Health Maintenance Organization (HMO)

OUTLINE OF COVERAGE

READ YOUR EVIDENCE OF COVERAGE (EOC) CAREFULLY. This outline of coverage provides a very brief description of the important features of your EOC. This is not the insurance contract and only the actual EOC provisions will control. The EOC itself sets forth, in detail, the rights and obligations of both You and Cigna HealthCare of Illinois, Inc. It is, therefore, important that you **READ YOUR EOC CAREFULLY!**

A. Coverage is provided by Cigna HealthCare of Illinois, Inc. (referred to herein as “Cigna”), a health maintenance organization (HMO) which is organized under the laws of the State of IL.

B. To obtain additional information, including Provider information write to the following address or call the toll-free number:

Cigna HealthCare of Illinois, Inc.
Individual Services – Illinois
P.O. Box 30365
Tampa FL 33630-3365
1-877-484-5967

C. An HMO Plan requires that the Member use providers in the Cigna network.

A **Participating Provider** is a Participating Hospitals, Participating Physicians, Other Participating Health Professionals, and Other Participating Health Care Facilities which are: (i) licensed in accordance with any applicable Federal and state laws, (ii) accredited by the Joint Commission on the Accreditation of Healthcare Organizations or by another organization, if approved by Cigna, and (iii) acting within the scope of the practitioner’s license and accreditation, and have contracted with Cigna to provide services to Members.

A **Non-Participating Provider** (Out-of-Network Provider) is a Provider who does not have a Participating Provider agreement in effect with Cigna at the time services are rendered. Services from Non-Participating Providers are not covered, except for Emergency Medical Treatment. You will be responsible for the full cost of non-emergency services from a Non-Participating Provider.

D. Covered Services and Benefits

See page 4 for complete benefit schedule.

Deductibles

Individual Deductible means the amount of Covered Expenses incurred from Participating Providers, for medical services, that You must pay each Year before any benefits are available. The amount of the Individual In-Network Deductible is described in the Schedule of Benefits.

Family Deductible applies if You have a family plan and You and one or more of your Family Member(s) are insured under the EOC. Each Member can contribute up to the Individual Deductible amount toward the Family Deductible. The Individual Deductible paid by each Family Member counts towards satisfying the Family Deductible. Once the Family Deductible amount is satisfied, the remaining Individual Deductibles will be waived for the remainder of the Year. The amount of the Family Deductible is described in the Schedule of Benefits.

Out-of-Pocket Maximum(s)

Individual Out-of-Pocket Maximum means the annual limit on Out-of-Pocket expense for each Member covered under the EOC. Once the Individual In-Network Out-of-Pocket Maximum has been met for the Year, for Covered Services received from Participating Providers, You will no longer have to pay any Coinsurance for medical services for Covered Expenses incurred during the remainder of that Year from Participating Providers. Non-compliance penalty Charges do not apply to the Individual In-Network Out-of-Pocket Maximum and will always be paid by You. The Individual Out-of-Pocket Maximum is an accumulation of Covered Expenses incurred from Participating Providers. It includes Deductible, Coinsurance and Copayments for medical services incurred from Participating Providers. It also includes Pediatric Dental and Vision expenses. The amount of the Individual Out-of-Pocket Maximum is shown in the Schedule of Benefits.

Family Out-of-Pocket Maximum applies if You cover other Family Member(s), and means the maximum amount of Deductible, Coinsurance and Copayments You and your Family Member(s) will be responsible to pay for Covered Services in a Year. Each Member can contribute up to the Individual Out-of-Pocket amount toward the Family Out-of-Pocket maximum. When the Family Out-of-Pocket is met, You and Your Dependent(s) will no longer be responsible to pay Coinsurance or Copayments for medical or pharmacy services for Covered Expenses incurred during the remainder of that Year. The amount of the Family Out-of-Pocket Maximum is described in the Schedule of Benefits for the EOC.

