

MISSOURI

Medical Insurance Commission Schedule for Brokers and Agents Effective dates: 9/1/2015 – 12/31/2015

Original Commissionable Premium is the policy-level premium assigned on the policy effective date. Commissionable premium is changed only for a member who is added or terminated on the policy, a member that changes their medical plan selection, or one or more members on the policy change their location. Commissions will be paid on posted premiums applied to your clients' eligible cases. There is no change to commission schedules for business effective prior to September 1, 2015.

Payment Frequency

Commission checks are issued twice a month.

Cigna pays commissions only to brokers and agents licensed under state insurance laws and, if required by law, appointed by Cigna. To be eligible to receive commissions, you must sign an agreement with Cigna. If you sell a Health Insurance Marketplace plan, you will also need to provide Cigna with a copy of your Federally Facilitated Marketplace certification and User ID to receive commissions. Commission schedules are subject to change, at Cigna's discretion.
