

Inventory Information Approval System (IIAS) Participating Merchants

The Internal Revenue Service (IRS) mandates that retail establishments such as department stores, discount stores, warehouse clubs, supermarkets and online pharmacies implement a new process called an Inventory Information Approval System (IIAS). This process automatically recognizes FSA-eligible items at the register based on a list established by the IRS. The retail stores below are or will be IIAS compliant.

PARTICIPATING MERCHANTS FOR 2008

Section 1 – Retailers Planning IIAS Standards Interest Group Support by January 1, 2008
