Cigna Saver Rx (PDP)

2024 Pharmacy Directory

This pharmacy directory was updated on November, 2024. For more recent information or other questions, please contact Cigna Healthcare℠, at 1-800-222-6700 (TTY: 711), 8 a.m.–8 p.m., local time, 7 days a week. Our automated phone system may answer your call during weekends from April 1-Sept. 30, or visit www.cigna.com/part-d.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.cigna.com/part-d. You may also call Customer Service for updated provider information.

Cigna Saver Prescription Drug Plan's pharmacy network includes limited lower-cost, preferred pharmacies in Alaska. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 1-800-222-6700 (TTY 711) or consult the online pharmacy directory at CignaMedicare.com.

Introduction

This booklet provides a list of Cigna Saver Rx (PDP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Cigna Saver Rx (PDP) formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan customers. In most cases, your prescriptions are covered under Cigna Healthcare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November, 2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a gray box to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Cigna Healthcare.
