Introduction

About This Policy

Your medical coverage is provided under a Policy issued by CIGNA HEALTH AND LIFE INSURANCE COMPANY ("Cigna") This Policy is a legal contract between You and Us.

Under this Policy, "We", "Us", and "Our" mean Cigna. "You" or "Your" refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term "Insured Person" in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Medically Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Physician prescribes or orders a service does not, in itself, mean that the service is Medically Necessary or that the service is a Covered Service. Consult this Policy or phone Us at the number shown on Your Cigna identification card if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as "Medically Necessary" and "Covered Service") that are defined in the section entitled "Definitions". Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member (s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

IF, WITHIN 2 YEARS AFTER THE EFFECTIVE DATE OF YOUR PARTICIPATION IN THE POLICY, WE DISCOVER ANY FRAUD OR MATERIAL FACTS THAT WERE INTENTIONALLY MISREPRESENTED OR THAT YOU OR YOUR FAMILY MEMBER (S) KNEW, BUT DID NOT DISCLOSE IN YOUR APPLICATION, WE MAY RESCIND THIS COVERAGE AS OF THE ORIGINAL EFFECTIVE DATE. ADDITIONALLY, IF WITHIN 2 YEARS AFTER ADDING ADDITIONAL FAMILY MEMBER(S) (EXCLUDING NEWBORN CHILDREN OF THE INSURED ADDED WITHIN 31 DAYS AFTER BIRTH), WE DISCOVER ANY FRAUD OR MATERIAL FACTS THAT WERE INTENTIONALLY MISREPRESENTED OR THAT YOU OR YOUR FAMILY MEMBER (S) KNEW, BUT DID NOT DISCLOSE IN YOUR APPLICATION, WE MAY RESCIND COVERAGE FOR THE ADDITIONAL FAMILY MEMBER (S) AS OF THE DATE HE OR SHE ORIGINALLY BECAME EFFECTIVE. IF WE RESCIND YOUR COVERAGE, WE WILL PROVIDE YOU WITH 45 DAYS ADVANCE NOTICE AND WE WILL REFUND ALL PREMIUMS YOU PAID FOR YOUR POLICY LESS THE AMOUNT OF ANY CLAIMS PAID BY CIGNA. RESCISSION OF YOUR COVERAGE WILL RESULT IN DENIAL OF ALL PENDING CLAIMS AND, IF CLAIM PAYMENTS EXCEED TOTAL PREMIUMS PAID, THEN CLAIMS PREVIOUSLY PAID BY CIGNA WILL BE RETROACTIVELY DENIED, OBLIGATING YOU TO PAY THE PROVIDER IN FULL FOR SERVICES RENDERED AT THE PROVIDER'S REGULAR BILLED RATE, NOT AT THE CIGNA NEGOTIATED RATE.

CHOICE OF HOSPITAL AND PHYSICIAN: Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Hospital or Physician of their choice. You may pay more for Covered Services, however, if the Insured Person receives them from a Hospital or Physician that is a Non-Participating/Out-of-Network Provider. This plan does not cover some services from Non-Participating/Out-of-Network Providers. All costs associated with those services from a Non-Participating/Out-of-Network Provider are the responsibility of the Insured Person. Please refer to Your Benefit Schedule for Out-of-Network coverage levels.

Choosing a Primary Care Physician

Choosing a Primary Care Physician (PCP)

A Primary Care Physician may serve an important role in meeting health care needs by providing or arranging for medical care for each Insured Person. For this reason, when You enroll as an Insured Person, We encourage You to select a Primary Care Physician ("PCP"). Your PCP will provide Your regular medical care and assist in coordinating Your care. You are encouraged to choose a PCP for Yourself and for each covered Family Member from the network of Participating Providers. You may select Your PCP by calling the customer service phone number on Your ID card or by visiting Our website at www.mycigna.com. The Primary Care Physician You select for Yourself may be different from the Primary Care Physician You select for each of your Family Member(s). You have the right to designate any Primary Care Physician who participates in Our network and is available to accept You or Your family Members.

