When Can I Apply?

Application to Enroll or Change Coverage

The Patient Protection and Affordable Care Act of 2010 (PPACA) specifies that an eligible person must enroll for coverage or change plans during the Annual Open Enrollment Period. Persons who fail to enroll or change plans during the Annual Open Enrollment Period must wait until the next Annual Open Enrollment Period to enroll in a plan or to change plans. However, if a person experiences a triggering event as described below, the triggering event starts a 60-day Special Enrollment Period during which an eligible person can enroll and an Insured Person can add dependents and change coverage.

The Annual Open Enrollment Period and Special Enrollment Period are explained below.

Annual Open Enrollment Period

The Annual Open Enrollment Period is a specified period of time, specified under federal and Colorado law, each Year during which Individuals who are eligible as described above can apply to enroll for coverage or change coverage from one plan to another.

To be enrolled for coverage under this Plan. You must submit a completed and signed application for coverage under this Policy for Yourself and any eligible Dependents , and We must receive that application during the Annual Open Enrollment Period.

Your coverage under this Policy will then become effective upon the earliest day allowable under federal rules for that Year's Open Enrollment Period. **Note: If You do not apply to obtain or change coverage during the Annual Open Enrollment Period, You will not be able to apply again until the following Year's Annual Open Enrollment Period** unless You qualify for a special enrollment period as described below.

Special Enrollment Periods

A special enrollment period occurs when a person experiences a triggering event.

When You are notified or become aware of a triggering event that will occur in the future, you may apply for enrollment in a new health benefit plan during the sixty (60) calendar days prior to the effective date of the triggering event, with coverage beginning no earlier than the day the triggering event occurs to avoid a gap in coverage. You must be able to provide written documentation to support the effective date of the triggering event at the time of application.

If You experience one of the triggering events listed below, You can enroll for coverage and enroll Your eligible Dependent(s) during a special enrollment period instead of waiting for the next Annual Open Enrollment Period.

Triggering events for a special enrollment period are:

A special enrollment period occurs when a person enrolled in a qualified health plan, as defined by the Patient Protection and Affordable Care Act of 2010 (PPACA), experiences a triggering event such as loss of coverage or addition of a dependent. If You are covered under a qualified health plan, and You experience one of the triggering events listed below, You can enroll for coverage during a special enrollment period instead of waiting for the next Annual Open Enrollment Period. Triggering events for a special enrollment period are:

- An eligible individual involuntarily loses existing creditable coverage for any reason other than fraud, misrepresentation or failure to pay a premium.
- An eligible individual, and any dependents, loses his or her minimum essential coverage; or
- An eligible individual and his or her dependent(s) lose employer-sponsored health plan coverage due to voluntary or involuntary termination of employment for reasons other than misconduct, or due to a reduction in work hours; or
- An eligible individual gains a dependent or becomes a dependent by marriage, civil union, birth, adoption, placement for adoption, placement in foster care or by entering into a designated beneficiary agreement pursuant to Colorado law.
- An eligible dependent spouse or child loses coverage under an employer-sponsored health plan due to divorce, legal separation or his or her spouse or parent becoming entitled to Medicare or death of his or her spouse or parent; or
- An eligible individual loses his or her dependent child status under a parent's employer-sponsored health plan; or

- A parent or legal guardian dis-enrolling a dependent, or a dependent becoming ineligible for the Children's Basic Health Plan;
- An individual becoming ineligible under the Colorado Medical Assistance Act;
- An individual who was not previously a citizen, national or lawfully present individual gains such status; or
- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of Us, a producer, or an officer, employee or agent of the state Marketplace, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the Marketplace. In such cases, the Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or
- An eligible individual adequately demonstrates to the Marketplace or Colorado Commissioner of Insurance that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to that person; or
- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions, regardless of whether such individual is already enrolled in a qualified health plan. The Marketplace must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan; or
- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan); or
- An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a qualified health plan or change from one qualified health plan to another one time per month (does not apply to "off-marketplace" Plans, i.e. You did not purchase Your plan on a state marketplace)
- An eligible individual or enrollee demonstrates to the Marketplace, in accordance with guidelines issued by HHS, that he or she meets other exceptional circumstances as the Marketplace may provide.

Triggering events do not include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will coverage effective dates determined as follows:

- In the case of birth, adoption, placement for adoption, or placement in foster care, the effective date will be the date of birth, adoption or placement for adoption or placement in foster care,;
- In the case of marriage, civil union or in the case where a qualified individual loses minimum essential coverage, coverage is effective the first day of the following month;

For all other triggering events the effective dates are:

- For an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month;
- For an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month.

HOW TO ACCESS YOUR SERVICES AND OBTAIN APPROVAL OF BENEFITS

About This Policy

Your medical coverage is provided under a Policy issued by Cigna Health and Life Insurance Company ("Cigna") This Policy is a legal contract between You and Us.

Under this Policy, "We", "Us", and "Our" mean Cigna. "You" or "Your" refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term "Insured Person" in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Medically Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Physician prescribes or orders a service does not, in itself, mean that the service is Medically Necessary or that the service is a Covered Service. Consult this Policy or phone Us at the number shown on Your Cigna identification card if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as "Medically Necessary" and "Covered Service") that are defined in the section entitled "Definitions". Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member (s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

IF, WITHIN 2 YEARS AFTER THE EFFECTIVE DATE OF YOUR PARTICIPATION IN THE POLICY, WE DISCOVER ANY FRAUD OR MATERIAL FACTS THAT WERE INTENTIONALLY MISREPRESENTED IN YOUR APPLICATION, WE MAY RESCIND THIS COVERAGE AS OF THE ORIGINAL EFFECTIVE DATE. ADDITIONALLY, IF WITHIN 2 YEARS AFTER ADDING ADDITIONAL FAMILY MEMBER(S) (EXCLUDING NEWBORN CHILDREN OF THE INSURED ADDED WITHIN 61 DAYS AFTER BIRTH), WE DISCOVER ANY FRAUD OR MATERIAL FACTS THAT WERE INTENTIONALLY MISREPRESENTED IN YOUR APPLICATION, WE MAY RESCIND COVERAGE FOR THE ADDITIONAL FAMILY MEMBER (S) AS OF THE DATE HE OR SHE ORIGINALLY BECAME EFFECTIVE. IF WE RESCIND YOUR COVERAGE, WE WILL PROVIDE YOU WITH 60 DAYS ADVANCE NOTICE AND WE WILL REFUND ALL PREMIUMS YOU PAID FOR YOUR POLICY LESS THE AMOUNT OF ANY CLAIMS PAID BY CIGNA. RESCISSION OF YOUR COVERAGE WILL RESULT IN DENIAL OF ALL PENDING CLAIMS AND, IF CLAIM PAYMENTS EXCEED TOTAL PREMIUMS PAID, THEN CLAIMS PREVIOUSLY PAID BY CIGNA WILL BE RETROACTIVELY DENIED, OBLIGATING YOU TO PAY THE PROVIDER IN FULL FOR SERVICES RENDERED AT THE PROVIDER'S REGULAR BILLED RATE, NOT AT THE CIGNA NEGOTIATED RATE.

