## When Can I Apply?

### Application to Enroll or Change Coverage

The Patient Protection and Affordable Care Act of 2010 (PPACA) specifies that an eligible person must enroll for coverage or change plans during the Annual Open Enrollment Period. Persons who fail to enroll or change plans during the Annual Open Enrollment Period must wait until the next Annual Open Enrollment Period to enroll in a plan or to change plans. However, if a person experiences a triggering event as described below, the triggering event starts a 60-day Special Enrollment Period during which an eligible person can enroll and an Insured Person can add dependents and change coverage.

The Annual Open Enrollment Period and Special Enrollment Period are explained below.

### Annual Open Enrollment Period

The Annual Open Enrollment Period is a specified period of time, specified under federal and Colorado law, each Year during which Individuals who are eligible as described above can apply to enroll for coverage or change coverage from one plan to another.

To be enrolled for coverage under this Plan. You must submit a completed and signed application for coverage under this Policy for Yourself and any eligible Dependents, and We must receive that application during the Annual Open Enrollment Period.

Your coverage under this Policy will then become effective upon the earliest day allowable under federal rules for that Year's Open Enrollment Period. **Note: If You do not apply to obtain or change coverage during the Annual Open Enrollment Period, You will not be able to apply again until the following Year's Annual Open Enrollment Period** unless You qualify for a special enrollment period as described below.

### Special Enrollment Periods

A special enrollment period occurs when a person experiences a triggering event.

When You are notified or become aware of a triggering event that will occur in the future, you may apply for enrollment in a new health benefit plan during the sixty (60) calendar days prior to the effective date of the triggering event, with coverage beginning no earlier than the day the triggering event occurs to avoid a gap in coverage. You must be able to provide written documentation to support the effective date of the triggering event at the time of application.

If You experience one of the triggering events listed below, You can enroll for coverage and enroll Your eligible Dependent(s) during a special enrollment period instead of waiting for the next Annual Open Enrollment Period.

### Triggering events for a special enrollment period OFF Marketplace are:

- An eligible individual, and any dependent(s), loses his or her minimum essential coverage; or
- An eligible individual and his or her dependent(s) lose employer-sponsored health plan coverage due to voluntary or involuntary termination of employment for reasons other than misconduct, or due to a reduction in work hours; or
- An eligible individual gains a dependent or becomes a dependent by marriage, civil union, birth, adoption, placement for adoption, placement in foster care, through a child support order or other court order, or by entering into a designated beneficiary agreement pursuant to Colorado law, or
- An eligible dependent spouse or child loses coverage under an employer-sponsored health plan due to the employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, and death of the covered employee; or
- An eligible individual loses his or her dependent child status under a parent's employer-sponsored health plan; or
- An individual who was not previously a citizen, national or lawfully present individual gains such status; or

- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of an officer, employee or agent of the state Marketplace, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the Marketplace. In such cases, the Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or
- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions available through the Marketplace or has a dependent enrolled in the same qualified health plan who is determined newly eligible or ineligible for the federal advance payment tax credit or has a change in eligibility for cost-sharing reductions available through the Marketplace, regardless of whether such individual is already enrolled in a qualified health plan. The Marketplace must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan; or
- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan).

Triggering events **do not** include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61<sup>st</sup> day following the triggering event. Persons who enroll during a special enrollment period will have coverage effective dates determined as follows):

- In the case of birth, adoption, placement for adoption, or placement in foster care, coverage is effective for a qualified individual or enrollee on the date of birth, adoption, placement for adoption, or placement in foster care;
- In the case of marriage, or in the case where a qualified individual loses minimum essential coverage, coverage is effective for a qualified individual or enrollee on the first day of the following month.

For all other triggering events the effective dates are:

- For an application made between the first and the 15<sup>th</sup> day of any month, the effective date of coverage will be the first day of the following month;
- For an application made between the 16<sup>th</sup> and the last day of the month, the effective date of coverage will be the first day of the second following month.

Triggering events for a special enrollment period ON Marketplace are:

A special enrollment period occurs when a person enrolled in a qualified health plan, as defined by the Patient Protection and Affordable Care Act of 2010 (PPACA), experiences a triggering event such as loss of coverage or addition of a dependent. If You are covered under a qualified health plan, and You experience one of the triggering events listed below, You can enroll for coverage during a special enrollment period instead of waiting for the next Annual Open Enrollment Period. Triggering events for a special enrollment period are:

- An eligible individual involuntarily loses existing creditable coverage for any reason other than fraud, misrepresentation or failure to pay a premium.
- An eligible individual, and any dependents, loses his or her minimum essential coverage; or
- An eligible individual and his or her dependent(s) lose employer-sponsored health plan coverage due to voluntary or involuntary termination of employment for reasons other than misconduct, or due to a reduction in work hours; or
- An eligible individual gains a dependent or becomes a dependent by marriage, civil union, birth, adoption, placement for adoption, placement in foster care, through a child support order or other court order, or by entering into a designated beneficiary agreement pursuant to Colorado law, or

- An eligible individual loses his or her dependent child status under a parent's employer-sponsored health plan; or
- An eligible individual loses a dependent or is no longer considered a dependent through divorce or legal separation as defined by State law in the State in which the divorce or legal separation occurs, or if the Marketplace enrollee, or his or her dependent dies; or
- A parent or legal guardian dis-enrolling a dependent, or a dependent becoming ineligible for the Children's Basic Health Plan; or
- An individual becoming ineligible under the Colorado Medical Assistance Act; or
- An individual or his or her dependent losing medically needy coverage as described under Section 1902(a)(10)(C) of the Social Security Act may apply, once during a calendar year, for enrollment in a new health benefit plan during the sixty (60) calendar days prior to the effective date of the loss of coverage; or
- An individual loses pregnancy-related Medicaid coverage. The date of the loss of coverage is the last day the consumer would have pregnancy-related coverage, or
- An individual who was not previously a citizen, national or lawfully present individual gains such status; or
- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of an officer, employee or agent of the state Marketplace, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the Marketplace. In such cases, the Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or
- An eligible individual adequately demonstrates to the Marketplace or Colorado Commissioner of Insurance that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to that person; or
- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions available through the Marketplace or has a dependent enrolled in the same qualified health plan who is determined newly eligible or ineligible for the federal advance payment tax credit or has a change in eligibility for cost-sharing reductions available through the Marketplace, regardless of whether such individual is already enrolled in a qualified health plan. The Marketplace must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan or
- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan); or
- An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a qualified health plan or change from one qualified health plan to another one time per month (does not apply to "off-marketplace" Plans, i.e. You did not purchase Your plan on a state marketplace)
- An eligible individual or enrollee demonstrates to the Marketplace, in accordance with guidelines issued by HHS, that he or she meets other exceptional circumstances as the Marketplace may provide.

Triggering events do not include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will coverage effective dates determined as follows:

- In the case of birth, adoption, placement for adoption, or placement in foster care, the effective date will be the date of the event or the first day of the month following the birth, adoption, placement for adoption, or placement in foster care, if requested by the Policyholder; or
- In the case of marriage, civil union, or in the case where a qualified individual loses minimum essential coverage, coverage is effective the first day of the following month;
- In the case of an involuntary loss of existing creditable coverage shall become effective either: on the first day of the month following the triggering event if plan selection is made on or before the day of the triggering event; or in accordance with the effective dates outlined in regulation, or at the option of the Marketplace, on the first day of the month following plan selection when plan selection is made after a triggering event.
- In the case of gaining a dependent or becoming a dependent through a court order, coverage shall become effective either: on the date the court order is effective; or at the election of the primary individual policyholder regarding the first and 15th of the month or 16th and last day of the month as noted below.

For all other triggering events the effective dates are:

- For an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month;
- For an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month.