If You Need A Specialist

Your PCP is important to the coordination of Your care. While this Plan does not require referrals to visit specialists, if You need specialty care You are encouraged to work with Your PCP, who can coordinate Your care and assist You in selecting a specialist appropriate for Your care.

The referral system can be used to keep Your PCP involved in and apprised of all of Your health care needs. If You receive covered services from a specialist in the Plan's network without a referral, You will not be subject to a penalty, and the claims for those Covered Services will be processed according to the applicable in-network level of benefits. Note that You also have the right to receive Covered Services from specialists who do not participate in the Plan's network. However, if You self-refer to an Out-of-Network specialist, You will be responsible for all Out-of-Network costs associated with that Provider.

Referral requirements do not apply to Emergency Services, obstetrical and gynecological care from an In-Network Providers. Please be aware that obtaining a referral is not itself a guarantee of payment for services.

Changing Primary Care Physicians

You may request a transfer from one Primary Care Physician to another by contacting Us at the Customer Service number on ID card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed.

In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, We will notify You 30 days in advance, for the purpose of selecting a new Primary Care Physician, if they choose.

If Your PCP Leaves the Network

If Your PCP or In-Network specialist ceases to be a Participating Physician, We will notify You in writing of his or her impending termination at least 30 days in advance of the date the PCP leaves the network and provide assistance in selecting a new PCP or identifying a new In-Network specialist to continue providing Covered Services. If You are receiving treatment from a Participating Provider at the time his or her Participating Provider agreement is terminated, for reasons other than medical incompetence or professional misconduct, You may be eligible for continued care with that Provider.

Network Exception

If Medically Necessary Covered Services are not available through Participating Physicians or Participating Providers, Cigna will, upon the request of a Network PCP or Provider:

- Allow Referral to an Out-of-Network (Non-Participating) Provider; and
- Fully reimburse the Out-of-Network (Non-Participating) Provider at the Usual and Customary rate or at an agreed rate:

Prior to denying a request for referral to an Out-of-Network (Non-Participating) Provider, Cigna must provide for a review conducted by a Specialist of the same or similar type of specialty as the Physician or Provider to whom the Referral is requested.

Continuity of Care

If Your PCP ceases to be a Participating Physician, We will notify You. Under certain medical circumstances, We may continue to reimburse Covered Expenses from Your PCP or a specialist You've been seeing at the Participating Provider benefit level even though he or she is no longer affiliated with Cigna's network. If you are undergoing an active course of treatment for an acute or chronic condition and continued treatment is Medically Necessary, You may be eligible to receive continuing care from the Non-Participating Provider for a specified time, subject to the treating Provider's agreement. You may also be eligible to receive continuing care if You are in your second or third trimester of pregnancy. In this case, continued care may be extended through Your delivery and include a period of postpartum care.

Such continuity of care must be approved in advance by Cigna, and Your doctor must agree to accept Our reimbursement rate and to abide by Cigna's policies and procedures and quality assurance requirements. There may be additional circumstances where continued care by a provider who ceases to be a Participating Provider will not be available, such as when the Provider loses his/her license to practice or retires.

You may request continuity of care from Cigna after your Participating Provider's termination from Cigna's network; start by calling the toll-free number on your ID card. Continuity of care must be Medically Necessary and approved in advance by Us. Continuity of care will cease upon the earlier of:

- Successfully transition of Your care to a Participating Provider, or
- Completion of Your treatment; or
- The next open enrollment period; or
- The length of time approved for continuity of care ends.

Retrospective Review

If Prior Authorization was not performed Cigna will use retrospective review to determine if a scheduled or Emergency admission was Medically Necessary. In the event the services are determined to be Medically Necessary, benefits will be provided as described in this Policy. If it is determined that a service was not Medically Necessary, the Insured Person is responsible for payment of the charges for those services.

