| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall deductible?   | \$7,600 person/ \$15,200 family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?                 | Yes. Preventive care, office visits, Prescription drugs, Urgent care visits subject to a copayment and eye exam/glasses for children are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other deductibles for specific services?                          | No.   | You don't have to meet deductibles for specific services.   |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | \$9,100 person/ \$18,200 family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                            | Premiums, balance-billing charges, penalties for failure to obtain preauthorization for services and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |

| Important Questions   | Answers   | Why This Matters:   |

| Will you pay less if you use a <u>network</u> <u>provider</u> ? | Yes. You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?      | No.   | You can see the specialist you choose without a referral.   |