Maximum Reimbursable Charge

The Maximum Reimbursable Charge for Emergency Services delivered in the Emergency department of a Hospital is determined based on:

- Usual, reasonable and customary charges made by providers of such service or supply in the geographic area where it is received as compiled in a nationally-recognized database that uses generally accepted industry standards and practices for determining the customary and reasonable billed charge for a service, and that fairly and accurately reflects the market rate; or
- An agreed-upon rate between Cigna and the Provider.

The Maximum Reimbursable Charge for all other Covered Services is determined based on the lesser of:

- The provider's normal charge for a similar service or supply; or

- Usual, reasonable and customary charges made by providers of such service or supply in the geographic area where it is received as compiled in a nationally-recognized database that uses generally accepted industry standards and practices for determining the customary and reasonable billed charge for a service, and that fairly and accurately reflects the market rate; or
- The median amount negotiated with Participating Providers for the same services; or
- A percentage of a fee schedule developed by Cigna that is based upon a methodology similar to a methodology utilized by Medicare to determine the allowable fee for the same or similar service within the geographic market.

E. BENEFIT SCHEDULE

The following is the Schedule of Benefits, including medical, prescription drugs and pediatric vision benefits. The Plan sets forth, in more detail, the rights and obligations of both You and Your Family Member(s) and the Plan. It is, therefore, important that all Members **READ THE ENTIRE PLAN CAREFULLY!**

Services for Out-of-Network providers are not covered except for initial care to treat and stabilize an Emergency Medical Condition. **SERVICES FROM NON-PARTICIPATING PROVIDERS ARE NOT AVAILABLE EXCEPT AS DESCRIBED IN THE “EMERGENCY SERVICES” PROVISION OF THE “SERVICES AND BENEFITS” SECTION OR WITH THE PRIOR APPROVAL OF THE CIGNA MEDICAL DIRECTOR.**

Members are entitled to receive the services and benefits set forth in this Schedule, subject to payment of Copayments, Percentage Copayment and any applicable Deductible as specified in the Schedule, and subject to the conditions, limitations and exclusions of this Plan.

Services that require Prior Authorization include, but are not limited to, inpatient Hospital services, inpatient services at any Other Participating Healthcare Facility, outpatient facility services, advanced radiological imaging, non-emergency ambulance, and Transplant Services. Prior authorization for non-emergency ambulance services may be obtained from a Participating Provider that is treating the Member.

Prior Authorization requirements for Prescription Drugs are detailed in the “Prescription Drugs” section of the Plan.

F. ROLE OF THE PRIMARY CARE PHYSICIAN

Establishment of the Physician-Patient Relationship

By enrolling, You are choosing to have services and benefits under the “Services and Benefits” Section provided by, or arranged for by, a Primary Care Physician. The Primary Care Physician maintains the physician-patient relationship with Members who select him or her as their Primary Care Physician. The Primary Care Physician is responsible to Cigna for providing and/or coordinating Medical Services and Hospital Services for overall health care needs of such Members.

Choosing a Primary Care Physician

When You enroll as a Member, You must choose a Primary Care Physician (PCP). Each covered Member of Your family also must choose a PCP. If You do not select a PCP, we will assign one for You. If Your PCP ceases to be a Participating Physician, You will be able to choose a new PCP. You may voluntarily change Your PCP for other reasons but not more than once in any calendar month. We reserve the right to determine the number of times during a Calendar Year that You will be allowed to change Your PCP. If You select a new PCP before the fifteenth day of the month, the designation will be effective on the first day of the month following Your selection. If You select a new PCP on or after the fifteenth day of the month, the designation will be effective on the first day of the month following the next full month. For example, if You notify us on June 10, the change will be effective on July 1. If You notify us on June 15, the change will be effective on August 1.

Your choice of a PCP may affect the specialists and facilities from which You may receive services. Your choice of a specialist may be limited to specialists in Your PCP’s medical group or network, including a Limited Network. Therefore, You may not have access to every specialist or Participating Provider in your Service Area. Before You select a PCP, you should check to see if that PCP is associated with the specialist or facility You prefer to use. If the Referral is not possible, You should ask the specialist or facility about which PCPs can make Referrals to them, and then verify the information with the PCP before making Your selection.