## **HOW TO ACCESS YOUR SERVICES AND OBTAIN APPROVAL OF BENEFITS**

---

### **About This Policy**

Your medical coverage is provided under a Policy issued by Cigna Health and Life Insurance Company (“Cigna”) This Policy is a legal contract between You and Us.

Under this Policy, “We”, “Us”, and “Our” mean Cigna. “You” or “Your” refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term “Insured Person” in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Medically Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Physician prescribes or orders a service does not, in itself, mean that the service is Medically Necessary or that the service is a Covered Service. Consult this Policy or phone Us at the number shown on Your Cigna identification card if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as “Medically Necessary” and “Covered Service”) that are defined in the section entitled “Definitions”. Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member (s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

IF, WITHIN 2 YEARS AFTER THE EFFECTIVE DATE OF YOUR PARTICIPATION IN THE POLICY, WE DISCOVER ANY FRAUD OR MATERIAL FACTS THAT WERE INTENTIONALLY MISREPRESENTED IN YOUR APPLICATION, WE MAY RESCIND THIS COVERAGE AS OF THE ORIGINAL EFFECTIVE DATE. ADDITIONALLY, IF WITHIN 2 YEARS AFTER ADDING ADDITIONAL FAMILY MEMBER(S) (EXCLUDING NEWBORN CHILDREN OF THE INSURED ADDED WITHIN 60 DAYS AFTER BIRTH), WE DISCOVER ANY FRAUD OR MATERIAL FACTS THAT WERE INTENTIONALLY MISREPRESENTED IN YOUR APPLICATION, WE MAY RESCIND COVERAGE FOR THE ADDITIONAL FAMILY MEMBER (S) AS OF THE DATE HE OR SHE ORIGINALLY BECAME EFFECTIVE. IF WE RESCIND YOUR COVERAGE, WE WILL PROVIDE YOU WITH 60 DAYS ADVANCE NOTICE AND WE WILL REFUND ALL PREMIUMS YOU PAID FOR YOUR POLICY LESS THE AMOUNT OF ANY CLAIMS PAID BY CIGNA. RESCISSION OF YOUR COVERAGE WILL RESULT IN DENIAL OF ALL PENDING CLAIMS AND, IF CLAIM PAYMENTS EXCEED TOTAL PREMIUMS PAID, THEN CLAIMS PREVIOUSLY PAID BY CIGNA WILL BE RETROACTIVELY DENIED, OBLIGATING YOU TO PAY THE PROVIDER IN FULL FOR SERVICES RENDERED AT THE PROVIDER’S REGULAR BILLED RATE, NOT AT THE CIGNA NEGOTIATED RATE.

**CHOICE OF HOSPITAL AND PHYSICIAN:** Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Hospital or Physician of their choice. However, non-emergency services from a Non-Participating Provider are not covered by this Plan.

### **THIS IS A NETWORK-ONLY PLAN**

That means this Plan does not provide benefits for any services You receive from an Out-of-Network Provider except:

- Services for Stabilization and initial treatment of a Medical Emergency, or
- Medically Necessary services that are not available through an In-Network (Participating) Provider

In-Network (Participating) Providers include Physicians, Hospitals, and other health care facilities. Check the Provider directory, available at [www.mycigna.com](http://www.mycigna.com), or call the number on Your ID card to determine if a Provider is In-Network (Participating).

## **Choosing a Primary Care Physician**

When You enroll as an Insured Person, You must choose a Primary Care Physician (PCP). Each covered Family Member also must choose a PCP. If You do not select a PCP, we will assign one for You. If Your PCP ceases to be a Participating Physician, You will be able to choose a new PCP.

Your choice of a PCP may affect the specialists and facilities from which You may receive services. Your choice of a specialist may be limited to specialists in Your PCP's medical group or network, including a Limited Network. Therefore, You may not have access to every specialist or Participating Provider in your Service Area. Before You select a PCP, you should check to see if that PCP is associated with the specialist or facility You prefer to use. If the Referral is not possible, You should ask the specialist or facility about which PCPs can make Referrals to them, and then verify the information with the PCP before making your selection.

## **Changing Primary Care Physicians**

You may voluntarily change Your PCP but not more than once in any calendar month. We reserve the right to determine the number of times during a Plan Year that You will be allowed to change Your PCP. You may request a change from one Primary Care Physician to another by contacting Us at the Customer Service number on Your ID card. Any such change will be effective on the first day of the month following the month in which the processing of the change request is completed. In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, We will notify You 30 days in advance, for the purpose of selecting a new Primary Care Physician.

## **If Your PCP Leaves the Network**

If Your PCP or In-Network Specialist ceases to be a Participating Physician, We will notify You in writing of his or her impending termination at least 30 days in advance of the date the PCP leaves the network and provide assistance in selecting a new PCP or identifying a new In-Network Specialist to continue providing Covered Services. If You are receiving treatment from a Participating Provider at the time his or her Participating Provider agreement is terminated, for reasons other than medical incompetence or professional misconduct, You may be eligible for continued care with that Provider.

## **Referrals to Specialists**

You must obtain a Referral from Your PCP before visiting any Provider other than Your PCP in order for the visit to be covered. The Referral authorizes the specific number of visits that You may make to a Provider within a specified period of time. If You receive treatment from a Provider other than Your PCP without a Referral from Your PCP, the treatment is not covered and You will be responsible for paying 100% of the associated costs.

## **Exceptions to the Referral process:**

If You are a female Insured Person, You may visit a qualified Participating Provider for covered obstetrical and gynecological services, as defined in "Benefits/Coverage (What Is Covered)" without a Referral from Your PCP.

You do not need a PCP referral for Virtual visits with a Telehealth Connection Program Physician.

If You are an Insured Person under age 19, You may visit a network dentist for Pediatric Dental Benefits or a Provider in Cigna's vision network for Pediatric Vision Benefits without a Referral from Your PCP.

You do not need a Referral from Your PCP for Emergency Services as defined in the "Definitions." In the event of an emergency, get help immediately. Go to the nearest emergency room, the nearest hospital or call or ask someone to call 911 or Your local emergency service, police or fire department for help. You do not need a Referral from Your PCP for Emergency Services, but You do need to call Your PCP as soon as possible for further assistance and advice on follow-up care.

In an emergency, You should seek immediate medical attention and then as soon as possible thereafter You need to call Your PCP for further assistance and advice on follow-up care.

In an Urgent Care situation a Referral is not required but You should, whenever possible, contact Your PCP for direction prior to receiving services.

You may also visit a qualified Participating Provider for covered Pediatric Vision Care Services and Pediatric Dental Care Services, as defined in "Covered Services and Supplies", without a referral from Your PCP.

## **Standing Referral to Specialist**

You may apply for a standing referral to a Provider other than Your PCP when all of the following conditions apply:

1. You are enrolled for coverage under this Plan;
2. You have a disease or condition that is life threatening, degenerative, chronic or disabling;
3. Your PCP in conjunction with an In Network specialist determines that Your care requires another Provider's expertise;
4. Your PCP determines that Your disease or condition will require ongoing medical care for an extended period of time;
5. The standing referral is made by Your PCP to an In-Network specialist who will be responsible for providing and coordinating Your specialty care; and
6. The In-Network specialist is authorized by Cigna to provide the services under the standing referral.

We may limit the number of visits and time period for which You may receive a standing referral. If You receive a standing referral or any other referral from Your PCP, that referral remains in effect even if the PCP ceases to be a Participating Physician. If the treating specialist leaves Cigna's network or You cease to be an Insured Person, the standing referral expires.