CHOICE OF HOSPITAL AND PHYSICIAN: Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Hospital or Physician of their choice. However, non-emergency services from a Non-Participating Provider are not covered by this Plan.

THIS IS AN EXCLUSIVE PROVIDER PLAN

That means this Plan does not provide benefits for any services You receive from an Out-of-Network Provider except:

- Services for Stabilization and initial treatment of a Medical Emergency
- Medically Necessary services that is not available through an In-Network Provider

In-Network Providers include Physicians, Hospitals, and other health care facilities. Check the provider directory, available at www.mycigna.com, or call the number on Your ID card to determine if a Provider is In-Network.

Note Regarding Health Savings Accounts

Cigna offers some plans that are intended to qualify as “high deductible health plans” (as defined in 26 U.S.C. § 223(c)(2)). Plans that qualify as high deductible health plans may allow You, if You are an “eligible individual” (as defined in 26 U.S.C. § 223(c)(1)), to take advantage of the income tax benefits available when You establish an HSA and use the money You deposit into the HSA to pay for qualified medical expenses as allowed under federal tax law.

NOTICE: Cigna does not provide tax advice. **It is Your responsibility to consult with Your tax advisor or attorney about whether a plan qualifies as a high deductible health plan and whether You are eligible to take advantage of HSA tax benefits.**

Prior Authorization Program

Cigna provides You with a comprehensive personal health solution medical management program which focuses on improving quality outcomes and maximizes value for You.

Prior Authorization for Inpatient Services

Prior Authorization is required for all non-emergency inpatient admissions, and certain other admissions, in order to be eligible for benefits. FAILURE TO OBTAIN PRIOR AUTHORIZATION PRIOR TO AN ELECTIVE ADMISSION to a Hospital or certain other facility MAY RESULT IN A PENALTY OR LACK OF COVERAGE FOR THE SERVICES PROVIDED. Prior Authorization can be obtained by You, your Family Member(s) or the Provider by calling the number on the back of Your ID card.

To verify Prior Authorization requirements for inpatient services, including which other types of facility admissions require Prior Authorization, You can:

- call Cigna at the number on the back of your ID card, or
- check www.mycigna.com, under “View Medical Benefit Details”

Please note that emergency admissions will be reviewed post admission.

Inpatient Prior Authorization reviews both the necessity for the admission and the need for continued stay in the hospital.

Prior Authorization for Outpatient Services

Prior Authorization is also required for certain outpatient procedures and services in order to be eligible for benefits. FAILURE TO OBTAIN PRIOR AUTHORIZATION PRIOR TO CERTAIN ELECTIVE OUTPATIENT PROCEDURES AND SERVICES MAY RESULT IN A PENALTY OR LACK OF COVERAGE FOR THE SERVICES PROVIDED.

Prior Authorization can be obtained by You, your Family Member(s) or the Provider by calling the number on the back of Your ID card. Outpatient Prior Authorization should only be requested for non-emergency procedures or services, at least four working days (Monday through Friday) prior to having the procedure performed or the service rendered.

To verify Prior Authorization requirements for outpatient procedures and services, including which procedures and services require Prior Authorization, You can:

- call Cigna at the number on the back of your ID card, or
- check mycigna.com, under “View Medical Benefit Details”

PRIOR AUTHORIZATION IS NOT A GUARANTEE OF PAYMENT. Prior Authorization does not guarantee payment of benefits. Coverage is always subject to other requirements of this Policy, such as limitations and exclusions, payment of premium and eligibility at the time care and services are provided.

Retrospective Review

If Prior Authorization was not performed Cigna will use retrospective review to determine if a scheduled or Emergency admission was Medically Necessary. In the event the services are determined to be Medically Necessary, benefits will be provided as described in this Policy. If it is determined that a service was not Medically Necessary, the Insured Person is responsible for payment of the charges for those services.

Prior Authorization—Prescription Drugs: Certain Prescription Drugs also may require Prior Authorization by Cigna. Coverage for certain Prescription Drugs and Related Supplies requires the Physician to obtain Prior Authorization from Cigna before prescribing the drugs or supplies. Prior Authorization may include, for example, a step therapy determination. Step therapy determines the specific usage progression of therapeutically equivalent drug products or supplies appropriate for treatment of a specific condition. If the Physician believes Prescription Drugs or Related Supplies not on Cigna's Drug List are necessary, or wishes to request coverage for Prescription Drugs or Related Supplies for which Prior Authorization is required, the Physician may call or complete the appropriate Prior Authorization form and fax it to Cigna to request a Prescription Drug List exception or Prior Authorization for coverage of the Prescription Drugs or Related Supplies. The Physician can certify in writing that the Insured Person has previously used a Prescription Drug or Related Supply that is on Cigna's Prescription Drug List or in a Step Therapy Protocol, and the Prescription Drug or Related Supply, and the Prescription Drug or Related Supply has been detrimental to the Insured Person's health or has been ineffective in treating the condition and, in the opinion of the prescribing Physician, is likely to again be detrimental to the Insured Person's health or ineffective in treating the condition. The Prior Authorization or Prescription Drug List exception will be reviewed and completed by Cigna within 72 hours of receipt. The Physician should make this request before writing the prescription.

How the Plan Works

This section describes Deductibles and Copayments/Coinsurance and discusses steps the Insured Person should take to ensure that they receive the highest level of benefits available under this Policy. Please refer to the "Definitions" section of the Policy to understand the meaning of Covered Expenses and Covered Services.

The benefits described in the following sections are provided for Covered Expenses incurred while covered under this Policy. **Services performed by an Out-of-Network (Non-Participating) Provider are not covered under this Plan except for Emergency Services.** An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Policy, some of which may limit benefits or result in benefits not being payable.

Either the Insured Person or the provider of service must claim benefits by sending Us properly completed claim forms itemizing the services or supplies received and the charges. See "General Provisions", "How to File a Claim for Benefits", for further information.

Deductibles

Deductibles are prescribed amounts of Covered Expenses the Insured Person must pay before benefits are available. Deductibles apply to all Covered Expenses as described in the Definitions section of this Policy, unless expressly stated otherwise in the Benefit Schedule. Deductibles do not include any amounts in excess of Maximum Reimbursable Charges, Coinsurance, Prescription Drug Copays, Copayments, any penalties, or expenses incurred in addition to Covered Expenses.

