY users should call 711, or visit www.CignaMedicare.com/group/maresources.

Introduction

When this pharmacy directory refers to “we,” “us”, or “our,” it means Cigna Medicare Advantage. When it refers to “plan” or “our plan,” it means Cigna-HealthSpring Preferred Rx (HMO).

This booklet provides a list of your plan’s network pharmacies. To get a complete description of your prescript ion coverage, including how to fill your prescriptions, please review the Evidence of Coverage and your plan’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan customers. In most cases, your prescriptions are covered under your plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a gray box to distinguish them from other pharmacies in our network that offer standard cost-sharing. If you are a customer of our TotalCare, Primary or Traditions plans, your cost-share is the same at a standard network pharmacy as it would be at a preferred network pharmacy.

You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order and your method of payment. If you do not receive your prescription drug(s) within this time, please let us know. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Arizona Counties: Maricopa, Pima, Pinal County in the following zip codes only: 85117; 85118; 85119; 85120; 85140; 85143 and 85178 which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Introducción

Cuando este directorio de farmacias hace referencia a “nosotros”, “nos” o “nuestro”, significa Cigna Medicare Advantage. Cuando hace referencia al “plan” o a “nuestro plan”, significa Cigna-HealthSpring Preferred Rx (HMO).

Este cuadernillo proporciona una lista de farmacias de la red de su plan. Para obtener una descripción completa de su cobertura de medicamentos con receta e información sobre cómo despachar sus recetas, consulte la Evidencia de cobertura y el formulario de su plan.

Llamamos a las farmacias de esta lista “farmacias de la red” porque firmamos convenios con ellas para que proporcionen medicamentos con receta a los clientes del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por su plan únicamente si se despachan en una farmacia de la red o a través de nuestro servicio de farmacia de pedido por correo. Una vez que vaya a una farmacia, no es necesario que siga yendo a la misma farmacia para que le despachen sus medicamentos con receta, sino que puede cambiar por cualquier otra farmacia de nuestra red. Le despacharemos los medicamentos con receta en farmacias no pertenecientes a la red en determinadas circunstancias, tal como se describe en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Es posible que se hayan agregado o eliminado farmacias de la lista desde la fecha de impresión de este directorio. Esto significa que es posible que algunas farmacias que figuran aquí ya no pertenezcan a nuestra red o que haya farmacias más nuevas en nuestra red que no figuren en la lista. Esta lista está actualizada a partir de septiembre de 2020. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y la contraportada.

Puede ir a todas las farmacias que figuran en esta lista, pero sus costos para algunos medicamentos pueden llegar a ser más bajos en las farmacias de esta lista que ofrecen opciones preferidas de costo compartido. Hemos marcado estas farmacias con un recuadro gris para distinguirlas de otras farmacias de nuestra red, que ofrecen opciones estándar de costo compartido. Si usted es cliente de nuestros planes TotalCare, Primary o Traditions, su costo compartido es el mismo en una farmacia de la red estándar que en una farmacia de la red preferida.

Puede pedir que los medicamentos con receta se le envíen a su hogar a través del programa de entrega mediante pedido por correo de nuestra red. Por lo general, debería recibir sus medicamentos con receta dentro de los 14 días siguientes al momento en que la farmacia de pedido por correo reciba el pedido y su forma de pago. Si no recibe su(s) medicamento(s) con receta dentro de este plazo, avísenos. Para obtener más información, comuníquese con nosotros o consulte la sección sobre pedidos por correo de este directorio de farmacias.

Este directorio es para Arizona Condados: Maricopa, Pima, Pinal County en los siguientes códigos postales: 85117; 85118; 85119; 85120; 85140; 85143 y 85178, que incluye el área donde usted vive. Sin embargo, cubrimos un área de servicio más grande, y hay más farmacias en las que es posible que nuestro plan cubra sus medicamentos con receta. Para obtener información sobre más farmacias de la red de nuestro plan no incluidas en este directorio, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y la contraportada.

Si tiene alguna pregunta sobre alguno de los temas mencionados, en la portada y en la contraportada de este directorio encontrará información sobre cómo ponerse en contacto con nosotros.