## **Network Exception**

If Medically Necessary Covered Services are not available through Participating Physicians or Participating Providers, Cigna will, upon the request of an In-Network PCP or Provider:

- Allow Referral to an Out-of-Network (Non-Participating) Provider; and
- Fully reimburse the Out-of-Network (Non-Participating) Provider at the Usual and Customary rate or at an agreed rate:

Prior to denying a request for referral to an Out-of-Network (Non-Participating) Provider, Cigna must provide for a review conducted by a Specialist of the same or similar type of specialty as the Physician or Provider to whom the Referral is requested.

## **Continuity of Care**

There may be instances in which Your PCP or specialist ceases to be a Participating Physician. In such cases, You will be notified and provided assistance in selecting a new PCP or identifying a new In-network specialist to continue providing Covered Services. However, in special circumstances, You may be able to continue seeing Your PCP or specialist, even though he or she is no longer affiliated with Cigna.

Continuity of Care allows You to receive services at In-network coverage levels if Your PCP is leaving the network and You (i) are receiving an on-going course of treatment for a life-threatening disease or condition, or a degenerative or disabling disease or condition, or (ii) have entered Your second trimester of pregnancy as of the effective date of Your enrollment. You may be eligible to receive continuity of care from that Non-Participating Provider for a transitional period of up to ninety (90) days, or the post-partum period directly related to the delivery of Your child. Such continuity of care must be approved in advance by Cigna, and Your doctor must agree to accept our reimbursement rate and to abide by Cigna's policies and procedures and quality assurance requirements. There may be additional circumstances where continued care by a Provider who ceases to be a Participating Provider will not be available, such as when the Provider loses his/her license to practice or retires.

## **Note Regarding Health Savings Accounts (HSAs)**

Cigna offers some plans that are intended to qualify as “high deductible health plans” (as defined in 26 U.S.C. § 223(c)(2)). Plans that qualify as high deductible health plans may allow You, if You are an “eligible individual” (as defined in 26 U.S.C. § 223(c)(1)), to take advantage of the income tax benefits available when You establish an HSA and use the money You deposit into the HSA to pay for qualified medical expenses as allowed under federal tax law.

**NOTICE:** Cigna does not provide tax advice. **It is Your responsibility to consult with Your tax advisor or attorney about whether a plan qualifies as a high deductible health plan and whether You are eligible to take advantage of HSA tax benefits.**

## **Prior Authorization Program**

Cigna provides You with a comprehensive personal health solution medical management program which focuses on improving quality outcomes and maximizes value for You.

### **Prior Authorization for Inpatient Services**

**Prior Authorization is required for all non-emergency inpatient admissions, and certain other admissions, in order to be eligible for benefits. FAILURE TO OBTAIN PRIOR AUTHORIZATION PRIOR TO AN ELECTIVE ADMISSION to a Hospital or certain other facility MAY RESULT IN A PENALTY OR LACK OF COVERAGE FOR THE SERVICES PROVIDED. Prior Authorization can be obtained by You, your Family Member(s) or the Provider by calling the number on the back of Your ID card.**

**To verify Prior Authorization requirements for inpatient services, including which other types of facility admissions require Prior Authorization, You can:**

- call Cigna at the number on the back of your ID card, or
- check [www.mycigna.com](http://www.mycigna.com), under “View Medical Benefit Details”

**Please note that emergency admissions will be reviewed post admission.**

Inpatient Prior Authorization reviews both the necessity for the admission and the need for continued stay in the hospital.

### **Prior Authorization for Outpatient Services**

**Prior Authorization is also required for certain outpatient procedures and services in order to be eligible for benefits. FAILURE TO OBTAIN PRIOR AUTHORIZATION PRIOR TO CERTAIN ELECTIVE OUTPATIENT PROCEDURES AND SERVICES MAY RESULT IN A PENALTY OR LACK OF COVERAGE FOR THE SERVICES PROVIDED.**

**Prior Authorization can be obtained by You, your Family Member(s) or the Provider by calling the number on the back of Your ID card.** Outpatient Prior Authorization should only be requested for non-emergency procedures or services, at least four working days (Monday through Friday) prior to having the procedure performed or the service rendered.

**To verify Prior Authorization requirements for outpatient procedures and services, including which procedures and services require Prior Authorization, You can:**

- call Cigna at the number on the back of your ID card, or
- check [mycigna.com](http://mycigna.com), under “View Medical Benefit Details”

**PRIOR AUTHORIZATION IS NOT A GUARANTEE OF PAYMENT.** Prior Authorization does not guarantee payment of benefits. Coverage is always subject to other requirements of this Policy, such as limitations and exclusions, payment of premium and eligibility at the time care and services are provided.

### **Retrospective Review**

If Prior Authorization was not performed Cigna will use retrospective review to determine if a scheduled or Emergency admission was Medically Necessary. In the event the services are determined to be Medically Necessary, benefits will be provided as described in this Policy. If it is determined that a service was not Medically Necessary, the Insured Person is responsible for payment of the charges for those services.

## **Authorization, Exception and Appeal Process for Prescription Drugs and Related Supplies**

Authorization from Cigna is required for certain Prescription Drugs and Related Supplies, meaning that Your Physician must obtain authorization from Cigna before the Prescription Drug or Related Supply will be covered.

### **Prior Authorization**

When Your Physician prescribes certain Prescription Drugs or Related Supplies, including high cost and Specialty Medications, Cigna requires Your Physician to obtain authorization before the prescription or supply can be filled. To obtain Prior Authorization, Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

### **Step Therapy**

Step Therapy is a type of Prior Authorization. Cigna may require an Insured Person to follow certain steps before covering some Prescription Drugs and Related Supplies, including some higher-cost and Specialty Medications for treatment of conditions including allergies, asthma, diabetes, high cholesterol, mental health and stomach acid reflux. We may require You to try similar Prescription Drugs and Related Supplies, including Specialty Medications, that have been determined to be safe, effective, and more cost effective for most people that have the same condition. The Prescription Drugs and Related Supplies that require Step Therapy can be identified on the Prescription Drug List at [www.mycigna.com](http://www.mycigna.com). If Your Physician prescribes a drug for You that is on the Step Therapy list, after You initially fill the Prescription You and Your Physician will receive a letter from Cigna informing You of the Step Therapy Drug You will be required to use when You refill the Prescription. To obtain Step Therapy Authorization, Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

### **Exceptions for Prescription Drugs and Related Supplies not on the Prescription Drug List**

If Your Physician prescribes a Prescription Drug or Related Supply that is not on Cigna's Prescription Drug List, he or she can request that Cigna make an exception and agree to cover that drug or supply for Your condition. To obtain an exception for a Prescription Drug or Related Supply Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

### **Prescription Drug and Related Supply Authorization and Exception Request Process**

To obtain an exception, Your Physician may call Cigna, or complete the appropriate form and fax it to Cigna to request an exception. Your Physician can certify in writing that You have previously used a Prescription Drug or Related Supply that is on Cigna's Prescription Drug List or in a Step Therapy Protocol, and the Prescription Drug or Related Supply has been detrimental to Your health or has been ineffective in treating Your condition and, in the opinion of Your Physician, is likely to again be detrimental to Your health or ineffective in treating the condition. The exception request will be reviewed and completed by Cigna within 72 hours of receipt.

### **Expedited Review of a Prior Authorization, Step Therapy or Prescription Drug Exception Request**

An expedited review may be requested by Your Physician when You are suffering from a health condition that may seriously jeopardize Your life, health, or ability to regain maximum function or when You are undergoing a

current course of treatment using a drug not on Cigna's Prescription Drug List. The expedited review will be reviewed and completed by Cigna within 24 hours of receipt.