Deductibles will be applied in the order in which an Insured Persons claims are received and processed by Us, not necessarily in the order in which the Insured Person received the service or supply.

Deductible

The Deductible is stated in the Benefit Schedule. The Deductible is the amount of Covered Expenses You must pay for **any** Covered Services (except as specifically stated otherwise in the Benefit Schedule) incurred from Participating Providers each Year before any benefits are available.

- If You cover other Family Member(s), the Family Deductible will apply. Each Insured Person can contribute up to the individual Deductible amount toward the Family Deductible. Once this Family Deductible is satisfied, no further Family Deductible is required for the remainder of that Year.

Out- of- Pocket Maximums

The Out- of- Pocket Maximums are the amount of Coinsurance Deductible, and Copayment, each Insured Person incurs for Covered Expenses in a Year. The Out- of- Pocket Maximums **do not** include any amounts in excess of Maximum Reimbursable Charges, any penalties, or any amounts in excess of other benefit limits of this Policy.

- Once an Insured Person(s) reaches the Out- of- Pocket Maximum in a Calendar Year, the Insured Person will no longer have to pay any Coinsurance for Covered Expenses incurred during the remainder of that Year.
- If you cover other Family Member(s), each Insured Person's Covered Services accumulate toward the Family Out- of- Pocket Maximum. Once the Out- of- Pocket has been met, the Family will no longer have to pay any Coinsurance for Covered Expenses incurred during the remainder of that Year

Penalties

A Penalty is an amount of Covered Expenses that is:

- Not counted toward any Deductible;
- Not counted toward the Out of Pocket Maximums; and
- Not eligible for benefit payment once the Deductible is satisfied

Penalties will apply under the following circumstances:

- Inpatient Hospital admissions may be subject to a Penalty if Your Provider fails to obtain Prior Authorization.
- Free Standing Outpatient Surgical Facility Services may be subject to a Penalty per admission, if Your Provider fails to obtain Prior Authorization.
- Certain outpatient surgeries and diagnostic procedures require Prior Authorization. If Your Provider fails to obtain Prior Authorization for such an outpatient surgery or diagnostic procedure, Your Provider may be responsible for a Penalty, per admission or per procedure.
- Authorization is required prior to certain other admissions and prior to receiving certain other services and procedures. Failure to obtain Authorization prior these admissions or to receiving these services or procedures may result in a Penalty.

Penalties are applied before any benefits are available.

Pharmacy Formulary Exception

Process/Prior Authorization – Coverage of New Drugs

Pharmacy Formulary Exception Process/Prior Authorization

Prior Authorization or Step Therapy is required for certain Prescription Drugs and Related Supplies. Coverage for certain Prescription Drugs and Related Supplies requires the Physician to obtain Prior Authorization from Cigna before prescribing the drugs or supplies. Prior Authorization may include, for example, a step therapy determination. Step therapy determines the specific usage progression of therapeutically equivalent drug products or supplies appropriate for treatment of a specific condition. If Your Physician believes Prescription Drugs or Related Supplies not on Cigna's Drug List are necessary, or wishes to request coverage for Prescription Drugs or Related Supplies for which Prior Authorization is required, the Physician may call or complete the appropriate Prior Authorization form and fax it to Cigna to request a Prescription Drug List exception or Prior Authorization for coverage of the Prescription Drugs or Related Supplies. The Physician can certify in writing that the Insured Person has previously used a Prescription Drug or Related Supply that is on Cigna's Prescription Drug List or in a Step Therapy Protocol, and the Prescription Drug or Related Supply, and the Prescription Drug or Related Supply has been detrimental to the Insured Person's health or has been ineffective in treating the condition and, in the opinion of the prescribing Physician, is likely to again be detrimental to the Insured Person's health or ineffective in treating the condition . The Prior Authorization or Prescription Drug List exception will be reviewed and completed by Cigna within 72 hours of receipt. The Physician should make this request before writing the prescription. An expedited review may be requested by the prescribing Physician when an Insured Person is suffering from a health condition that may seriously jeopardize the Insured Person's life, health, or ability to regain maximum function or when an Insured Person is undergoing a current course of treatment using a drug not on Cigna's Prescription Drug List . The expedited review will be reviewed and completed by Cigna within 24 hours of receipt. The Physician should make this request before writing the prescription.

If the request is approved, Your Physician will receive confirmation. The Prior Authorization will be processed in Cigna's pharmacy claim system to allow You to have coverage for those Prescription Drugs or Related Supplies. The length of the Prior Authorization will depend on the diagnosis and Prescription Drugs or Related Supplies. When the Your Physician advises You that coverage for the Prescription Drugs or Related Supplies has been approved, You should contact the Pharmacy to fill the prescription(s).

If the request is denied, Your Physician and You will be notified that coverage for the Prescription Drugs or Related Supplies was not authorized.

If You disagree with a coverage decision, You may appeal that decision in accordance with the provisions of the Policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered. Please see the section of this Policy entitled 'Claim determination procedures, And When You Have A Complaint, Appeal Or Grievance' regarding External Reviews. The External Review related to the denial of a Prescription Drug may be requested without having fulfilled the other levels of review, this is in compliance with the federal law.

If You have questions about specific Prescription Drug List exceptions or a specific Prior Authorization request, call Member Services at the toll-free number on Your ID card.

All new Food and Drug Administration (FDA)-approved drug products (or new FDA-approved indications) are designated as Non-Prescription Drug List drugs until the Cigna business decision team makes a placement decision on the new drug (or new indication), which decision shall be based in part on the P & T Committee's clinical review of the drug. The business decision team shall make reasonable efforts to make a placement decision for all new FDA-approved drugs (or new indications) within 180 days of the product's release onto the market. Prescription Drug Lists (formularies) are created in conjunction by the P&T Committee and Cigna business decision team.

- In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is incurred. Covered Prescription Drugs and Related Supplies purchased at a Pharmacy are subject to the Copay or Coinsurance shown in the Benefit Schedule, after You have satisfied any applicable Deductible. Please refer to the Benefit Schedule for any applicable Copays or Coinsurance, and Deductible(s).

Cigna's Prescription Drug List is available upon request by calling the Customer Service number on Your ID card or on www.myCigna.com.

In the event that You request a "brand-name" drug that has a generic equivalent, You will be financially responsible for the amount by which the cost of the "brand-name" drug exceeds the cost of the "generic" drug, plus the generic Copay or Coinsurance shown in the Benefit Schedule.