If Your PCP Leaves the Network

If Your PCP or Network Specialist ceases to be a Participating Physician, We will notify You in writing of his or her impending termination at least 30 days in advance of the date the PCP leaves the network and provide assistance in selecting a new PCP or identifying a new Network Specialist to continue providing Covered Services. If You are receiving treatment from a Participating Provider at the time his or her Participating Provider agreement is terminated, for reasons other than medical incompetence or professional misconduct, You may be eligible for continued care with that Provider.

Referrals to Specialists

You must obtain a Referral from Your PCP before visiting any provider other than Your PCP in order for the visit to be covered. The Referral authorizes the specific number of visits that You may make to a provider within a specified period of time. If You receive treatment from a provider other than Your PCP without a Referral from Your PCP, the treatment is not covered.

Exceptions to the Referral process:

If You are a female Member, You may visit a qualified Participating Provider for covered obstetrical and gynecological services, as defined in "Covered Services," without a Referral from Your PCP. If Your plan covers Expanded Access Telehealth Service, You do not need a PCP referral for electronic visits with an Expanded Access Telehealth Physician.

If You are a Member under age 19, You may visit a Network Dentist for Pediatric Dental Benefits or a Network Vision Provider for Pediatric Vision Benefits without a Referral from Your PCP.

You do not need a Referral from Your PCP for Emergency Services as defined in the "Definitions." In the event of an emergency, get help immediately. Go to the nearest emergency room, the nearest hospital or call or ask someone to call 911 or Your local emergency service, police or fire department for help. You do not need a Referral from Your PCP for Emergency Services, but You do need to call Your PCP as soon as possible for further assistance and advice on follow-up care.

In an emergency, You should seek immediate medical attention and then as soon as possible thereafter You need to call Your PCP for further assistance and advice on follow-up care.

In an Urgent Care situation a Referral is not required but You should, whenever possible, contact Your PCP for direction prior to receiving services.

You may also visit a qualified Participating Provider for covered Pediatric Vision Care Services and Pediatric Dental Care Services, as defined in "Covered Services", without a referral from Your PCP.

Standing Referral to Specialist

You may apply for a standing referral to a provider other than Your PCP when all of the following conditions apply:

1. You are a covered Member of the Cigna HMO Plan;
2. You have a disease or condition that is life threatening, degenerative, chronic or disabling;
3. Your PCP in conjunction with a network specialist determines that Your care requires another provider's expertise;
4. Your PCP determines that Your disease or condition will require ongoing medical care for an extended period of time;
5. The standing referral is made by Your PCP to a network specialist who will be responsible for providing and coordinating Your specialty care; and
6. The network specialist is authorized by Cigna to provide the services under the standing referral.

We may limit the number of visits and time period for which You may receive a standing referral. A standing referral may be effective for up to 12 months and may be renewed and renewed by Your PCP. If You receive a standing referral or any other referral from Your PCP, that referral remains in effect even if the PCP ceases to be a Participating Physician. If the treating specialist leaves Cigna's network or You cease to be a covered Member, the standing referral expires.

Transition Care

If Your PCP or network specialist leaves Cigna's network of health care providers, for reasons other than termination of a contract in situations involving imminent harm to a patient or a final disciplinary action by at State licensing board, and remains within the Service Area of the EOC, You can continue an ongoing course of treatment with that Physician during a transitional period:

1. Of 90 days from the date of the notice from Cigna that Your Physician's termination as a Network Provider if You are in an ongoing course of treatment; or
2. If You have entered the third trimester of pregnancy at the time You receive notification of Your Physician's termination as a Network Provider, You can receive transition care from that Physician through delivery and post-partum care related to the delivery.
3. In either instance above, Your Physician must agree to:
 - a) Continue to accept reimbursement from Cigna at the rates applicable prior to the start of the transitional period; and
 - b) Adhere to Cigna's quality; and
 - c) Otherwise adhere to Cigna's policies and procedures, including but not limited to procedures regarding referrals and obtaining pre-authorizations for treatment.
4. You must request transitional services in writing within 30 days from Your receipt of notification that Your PCP or specialist Physician has terminated as a Network Provider. Within 15 days of Your request, Cigna will notify You if Your request for transitional services was denied because Your Physician did not agree to one or more of the conditions listed under #3 above. This notification will be in writing and will include the specific reasons for the denial.