If the request is approved, Your Physician will receive confirmation. The Authorization/Exception will be processed in Cigna's pharmacy claim system to allow You to have coverage for those Prescription Drugs or Related Supplies. The length of the Authorization will be granted until You no longer use the Prescription Drug or Related Supply for which the Authorization or Exception was approved. When Your Physician advises You that coverage for the Prescription Drugs or Related Supplies has been approved, You should contact the Pharmacy to fill the prescription(s).

If the request is denied, You and Your Physician will be notified that coverage for the Prescription Drugs or Related Supplies was not authorized.

### **Appeal of a Prior Authorization, Step Therapy or Prescription Drug Exception Denial**

If You, a person acting on Your behalf or the prescribing Physician or other prescriber disagree with a coverage decision, You, a person acting on Your behalf or the prescribing Physician or other prescriber may appeal that decision in accordance with the provisions of this Policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered. Please see the section of this Policy entitled "WHEN YOU HAVE A COMPLAINT OR AN APPEAL" which describes the process for the External Independent Review.

If You have questions about specific Prescription Drug List exceptions, Prior Authorization or a Step Therapy request, call Customer Service at the toll-free number on the back of Your ID card.

### **To verify Prior Authorization requirements for Prescription Drugs and Supplies, including which Prescription Drugs and Supplies require Authorization, You can:**

- call Cigna at the number on the back of your ID card, or
- log on to <http://www.cigna.com/ifp-drug-list>.

### **Coverage of New Drugs**

All new Food and Drug Administration (FDA)-approved drug products (or new FDA-approved indications) are designated as Non-Prescription Drug List drugs until the Cigna business decision team makes a placement decision on the new drug (or new indication), which decision shall be based in part on the P & T Committee's clinical review of the drug. The P&T Committee makes a reasonable effort to review all new FDA approved drug products (or new FDA approved indications) within 90 days of its release to the market. The business decision team must make a reasonable effort to review a new FDA approved drug product (or new indications) within 90 days, and make a decision on each new FDA approved drug product (or new FDA approved indication) within 180 days of its release onto the market, or a clinical justification must be documented if this timeframe is not met.

## How the Plan Works

### Deductibles

Deductibles are prescribed amounts of Covered Expenses the Insured Person must pay before benefits are available. Deductibles apply to all Covered Expenses as described in the Definitions section of this Policy, unless expressly stated otherwise in the Benefit Schedule. Deductibles do not include any amounts in excess of Maximum Reimbursable Charges, any penalties, or expenses incurred in addition to Covered Expenses.

Deductibles will be applied in the order in which an Insured Person's claims are received and processed by Us, not necessarily in the order in which the Insured Person received the service or supply.

### Deductible

The Deductible is stated in the Benefit Schedule. The Deductible is the amount of Covered Expenses You must pay for **any** Covered Services (except as specifically stated otherwise in the Benefit Schedule) incurred from Participating Providers each Year before any benefits are available. There are two ways an Insured Person can meet his or her Deductible:

- When an Insured Person meets his or her Individual Deductible, that Insured Person's benefits will be paid accordingly, whether any applicable Family Deductible is satisfied or not.
- If one or more Family Members are covered under this Policy, the Family Deductible will apply. Each Insured Person can contribute up to the individual Deductible amount toward the Family Deductible. Once this Family Deductible is satisfied, no further Individual or Family Deductible is required for the remainder of that Year.

### Out-of-Pocket Maximum

is the maximum amount of Coinsurance Deductible, and Copayment, each Individual or Family incurs for Covered Expenses from Participating Providers in a Year.

- The Individual Out-of-Pocket Maximum is an accumulation of Covered Expenses. It includes Deductibles, Copayments and Coinsurance for Covered medical and pharmacy Services. Once the Individual Out-of-Pocket Maximum has been met for the Year, for Covered Services, You will no longer have to pay any Coinsurance or Copayment for medical or pharmacy services for Covered Expenses incurred during the remainder of that Year. Non-compliance penalty charges do not apply to the Individual Out-of-Pocket Maximum and will always be paid by You. The amount of the Individual Out-of-Pocket Maximum is described in the Schedule of Benefits section of this Policy.
- The Family Out-of-Pocket Maximum applies if You have a family plan and You and one or more of your Family Member(s) are Insured under this Policy. It is an accumulation of the Individual Covered Expenses, including Deductibles, Copayments and Coinsurance for Covered medical and pharmacy Services, paid by each Family Member for Covered Expenses for medical Covered Services during a Year. If you cover other Family Member(s), each Insured Person's Covered Services accumulate toward the Family Out of Pocket Maximum. Each Insured Person can contribute up to the Individual Out-of-Pocket amount toward the Family Out-of-Pocket Maximum. Once the Out of Pocket has been met, the Family will no longer have to pay any Deductible, Coinsurance or Copayments for Covered Expenses incurred during the remainder of that Year. The amounts of the Individual and the Family Out-of-Pocket Maximum are described in the Schedule of Benefits section of this Policy.

## **Penalties**

A Penalty is an amount of Covered Expenses that is:

- Not counted toward any Deductible;
- Not counted toward the Out of Pocket Maximum; and
- Not eligible for benefit payment once the Deductible is satisfied

Penalties will apply under the following circumstances:

- Inpatient Hospital admissions may be subject to a Penalty if Your Provider fails to obtain Prior Authorization.
- Free Standing Outpatient Surgical Facility Services may be subject to a Penalty per admission, if Your Provider fails to obtain Prior Authorization.
- Certain outpatient surgeries and diagnostic procedures require Prior Authorization. If Your Provider fails to obtain Prior Authorization for such an outpatient surgery or diagnostic procedure, Your Provider may be responsible for a Penalty, per admission or per procedure.
- Authorization is required prior to certain other admissions and prior to receiving certain other services and procedures. Failure to obtain Authorization prior to these admissions or to receiving these services or procedures may result in a Penalty.

**Penalties are applied before any benefits are available.**

## MEMBER PAYMENT RESPONSIBILITY

---

### Benefit Schedule

Coinsurance amounts shown in the Benefit Schedule are Your responsibility after any applicable deductible or copayment has been met, unless otherwise indicated. Copayment amounts shown in the Benefit Schedule are also Your responsibility.

The Benefit Schedule shows the Individual and Family Deductible and Out-of-Pocket Maximums and the maximum Covered Expense for each type of benefit.

No benefits are payable unless the Insured Person's coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms, conditions, limitations and exclusions of this Policy.

In addition, no benefits are payable unless the Insured Person receives services from a Participating Provider, except as indicated below under "Special Circumstances".

### Participating Hospitals, Participating Physicians and Other Participating Providers

Covered Expenses for Participating Providers are based on Our Negotiated Rate. Participating Providers have agreed **NOT** to charge more than the Cigna Negotiated Rates for Covered Services. Participating Providers may charge the Insured Person for services that are not Covered Services under the Policy. In addition, Participating Providers will file claims with Us for the Insured Person, and will request Prior Authorization when it is required.

**Be sure to check with the Provider prior to an appointment to verify that the Provider is currently contracted with Cigna.**

### Special Circumstances

Covered Expenses for the services of a Non-Participating Provider will be paid according to the Participating Provider benefit schedule in certain circumstances as provided below:

- **Hospital Emergency Services**  
Emergency Services for an Emergency Medical Condition will be paid at the Participating Provider benefit schedule. Once the patient is Stabilized and his/her condition permits transfer to a Participating Hospital, services of a Non-Participating Hospital will no longer be covered.
- **Physician or other Provider Emergency Services**  
Covered Expense will be paid at the Participating Provider benefit schedule for the initial care of an Emergency Medical Condition.
- **Availability of Participating Providers**  
Covered Expenses for services of a Non-Participating Provider will be paid according to the Participating Provider benefit schedule when the non-Emergency, Medically Necessary services of a Participating Provider are unavailable within the Service Area. Refer to the 'Definitions' section of this Policy for a description of the Service Area.

