## Cigna Connect HSA Silver 2700 | 2016 Summary of Benefits

### Why Choose Cigna?

Cigna's Individual and Family insurance plans are designed to work with your needs and your budget, offering a range of coverage options, quality care and helpful, easy-to-use tools and services. All of our plans offer:

- › Coverage options to give you choices, so you can find what works best for you.
- › Affordable premiums and lower negotiated rates to help keep your costs down.
- › 100% coverage for in-network preventive care<sup>1</sup> to help keep you healthy and well.
- › A network of quality providers in your local area. Plus, access to care both in- and out-of-network.<sup>2</sup>
- › 24/7 customer service to answer questions on your health care needs, providers, or claims — speaking in plain, simple language.
- › Tools and services to help make it easy for you to select plans and doctors, and predict costs.

### See if you can save money with a subsidy

- › If you qualify, tax credit subsidies can reduce your monthly premium. You may also qualify for a cost-sharing reduction subsidy to reduce the amount you pay out-of-pocket when you get care — such as copays or coinsurance.
- › If your household size and income falls within a certain range, you'll save on monthly premium and out-of-pocket costs.<sup>3</sup> The lower your income and greater your household size is within these ranges, the more you'll save.
- › To see if you're eligible, call 866.494.2111.

### Our Networks: it's about quality and savings

Cigna's new Connect health insurance plans are designed to give you quality care centered around your unique needs. You have access to personalized care and attention from providers in the Connect Network in your local area.

You will choose your primary care physician (PCP) who will get to know your needs, direct you to specialists when needed, and ensure that your providers are communicating and coordinating your care.

Our network includes access to St. Luke's and other quality hospitals in our network.

1. Some preventive care services may not be covered, including most immunizations for travel. Refer to your policy for a complete listing of covered and non-covered services.
2. Emergency services as defined in your plan.
3. Subsidies may only be applied to a Qualified Health Plan (QHP) purchased on the Marketplace. Customers must select a Silver level Marketplace QHP to take advantage of cost-sharing reduction subsidies.