If You are a new enrollee and Your Physician is not a member of Cigna's provider network, but is within the Service Area for this Plan, You can continue an ongoing course of treatment with that Physician during a transitional period:

1. Of 90 days from the Effective Date of coverage under this Plan if you are in an ongoing course of treatment; or
2. If You have entered the third trimester of pregnancy on or prior to the Effective Date of Your coverage under this Plan, You can receive transition care from that Physician through delivery and post-partum care related to the delivery.
3. In either instance above, Your Physician must agree:
 - a. To accept reimbursement from Cigna at rates established by Us; these rates shall be the level of reimbursement applicable to similar Physicians within the Network for such services; and
 - b. Adhere to Cigna's quality; and
 - c. To otherwise adhere to Cigna's policies and procedures, including, but not limited to, procedures regarding referrals and obtaining pre-authorization for treatment.
4. You must request transitional services in writing within 15 days from Your receipt of notification of the availability of transition care services. Within 15 days of Your request, Cigna will notify You if Your request for transitional services was denied because Your Physician did not agree to one or more of the conditions listed under #3 above. This notification will be in writing and will include the specific reasons for the denial.

Note: Transition care does not provide You with coverage for benefits or services not otherwise covered by this Plan.

Network Exception

If You receive covered services from a Non-Participating Provider for:

- treatment of an Emergency Medical condition; or
- which You have a referral from Your PCP to a Non-Participating Provider; or

- Medically Necessary care that is not available from a Participating Provider; or
- any reason We determine it is in Your best interests to receive care from a Non-Participating Provider, then:

Coverage received through the Non-Participating Provider is limited to:

- Covered Services to which You would have been entitled under the EOC, and
- You will be responsible for only the amount of Non-Participating Provider Covered Expenses that You would have incurred if You received the services in-Network. We will ensure that You are held harmless for any amounts beyond the Copayment, Deductible and Coinsurance percentage You would have paid had You received the services from a Participating Provider. We will provide You with an explanation of benefits and request that You notify Us if the Non-Participating Provider bills You for amounts beyond the amount paid by Us. We will then resolve any amounts the Non-Participating Provider bills You beyond the amount paid by Us, consistent with You being held harmless for any amounts beyond what You would have paid for the same services from a Participating Provider.

For all situations listed above except for Emergency Medical Conditions, Prior Authorization must be obtained before receiving care from a Non-Participating Provider.

G. Emergency Services and Benefits

Cigna provides reimbursement for emergency care at the Participating Provider level for treatment of an Emergency Medical Condition.

Emergency Medical Condition means a medical condition which manifests itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in

1. placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
2. serious impairment to bodily functions; or
3. serious dysfunction of any bodily organ or part.

Emergency Services means, with respect to an enrollee of a health care plan, transportation services, including but not limited to ambulance services, and covered inpatient and outpatient hospital services furnished by a provider qualified to furnish those services that are needed to evaluate or stabilize an emergency medical condition. "Emergency services" does not refer to post-stabilization medical services.

Emergency Services and Urgent Care

Emergency Services Both In and Out of the Service Area. In the event of an emergency, get help immediately. Go to the nearest emergency room, the nearest hospital or call or ask someone to call 911 or your local emergency service, police or fire department for help. You do not need a Referral for Emergency Services, but you do need to call your PCP or the CIGNA HealthCare 24-Hour Health Information Line SM as soon as possible for further assistance and advice on follow-up care. If you require specialty care or a hospital admission, your PCP or the Cigna HealthCare 24-Hour Health Information Line SM will coordinate it and handle the necessary authorizations for care or hospitalization. Participating Providers are on call twenty-four (24) hours a day, seven (7) days a week, to assist you when you need Emergency Services.