### General Provisions

- When the amount paid by Cigna exceeds the amount for which We are liable under this Policy, We have the right to recover the excess amount from the Insured Person unless prohibited by law.
- In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is incurred. Under this Policy, an expense is incurred on the date the Insured Person(s) receives a service or supply for which the charge is made.

- We will pay all benefits of this Agreement directly to, Participating Hospitals, Participating Physicians, and all other Participating Providers, whether the Insured Person has Authorized assignment of benefits or not, unless the Insured Person has paid the claim in full in which case We will reimburse the Insured Person. In addition, We may pay any covered Provider of services directly when the Insured Person assigns benefits in writing no later than the time of filing proof of loss (claim), except for Foreign Country Provider claims. If We receive a claim from a Foreign Country Provider for a Medical Emergency, any eligible payment will be sent to the Insured Person. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill Our obligation to the Insured Person for those services.

## **Pharmacy Payments**

For Definitions associated with Prescription Drug benefits, refer to the 'Definitions' section of this Policy.

Covered Prescription Drugs and Related Supplies purchased at a Pharmacy are subject to the Copay or Coinsurance shown in the Benefit Schedule, after You have satisfied any applicable Deductible. Please refer to the Benefit Schedule for any applicable Copays or Coinsurance and Deductible(s).

**Cigna's Prescription Drug List is available upon request by calling the Customer Service number on Your ID card or on [www.myCigna.com](http://www.myCigna.com).**

In the event that You request a "brand-name" drug that has a generic equivalent, You will be financially responsible for the amount by which the cost of the "brand-name" drug exceeds the cost of the "generic" drug, plus the generic Copay or Coinsurance shown in the Benefit Schedule.

Your responsibility for covered Prescription Drugs and Related Supplies will always be the lowest of:

- the Copay or Coinsurance for the Prescription Drug, or
- Cigna's discounted rate for the Prescription drug; or
- the Pharmacy's Usual and Customary (U&C) charge for the Prescription Drug.

Usual & Customary (U&C) means the established Pharmacy retail cash price, less all applicable customer discounts that Pharmacy usually applies to its customers, regardless of the customer's payment source.

If You redeem a coupon or offer from a pharmaceutical manufacturer for a drug covered under this Policy, Cigna may not allow the dollar amount of the coupon or offer to reduce Your Annual Deductible, Copayment and/or Coinsurance. Cigna has the right to determine the amount and duration of any reduction, coupon or financial incentive available for any specific drug covered under this Policy.

### **Prescription Drugs and Specialty Medication Covered as Medical**

When Prescription Drugs and Specialty Medications on Cigna's Prescription Drug List are administered in a health care setting by a Physician or health care professional, and are billed with the office or facility charges, they will be covered under the medical benefits of this Policy. However, they may still be subject to Prescription Drug Prior Authorization or Step Therapy requirements.

# CLAIMS PROCEDURE (HOW TO FILE A CLAIM)

---

## Medical Claims

### How to File a Claim for Benefits

#### Notice of Claim:

There is no paperwork for claims for services from Participating Providers. You will need to show Your ID card and pay any applicable copayment; Your Participating Provider will submit a claim to Us for reimbursement. Claims for Emergency Services from Non-Participating Providers can be submitted by the Provider if the Provider is able and willing to file on Your behalf. If a Non-Participating Provider is not submitting on Your behalf, You must send Your completed claim form and itemized bills to the claims address listed on Your ID card.

**Unpaid Premiums:** At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

**Claim Forms:** When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section. You may also get the required claim forms from [www.cigna.com](http://www.cigna.com) under HealthCare, Important Forms or by calling Member Services using the toll-free number on Your identification card.

#### Claim Reminders:

- **BE SURE TO USE YOUR MEMBER ID AND ACCOUNT NUMBER WHEN YOU FILE CLAIM FORMS, OR WHEN YOU CALL YOUR Cigna CLAIM OFFICE.**
  - **YOUR MEMBER ID IS SHOWN ON YOUR ID CARD.**
  - **YOUR ACCOUNT NUMBER IS THE 7-DIGIT POLICY NUMBER SHOWN ON YOUR ID CARD.**
- **BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM.**

**Proof of Loss:** You must give Us written proof of loss within 15 months after the date of the loss, except in absence of legal capacity. Proof of loss is a claim form or letter as described above. Canceled checks or receipts are not acceptable. Cigna will not be liable for benefits if it does not receive written proof of loss within this time period.

#### Assignment of Claim Payments:

Medical Benefits are assignable to the Provider; when you assign benefits to a Provider, you have assigned the entire amount of the benefits due on that claim. If the Provider is overpaid because of accepting a patient's payment on the charge, it is the Provider's responsibility to reimburse the patient. Because of Cigna's contracts with Providers, all claims from contracted Providers should be assigned.

Payment for services provided by a Participating Provider is automatically assigned to the Provider unless the Participating Provider indicates that the Insured Person has paid the claim in full. The Participating Provider is responsible for filing the claim and We will make payments to the Provider for any benefits payable under this Policy. Payment for any Covered Expenses for Emergency Services from a Non-Participating Provider is payable to the Insured Person unless assignment is made as outlined below. If payment is made to the Insured Person for services provided by a Non-Participating Provider, the Insured Person is responsible for paying the Non-Participating Provider and our payment to the Insured Person will be considered fulfillment of Our obligation.

We may, at Our option, make payment to You for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to the You or Your Dependents, You or Your Dependents are responsible for paying the Non-Participating Provider and Our payment to You will be considered fulfillment of Our obligation.

We will recognize and consider any assignment made under the Policy, only if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made to a Provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment. You may revoke the assignment by providing a written revocation to Us and to the Provider. Revocation will be effective only as to charges incurred after receipt by Us and the Provider.

**Claims of Dependent Children:** Claims of a covered Dependent child may be filed by either parent or by the state department of social services in the case of an assignment under section 26-13-106, CRS, who submits valid copies of medical bills. A claim submitted by a custodial parent who is not an Insured Person under this policy shall be deemed a valid assignment of benefits for payment to the health care Provider.

**Timely Payment of Claims:** Benefits will be paid immediately upon receipt of due written proof of loss, subject to the section below on "The Claims Process."

**Payment of Claims:** Subject to any written direction of the insured in the application or otherwise, all or a portion of any benefits provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person.

Benefits will be paid directly to Participating Providers unless You instruct Us to do otherwise prior to Our payment. Any benefits due You which are unpaid at Your death will be paid to Your estate.

Cigna is entitled to receive from any Provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every Provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by Providers of medical care nor attempt to evaluate those services. However, the amount of benefits payable under this Plan will be different for Non-Participating Providers than for Participating Providers.

1. **The Claims Process:** Within 30 days after You receive Covered Services, or as soon as reasonably possible, You or someone on Your behalf, must notify Us in writing of Your claim.
2. We will pay, deny or settle clean claims within 30 days after We receive Your written notice of an electronic claim or 45 days after We receive Your written notice of a non-electronic claim,
3. If We receive a claim that requires additional information We will, within 30 calendar days after receipt of the claim, give the Provider, Policyholder, Insured Person, or patient, as appropriate, a full explanation in writing of what additional information is needed to resolve the claim, including any additional medical or other information related to the claim.
  - o The person receiving a request for such additional information shall submit all additional information requested by US within 30 calendar days after receipt of such request.
  - o Notwithstanding any provision of an indemnity policy to the contrary, We may deny a claim if a Provider receives a request for additional information and fails to timely submit additional information requested, subject to resubmittal of the claim or the appeals process. If such person has provided all such additional information necessary to resolve the claim, the claim shall be paid, denied, or settled by the carrier within the applicable time period set forth in paragraph (c) of this subsection

4. Absent fraud, all claims other than clean claims referenced in #2 above must be paid, denied or settled within 90 calendar days after We receive it.