When Can I Apply?

Application to Enroll or Change Coverage

The Patient Protection and Affordable Care Act of 2010 (PPACA) specifies that an eligible person must enroll for coverage or change plans during the Annual Open Enrollment Period. Persons who fail to enroll or change plans during the Open Enrollment Period must wait until the next Open Enrollment Period to enroll in a plan or to change plans. However, if a person experiences a triggering event as described below, the triggering event starts a 60-day Special Enrollment Period during which an eligible person can enroll and an Insured Person can add dependents and change coverage.

The Open Enrollment Period and Special Enrollment Period are explained below.

Annual Open Enrollment Period

The Annual Open Enrollment Period is a specified period of time each Year during which individuals who are eligible as described above can apply to enroll for coverage or change coverage from one plan to another.

To be enrolled for coverage under this Plan. You must submit a completed and signed application for coverage under this Policy for Yourself and any eligible Dependent(s), and We must receive that application during the Annual Open Enrollment Period.

Your coverage under this Policy will then become effective upon the earliest day allowable under federal rules for that Year's open enrollment period. **Note: If You do not apply to obtain or change coverage during the Annual Open Enrollment Period, You will not be able to apply again until the following Year's Annual Open Enrollment Period** unless You qualify for a special enrollment period as described below.

Special Enrollment Periods

A special enrollment period occurs when a person experiences a triggering event.

If You experience one of the triggering events listed below, You can enroll for coverage and enroll Your eligible Dependent(s) during a special enrollment period instead of waiting for the next Annual Open Enrollment Period.

Triggering events for a special enrollment period OFF Marketplace are:

- An eligible individual, and any dependent(s), loses his or her minimum essential coverage; or
- An eligible individual and his or her dependent(s) lose employer-sponsored health plan coverage due to voluntary or involuntary termination of employment for reasons other than misconduct, or due to a reduction in work hours; or
- An eligible individual gaining or becoming a dependent through marriage, birth adoption or placement for adoption; or through a child support order or other court order; or
- An eligible dependent spouse or child loses coverage under an employer-sponsored health plan due to the employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, and death of the covered employee; or
- An eligible individual loses his or her dependent child status under a parent's employer-sponsored health plan; or
- An individual who was not previously a citizen, national or lawfully present individual gains such status; or

- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of an officer, employee or agent of the state Marketplace, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the Marketplace. In such cases, the Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or
- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions, regardless of whether such individual is already enrolled in a qualified health plan. The marketplace must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan; or
- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan); or

Triggering events **do not** include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will have coverage effective dates determined as follows):

- In the case of birth, adoption, placement for adoption, or placement in foster care, coverage is effective for a qualified individual or enrollee on the date of birth, adoption, placement for adoption, or placement in foster care;
- In the case of marriage, or in the case where a qualified individual loses minimum essential coverage, coverage is effective for a qualified individual or enrollee on the first day of the following month.

For all other triggering events the effective dates are:

- For an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month;
- For an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month.

Triggering events for a special enrollment period ON Marketplace are:

- An eligible individual, and any dependent(s), loses his or her minimum essential coverage pregnancy-related Medicare/Medicaid coverage, or medically needy coverage (only once per calendar year), or the qualified individual or dependent is enrolled in any non-calendar year group or individual health insurance coverage (even if they have the option to renew such coverage). The date of the loss of minimum essential coverage, pregnancy-related coverage, or medically needy coverage is the last day the individual would have coverage under the plan. The date of loss of non-calendar year insurance is the last day of the plan or policy year; or
- An eligible individual and his or her dependent(s) lose employer-sponsored health plan coverage due to voluntary or involuntary termination of employment for reasons other than misconduct, or due to a reduction in work hours; or
- An eligible individual gaining or becoming a dependent through marriage, birth adoption or placement for adoption, or through a child support order or other court order; or
- An eligible dependent spouse or child loses coverage under an employer-sponsored health plan due to the employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, and death of the covered employee; or
- At the option of the Marketplace, the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation, or if the enrollee or his or her dependent dies;
- An eligible individual loses his or her dependent child status under a parent's employer-sponsored health plan; or