Your responsibility for covered Prescription Drugs and Related Supplies will always be the lowest of:

CLAIMS PROCEDURE (HOW TO FILE A CLAIM)

Medical Claims

How to File a Claim for Benefits

Notice of Claim:

There is no paperwork for claims for services from Participating Providers. You will need to show Your ID card and pay any applicable copayment; Your Participating Provider will submit a claim to Us for reimbursement. Claims for Emergency Services from Non-Participating Providers can be submitted by the provider if the provider is able and willing to file on Your behalf. If a Non-Participating Provider is not submitting on Your behalf, You must send Your completed claim form and itemized bills to the claims address listed on Your ID card.

Unpaid Premiums: At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

Claim Forms: When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section. You may also get the required claim forms from www.cigna.com under HealthCare, Important Forms or by calling Member Services using the toll-free number on Your identification card.

Canceled checks or receipts are not acceptable. Cigna will not be liable for benefits if it does not receive written proof of loss within this time period.

Assignment of Claim Payments:

Medical Benefits are assignable to the provider; when you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Payment for services provided by a Participating Provider is automatically assigned to the provider unless the Participating Provider indicates that the Insured Person has paid the claim in full. The Participating Provider is responsible for filing the claim and We will make payments to the provider for any benefits payable under this Policy. Payment for any Covered Expenses for Emergency Services from a Non-Participating Provider is payable to the Insured Person unless assignment is made as outlined below. If payment is made to the Insured Person for services provided by a Non-Participating Provider, the Insured Person is responsible for paying the Non-Participating Provider and our payment to the Insured Person will be considered fulfillment of Our obligation.

We will recognize and consider any assignment made under the Policy, only if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made to a provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment. You may revoke the assignment by providing a written revocation to Us and to the provider. Revocation will be effective only as to charges incurred after receipt by Us and the provider.

Claims of Dependent Children: Claims of a covered Dependent child may be filed by either parent or by the state department of social services in the case of an assignment under section 26-13-106, CRS, who submits valid copies of medical bills. A claim submitted by a custodial parent who is not an Insured Person under this policy shall be deemed a valid assignment of benefits for payment to the health care provider.

Time Payment of Claims: Benefits will be paid immediately upon receipt of due written proof of loss, subject to the section below on "The Claims Process."

Payment of Claims: Subject to any written direction of the insured in the application or otherwise, all or a portion of any benefits provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person.

Benefits will be paid directly to Participating Providers unless You instruct Us to do otherwise prior to Our payment. Any benefits due You which are unpaid at Your death will be paid to Your estate.

Cigna is entitled to receive from any provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by providers of medical care nor attempt to evaluate those services. However, the amount of benefits payable under this Plan will be different for Non-Participating Providers than for Participating Providers.

1. **The Claims Process:** Within 30 days after You receive Covered Services, or as soon as reasonably possible, You or someone on Your behalf, must notify Us in writing of Your claim.

 - o The person receiving a request for such additional information shall submit all additional information requested by US within 30 calendar days after receipt of such request.
 - o Notwithstanding any provision of an indemnity policy to the contrary, We may deny a claim if a Provider receives a request for additional information and fails to timely submit additional information requested, subject to resubmittal of the claim or the appeals process. If such person has provided all such additional information necessary to resolve the claim, the claim shall be paid, denied, or settled by the carrier within the applicable time period set forth in paragraph (c) of this subsection
4. Absent fraud, all claims other than clean claims referenced in #2 above must be paid, denied or settled within 90 calendar days after We receive it.

Claim Determination Procedures Under Federal Law (Provisions of the laws of Colorado may supersede.)

Colorado law defines "Utilization Review" as a set of formal techniques designed to monitor the use of, or evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures, or settings. Techniques include ambulatory review, prospective review, second opinion, certification, concurrent review, case management, discharge planning, or retrospective review. Utilization Review also includes reviews for the purpose of determining coverage based on whether or not a procedure or treatment is considered experimental or investigational in a given circumstance, and reviews of a covered person's medical circumstances when necessary to determine if an exclusion applies in a given situation. The following information provides further detail on utilization review procedures.

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the Policy. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on either a pre-service, concurrent, or post-service basis, as described below.

Certain services require prior authorization in order to be covered. This prior authorization is called a "pre-service medical necessity determination." The Policy describes who is responsible for obtaining this review. The Insured Person or their authorized representative (typically, their health care provider) must request Medical Necessity determinations according to the procedures described below, in the Policy, and in the Insured Person's provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, the Insured Person or their representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Policy, in the Insured Person's provider's network participation documents, and in the determination notices.

Pre-service Medical Necessity Determinations

When the Insured Person or their representative requests a required Medical Necessity determination prior to care, Cigna will notify the Insured Person or their representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 15 days after receiving the request. This notice will include the reason for the requested extensions and the date a determination can be expected, which will be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date the Insured Person or their representative responds to the notice.

If the determination periods above would (a) seriously jeopardize the Insured Person's life or health, their ability to regain maximum function, or (b) in the opinion of a Physician with knowledge of the Insured Person's health condition, cause them severe pain which cannot be managed without the requested services, Cigna will make the pre-service determination on an expedited basis. Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited determination is necessary. Cigna will notify the Insured Person or their representative of an expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify the Insured Person or their representative within 24 hours after receiving the request to specify what information is needed. The Insured person or their representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify the Insured Person or their representative of the expedited benefit determination within 48 hours after the Insured Person or their representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If the Insured Person or their representative fails to follow Cigna's procedures for requesting a required pre-service medical necessity determination, Cigna will notify them of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless the Insured Person or their representative requests written notification.

Concurrent Medical Necessity Determinations

When an ongoing course of treatment has been approved for an Insured Person and they wish to extend the approval, the Insured Person or their representative must request a required concurrent Medical Necessity determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When the Insured Person or their representative requests such a determination, Cigna will notify them of the determination within 24 hours after receiving the request.

Post-service Medical Necessity Determinations

When an Insured Person or their representative requests a Medical Necessity determination after services have been rendered, Cigna will notify them of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 30 days after receiving the request. This notice will include the reason for the requested extensions and the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date the Insured Person or their representative responds to the notice.

Post-service Claim Determinations

When an Insured Person or their representative requests payment for services which have been rendered, Cigna will notify them of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date the Insured Person or their representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: (1) information sufficient to identify the claim; (2) the specific reason or reasons for the adverse determination; (3) reference to the specific plan provisions on which the determination is based; (4) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; (6) information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and (7) in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

Pediatric Vision Claims

Reimbursement/Filing a Claim

When an Insured Person(s) has an exam or purchases Materials from a Cigna Vision Provider they pay any applicable Copayment, Coinsurance or Deductible shown in the Schedule at the time of purchase. The Insured Person does not need to file a claim form.

