Why Choose Cigna?

A health care plan and partner.

When you choose Cigna, you get more than a health care plan. You also get a trusted partner who can help you choose the right plan and show you how to use it once you do. So, you get a good choice and a good value. That’s how we help you live well and stay well – all at an affordable price.

With Cigna’s Individual and Family insurance plans, you’ll get:

- **Help explaining your plan options.** Online, you will find detailed coverage information and tools that can help you choose a plan. You can also talk to a licensed representative who will walk you through the shopping process, provide coverage details and help you get the most out of your plan.

- **Help finding quality doctors near you.** Use our online provider directory or speak to a customer service representative 24 hours a day, 7 days a week, 365 days a year.

- **Preventive care, at no additional cost to you.** This includes annual check-ups, flu shots, cholesterol and blood pressure screenings, when you see an in-network doctor.¹

- **Easy access to doctors.** Talk with a doctor by phone or secure video chat with the Cigna Telehealth Connection program. Get help for minor conditions from ear infections to allergies, day or night, in your home or when traveling. Your out-of-pocket cost is the same or less than a primary care doctor visit.²

- **Health advice and wellness coaching from WebMD®.** We’ve partnered with one of the most trusted online sources to provide health coaching through My Health Assistant. Reach your health and wellness goals with a customized online program.

¹ Includes eligible in-network preventive care services. Some preventive care services may not be covered, including most immunizations for travel. Reference your plan documents for a list of covered and non-covered preventive care services.

² Telehealth providers participating in the Cigna Telehealth Connection program are independent contractors and separate from Plan network providers. Not all providers have video chat capabilities. Video chat is not available in all areas. PCP referral is not required. Refer to plan documents for a complete description of covered services, including other telehealth/telemedicine benefits.
Our Networks: it’s about quality and savings

Cigna Connect plans.

Cigna’s Connect health insurance plans are designed to provide you with quality care. You have access to personalized care and attention from providers in the Connect Network in your local area. Some of the health care professionals in our network have separately earned the Cigna Care Designation (CCD), recognized for achieving top results on Cigna quality and cost-efficiency measures. Find providers with this designation at Cigna.com/ifp-providers.

How it works

Simply choose your in-network primary care physician (PCP) who will get to know your needs, direct you to specialists when needed, and ensure that your providers are communicating and coordinating your care.