If you receive Emergency Services outside the Service Area, you must notify us as soon as reasonably possible. We may arrange to have you transferred to a Participating Provider for continuing or follow-up care if it is determined to be medically safe to do so.

Emergency Services for Sexual Assault Victims Full coverage is provided for examination, testing and treatment of a victim of a sexual offense to the extent of coverage provided for any other emergency or accident care. Such coverage shall additionally be provided when establishing that sexual contact did or did not occur, testing for the presence of sexually transmitted disease or infection, or examining and treating any injuries and trauma associated with the sexual offense.

Urgent Care Inside the Service Area. For Urgent Care inside the Service Area, you must take all reasonable steps to contact the Cigna HealthCare 24-Hour Health Information LineSM or your PCP for direction and you must receive care from a Participating Provider, unless otherwise authorized by your PCP or by Cigna.

Urgent Care Outside the Service Area. In the event you need Urgent Care while outside the Service Area, you should, whenever possible, contact the Cigna HealthCare 24 Hour Health Information LineSM or your PCP for direction and authorization prior to receiving services.

Continuing or Follow-up Treatment. Continuing or follow-up treatment, whether in or out of the Service Area, is not covered unless it is provided or arranged for by your PCP, a Participating Physician or upon Prior Authorization of the Cigna Medical Director.

Notification, Proof of a Claim, and Payment. Inpatient hospitalization for any Emergency Services or Urgent Care requires notification to and authorization by the Cigna Medical Director. Notification of inpatient hospitalization is required as soon as reasonably possible, but no later than within forty-eight (48) hours of admission. This requirement shall not cause denial of an otherwise valid claim if you could not reasonably comply, provided that notification is given to us as soon as reasonably possible. If you receive Emergency Services or Urgent Care from non-Participating Providers, you must submit a claim to us no later than sixty (60) days after the first service is provided. The claim shall contain an itemized statement of treatment, expenses, and diagnosis. This requirement shall not cause denial of an otherwise valid claim if you could not reasonably comply, provided you submit the claim and the itemized statement to us as soon as reasonably possible. Coverage for Emergency Services and Urgent Care received through non-Participating Providers shall be limited to covered services to which you would have been entitled under this Plan, and you will be reimbursed for only the costs that you incur that you would not have incurred if you received the services in-network.

H. Member's Financial Responsibility

You are required to pay all Copayments and Member Coinsurance for services rendered. Copayments and Coinsurance are subject to change from time to time. You are liable for all Copayments and Coinsurance incurred by Yourself and any of Your Dependents. See Your Schedule of Benefits for further detail.

Cigna will not accept the payment of premiums by any person or entity other than You, Your Family Members or an Acceptable Third Party Payor, except as expressly permitted by Cigna in writing. If Cigna receives any payment of premium in respect of this Plan from any source other than You, Your Family Members or an Acceptable Third Party Payor, such payment will be considered a basis for the cancellation of this Plan.

I. Exclusions, Limitations, and Reductions

Any services which are not described as covered in the Benefit Summary, Services and Benefits section, or in an attached rider, or are specifically excluded in the Services and Benefits section benefit language or an attached rider, are not covered under this Plan.

Benefit Exclusions

In addition, the following are specifically excluded Services:

1. Care for health conditions which has not been provided by, provided by referral from Your PCP or authorized by Your PCP or the Cigna Medical Director, except for immediate treatment of a Medical Emergency/Emergency Medical Condition.
2. Services received before the Effective Date of coverage.
3. Services received after coverage under this Plan ends.
4. Professional services or supplies received or purchased directly or on Your behalf by anyone, including a Physician, from any of the following:
 - Yourself or Your employer;
 - a person who lives in the Member's home, or that person's employer;
 - a person who is related to the Member by blood, marriage or adoption, or that person's employer.
5. Care for health conditions that are required by state or local law to be treated in a public facility.
6. Care required by state or federal law to be supplied by a public schools system or school district.
7. Care for military service disabilities treatable through governmental services if the Member is legally entitled to such treatment and facilities are reasonably available.