Assignment of Pediatric Vision Claim Payments:

Pediatric Vision Benefits are assignable to the provider; when you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

If an Insured Person(s) has their exam or purchases Materials from a provider who is not a Cigna Vision Provider, the Insured Person pays the full cost at the time of purchase. The Insured Person must submit a claim form to be reimbursed. Send a completed Cigna Vision claim form and itemized receipt to:

Cigna Vision
Claims Department
P.O. Box 385018
Birmingham, AL 35238-5018

Cigna Vision will pay for covered expenses within ten business days of receiving the completed claim form and itemized receipt.

If You or Your Family Member(s) have any questions about the Pediatric Vision benefit, call the toll-free customer service number on the back of Your ID card.

GENERAL POLICY PROVISIONS

Third Party Liability

You agree to advise Us, in writing, within a reasonable time of Your claim against the third party and to take such action, provide such information and assistance, and execute such documents as We may reasonably require to facilitate enforcement of the claim. You also agree to take no action that may prejudice the rights or interests of Us under this Policy. Failure to provide notice of a claim or to cooperate with Us, or actions that prejudice our rights or interests, may be considered to be a material breach by Us and may subject You to legal action.

We may have a right to a lien, to the extent of benefits advanced, upon any recovery that You receive from the third party, the third party's insurer, or the third party's guarantor. Recovery may be by settlement, judgment or otherwise. The lien will be in the amount of benefits paid by Us under this Policy for the treatment of the Illness, disease, Injury or condition for which the third party is liable. Our right to a lien on Your recovery is limited only to that amount in excess of Your full compensation for all damages arising out of the claim.

In addition, if an Insured Person incurs expenses for Illness or Injury that occurred due to the negligence of a third party:

* We have the right to reimbursement for all benefits we paid from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by the Insured Person, Insured Person's parents, if the Insured Person is a minor, or Insured Person's legal representative as a result of that Illness or Injury; and

* We are assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits we paid for that Illness or Injury.

* We shall have the right to first reimbursement out of all funds the Insured Person, the Insured Person's parents, if the Insured Person is a minor, or the Insured Person's legal representative, is or was able to obtain for the same expenses we have paid as a result of that Illness or Injury.

You are required to furnish any information or assistance or provide any documents that we may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability.

Alternate Cost Containment Provision

We may, in certain situations, approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Policy. The alternate treatment plan must be mutually agreed to by Us, the Insured Person, and the Physician, Provider, or other healthcare practitioner. Our offering an alternate treatment plan in a particular case in no way commits Us to do so in another case, nor does it prevent Us from strictly applying the express benefits, limitations, and exclusions of the Policy at any other time or for the Insured Person.

Other Insurance With This Insurer

If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect.

However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.

MEDICARE ELIGIBLES

Cigna will pay as the Secondary Plan for an Insured Person who is eligible for Medicare as permitted by the Social Security Act of 1965 .

Cigna will estimate the amount Medicare would have paid, and pay as secondary to that estimated amount in the following circumstance:

- an Insured Person who is eligible to enroll in Part B of Medicare but is not enrolled

An Insured Person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for that person.

- This reduction will not apply to any Insured Person except as listed under "Cigna will pay as the Secondary Plan..."above

Terms of the Policy

Entire Contract; Changes: This Policy, including the specification page, endorsements, application, and the attached papers, if any, constitutes the entire contract of insurance. No change in this Policy shall be valid unless approved by an Officer of Cigna and attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

Time Limit on Certain Defenses: After two years from the date coverage is effective under this Policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such two Year period.

Grace Period: If You purchased Your Plan from a Marketplace and You have elected to receive Your advanced premium tax credit, Your grace period is extended for three consecutive months provided you have paid at least one full month's premium due during the benefit year. Coverage will continue during the grace period, however if We do not receive Your premium due in full before the end of the grace period, Your coverage will be terminated as of the last day of the first month of the grace period. Please see "General Provisions", for further information regarding cancellation and reinstatement.

If You did not purchase Your plan from a Marketplace, or elect to not receive advanced premium tax credit, there is a grace period of 31 days for the receipt at our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period; however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last day of the grace period. Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 30 days prior to any premium due date that We do not intend to renew this Policy, or the Insured Person notifies Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy in accordance with the Cancellation provision below. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

Member Services/Additional Programs: We may, from time to time offer, or arrange for various entities to offer, discounts, benefits, premium or cost share credits, or other consideration to You for the Purpose of promoting Your general health and well-being.

If this Policy is reinstated, benefits will be provided only for an Accidental Injury that occurs after the date of reinstatement, or for an Illness that begins more than 10 days after the date of reinstatement. Otherwise, You and Cigna shall have the same rights as existed under the Policy immediately before the due date of the defaulted premium, subject to any amendments or endorsements attached to the reinstated Policy.

Any premiums accepted in connection with a reinstatement will be applied to a period for which You have not previously paid premium, but not to exceed sixty days prior to the date of reinstatement.

If any Insured Person makes a written request to Us for a copy of the application, We will deliver or mail to the Insured Person a copy of the application within 15 days of receipt of the request.

Exception for Insured Persons deployed by or called to Active Duty in the United States military: Upon application for reinstatement, We will provide the Policyholder deployed by or called to active duty in the military the same benefits in effect before the policy lapsed. Premium will not be increased unless rate increases are applicable to all Policyholders. The Policyholder will not be subject to Pre-existing Conditions limitations.

Renewal: This Policy renews on a Calendar Year basis.

Fraud: If the Insured Person has committed, or allowed someone else to commit, any fraud or intentional misrepresentation of a material fact in connection with this Policy, then any and all coverage under this Policy shall be void and of no legal force or effect.

Misstatement of Age: In the event the age of any Insured Person has been misstated in the application for coverage, Cigna shall determine premium rates for that Insured Person according to the correct age and there shall be an equitable adjustment of premium rate made so that We will be paid the premium rate appropriate for the true age of the Insured Person.

Incontestability: After two years from the date of issue of this Policy no misstatements, except fraudulent misstatements made by the applicant in the application for the Policy, shall be used to void the Policy or to deny a claim commencing after the expiration of such two-year period.

Legal Actions: No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Arbitration: Except as provided by C.R.S. § 10-16-202(12), and to the extent permitted by law, the parties may agree to submit a controversy arising out of, connected with and/or relating in any way to this Policy to arbitration administered by the American Arbitration Association ("AAA") upon written notice. Such arbitration shall be governed by the AAA Commercial Arbitration Rules then in effect, to the extent that such provisions are not inconsistent with the provisions of this section. A single arbitrator (the "Arbitrator") shall decide the arbitration. The arbitration including, without limitation, the existence, nature, resolution and/or outcome, shall be held and conducted in strict confidence. The arbitration hearing shall be held within 30 days following appointment of the Arbitrator, unless otherwise agreed to by the parties. The Arbitrator shall render his/her final decision within 30 days after the conclusion of the arbitration hearing. The decision of the Arbitrator shall be enforceable in any court of competent jurisdiction. In the case of an arbitration, the Arbitrator shall not have authority to conduct an action in respect of any purported class, collective, representative, multiple plaintiff or similar proceeding, combine or aggregate similar claims of an entity or person not a party to this agreement, or make an award to any person or entity not a party to this agreement.

