Pharmacy Directory

Participating Pharmacies in the United States,
the U.S. Virgin Islands, Puerto Rico and Guam

The following is a listing by state of the retail pharmacy chains that participate in CIGNA's 90-day prescription supply network. In addition to the chains listed, CIGNA has contracted with a number of independent retail pharmacies in each state. For your convenience, approximately 55,000 retail pharmacies are participating in this 90-day supply network nationally and CIGNA's efforts to expand this network are ongoing.

All participating pharmacies in CIGNA's national pharmacy network of approximately 60,000 pharmacies will continue to fill 30-day supplies.

Please review your plan document to determine if your plan includes the option to fill a 90-day prescription supply at the retail pharmacy locations listed in this directory.

In addition, if your employer provides a home delivery benefit under your plan, 90-day prescription supplies are available through CIGNA Home Delivery Pharmacy. Using CIGNA Home Delivery Pharmacy provides convenience for you and may also provide additional savings. Refer to your plan materials for information regarding your home delivery benefit. Call 1.800.835.3784, or visit us on the Web at www.mycigna.com.

Questions

If you would like to know if your local independent pharmacy is participating in the 90-day prescription supply network, or if you have questions about the 90-day prescription supply benefit, call the toll-free customer service number on your ID card .