- this Plan; and/or
- any medical expense plan or prepaid treatment program sponsored or made available by your Employer.

J. Prior Authorization Program

Referrals to Specialists

You must obtain a Referral from Your PCP before visiting any provider other than Your PCP in order for the visit to be covered. The Referral authorizes the specific number of visits that You may make to a provider within a specified period of time. If You receive treatment from a provider other than Your PCP without a Referral from Your PCP, the treatment is not covered.

Exceptions to the Referral process:

If You are a female Member, You may visit a qualified Participating Provider for covered obstetrical and gynecological services, as defined in "Covered Services," without a Referral from Your PCP. If Your plan covers Expanded Access Telehealth Service, You do not need a PCP referral for electronic visits with an Expanded Access Telehealth Physician.

If You are a Member under age 19, You may visit a Network Dentist for Pediatric Dental Benefits or a Network Vision Provider for Pediatric Vision Benefits without a Referral from Your PCP.

You do not need a Referral from Your PCP for Emergency Services as defined in the "Definitions." In the event of an emergency, get help immediately. Go to the nearest emergency room, the nearest hospital or call or ask someone to call 911 or Your local emergency service, police or fire department for help. You do not need a Referral from Your PCP for Emergency Services, but You do need to call Your PCP as soon as possible for further assistance and advice on follow-up care.

In an emergency, You should seek immediate medical attention and then as soon as possible thereafter You need to call Your PCP for further assistance and advice on follow-up care.

In an Urgent Care situation a Referral is not required but You should, whenever possible, contact Your PCP for direction prior to receiving services.

You may also visit a qualified Participating Provider for covered Pediatric Vision Care Services and Pediatric Dental Care Services, as defined in "Covered Services", without a referral from Your PCP.

K. Entire EOC

The EOC constitutes the entire agreement between the parties. The EOC supersedes any other prior EOCs between the parties. No agent or other person, except an officer of Cigna, has authority to waive any conditions or restrictions of the EOC; extend the time for making payment; or bind Cigna by making any promise or representation, or by giving or receiving any information, except as otherwise provided under applicable law. No change in the EOC shall be valid unless stated in an Amendment signed by an officer of Cigna.

L. When You Have a Complaint or an Appeal

(For the purposes of this section, any reference to "You", "Your" or "Member" also refers to a representative or provider designated by you to act on Your behalf, unless otherwise noted.)

We want You to be completely satisfied with the care You receive. That's why We've established a process for addressing your concerns and solving Your problems.

Start with Customer Service

We're here to listen and help. If You have a concern regarding a person, a service, the quality of care, or contractual benefits, You can call Us at Our toll-free number and explain Your concern to one

ILINDHMOOOC042016

894954 IL 1/17
Cigna Connect 150-4
MIHM0146

of Our Customer Services representatives. You can also express that concern in writing. Please call Us at the Customer Services Toll-Free Number that appears on Your Cigna HealthCare ID card or Benefit Identification card, or write to:

**Cigna
Individual Services
PO Box 182223
Chattanooga TN 37422**

Include Your Cigna identification number with any correspondence. This number can be found on Your Cigna identification card.

We'll do our best to resolve the matter on Your initial contact. If We need more time to review or investigate Your concern, We'll get back to You as soon as possible, but in any case within 30 days. If You are not satisfied with the results of a coverage decision, You can start the non-expedited appeals procedure; this timeframe does not apply to expedited appeals. You can file and expedited appeal at any time.

