## Protect your health, secure your future.

To protect your health, CIGNA\* has put together health and pharmacy plans that help keep you and your family well. We provide the coverage you need, when you need it, along with award-winning customer service. With a wide range of programs and services to enhance your coverage, you get real value in a health plan that's right for you. CIGNA's online tools and support help you make well-informed choices, so you can stay healthy. And that benefits everyone.

\* In this brochure, "CIGNA" and "CIGNA HealthCare" refer to Connecticut General Life Insurance Company, which offers health insurance plans in your state. "CIGNA" and "CIGNA HealthCare" also may refer to HMO plans, if offered in your state. We offer HMO plans only through the following state-specific companies: CIGNA HealthCare of Arizona, Inc.; CIGNA HealthCare of New Hampshire, Inc.

## Care from every perspective.

CIGNA health plans help you get healthy and stay well. Whether it's an annual physical or an emergency. Whether it's to prevent a health problem or lessen complications from an illness. Whether it's about your medical care or your medicine, you can count on us. Pure and simple. All it takes is one plan, one ID card and one customer service center number. That way, you can live your life and enjoy peace of mind. And that alone can positively impact your health and well-being.

CIGNA Individual and Family Plans offer:

- **Emergency care, surgery and hospital coverage** to ensure you get the care you need when you're sick or hurt.
- **Prescription drug coverage** that makes it affordable to stay well.
- **Preventive care and wellness support** to help you prevent a health issue, find health problems early, when treatment works best, or simply better manage a health concern.

## To better serve you.

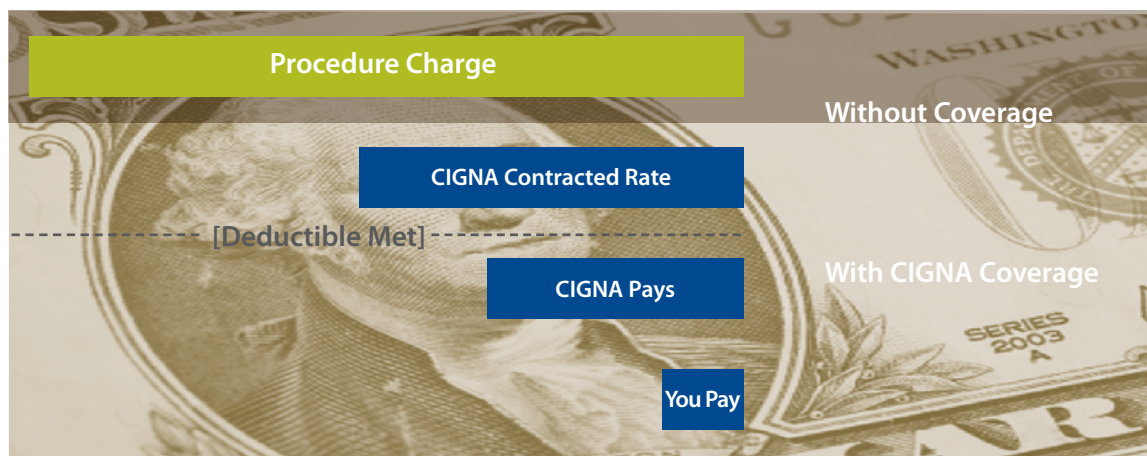

You have a concern. You're wondering about your health. You have a question about your coverage. Or maybe you just want to talk to a live person. CIGNA is the first health services company to offer customer service call center hours of 24 hours a day, seven days a week to answer questions at any time. Just call the number on your CIGNA HealthCare member ID card and talk to a Member Service representative.

We know that with each phone call, we have the privilege to serve you. We never forget that we're only as good as our last phone call.

## Stretch your health care dollar.

At CIGNA, we negotiate with in-network health care professionals to offer you the best value for your dollar. By using in-network doctors, you will pay a special contracted rate for services so you get immediate savings. Once you meet your deductible, CIGNA will pay a percentage of the contracted rate, and you are responsible for the copay or coinsurance amount.

For more information on the specific coverage included in CIGNA Individual and Family Plans, please see the Plan Comparison included in the back of this brochure or provided by your CIGNA authorized agent.

## A health care plan on your terms.

**Choose your plan.** Everyone wants a plan with solid coverage and good value. But maybe you want the lowest possible monthly premium. Or, maybe you want a plan with a lower annual deductible but a higher monthly premium. Or, you might want to save money tax-free to pay for your medical expenses via a Health Savings Account (HSA). With CIGNA, you have a choice of plan options. In turn, you get a plan that's responsive to your health care needs and your finances.

**Choose your doctors with Open Access and Health Savings Plans.** If you select a CIGNA Open Access or Health Savings insurance plan, you have access to a network of more than 500,000 participating quality health care professionals and centers throughout the country. You can stay with the doctor you have now. If you want to see a doctor who's not in the CIGNA network, there's no problem with these plans. Of course, your out-of-pocket costs will vary, but you'll pay less when you see an in-network health care professional.

**Choose your discounts.** Get healthy and get rewarded. With the CIGNA Healthy Rewards<sup>®\*</sup> program, you're entitled to special offers and health and wellness discounts from participating providers. Discounts available include these services:

- Weight management & nutrition
- Acupuncture
- Fitness club membership
- Tobacco cessation
- Laser vision correction

**Choose door-to-door prescription drug delivery.** If it's more convenient, your prescription drug can come to you. You can order up to a 90-day supply of your prescription medications with one phone call to the CIGNA Home Delivery Pharmacy. There are no extra costs or delivery fees. You pay only your CIGNA mail-order pharmacy copay.

\*Some Healthy Rewards programs are not available in all states. If your CIGNA HealthCare plan includes coverage for any of these services, this program is in addition to, not instead of, your plan coverage. Healthy Rewards programs are separate from your medical coverage. **A discount program is NOT insurance, and the customer must pay the entire discounted charge.**