- A qualified individual or dependent becomes newly eligible for enrollment in a QHP when they satisfy the Marketplace's citizenship requirement or are released from incarceration;
- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of an officer, employee or agent of the state Marketplace, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the Marketplace. In such cases, the Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or
- An eligible individual adequately demonstrates to the Marketplace that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to that person; or
- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions, regardless of whether such individual is already enrolled in a qualified health plan:
 - The enrollee or dependent is determined newly eligible or ineligible for APTC or has a change in eligibility for cost-sharing reductions;
 - A qualified individual or his or her dependent who is enrolled in an eligible employer-sponsored plan is determined newly eligible for APTC based in part on a finding that such individual is ineligible for qualifying coverage in an eligible-employer sponsored plan, including as a result of his or her employer discontinuing or changing available coverage within the next 60 days, provided that such individual is allowed to terminate existing coverage;
 - A qualified individual who was previously ineligible for APTC because of a household income below 100% FPL and who was also ineligible for Medicaid because he or she was living in a non-Medicaid expansion state, either experiences a change in income or moves to a different state, making them newly eligible for APTC.

The Marketplace must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan; or

- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan) and either (1) had minimum essential coverage for one or more days during the 60 days preceding the date of the move, or (2) was living outside of the United States; or
- The qualified individual who gains or maintains status as an Indian, as defined by section 4 of the Indian Health Care Improvement Act (or their dependent), may enroll in a qualified health plan or change from one qualified health plan to another one time per month; or
- An eligible individual or enrollee demonstrates to the Marketplace, in accordance with guidelines issued by HHS, that he or she meets other exceptional circumstances as the Marketplace may provide; or A qualified individual (or their dependent) who is enrolled in minimum essential coverage and is a victim of domestic abuse or spousal abandonment seeks to enroll in coverage separate from the perpetrator;
- A qualified individual or dependent applies for Marketplace or Medicaid or CHIP coverage during open enrollment or due to a qualifying life event, but is determined ineligible for Medicaid or CHIP after the Exchange open enrollment period has ended or more than 60 days after a qualifying life event;
- The qualified individual or enrollee (or their dependent) adequately demonstrates to the Marketplace that a material error related to plan benefits, service area or premium influenced their decision to purchase a QHP; or
- At the option of the Marketplace, the qualified individual provides satisfactory evidence to verify eligibility for an insurance affordability program or enrollment in a QHP following termination of Exchange enrollment due to a failure to verify such status within established time periods, or is under 100% of the federal poverty level and did not enroll in coverage while waiting for HHS to verify citizenship, status as a national or lawful presence.

Triggering events do not include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will have coverage effective dates determined as follows):

- In the case of birth, adoption, placement for adoption, or placement in foster care, coverage is effective for a qualified individual or enrollee on the date of birth, adoption, placement for adoption, or placement in foster care;
- In the case of marriage, or in the case where a qualified individual loses minimum essential coverage, coverage is effective for a qualified individual or enrollee on the first day of the following month.

For all other triggering events the effective dates are:

- For an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month;
- For an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month.

Specific Causes for Ineligibility:

Except as described in the Continuation section, an Insured Person will become ineligible for coverage under the Policy:

- When premiums are not paid according to the due dates and grace periods described in the premium section.
- For the spouse - when the spouse is no longer married to the Insured.
- For You and Your Family Member(s) when the Insured Person no longer meets the requirements listed in the Eligibility Requirements section; however, coverage for a dependent child who reaches the plan maximum age will terminate at midnight on December 31st of the Year in which the dependent reaches the plan maximum age.
- The date the Policy terminates.
- When the Insured no longer lives in the Enrollment Area.

Remember, it is Your responsibility to notify Cigna immediately of any changes affecting You or any of Your Insured Family Member(s) eligibility for benefits under this Policy.