Appeals Procedure

Cigna has a single level appeals procedure for coverage decisions. An appeal can be filed by a Member, the Member's designee or guardian, the Member's Primary Care Physician or the Member's health care Provider. To initiate an appeal, You, or the person filing the appeal on Your behalf, must submit a request for an appeal in writing within 180 days after receipt of a denial notice, to the following address:

Cigna HealthCare of Illinois Inc.
National Appeals Unit (NAO)
PO Box 188011
Chattanooga, TN 37422
Toll Free Telephone: (866) 494-2111
Fax: (877) 815-4827
Email: NationalAppealsOrganization@Cigna.com

The deadlines indicated within this EOC for requesting an appeal or External Independent Review are not postponed or delayed by Primary Care Physician or health care Provider appeals unless your Primary Care Physician or health care Provider is acting as Your authorized representative.

You should state the reason why You feel Your appeal should be approved and include any information supporting Your appeal.

If You are unable to or choose not to write, You may ask to register Your appeal by calling the toll-free number on Your Cigna HealthCare ID card or Benefit Identification card.

If the appeal involves a coverage decision based on issues of Medical Necessity, clinical appropriateness or experimental treatment, a medical review will be conducted by a Physician reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. For all other coverage plan-related appeals, a review will be conducted by

someone who was a) not involved in any previous decision related to Your appeal, and b) not a subordinate of previous decision makers. Provide all relevant documentation with Your appeal request.

We will acknowledge in writing that We have received Your request. For required preservice and concurrent care coverage determinations, Cigna's review will be completed within 15 calendar days. For post service claims, Cigna's review will be completed within 30 calendar days. If more time or information is needed to make the determination, We will notify the Insured Person in writing to request an extension of up to 15 calendar days and to specify any additional information needed by Us to complete the review. In the event any new or additional information (evidence) is considered, relied upon or generated by Us in connection with the appeal, we will provide this information to You as soon as possible and sufficiently in advance of the decision, so that You will have an opportunity to respond. Also, if any new or additional rationale is considered by Us, we will provide the rationale to You as soon as possible and sufficiently in advance of the decision so that You will have an opportunity to respond.

The Member will be notified in writing of the decision within five working days after the decision is made, and within the review time frames above if Cigna does not approve the requested coverage.

Expedited Appeal

You can file an expedited appeal orally or in writing if:

- a) the time frames under this process would seriously jeopardize the Insured Person's life, health or ability to regain maximum function or in the opinion of his or her Physician would cause severe pain which cannot be managed without the requested services; or
- b) (b) the appeal involves non-authorization of an admission or continuing inpatient Hospital stay.

If You request that Your appeal be expedited based on (a) above, You may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited internal appeal would be detrimental to Your medical condition.

Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, We will respond orally with a decision within 24 hours, followed up in writing.

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For expedited appeals, We will notify You within no later than 24 hours Your submission, of all information required to evaluate Your appeal. We will notify You, Your Primary Care Physician and any health care provider who recommended the health care service involved in the appeal orally with a decision within 24 hours after We receive the required information for an expedited appeal. Written notice of the determination will follow. The written notice of determination will include:

- (i) reasons for the determination,
- (ii) the medical or clinical criteria for the determination, and

(iii) in the case of an adverse determination, the procedures for requesting an external independent review as provided by the Illinois Health Carrier External Review Act.

External Independent Review Procedure

External Review Procedure

If You are not fully satisfied with the decision of Cigna's appeal review regarding medical necessity, experimental/investigational, initial eligibility determination, rescission of health coverage, a determination of whether You are entitled to a reasonable alternative standard for a reward under a wellness program, a determination of whether Your plan is complying with the non-quantitative treatment limitation provisions and parity in the application of medical management techniques consistent with the Mental Health Parity and Addiction Equity Act, or if a decision on Your appeal to Cigna has been delayed by Cigna for more than 30 days for concurrent or prospective appeals and 60 days for retrospective appeals, You or Your authorized representative may request that Your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for You to initiate this independent review process. Cigna will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity, experimental/investigational, initial eligibility determination or rescission of health coverage determination by Cigna. Administrative or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, You must send a written request to the Illinois Department of Insurance within 4 months of Your receipt of Cigna's appeal review denial. You or your authorized representative may include all relevant documentation and any additional information with Your appeal request. The Independent Review Organization will render an opinion within 45 days after receiving all necessary information. When requested and when determined a delay would be detrimental to Your condition, the review shall be completed within 72 hours or 5 days for expedited experimental/investigational reviews..