Provision in Event of Partial Invalidity: if any provision or any word, term, clause, or part of any provision of this Policy shall be invalid for any reason, the same shall be ineffective, but the remainder of this Policy and of the provision shall not be affected and shall remain in full force and effect.

- The Insured Person(s) are the only persons entitled to receive benefits under this Policy. FRAUDULENT USE OF SUCH BENEFITS WILL RESULT IN CANCELLATION OF THIS POLICY AND APPROPRIATE LEGAL ACTION WILL BE TAKEN.
- The Effective Date of this Policy is printed on the Cigna identification card and on the Policy specification page.
- Cigna is not responsible for any claim for damages or injuries suffered by the Insured Person while receiving care in any Hospital, Free-Standing Outpatient Surgical Facility, Skilled Nursing Facility, or from any Participating or Non-Participating Provider. Such facilities and providers act as Insured Person(s) contractors.
- Cigna will meet any Notice requirements by mailing the Notice to the Insured Person at the billing address listed in our records. It is the Insured Person's responsibility to notify Us of any address changes. The Insured Person will meet any Notice requirements by mailing the Notice to:

**Cigna
Individual Services
P. O. Box 30365**

Tampa, FL 33630-3365

- When the amount paid by Cigna exceeds the amount for which We are liable under this Policy, We have the right to recover the excess amount from the Insured Person unless prohibited by law.
- In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is incurred. Under this Policy, an expense is incurred on the date the Insured Person(s) receives a service or supply for which the charge is made.
- We will pay all benefits of this Agreement directly to Participating Hospitals, Participating Physicians, and all other Participating Providers, whether the Insured Person has Authorized assignment of benefits or not, unless the Insured Person has paid the claim in full, in which case We will reimburse the Insured Person. In addition, We may pay any covered provider of services directly when the Insured Person assigns benefits in writing no later than the time of filing proof of loss (claim), except for Foreign Country Provider claims. However, We may, at Our option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to You or Your Dependent, You or Your Dependents are responsible for reimbursing the provider and Our payment to You will be considered fulfillment of Our obligation.
- If We receive a claim from a Foreign Country Provider for a Medical Emergency, any eligible payment will be sent to the Insured Person. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill our obligation to the Insured Person for those services.
- Any payment of benefits in reimbursement for Covered Expenses paid by an eligible child, or the eligible child's custodial parent or legal guardian, will be made to the eligible child, the eligible child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the eligible child.
- Cigna will provide written notice to You within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any provider contract, if Cigna determines that You or Your Insured Family Members may be materially and adversely affected.
- Continuation of Care after Termination of a Provider whose participation has terminated:
Cigna will provide benefits to You or Your Insured Family Members at the Participating Provider level for Covered Services of a terminated Provider for the following special circumstances:
 - Ongoing treatment of an Insured Person up to the 90th day from the date of the provider's termination date.
 - Ongoing treatment of an Insured Person who at the time of termination has been diagnosed with a terminal illness, but in no event beyond 9 months from the date of the provider's termination date.
- We will provide the Insured Person with an updated list of local Participating Providers when requested. If the Insured Person would like a more extensive directory, or need a new provider listing for any other reason, please call Cigna at the number on the ID card and We will provide the Insured Person with one, or visit our Web site, www.Cigna.com.
- If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect. However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.
- Failure by Cigna to enforce or require compliance with any provision herein will not waive, modify or render such provision unenforceable at any other time, whether the circumstances are or are not the same.
- If Insured Person(s) were **covered by a prior Individual Cigna Policy** that is replaced by this Policy with no lapse of coverage:
 - Benefits used under the prior Policy will be charged against the benefits payable under this Policy.

Opportunity to Select a Primary Care Physician

Choice of Primary Care Physician:

You are strongly encouraged to select a Primary Care Physician for each Insured Person from a list provided by Cigna. A Primary Care Physician may serve an important role in meeting health care needs by providing or

arranging for medical care for each Insured Person. If the Insured person chooses to select a Primary Care Physician, the Primary Care Physician You select for Yourself may be different from the Primary Care Physician You select for each of your Family Members. However, this medical Policy does not require that the Insured Person selects a Primary Care Physician or obtain a referral from a Primary Care Physician in order to receive the benefits available under this medical Policy.

Changing Primary Care Physicians:

The Insured Person may request a transfer from one Primary Care Physician to another by contacting Us at the Member Services number on ID card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed.

In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, The Insured Person will be notified for the purpose of selecting a new Primary Care Physician, if they choose.

Continuity of Care

There may be instances in which Your PCP or network specialist ceases to be a Participating Physician. In such cases, You will be notified and provided assistance in selecting a new PCP or identifying a new network specialist to continue providing Covered Services. However, in special circumstances, You may be able to continue seeing Your PCP or network specialist, even though he or she is no longer affiliated with Cigna.

Continuity of Care allows You to receive services at In-network coverage levels if Your PCP is leaving the network and You (i) are receiving an on-going course of treatment for a life-threatening disease or condition, or a degenerative or disabling disease or condition, or (ii) have entered Your second trimester of pregnancy as of the effective date of Your enrollment. You may be eligible to receive continuity of care from that non-participating provider for a transitional period of up to ninety (90) days, or the post-partum period directly related to the delivery of Your child. Such continuity of care must be approved in advance by Cigna, and Your doctor must agree to accept our reimbursement rate and to abide by Cigna's policies and procedures and quality assurance requirements. There may be additional circumstances where continued care by a provider who ceases to be a Participating Provider will not be available, such as when the provider loses his/her license to practice or retires.

Physical Examination and Autopsy: Cigna, at its own expense, shall have the right and the opportunity to examine any Insured Person for whom a claim is made, when and so often as We may reasonably require during the pendency of a claim under this Policy. In the case of death of an Insured Person, Cigna shall have the right and opportunity to make an autopsy where it is not prohibited by law.

TERMINATION/NON-RENEWAL/CONTINUATION

Specific Causes for Ineligibility:

Except as described in the Continuation section, an Insured Person will become ineligible for coverage under the Policy:

- When premiums are not paid according to the due dates and grace periods described in the premium section.
- For the spouse - when the spouse is no longer married to the Insured.
- For You and Your Family Member (s)- when You no longer meets the requirements listed in the Eligibility Requirements section;
- The date the Policy terminates.
- When the Insured no longer lives in the Service Area.