Continuation

If an Insured Person's eligibility under this Policy would terminate due

- to the Insured's death,
- divorce or
- if other Insured Family Member(s) would become ineligible due to age or
- no longer qualify as dependents for coverage under this Plan;
- if an Insured person's eligibility for coverage under this Plan terminates prior to that Insured being eligible for Medicare or Medicaid benefits;
- except for the Insured's failure to pay premium,

that Member has the right to continuation of his or her insurance. Coverage will be continued if the Member exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 31 days following the date this Agreement would otherwise terminate. No evidence of insurability is required to continue coverage.

How The Policy Works

Benefit Schedule

The Benefit Schedule shows the Individual and Family Deductible and Out-of-Pocket Maximums, and the maximum Covered Expense for each type of benefit.

No benefits are payable unless the Insured Person's coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms, conditions, limitations and exclusions of this Policy.

Participating Hospitals, Participating Physicians and Other Participating Providers.

Covered Expenses for Participating Providers are based on Our Negotiated Rate. Participating Providers have agreed **NOT** to charge more than the Cigna Negotiated Rates for Covered Services. Participating Providers may charge the Insured Person for services that are not Covered Services under the Policy. In addition, Participating Providers will file claims with Us for the Insured Person and will request Prior Authorization when it is required.

Be sure to check with the Provider prior to an appointment to verify that the Provider is currently contracted with Cigna.

Non-Participating Hospitals, Non-Participating Physicians, and Other Non-Participating Providers.

Covered Expense for services provided by a Non-Participating Provider will not exceed the lesser of actual billed charges, or a Maximum Reimbursable Charge. These services may be subject to additional penalties and/or Deductibles. This plan does not cover some services from Non-Participating/Out-of-Network Providers. All costs associated with those services from an Non-Participating/Out-of-Network Provider are the responsibility of the Insured Person. Please refer to Your Benefit Schedule for Out-of-Network coverage levels.

Special Circumstances

Covered Expenses for the services of a Non-Participating Provider will be paid according to the Participating Provider benefit schedule in certain circumstances as provided below:

- **Hospital Emergency Services**

Emergency Services for an Emergency Medical Condition will be paid at the Participating Provider benefit schedule. Once the patient is Stabilized and he/she can be transferred to a Participating Hospital, medical payment will be reduced to the Non-Participating Provider benefit schedule if the Insured Person is not transferred to a Participating Hospital as soon as his or her medical condition permits.

- **Physician or Other Provider Emergency Services**

Covered Expense will be paid at the Participating Provider benefit schedule for the initial care of an Emergency Medical Condition.

- **Availability of Participating Providers**

Covered Expenses for services of a Non-Participating Provider will be paid according to the Participating Provider benefit schedule when the non-Emergency, Medically Necessary services of a Participating Provider are unavailable within the Service Area. Refer to the 'Definitions' section of this Policy for a description of the Service Area.

Deductibles

Deductibles are prescribed amounts of Covered Expenses the Insured Person must pay before benefits are available. Deductibles apply to all Covered Expenses as described in the Definitions section of this Policy, unless expressly stated otherwise in the Benefit Schedule. Deductibles do not include any amounts in excess of Maximum Reimbursable Charges, any penalties, or expenses that are not Covered Expenses.

Deductibles will be applied in the order in which an Insured Person's claims are received and processed by Us, not necessarily in the order in which the Insured Person received the service or supply.