### **Claim Determination Procedures Under Federal Law (Provisions of the laws of Colorado may supersede.)**

Colorado law defines "Utilization Review" as a set of formal techniques designed to monitor the use of, or evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures, or settings. Techniques include ambulatory review, prospective review, second opinion, certification, concurrent review, case management, discharge planning, or retrospective review. Utilization Review also includes reviews for the purpose of determining coverage based on whether or not a procedure or treatment is considered experimental or investigational in a given circumstance, and reviews of a covered person's medical circumstances when necessary to determine if an exclusion applies in a given situation. The following information provides further detail on utilization review procedures.

#### **Procedures Regarding Medical Necessity Determinations**

In general, health services and benefits must be Medically Necessary to be covered under the Policy. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on either a pre-service, concurrent, or post-service basis, as described below.

Certain services require Prior Authorization in order to be covered. This prior authorization is called a "pre-service medical necessity determination." The Policy describes who is responsible for obtaining this review. The Insured Person or their authorized representative (typically, their health care Provider) must request Medical Necessity determinations according to the procedures described below, in the Policy, and in the Insured Person's Provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, the Insured Person or their representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Policy, in the Insured Person's Provider's network participation documents, and in the determination notices.

#### **Pre-service Medical Necessity Determinations**

When the Insured Person or their representative requests a required Medical Necessity determination prior to care, Cigna will notify the Insured Person or their representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 15 days after receiving the request. This notice will include the reason for the requested extensions and the date a determination can be expected, which will be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date the Insured Person or their representative responds to the notice.

If the determination periods above would (a) seriously jeopardize the Insured Person's life or health, their ability to regain maximum function, or (b) in the opinion of a Physician with knowledge of the Insured Person's health condition, cause them severe pain which cannot be managed without the requested services, Cigna will make the pre-service determination on an expedited basis. Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited determination is necessary. Cigna will notify the Insured Person or their representative of an expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify the Insured Person or their representative within 24 hours after receiving the request to specify what information is needed. The Insured person or their representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify the Insured Person or their representative of the expedited benefit determination within 48 hours

after the Insured Person or their representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If the Insured Person or their representative fails to follow Cigna's procedures for requesting a required pre-service medical necessity determination, Cigna will notify them of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless the Insured Person or their representative requests written notification.

### **Concurrent Medical Necessity Determinations**

When an ongoing course of treatment has been approved for an Insured Person and they wish to extend the approval, the Insured Person or their representative must request a required concurrent Medical Necessity determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When the Insured Person or their representative requests such a determination, Cigna will notify them of the determination within 24 hours after receiving the request.

### **Post-service Medical Necessity Determinations**

When an Insured Person or their representative requests a Medical Necessity determination after services have been rendered, Cigna will notify them of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 30 days after receiving the request. This notice will include the reason for the requested extensions and the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date the Insured Person or their representative responds to the notice.

### **Post-service Claim Determinations**

When an Insured Person or their representative requests payment for services which have been rendered, Cigna will notify them of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date the Insured Person or their representative responds to the notice.

### **Notice of Adverse Determination**

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: (1) information sufficient to identify the claim; (2) the specific reason or reasons for the adverse determination; (3) reference to the specific plan provisions on which the determination is based; (4) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; (6) information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and (7) in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

### **Assignment of Pediatric Vision Claim Payments:**

Pediatric Vision Benefits are assignable to the Provider; when you assign benefits to a Provider, you have assigned the entire amount of the benefits due on that claim. If the Provider is overpaid because of accepting a patient's payment on the charge, it is the Provider's responsibility to reimburse the patient. Because of Cigna's contracts with Providers, all claims from contracted Providers should be assigned.

## **GENERAL POLICY PROVISIONS**

---

### **Third Party Liability**

You agree to advise Us, in writing, within a reasonable time of Your claim against the third party and to take such action, provide such information and assistance, and execute such documents as We may reasonably require to facilitate enforcement of the claim. You also agree to take no action that may prejudice the rights or interests of Us under this Policy. Failure to provide notice of a claim or to cooperate with Us, or actions that prejudice our rights or interests, may be considered to be a material breach by Us and may subject You to legal action.

We may have a right to a lien, to the extent of benefits advanced, upon any recovery that You receive from the third party, the third party's insurer, or the third party's guarantor. Recovery may be by settlement, judgment or otherwise. The lien will be in the amount of benefits paid by Us under this Policy for the treatment of the Illness, disease, Injury or condition for which the third party is liable. We will be entitled to collect on our lien even if the amount recovered by or for the Insured Person (or his or her estate, parent or legal guardian) from or for the account of such third party as compensation for the Injury, Illness or condition is less than the actual loss suffered by the Insured Person. Note: The coverage under this plan is secondary to any automobile no-fault or similar coverage.

Our right to a lien on Your recovery is limited only to that amount in excess of Your full compensation for all damages arising out of the claim.

In addition, if an Insured Person incurs expenses for Illness or Injury that occurred due to the negligence of a third party:

- We have the right to reimbursement for all benefits we paid from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by the Insured Person, Insured Person's parents, if the Insured Person is a minor, or Insured Person's legal representative as a result of that Illness or Injury; and
- We are assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits we paid for that Illness or Injury.
- We shall have the right to first reimbursement out of all funds the Insured Person, the Insured Person's parents, if the Insured Person is a minor, or the Insured Person's legal representative, is or was able to obtain for the same expenses we have paid as a result of that Illness or Injury.

You are required to furnish any information or assistance or provide any documents that we may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability.

### **Alternate Cost Containment Provision**

We may, in certain situations, approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Policy. The alternate treatment plan must be mutually agreed to by Us, the Insured Person, and the Physician, Provider, or other healthcare practitioner. Our offering an alternate treatment plan in a particular case in no way commits Us to do so in another case, nor does it prevent Us from strictly applying the express benefits, limitations, and exclusions of the Policy at any other time or for the Insured Person.

### **Other Insurance With This Insurer**

If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect.

However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.

## Medicare Eligibles

Cigna will pay as the Secondary Plan for an Insured Person who is eligible for Medicare as permitted by the Social Security Act of 1965 .

Cigna will estimate the amount Medicare would have paid, and pay as secondary to that estimated amount in the following circumstance:

- an Insured Person who is eligible to enroll in Part B of Medicare but is not enrolled

An Insured Person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for that person.

- This reduction will not apply to any Insured Person except as listed under "Cigna will pay as the Secondary Plan..."above

## Terms of the Policy

**Entire Contract; Changes:** This Policy, including the specification page, endorsements, application, and the attached papers, if any, constitutes the entire contract of insurance. No change in this Policy shall be valid unless approved by an Officer of Cigna and attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

**Time Limit on Certain Defenses:** After two years from the date coverage is effective under this Policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such two Year period.

**Grace Period:** If You purchased Your Plan from a Marketplace and You have elected to receive Your advanced premium tax credit, Your grace period is extended for three consecutive months provided you have paid at least one full month's premium due during the benefit year. Coverage will continue during the grace period, however if We do not receive Your premium due in full before the end of the grace period , Your coverage will be terminated as of the last day of the first month of the grace period. Please see "General Provisions", for further information regarding cancellation and reinstatement.

If You did not purchase Your plan from a Marketplace, or elect to not receive advanced premium tax credit, there is a grace period of 31 days for the receipt at our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period; however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last day of the grace period . Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 30 days prior to any premium due date that We do not intend to renew this Policy, or the Insured Person notifies Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy in accordance with the Cancellation provision below. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

**Cost-Share Contingency:** If You purchased Your Policy through a federally-facilitated or state-based marketplace and You satisfy certain income thresholds, You may have been eligible for, and Your Policy may include, cost-sharing reductions under federal law. In that case, Your cost-sharing obligation (e.g., copayments, coinsurance or deductible, as applicable) are less than the cost-sharing obligation that would otherwise apply under this Policy.

