OUTLINE OF COVERAGE

READ YOUR POLICY CAREFULLY. This outline of coverage provides a very brief description of the important features of your Policy. This is not the insurance contract and only the actual Policy provisions will control. The Policy itself sets forth, in detail, the rights and obligations of both You and Connecticut General Life Insurance Company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

This is not a Policy of worker's compensation insurance. The employer does not become a subscriber to the workers' compensation system by purchasing this Policy, and if the employer is a non-subscriber, the employer loses those benefits which would otherwise have accrued under the workers' compensation laws. The employer must comply with the workers' compensation law as it pertains to non-subscribers and the required notifications that must be filed and posted.

- C. A Participating Provider Plan** enables the Insured to incur lower medical costs by using providers in the CIGNA network.

A **Participating Provider** is a Hospital, a Physician or any other health care practitioner or entity that has a direct or indirect contractual arrangement with CIGNA to provide Covered Services with regard to a particular Policy under which an Insured Person is covered.

A **Non-Participating Provider** (Out of Network Provider) is a Provider who does not have a Participating Provider agreement in effect with CIGNA. Covered Expenses for Non-Participating Providers are based on Maximum Reimbursable Charges which may be less than actual billed charges. Non-Participating Providers can bill you for amounts exceeding Covered Expenses.

D. Covered Services and Benefits

Deductibles

- The **Individual In-Network Deductible** is the amount of Covered Expenses incurred from Participating Providers, for medical services, that You must pay per Year before any benefits are available. The amount of the Individual In-Network Deductible is described in the Schedule of Benefits section of this Policy.

- The **Family In-Network Deductible** applies if You have a family plan and You and one or more of your Family Member(s) are Insured under this Policy. The Individual In-Network Deductible paid by each Family Member counts towards satisfying the Family In-Network Deductible. Once the Family In-Network Deductible amount is satisfied, the remaining Individual In-Network Deductibles will be waived. The amount of the Family In-Network Deductible is described in the Schedule of Benefits section of this Policy.
- An **Access Fee** refers to additional amounts of Covered Expenses which each Insured Person must pay for an emergency room visit that does not result in an admission to the Hospital. Any Access Fees owed are reflected in the Schedule of Benefits section of the policy.
- The **Individual Out-of-Network Deductible** is the amount of Covered Expenses incurred from Non-Participating Providers, for medical services, that You must pay per Year before any benefits are available. This Additional Deductible is separate from Deductibles that apply to medical services and does not accumulate toward satisfying the medical Out of Pocket Maximums.

Routine follow-up care to determine whether a breast cancer has recurred in a person who has been previously determined to be free of breast cancer does not constitute medical advice, diagnosis, care, or treatment for purposes of determining pre-existing conditions, unless evidence of breast cancer is found during or as a result of the follow-up care.

The exclusion for Pre-existing Conditions does not apply to an Insured Person under age 19. This exclusion also does not apply to an Insured Person age 19 and older who was continuously covered by a plan with coverage that was similar or exceeds the coverage of this Plan. The coverage must have been in effect up to a date not more than 62 days prior to the Effective Date of the Insured Person's individual coverage, excluding any waiting period.

In determining the duration of the Pre-existing Condition exclusion, We will credit the time an Insured Person age 19 and older was previously covered under Creditable Coverage if the previous coverage was in effect at any time during the 18 months preceding the Effective Date of the Insured Person's coverage under this Plan. Proof of Creditable Coverage is required.

3. Waiting Periods

We will do Our best to resolve the matter on your initial contact. If We need more time to review or investigate your concern, We will get back to you as soon as possible, but in any case within 30 days.

If an Insured Person is not satisfied with the results of a coverage decision, they can start the appeals procedure.

Appeals Procedure

To initiate an appeal, the Insured Person must submit a request for an appeal in writing, within 365 days of receipt of the denial notice, to the following address:

CIGNA HealthCare Inc.
National Appeals Unit (NAO)
PO Box 188011
Chattanooga, TN 37422

The Insured Person should state the reason why he or she feels the appeal should be approved and include any information supporting the appeal. If an Insured Person is unable or chooses not to write, he or she may ask to register the appeal by telephone. Call Us at the toll-free number on the Benefit Identification card, explanation of benefits or claim form.

If the appeal involves a coverage decision based on issues of Medical Necessity, clinical appropriateness or Experimental treatment, a medical review will be conducted by a Physician reviewer in the same or similar specialty as the care under consideration, as determined by CIGNA's Physician reviewer. For all other coverage plan-related appeals, a review will be conducted by someone who was a) not involved in any previous decision related to your appeal, and b) not a subordinate of previous decision makers. Provide all relevant documentation with your appeal request.

For required preservice and concurrent care coverage determinations, CIGNA's review will be completed within 15 calendar days. For postservice claims, CIGNA's review will be completed within 30 calendar days. If more time or information is needed to make the determination, We will notify the Insured Person in writing to request an extension of up to 15 calendar days and to specify any additional information needed by to complete the review. In the event any new or additional information (evidence) is considered, relied upon or generated by Us in connection with the appeal, We will provide this information to you as soon as possible and sufficiently in advance of the decision, so that you will have an opportunity to respond. Also, if any new or additional rationale is considered by Us, We will provide the rationale to you as soon as possible and sufficiently in advance of the decision so that you will have an opportunity to respond.

The Insured Person will be notified in writing of the decision within five working days after the decision is made, and within the review time frames above if CIGNA does not approve the requested coverage.

The Insured Person may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize the Insured Person's life, health or ability to regain maximum function or in the opinion of his or her Physician would cause severe pain which cannot be managed without the requested services; or (b) the appeal involves non-authorization of an admission or continuing inpatient Hospital stay. If you request that your appeal be expedited based on (a) above, you may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited internal appeal would be detrimental to your medical condition.

CIGNA's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision no later than one hour from the request, and followed up in writing within three calendar days.

Independent Review Procedure

If you are not fully satisfied with the decision of CIGNA's appeal review regarding your Medical Necessity or clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by CIGNA or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the Policy.

There is no charge for you to initiate this independent review process and the decision to use the process is voluntary. CIGNA will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by CIGNA. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, you must notify the Appeals Coordinator within 180 days of your receipt of CIGNA's review denial. CIGNA will then forward the file to the Independent Review Organization.

The Independent Review Organization will render an opinion within 30 days. When requested and when a delay would be detrimental to your condition, as determined by CIGNA's Physician reviewer, the review will be completed within three days.