In-Network Deductible

The In-Network Deductible is stated in the Benefit Schedule. The Deductible is the amount of Covered Expenses You must pay for **any** Covered Services (except as specifically stated otherwise in the benefit schedule) incurred from Participating Providers each Year before any benefits are available. There are two ways an Insured Person can meet his or her In-Network Deductible:

- When an Insured Person meets his or her Individual In-Network Deductible, that Insured Person's benefits will be paid accordingly, whether any applicable Family In-Network Deductible is satisfied or not.
- If You cover other Family Member(s), the Family In-Network Deductible will apply. Each Insured Person can contribute up to the individual In-Network Deductible amount toward the Family In-Network Deductible. Once this Family In-Network Deductible is satisfied, no further Family In-Network Deductible is required for the remainder of that Year

Out-of-Network Deductible

The Out-of-Network Deductible is applied only to Covered Expenses incurred for services received from Non-Participating Providers. If the Insured Person submits a claim for services which have a maximum payment limit and the Out-of-Network Deductible is not satisfied, We will only apply the allowed per visit, per day, or per event amount, whichever applies, toward the Out-of-Network Deductible. Only Maximum Reimbursable Charges will be applied to the Out-of-Network Deductible. Please see Policy Details for how Maximum Reimbursable Charges are calculated. There are two ways an Insured Person can meet his or her Out-of-Network Deductible:

- When an Insured Person meets his or her Individual Out-of-Network Deductible, that Insured Person's benefits will be paid accordingly, whether any applicable Family Out-of-Network Deductible is satisfied or not.
- If You cover other Family Member(s), the Family Out-of-Network Deductible will apply. Each Insured Person can contribute up to the Individual Out-of-Network Deductible amount toward the Family Out-of-Network Deductible. Once this Family Out-of-Network Deductible is satisfied, no further Family Out-of-Network Deductible is required for the remainder of that Year.

The Out-of-Network Deductible is stated in the Benefit Schedule. The Out-of-Network Deductible is the amount of Covered Expenses You must pay for any Covered Services (except as specifically stated otherwise in the Benefit Schedule) incurred from Non-Participating Providers each Year before any benefits are available

Out of Pocket Maximums

The Out of Pocket Maximum is the amount of Coinsurance, Deductible, and Copay, each Insured Person or Family incurs for Covered Expenses in a Year. The Out of Pocket Maximums **do not** include any amounts in excess of Maximum Reimbursable Charges any penalties, or any amounts in excess of other benefit limits of this Policy. This Policy has separate Out-of-Pocket Maximums for In-Network and for Out-of-Network Providers.

- The Individual Out-of-Pocket Maximum is an accumulation of Covered Expenses. It includes Deductibles, Copayments and Coinsurance for Covered medical and pharmacy Services. Once the Individual Out-of-Pocket Maximum for In-Network or Out-of-Network Providers has been met for the Year, for Covered Services, You will no longer have to pay any Coinsurance or Copayment for medical or pharmacy services for Covered Expenses incurred, for In-Network or Out-of-Network Providers respectively, during the remainder of that Year. Non-compliance penalty charges do not apply to the Individual Out-of-Pocket Maximum and will always be paid by You. The amount of the Individual Out-of-Pocket Maximum is described in the Schedule of Benefits section of this Policy.
- The Family Out-of-Pocket Maximum applies if You have a family plan and You and one or more of your Family Member(s) are Insured under this Policy. It is an accumulation of the Individual Covered Expenses, including Deductibles, Copayments and Coinsurance for Covered medical and pharmacy Services, paid by each Family Member for Covered Expenses for medical Covered Services during a Year. Each Insured Person can contribute up to the Individual Out-of-Pocket Maximum toward the Family Out-of-Pocket Maximum. If you cover other Family Member(s), each Insured Person's Covered Services accumulate toward the Family Out of Pocket Maximum. Each Insured Person can contribute up to the Individual Out-of-Pocket amount toward the Family Out-of-Pocket Maximum. Once the Out of Pocket has been met, the Family will no longer have to pay any Deductible, Coinsurance or Copayments for Covered Expenses incurred during the remainder of that Year. OThe amounts of the Individual and the Family Out-of-Pocket Maximum are described in the Schedule of Benefits section of this Policy.