Any such cost-share reduction is predicated upon payment by the federal government to Cigna of amounts that are intended to reimburse Cigna for the difference between Your cost-sharing obligation and the cost-sharing obligation that

would otherwise apply under this Policy. In the event that the federal government fails to make such payments or such payments are otherwise determined to be impermissible or unavailable, Your reduced cost-sharing obligation (e.g., copayments, coinsurance or deductible, as applicable) may, upon 30 days' prior written notice, be increased to the amount that would otherwise apply under this Policy. In such a case, Your cost-sharing obligations will continue to be administered in accordance with applicable federal and state laws and regulations.

In the event that Cigna is prohibited, for any reason, from increasing Your cost sharing obligation in accordance with this section, Your premium may be increased upon 60 days' prior written notice to reflect the loss of reimbursement to Cigna.

**Member Services/Additional Programs:** We may, from time to time offer, or arrange for various entities to offer, discounts, benefits, premium or cost share credits, or other consideration to You for the Purpose of promoting Your general health and well-being.

**Reinstatement:** If this Policy cancels because You did not pay Your premium within the time granted You for payment, then We may, upon Your request and at Our discretion, agree to reinstate coverage under this Policy.

If this Policy is reinstated, benefits will be provided only for an Accidental Injury that occurs after the date of reinstatement, or for an Illness that begins more than 10 days after the date of reinstatement. Otherwise, You and Cigna shall have the same rights as existed under the Policy immediately before the due date of the defaulted premium, subject to any amendments or endorsements attached to the reinstated Policy.

Any premiums accepted in connection with a reinstatement will be applied to a period for which You have not previously paid premium, but not to exceed sixty days prior to the date of reinstatement.

If any Insured Person makes a written request to Us for a copy of the application, We will deliver or mail to the Insured Person a copy of the application within 15 days of receipt of the request.

Exception for Insured Persons deployed by or called to Active Duty in the United States military: Upon application for reinstatement, We will provide the Policyholder deployed by or called to active duty in the military the same benefits in effect before the policy lapsed. Premium will not be increased unless rate increases are applicable to all Policyholders.

**Renewal:** This Policy renews on a Calendar Year basis.

## **Continuation**

If an Insured Person's eligibility under this Policy would terminate due to the Insured's death, divorce or other reason for the Insured's ineligibility stated in the Policy or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person has the right to continuation of his or her insurance. Coverage will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. In such a case, coverage will continue without evidence of insurability. Also, if an Insured Person's eligibility under this Policy would terminate due to the Insured's death, divorce or other reason for the Insured's ineligibility stated in the Policy, except for the Insured's failure to pay premium, such termination would be considered a triggering event and the Insured Person could enroll during a special enrollment period if the Insured Person did not exercise their continuation right. The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will have coverage effective dates determined as follows: for an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month; for an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month. ## **APPEALS AND COMPLAINTS**

---

### **WHEN YOU HAVE A COMPLAINT OR AN ADVERSE DETERMINATION APPEAL**

#### **Complaint and Appeal Process**

For the purposes of this section, any reference to Insured Person also refers to a representative or Provider designated by the Insured Person to act on the Insured Person's behalf, unless otherwise noted.

Cigna wants the Insured Person to be completely satisfied with the coverage received. That is why Cigna established a process for addressing the Insured Person's concerns and resolving problems.

#### **Start with Customer Service**

Cigna is here to listen and help. If the Insured Person has a concern regarding a person, a service, the quality of care, contractual benefits, an initial eligibility denial or a rescission of coverage, the Insured Person can call Our toll-free number and explain the concern to one of Our Customer Service representatives. Please call Cigna at the Customer Service Toll-Free Number that appears on the Benefit Identification card, explanation of benefits or claim form.

Cigna will do their best to resolve the matter on the Insured Person's initial contact. If Cigna needs more time to review or investigate the concern, Cigna will get back to the Insured Person as soon as possible, but in any case within 30 days.

If the Insured Person is not satisfied with the results of a coverage decision, the Insured Person can start the appeals procedure.

#### **Appeals Procedure**

To initiate an appeal, the Insured Person must submit a request for an appeal in writing within 365 days of receipt of a denial notice to the following address:

Cigna  
National Appeals Organization (NAO)  
PO Box 188011  
Chattanooga, TN 37422

The Insured Person should state the reason why the Insured Person feels the appeal should be approved and include any information supporting the appeal. If the Insured Person is unable or chooses not to write, the Insured Person may ask to register the appeal by telephone. The Insured Person may call Cigna at the toll-free number on their Benefit Identification card, explanation of benefits or claim form. The Insured Person may also register the appeal by an arranged appointment or walk-in interview.

Colorado law provides one level of appeals for internal appeals of an adverse determination. Adverse determination means:

- A denial of a preauthorization for a covered benefit;
- A denial of a request for benefits for an individual on the ground that the treatment or covered benefit is not medically necessary, appropriate, effective, or efficient or is not provided in or at the appropriate health care setting or level of care;
- A rescission or cancellation of coverage under a health coverage plan that is not attributable to failure to pay premiums and that is applied retroactively;
- A denial of a request for benefits on the ground that the treatment or service is experimental or investigational;  
or

- A denial of coverage to an individual based on an initial eligibility determination.

Requests for appeal regarding an adverse determination of the Insured Person's issue will be conducted by a Committee, which consists of one or more people not previously involved in the prior decision. The Committee will consult with at least one Physician in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. For all other coverage plan-related appeals, a review will be conducted by someone who was a) not involved in any previous decision related to the Insured Person's appeal, and b) not a subordinate of previous decision makers.

The Insured Person has the following rights: (1) to attend the Committee review in person, or via teleconference or video conference; (2) to present their situation to the Committee in person or in writing; (3) to submit supporting material both before and at the Committee review; (4) to ask questions of any Cigna representative prior to the review; and (5) to question any reviewer at the review; and (6) to be assisted or represented by a person of their choice.

For required pre-service and concurrent care coverage determinations, the review will be completed within 15 calendar days. For post service claims, the review will be completed within 30 calendar days. If more time or information is needed to make the determination, Cigna will notify the Insured Person in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. In the event any new or additional information (evidence) is considered, relied upon or generated by Cigna in connection with the appeal, Cigna will provide this information to the Insured Person as soon as possible and sufficiently in advance of the decision, so that the Insured Person will have an opportunity to respond. Also, if any new or additional rationale is considered by Cigna, Cigna will provide the rationale to the Insured Person as soon as possible and sufficiently in advance of the decision so that the Insured Person will have an opportunity to respond.

The Insured Person will be notified in writing of the decision within five working days after the decision is made, and within the review time frames above if Cigna or the Committee does not approve the requested coverage.

The Insured Person may request that the appeal process be expedited if the time frames under this process: (a) would seriously jeopardize the Insured Person's life, health or ability to regain maximum function or, in the opinion of your Physician would cause severe pain which cannot be managed without the requested services; or (b) the appeal involves non-authorization of an admission or continuing inpatient Hospital stay. If the Insured Person requests that the appeal be expedited based on (a) above, the Insured Person may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited internal appeal would be detrimental to the Insured Person's medical condition.

Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. Cigna's Physician reviewer will consult with a Physician reviewer in the same or similar specialty as the care under consideration to make a decision. When an appeal is expedited, Cigna will respond orally with a decision within 72 hours, followed up in writing.

