See if you can save money with a subsidy

- › If you qualify, tax credit subsidies can reduce your monthly premium. You may also qualify for a cost-sharing reduction subsidy to reduce the amount you pay out-of-pocket when you get care — such as copays or coinsurance.
- › If your household size and income falls within a certain range, you'll save on monthly premium and out-of-pocket costs.² The lower your income and greater your household size is within these ranges, the more you'll save.
- › To see if you're eligible, call **866.494.2111**.

2. Subsidies may only be applied to a Qualified Health Plan (QHP) purchased on the Marketplace. Customers must select a Silver level Marketplace QHP to take advantage of cost-sharing reduction subsidies. View the Summary of Benefits and Coverage for the cost-sharing subsidies that may apply to you.

Our Networks: it's about quality and savings

The LocalPlus[®] Network provides access to health care professionals in your area and other parts of the country. The LocalPlus Network is a select group of health care professionals. Cigna contracts with the providers in the network to ensure that you have referral-free access to care.

When you receive care from a health care professional or hospital in the LocalPlus Network, the visit is considered in-network which helps you incur lower out-of-pocket expenses. The LocalPlus Network is a smaller network of participating health care professionals, specialists and hospitals within the larger Cigna Open Access Plus (OAP) Network. When traveling, visit LocalPlus professionals in other LocalPlus Network areas for in-network benefits. If outside of a LocalPlus Network area, access the Cigna Open Access Plus Network for in-network benefits.

Contact your local broker or a licensed Cigna agent at **866.Get.Cigna** or visit **Cigna.com** to learn more.

Together, all the way.[®]