Special Limits

There may be limits applied to certain Covered Services in the form of an Annual maximum on the number of visits, days or events the Plan will cover for a specific type of service. The expenses you incur which exceed specific maximums described in this Policy will be Your responsibility. Any Special Limits applicable to benefits in this Plan are described in the Benefit Schedule.

The expenses you incur which exceed specific maximums described in this Policy will be Your responsibility.

Penalties

A Penalty is an amount of Covered Expenses that is:

- Not counted toward any Deductible;
- Not counted toward the Out of Pocket Maximums; and
- Not eligible for benefit payment once the Deductible is satisfied.

Penalties will apply under the following circumstances:

- Inpatient Hospital admissions may be subject to a Penalty if You or Your Provider fail to obtain Prior Authorization.
- Free Standing Outpatient Surgical Facility Services may be subject to a Penalty per admission, if You or Your Provider fail to obtain Prior Authorization.
- Certain outpatient surgeries and diagnostic procedures require Prior Authorization. If You or Your Provider fail to obtain Prior Authorization for such an outpatient surgery or diagnostic procedure, You or Your Provider may be responsible for a Penalty, per admission or per procedure.
- Authorization is required prior to certain other admissions and prior to receiving certain other services and procedures. Failure to obtain Authorization prior these admissions or to receiving these services or procedures may result in a Penalty.

Penalties are applied before any benefits are available.

Prior Authorization

When Your Physician prescribes certain Prescription Drugs or Related Supplies, including high cost and Specialty Medications, Cigna requires Your Physician to obtain authorization before the prescription or supply can be filled. To obtain Prior Authorization, Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

Step Therapy

Step Therapy is a type of Prior Authorization. Cigna may require an Insured Person to follow certain steps before covering some Prescription Drugs and Related Supplies, including some higher-cost and Specialty Medications for treatment of conditions including allergies, asthma, diabetes, high cholesterol, mental health and stomach acid reflux. We may require You to try similar Prescription Drugs and Related Supplies, including Specialty Medications, that have been determined to be safe, effective, and more cost effective for most people that have the same condition. The Prescription Drugs and Related Supplies that require Step Therapy can be identified on the Prescription Drug List at www.mycigna.com. If Your Physician prescribes a drug for You that is on the Step Therapy list, after You initially fill the Prescription You and Your Physician will receive a letter from Cigna informing You of the Step Therapy Drug You will be required to use when You refill the Prescription. To obtain Step Therapy Authorization, Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

Exceptions for Prescription Drugs and Related Supplies not on the Prescription Drug List If Your Physician prescribes a Prescription Drug or Related Supply that is not on Cigna's Prescription Drug List, he or she can request that Cigna make an exception and agree to cover that drug or supply for Your condition. To obtain an exception for a Prescription Drug or Related Supply Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

Prescription Drug and Related Supply Authorization and Exception Request Process

To obtain an exception, Your Physician may call Cigna, or complete the appropriate form and fax it to Cigna to request an exception. Your Physician can certify in writing that You have previously used a Prescription Drug or Related Supply that is on Cigna's Prescription Drug List or in a Step Therapy Protocol, and the Prescription Drug or Related Supply has been detrimental to Your health or has been ineffective in treating Your condition and, in the opinion of Your Physician, is likely to again be detrimental to Your health or ineffective in treating the condition. The exception request will be reviewed and completed by Cigna within 72 hours of receipt.

Expedited Review of a Prior Authorization, Step Therapy or Prescription Drug Exception Request

An expedited review may be requested by Your Physician when You are suffering from a health condition that may seriously jeopardize Your life, health, or ability to regain maximum function or when You are undergoing a current course of treatment using a drug not on Cigna's Prescription Drug List. The expedited review will be reviewed and completed by Cigna within 24 hours of receipt.

If the request is approved, Your Physician will receive confirmation. The Authorization/Exception will be processed in Cigna's pharmacy claim system to allow You to have coverage for those Prescription Drugs or Related Supplies. The length of the Authorization will be granted until You no longer use the Prescription Drug or Related Supply for which the Authorization or Exception was approved. When Your Physician advises You that coverage for the Prescription Drugs or Related Supplies has been approved, You should contact the Pharmacy to fill the prescription(s).