## **Standard External Review Process for Medical Necessity Adverse Decisions**

If the Insured Person remains dissatisfied with an adverse determination decision of Cigna and has completed the internal appeal review, the Insured Person may submit a written request for External Independent Review (EIR). Cigna will pay the cost of the EIR and there is no restriction on the minimum dollar amount of a claim for it to be eligible for external review. The Insured Person has four months after the date of receipt of Cigna's final adverse determination to submit a written request for EIR. All requests for external review must be in writing to Cigna and must include a completed external review request form. All requests must also include a signed consent, authorizing Cigna to disclose protected health information, including medical records, pertinent to the external review. Whenever Cigna receives an incomplete standard request for external review that fails to meet Cigna's filing procedures, Cigna shall notify the Insured Person of this failure as soon as possible, but in no event later than five days following the date the incomplete request was received.

Within two working days of receipt of the Insured Person's request for EIR, Cigna will deliver a copy of the request to the Commissioner. If Cigna decides to reverse the final adverse determination before sending the Insured Person's request to the Commissioner, The Insured Person will be informed within one working day of Cigna's decision by facsimile, telephone or other electronic means, followed up in writing.

Within two working days of receiving the Insured Person's request for EIR from Cigna, the Commissioner will assign an independent external review entity to conduct the external review. Upon assignment, the Commissioner will notify Cigna, electronically, by facsimile, or by telephone, followed up in writing, of the name and address of the independent external review entity to which the appeal should be sent. Within one working day of receiving the notice from the Commissioner, Cigna will provide the Insured Person either electronically, by facsimile, or by telephone, followed up in writing, with a description of the independent external review entity and how to provide the Commissioner with documentation regarding any potential conflict of interest with the independent external review entity. Within two working days of receipt of notice from Cigna concerning the independent external review entity, The Insured Person may provide the Commissioner with documentation regarding a potential conflict of interest of the independent external review entity, electronically, by facsimile, or by telephone, followed up in writing. If the Commissioner determines that the independent external review entity presents a conflict of interest, the Commissioner shall assign, within one working day, another independent external review entity to conduct the external review. Upon this reassignment, the Commissioner will notify Cigna, electronically, by facsimile, or by telephone, followed up in writing, of the name and address of the new independent external review entity to which the appeal should be sent. The Commissioner will also notify the Insured Person in writing of the Commissioner's determination regarding the potential conflict of interest and the name and address of the new independent external review entity. . Within five business days of receipt of notice from CIGNA concerning the independent external review entity, the Insured Person may submit information directly to the EIR and the EIR will provide a copy of the information to CIGNA within one business day after receipt of the information.

Within five working days from the date Cigna receives notice from the Commissioner regarding the selection of the independent external review entity, Cigna will deliver the following to the assigned independent external review entity: (1) all relevant medical records; (2) a copy of any and all denial letters; (3) a copy of the signed consent form; (4) all documentation provided to Cigna by the Insured Person and/or a health care professional in support of the request for coverage; (5) criteria used and clinical reasons for the adverse decision; and (6) an index of all submitted documents. Within two working days of receipt of the material from Cigna, the independent external review entity will deliver to the Insured Person the index of all materials that Cigna has submitted to the independent external review entity. Cigna will provide the Insured Person, upon request, all relevant information supplied to the independent external review entity that is not confidential or privileged under state or federal law.

The independent external review entity will notify, the Insured Person, or their health care professional and Cigna of any additional medical information required to conduct the review. Within five working days of such a request, the Insured Person or their health care professional will submit the additional information, or an explanation of why the additional information is not being submitted to the independent external review entity and Cigna. If the Insured Person or their health care professional fail to provide the additional information or the explanation of why additional information is not being submitted within five working days, the independent external review entity will make a decision based on the information submitted by Cigna. If Cigna fails to provide the required documents and information within five working days, the independent external review entity may terminate the external review and make a decision to reverse Cigna's final adverse determination. Immediately upon the reversal, the independent external review entity will notify the Insured Person, Cigna and the Commissioner.

Upon receipt of any new information from you, Cigna may reconsider its final adverse determination that is the subject of the external review. The external review may only be terminated if Cigna decides to reverse its final adverse determination and provide coverage or payment for the health care service that was denied. Within one working day of Cigna making the decision to reverse its final adverse determination, Cigna will notify you, the independent external review, and the Commissioner of its decision, electronically, by facsimile, or by telephone, followed up in writing. The independent external review entity will terminate the external review upon receipt of the notice from Cigna.

Within 45 calendar days after the date of receipt of the request of the external review by Cigna, the independent external review entity will provide written notice of its decision to uphold or reverse Cigna's final adverse determination to the Insured Person, if applicable, to their designated representative, to Cigna, to their Physician and to the Commissioner.

Upon our receipt of the independent external review entity's notice of the decision reversing our final adverse determination, Cigna will approve the coverage that was the subject of the final adverse determination. For pre-service and concurrent care reviews, Cigna will approve the coverage within one working day. For post service review, Cigna will approve the coverage, within five working days. Cigna will provide written notice of the approval to

the Insured Person within one working day of our approval of coverage. The coverage will be provided subject to the terms and conditions applicable to benefits under the plan.

### **Expedited External Review Process for Medical Necessity Adverse Decisions**

The Insured Person or the Insured Person's designated representative may make a request with Cigna for an expedited external review if the Insured Person has a medical condition and if the time frame for completion of a standard external review would seriously jeopardize the Insured Person's life or health or ability to regain maximum function or, in the case of an Insured Person with a physical or mental disability, create an imminent and substantial limitation of the Insured Person's existing ability to live independently. The request for an expedited review must include a Physician certification that the Insured Person's medical condition meets the expedited review criteria.

Whenever Cigna receives an incomplete expedited request for external review that fails to meet Cigna's filing procedures, Cigna shall notify the Insured Person of this failure as soon as possible, but in no even later than twenty four hours after the incomplete request was received. Upon receipt of the Insured Person's request for an expedited external review, Cigna will notify and send a copy of the request to the Commissioner within one working day either electronically, by telephone, by facsimile or any other available expeditious method. Within one working day of receiving the request from Cigna, the Commissioner will assign an independent external review entity to conduct the review. Upon assignment, the Commissioner will inform Cigna of the name and address of the independent external review entity. Within one working day of receiving the notice from the Commissioner, Cigna will notify the Insured Person, electronically, by facsimile, or by telephone, followed up in writing. The notice will include a written description of the independent external review entity that the Commissioner has selected.

Immediately after receiving the request for an expedited external review, Cigna will provide all necessary documents and information considered in making the final adverse determination to the independent external review entity either electronically, by telephone, by facsimile or by any other available expeditious method. Cigna will provide to the Insured Person, upon request, all information submitted to the independent external review entity that is not confidential or privileged under state or federal law.

As soon as possible but no more than 72 hours after the date of receipt of the request for external review by Cigna, the independent external review entity will make a decision to uphold or reverse Cigna's final adverse determination and notify the Insured Person, the Insured Person's Physician, Cigna, and the Commissioner of the decision.

If the notice of the decision is not made in writing, the EIR must provide written confirmation of the decision within 48 hours after the date the notice of the decision is transmitted to the Insured Person, Insured Person's Physician, Cigna and the Commissioner.

Upon Our receipt of the independent external review entity's decision, Cigna will approve the coverage that was subject to the review immediately and will provide written notice of the approval to the Insured Person of the independent external review entity's notice. The coverage will be provided subject to the terms and conditions applicable to benefits under the plan. An expedited external review may not be provided for post service adverse determinations.

An external review decision is binding on Cigna and you, except to the extent Cigna and You have other remedies available under federal or state law. You may not file a subsequent request for external review involving the same plan's final adverse determination for which you have already received an external review decision.
