Protecting your most important asset.
Your health.

Protect your health, secure your future.

To protect your health, CIGNA* has put together health and pharmacy plans that help keep you and your family well. We provide the coverage you need, when you need it, along with award-winning customer service. With a full range of programs and services to enhance your coverage, you get real value in a health plan that's right for you. CIGNA's online tools and support help you make well-informed choices, so you can stay healthy. And that benefits everyone.

* In this brochure, "CIGNA" and "CIGNA HealthCare" refer to Connecticut General Life Insurance Company, which offers health insurance plans in your state. "CIGNA" and "CIGNA HealthCare" also may refer to HMO plans, if offered in your state. We offer HMO plans only through the following state-specific companies: CIGNA HealthCare of Arizona, Inc.; CIGNA HealthCare of New Hampshire, Inc.

Care from every perspective.

CIGNA health plans help you get healthy and stay well. Whether it's an annual physical or an emergency. Whether it's to prevent a health problem or lessen complications from an illness. Whether it's about your medical care or your medicine, you can count on us. Pure and simple. All it takes is one plan, one ID card and one member service center number. That way, you can live your life and enjoy peace of mind. And that alone can positively impact your health and well-being.

CIGNA Individual and Family Plans offer:

- **Emergency care, surgery and hospital coverage** to ensure you get the care you need when you're sick or hurt.
- **Prescription drug coverage** that makes it affordable to stay well.
- **Preventive care and wellness support** to help you prevent a health issue, find health problems early, when treatment works best, or simply better manage a health concern.

To better serve you.

You have a concern. You're wondering about your health. You have a question about a benefit. Or maybe you just want to talk to a live person. Just call the number on your CIGNA HealthCare member ID card and talk to a Member Service representative.

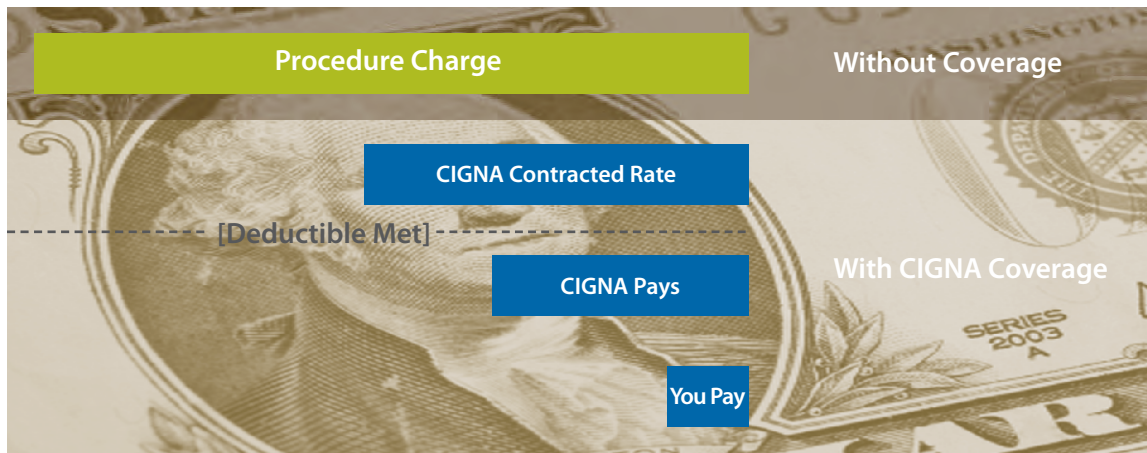

For two years in a row, CIGNA HealthCare's Primary Member Services Call Centers have been certified by J.D. Power and Associates* for providing "An Outstanding Customer Service Experience." We are proud to be the first national health insurance company so honored. We know that with each phone call, we have the privilege to serve our members. We never forget that we're only as good as our last phone call.

Stretch your health care dollar.

At CIGNA, we negotiate with in-network providers to offer you the best value for your dollar. By using in-network doctors, you will pay a special contracted rate for services so you get immediate savings. Once you meet your deductible, CIGNA will pay a percentage of the contracted rate, and you are responsible for the copayment or coinsurance amount.

For more information on the specific benefits included in CIGNA Individual and Family Plans, please see the Plan Comparison provided by your CIGNA authorized agent.

A health care plan on your terms.