Remember, it is Your responsibility to notify Cigna immediately of any changes affecting You or any of Your Insured Family Member(s) eligibility for benefits under this Policy.

Cancellation

We may cancel this Policy only in the event of any of the following:

1. You fail to pay Your premiums as they become due or by the end of the 31 day grace period for plans not purchased from the Marketplace or the 61 day grace period for plans purchased from a Marketplace, or the 90 day grace period for insured persons receiving the Advanced Premium Tax Credit.
2. On the first of the month following Our receipt of Your written notice to cancel. If You purchased Your plan on a state exchange, We will cancel this Policy in accordance with Your written notice to cancel provided You provide notice at least fourteen days before the requested effective date of termination. If You provide Your written notice to cancel less than fourteen days before the requested date of termination, the effective date of termination will be no later than fourteen days after You provided the written notice to cancel.
3. When You become ineligible for this coverage.
4. If You have committed, or allowed someone else to commit, any fraud or deception, or intentional misrepresentation of material fact in connection with this Policy or coverage.
5. When We cease to offer policies of this type to all individuals in Your class. In this event, Colorado law requires that we do the following: (1) provide written notice to each Insured Person of the discontinuation before the 90th day preceding the date of the discontinuation of the coverage; (2) offer to each Insured Person on a guaranteed issue basis the option to purchase any other individual hospital medical or surgical insurance coverage offered by Us at the time of discontinuation; and (3) act uniformly without regard to any health status related factors of an Insured Person.
6. When We cease offering any plans in the individual market in Colorado, We will notify You of the impending termination of Your coverage at least 180 days prior to Your cancellation. Your coverage will be continued through Your first renewal period but not for more than 12 months after We send You the notice.
7. When You no longer live in the Service Area.
8. When Cigna determines that any premium payment for this Policy is being paid directly or indirectly from any source other than You, Your Family Members or an Acceptable Third Party Payor; however, if You, Your Family Members or an Acceptable Third Party Payor make all premium payments for this Policy that are due after the date of Cigna's determination, the Policy shall remain in effect, subject to all other terms and conditions contained herein.

Any cancellation shall be without prejudice for any claim for Covered Expense incurred before cancellation. Except for fraud or intentional misrepresentation, We will provide You notice of the cancellation at least 30 days in advance of the cancellation of the Policy, unless a longer notice period is required by law.

Continuation

If an Insured Person's eligibility under this Policy would terminate due to the Insured's death, divorce or other reason for the Insured's ineligibility stated in the Policy or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person has the right to continuation of his or her insurance. Coverage will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. In such a case, coverage will continue without evidence of insurability. Also, if an Insured Person's eligibility under this Policy would terminate due to the Insured's death, divorce or other reason for the Insured's ineligibility stated in the Policy, except for the Insured's failure to pay premium, such termination would be considered a triggering event and the Insured Person could enroll during a special enrollment period if the Insured Person did not exercise their continuation right. The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will have coverage effective dates determined as follows: for an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month; for an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month. Please see "Eligibility" for further information regarding Special Enrollment Periods.

APPEALS AND COMPLAINTS

WHEN YOU HAVE A COMPLAINT OR AN ADVERSE DETERMINATION APPEAL

Complaint and Appeal Process

For the purposes of this section, any reference to Insured Person also refers to a representative or provider designated by the Insured Person to act on the Insured Person's behalf, unless otherwise noted.

Cigna wants the Insured Person to be completely satisfied with the coverage received. That is why Cigna established a process for addressing the Insured Person's concerns and resolving problems.

Start with Customer Service

Cigna is here to listen and help. If the Insured Person has a concern regarding a person, a service, the quality of care, contractual benefits, an initial eligibility denial or a rescission of coverage, the Insured Person can call Our toll-free number and explain the concern to one of Our Customer Service representatives. Please call Cigna at the Customer Service Toll-Free Number that appears on the Benefit Identification card, explanation of benefits or claim form.

Cigna will do their best to resolve the matter on the Insured Person's initial contact. If Cigna needs more time to review or investigate the concern, Cigna will get back to the Insured Person as soon as possible, but in any case within 30 days.

If the Insured Person is not satisfied with the results of a coverage decision, the Insured Person can start the appeals procedure.

Appeals Procedure

To initiate an appeal, the Insured Person must submit a request for an appeal in writing within 365 days of receipt of a denial notice to the following address:

Cigna
National Appeals Organization (NAO)
PO Box 188011
Chattanooga, TN 37422

The Insured Person should state the reason why the Insured Person feels the appeal should be approved and include any information supporting the appeal. If the Insured Person is unable or chooses not to write, the Insured Person may ask to register the appeal by telephone. The Insured Person may call Cigna at the toll-free number on their Benefit Identification card, explanation of benefits or claim form. The Insured Person may also register the appeal by an arranged appointment or walk-in interview.

Colorado law provides one level of appeals for internal appeals of an adverse determination. Adverse determination means:

- A denial of a preauthorization for a covered benefit;
- A denial of a request for benefits for an individual on the ground that the treatment or covered benefit is not medically necessary, appropriate, effective, or efficient or is not provided in or at the appropriate health care setting or level of care;
- A rescission or cancellation of coverage under a health coverage plan that is not attributable to failure to pay premiums and that is applied retroactively;
- A denial of a request for benefits on the ground that the treatment or service is experimental or investigational; or
- A denial of coverage to an individual based on an initial eligibility determination.

Requests for appeal regarding an adverse determination of the Insured Person's issue will be conducted by a Committee, which consists of one or more people not previously involved in the prior decision. The Committee will consult with at least one Physician in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. For all other coverage plan-related appeals, a review will be conducted by someone who was a) not involved in any previous decision related to the Insured Person's appeal, and b) not a subordinate of previous decision makers.

The Insured Person has the following rights: (1) to attend the Committee review in person, or via teleconference or video conference; (2) to present their situation to the Committee in person or in writing; (3) to submit supporting material both before and at the Committee review; (4) to ask questions of any Cigna representative prior to the review; and (5) to question any reviewer at the review; and (6) to be assisted or represented by a person of their choice.

For required pre-service and concurrent care coverage determinations, the review will be completed within 15 calendar days. For post service claims, the review will be completed within 30 calendar days. If more time or information is needed to make the determination, Cigna will notify the Insured Person in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. In the event any new or additional information (evidence) is considered, relied upon or generated by Cigna in connection with the appeal, Cigna will provide this information to the Insured Person as soon as possible and sufficiently in advance of the decision, so that the Insured Person will have an opportunity to respond. Also, if any new or additional rationale is considered by Cigna, Cigna will provide the rationale to the Insured Person as soon as possible and sufficiently in advance of the decision so that the Insured Person will have an opportunity to respond.

The Insured Person will be notified in writing of the decision within five working days after the decision is made, and within the review time frames above if Cigna or the Committee does not approve the requested coverage.