The Independent Review Program is voluntary for You and is arranged by the Illinois Department of Insurance.

Expedited External Review Procedure

If You have a medical condition where the timeframe for completion of an expedited internal review of a grievance involving an adverse determination, a final adverse determination or a standard external review would seriously jeopardize Your life, health or ability to regain maximum function, or if a decision on Your Expedited appeal to Cigna has been delayed by Cigna for more than 48 hours, then You or Your authorized representative may file a request for an expedited external review.

You may have the right to request an expedited external review of a final adverse determination for the following:

- coverage has been denied due to Cigna's finding that the requested health care service is experimental or investigational, and Your treating physician certifies in writing, and supports the certification with evidence that the recommended or requested health care service or treatment would be significantly less effective if not promptly initiated; or
- an admission, availability of care, continued stay, or health care service for which the covered person received emergency services, but has not been discharged from a facility

To request an External Review or an Expedited External Review, You must send a request to

The Illinois Department of Insurance
Office of Consumer Health Insurance
External Review Unit
320 W. Washington Street
Springfield, IL 62767

Toll-free Telephone: (877) 850-4740

Fax: (217) 557-8495

Email: doi.externalreview@illinois.gov

Relevant Information

Relevant Information is any document, record, or other information which (a) was relied upon in making the benefit determination; (b) was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; (c) demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or (d) constitutes a statement of policy or guidance with respect to the Policy concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Legal Action

In most instances, You may not initiate a legal action against Cigna until You have completed the internal appeal process.

Binding Arbitration

To the extent permitted by law, any controversy between Cigna and an enrolled Member (including any legal representative acting on the Member's behalf), arising out of or in connection with this Plan may be submitted to arbitration upon written notice by one party to another. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Arbitration Association, to the extent that such provisions are not inconsistent with the provisions of this provision.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of the written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30 day period and the 2 arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to practice law in the applicable state. If either party refuses or otherwise fails to choose an arbitrator within such 15 working day period, the arbitrator chosen shall choose a 3rd arbitrator in accordance with these requirements.

The arbitration hearing shall be held within 30 days following appointment of the third arbitrator, unless otherwise agreed to by the parties. If either party refuses to or otherwise fails to participate in such arbitration hearing, such hearing shall proceed and shall be fully effective in accordance with this section, notwithstanding the absence of such party.

The arbitrator(s) shall render his (their) decision within 30 days after the termination of the arbitration hearing. The decision of the arbitrator, or the decision of any 2 arbitrators if there are 3 arbitrators, shall be binding upon both parties conclusive of the controversy in question and enforceable in any court of competent jurisdiction.

No party to this Plan shall have a right to cease performance of services or otherwise refuse to carry out its obligations under the EOC pending the outcome of arbitration in accordance with this section, except as otherwise specifically provided under the EOC.

M. Payments

Premiums and Grace Period for Members who purchased this HMO Plan Off-Marketplace

You must remit the amounts specified by Cigna, to Cigna pursuant to the EOC, for the applicable period of coverage on or before the first day of each such period of coverage. If You did not purchase Your Plan from a Marketplace, or elect to not receive advanced premium tax credit, Cigna shall permit a grace period of thirty-one (31) days during which the Premiums may be paid without loss of coverage. Coverage will continue during the grace period, however during the grace period the Subscriber shall remain liable for the payment of the premium for the time coverage was in effect during the grace period, and for any copayments owed. If premium payment is not received in full within the grace period, the EOC may be terminated by Cigna pursuant to the "Specific Causes of Ineligibility" provision of the "Eligibility" Section. In no event shall Cigna have any obligation to provide a reminder notice for Premiums which are not received prior to the expiration of the grace period. Only Members for whom the payments are actually received by Cigna shall be entitled to health care services hereunder, and then only for the period for which payment is received.