Choose your plan. Everyone wants a plan with solid coverage and good value. But maybe you want the lowest possible monthly premium. Or, maybe you want a plan with a lower annual deductible but a higher monthly premium. Or, you might want to save money tax-free to pay for your medical expenses via a Health Savings Account (HSA). With CIGNA, you have a choice of plan options. In turn, you get a plan that's responsive to your health care needs and your finances.

Choose your doctors with Open Access and Health Savings Plans.

If you select a CIGNA Open Access or Health Savings insurance plan, you have access to a network of more than 500,000 participating quality health care professionals and facilities throughout the country. You can stay with the doctor you have now. If you want to see a doctor who's not in the CIGNA network, there's no problem with these plans. Of course, your out-of-pocket costs will vary, but you'll pay less when you see an in-network provider.

Choose your discounts. Get healthy and get rewarded. With the CIGNA Healthy Rewards^{®*} program, you're entitled to special offers and health and wellness discounts from participating providers. Discounts available include these services:

- Weight management & nutrition
- Fitness club membership
- Laser vision correction
- Acupuncture
- Tobacco cessation

Choose door-to-door prescription delivery. If it's more convenient, your prescriptions can come to you. You can order up to a 90-day supply of your prescription medications with one phone call to the CIGNA Tel-Drug home delivery program. There are no extra costs or delivery fees. You pay only your CIGNA mail-order pharmacy copayment.

*Some Healthy Rewards programs are not available in all states. If your CIGNA HealthCare plan includes coverage for any of these services, this program is in addition to, not instead of, your plan benefits. Healthy Rewards programs are separate from your medical benefits. **A discount program is NOT insurance, and the member must pay the entire discounted charge.**

What you know can make you healthier.

There's an abundance of health information out there. But how do you know what's right for you? We can help you get the most out of your health care plan with a variety of helpful tools and support to keep you well-informed. With CIGNA's personalized website, you have easy access to interactive tools and health information. And if you need help, day or night, you can speak to a nurse, 24/7. Your resources include:

Online health management tool.

Learn how to help improve your health and well-being with CIGNA's Health Risk Assessment. Using this online tool, you can assess your current health status, understand your potential health risks and establish goals to improve your health, reduce risks and prevent sickness. You can also request to receive information on specific health topics, programs and services provided by CIGNA HealthCare.

24-hour health assistance.

Call the CIGNA HealthCare 24-Hour Health Information LineSM for helpful, reliable health information, toll-free, anytime, anywhere in the United States. And if you're out of the country, you can call us collect. Speak with a nurse when:

- Your child has a fever in the middle of the night.
- You're traveling and don't feel well, and you're unsure about the symptoms.
- You have a minor injury and wonder if you should treat it yourself or see a doctor.
- You need help locating a doctor when you are away from home.

You can also learn more about hundreds of health topics – everything from bumps and bug bites to varicose veins and X-rays, through CIGNA's library of recordings. Just call the toll-free number on your CIGNA HealthCare ID card.

Personalized website.

With details about your plan, health information and a number of interactive tools, **myCIGNA.com** can help you better understand your benefits and make more informed decisions about where to receive care. Online, you can:

- View your plan coverage, copayments and deductibles.
- View your claim history and verify plan details.
- Order a new ID card or print a temporary one.
- Pay your premium and view payment history.
- Choose your doctor and create a personalized list of nearby doctors, hospitals and pharmacies.
- Refill your prescriptions and get a 90-day supply delivered to your door.
- Check your prescription costs and learn about treatments and interactions for more than 200 medications.
- Learn how hospitals rank in quality and cost for various procedures, based on your benefit plan.
- Get facts on condition-specific procedures and treatments.
- Assess your current health condition and learn how to make lasting improvements.

Explanation of benefits.

As a CIGNA HealthCare member, you'll get an Explanation of Benefits, an easy-to-understand financial explanation of the medical services you receive, including service dates, charges submitted, amount covered, your deductible, coinsurance/copayment and covered balance.

The proof is in the quality.

CIGNA HealthCare has earned Full accreditation – the highest accreditation possible – for our Open Access Plus (OAP) plans and our Preferred Provider Organization (PPO) plans nationwide from the National Committee for Quality Assurance (NCQA). In addition, all 23 CIGNA Health Maintenance Organization (HMO) and Point of Service (POS) plans that have undergone NCQA review have received Excellent accreditation – also the highest accreditation rating available for these plans. We're proud that the NCQA, an independent organization, recognizes our commitment to give members the information, support and access to quality health care they need and want.

Let us help you and your family live a healthier life. Together, we can help you protect your health and secure your future.