The Insured Person may request that the appeal process be expedited if the time frames under this process: (a) would seriously jeopardize the Insured Person's life, health or ability to regain maximum function or, in the opinion of your Physician would cause severe pain which cannot be managed without the requested services; or (b) the appeal involves non-authorization of an admission or continuing inpatient Hospital stay. If the Insured Person requests that the appeal be expedited based on (a) above, the Insured Person may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited internal appeal would be detrimental to the Insured Person's medical condition.

Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. Cigna's Physician reviewer will consult with a Physician reviewer in the same or similar specialty as the care under consideration to make a decision. When an appeal is expedited, Cigna will respond orally with a decision within 72 hours, followed up in writing.

Standard External Review Process for Medical Necessity Adverse Decisions

If the Insured Person remains dissatisfied with an adverse determination decision of Cigna and has completed the internal appeal review, the Insured Person may submit a written request for External Independent Review (EIR). Cigna will pay the cost of the EIR and there is no restriction on the minimum dollar amount of a claim for it to be eligible for external review. The Insured Person has four months after the date of receipt of Cigna's final adverse determination to submit a written request for EIR. All requests for external review must be in writing to Cigna and must include a completed external review request form. All requests must also include a signed consent, authorizing Cigna to disclose protected health information, including medical records, pertinent to the external review. Whenever Cigna receives an incomplete standard request for external review that fails to meet Cigna's filing procedures, Cigna shall notify the Insured Person of this failure as soon as possible, but in no event later than five days following the date the incomplete request was received.

Within two working days of receipt of the Insured Person's request for EIR, Cigna will deliver a copy of the request to the Commissioner. If Cigna decides to reverse the final adverse determination before sending the Insured Person's request to the Commissioner, The Insured Person will be informed within one working day of Cigna's decision by facsimile, telephone or other electronic means, followed up in writing.

Within two working days of receiving the Insured Person's request for EIR from Cigna, the Commissioner will assign an independent external review entity to conduct the external review. Upon assignment, the Commissioner will notify Cigna, electronically, by facsimile, or by telephone, followed up in writing, of the name and address of the independent external review entity to which the appeal should be sent. Within one working day of receiving the notice from the Commissioner, Cigna will provide the Insured Person either electronically, by facsimile, or by telephone, followed up in writing, with a description of the independent external review entity and how to provide the Commissioner with documentation regarding any potential conflict of interest with the independent external review entity. Within two working days of receipt of notice from Cigna concerning the independent external review entity, The Insured Person may provide the Commissioner with documentation regarding a potential conflict of interest of

the independent external review entity, electronically, by facsimile, or by telephone, followed up in writing. If the Commissioner determines that the independent external review entity presents a conflict of interest, the Commissioner shall assign, within one working day, another independent external review entity to conduct the external review. Upon this reassignment, the Commissioner will notify Cigna, electronically, by facsimile, or by telephone, followed up in writing, of the name and address of the new independent external review entity to which the appeal should be sent. The Commissioner will also notify the Insured Person in writing of the Commissioner's determination regarding the potential conflict of interest and the name and address of the new independent external review entity. . Within five business days of receipt of notice from CIGNA concerning the independent external review entity, the Insured Person may submit information directly to the EIR and the EIR will provide a copy of the information to CIGNA within one business day after receipt of the information.

Within five working days from the date Cigna receives notice from the Commissioner regarding the selection of the independent external review entity, Cigna will deliver the following to the assigned independent external review entity: (1) all relevant medical records; (2) a copy of any and all denial letters; (3) a copy of the signed consent form; (4) all documentation provided to Cigna by the Insured Person and/or a health care professional in support of the request for coverage; (5) criteria used and clinical reasons for the adverse decision; and (6) an index of all submitted documents. Within two working days of receipt of the material from Cigna, the independent external review entity will deliver to the Insured Person the index of all materials that Cigna has submitted to the independent external review entity. Cigna will provide the Insured Person, upon request, all relevant information supplied to the independent external review entity that is not confidential or privileged under state or federal law.

The independent external review entity will notify, the Insured Person, or their health care professional and Cigna of any additional medical information required to conduct the review. Within five working days of such a request, the Insured Person or their health care professional will submit the additional information, or an explanation of why the additional information is not being submitted to the independent external review entity and Cigna. If the Insured Person or their health care professional fail to provide the additional information or the explanation of why additional information is not being submitted within five working days, the independent external review entity will make a decision based on the information submitted by Cigna. If Cigna fails to provide the required documents and information within five working days, the independent external review entity may terminate the external review and make a decision to reverse Cigna's final adverse determination. Immediately upon the reversal, the independent external review entity will notify the Insured Person, Cigna and the Commissioner.

Upon receipt of any new information from you, Cigna may reconsider its final adverse determination that is the subject of the external review. The external review may only be terminated if Cigna decides to reverse its final adverse determination and provide coverage or payment for the health care service that was denied. The request for an expedited review must include a Physician certification that the Insured Person's medical condition meets the expedited review criteria.

Whenever Cigna receives an incomplete expedited request for external review that fails to meet Cigna's filing procedures, Cigna shall notify the Insured Person of this failure as soon as possible, but in no even later than twenty four hours after the incomplete request was received. Within one working day of receiving the request from Cigna, the Commissioner will assign an independent external review entity to conduct the review. Upon assignment, the Commissioner will inform Cigna of the name and address of the independent external review entity. Within one working day of receiving the notice from the Commissioner, Cigna will notify the Insured Person, electronically, by facsimile, or by telephone, followed up in writing. The notice will include a written description of the independent external review entity that the Commissioner has selected.

Immediately after receiving the request for an expedited external review, Cigna will provide all necessary documents and information considered in making the final adverse determination to the independent external review entity either electronically, by telephone, by facsimile or by any other available expeditious method. Cigna will provide to the Insured Person, upon request, all information submitted to the independent external review entity that is not confidential or privileged under state or federal law.

As soon as possible but no more than 72 hours after the date of receipt of the request for external review by Cigna, the independent external review entity will make a decision to uphold or reverse Cigna's final adverse determination and notify the Insured Person, the Insured Person's Physician, Cigna, and the Commissioner of the decision. If the notice of the decision is not made in writing, the EIR must provide written confirmation of the decision within 48 hours after the date the notice of the decision is transmitted to the Insured Person, Insured Person's Physician, Cigna and the Commissioner.

Upon Our receipt of the independent external review entity's decision, Cigna will approve the coverage that was subject to the review immediately and will provide written notice of the approval to the Insured Person of the independent external review entity's notice. The coverage will be provided subject to the terms and conditions applicable to benefits under the plan. An expedited external review may not be provided for post service adverse determinations.