If the request is denied, You and Your Physician will be notified that coverage for the Prescription Drugs or Related Supplies was not authorized.

Appeal of a Prior Authorization, Step Therapy or Prescription Drug Exception Denial

If You, a person acting on Your behalf or the prescribing Physician or other prescriber disagree with a coverage decision, You, a person acting on Your behalf or the prescribing Physician or other prescriber may appeal that decision in accordance with the provisions of this Policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered. General Provisions

Third Party Liability

- You agree to advise Us, in writing, within a reasonable time of Your claim against the third party and to take such action, provide such information and assistance, and execute such documents as We may reasonably require to facilitate enforcement of the claim. You also agree to take no action that may prejudice the rights or interests of Us under this Policy. Failure to provide notice of a claim or to cooperate with Us, or actions that prejudice our rights or interests, may be considered to be a material breach by Us and may subject You to legal action.
- We may have a right to a lien, to the extent of benefits advanced, upon any recovery that You receive from the third party, the third party's insurer, or the third party's guarantor. Recovery may be by settlement, judgment or otherwise. The lien will be in the amount of benefits paid by Us under this Policy for the treatment of the Illness, disease, Injury or condition for which the third party is liable. We will be entitled to collect on our lien even if the amount recovered by or for the Insured Person (or his or her estate, parent or legal guardian) from or for the account of such third party as compensation for the Injury, Illness or condition is less than the actual loss suffered by the Insured Person. Note: The coverage under this plan is secondary to any automobile no-fault or similar coverage.

Alternate Cost Containment Provision

We may, in certain situations, approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Policy. The alternate treatment plan must be mutually agreed to by Us, the Insured Person, and the Physician, Provider, or other healthcare practitioner. Our offering an alternate treatment plan in a particular case in no way commits Us to do so in another case, nor does it prevent Us from strictly applying the express benefits, limitations, and exclusions of the Policy at any other time or for the Insured Person.

COORDINATION OF BENEFITS

This section describes what this Plan will pay for Covered Expenses that are also covered under one or more other Plans. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits in the form of payment or services for:

- An insurance Plan issued to an individual/non-group or a group; or a self-insured group health plan providing benefits in the form of reimbursement or services for medical care or treatment/items.
- Governmental benefits as permitted by law, except for Medicaid, Medicare and Medicare supplement policies.
- Medical benefits coverage under any form of group or individual automobile insurance.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Primary Plan

The Plan that pays first as determined by the Order of Benefit Determination Rules below.

Secondary Plan

The Plan that pays after the Primary Plan as determined by the Order of Benefit Determination Rules below. The benefits under the Secondary Plan are reduced based on the benefits under the Primary Plan.

Allowable Expense

The portion of a Covered Expense used in determining the benefits this Plan pays when it is the Secondary Plan. The Allowable Expense is the lesser of:

- the charge used by the Primary Plan in determining the benefits it pays;
- the charge that would be used by this Plan in determining the benefits it would pay if it were the Primary Plan, and
- the amount of the Covered Expense.

If the benefits for a Covered Expense under Your Primary Plan are reduced because You did not comply with the Primary Plan's requirements (for example, getting pre-certification of hospital admission or a second surgical opinion), the amount of the Allowable Expense is reduced by the amount of the reduction.

Claim Determination Period

A calendar year, but does not include any part of a year during which You are not covered under this Plan or any date before this section or any similar provision takes effect.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one that applies:

- The Plan that covers You as an enrollee or an employee shall be the Primary Plan and the Plan that covers You as a Dependent shall be the Secondary Plan;
- If You are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;
- If You are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - then, the Plan of the parent with custody of the child;
 - then, the Plan of the spouse of the parent with custody of the child;
 - then, the Plan of the parent not having custody of the child, and
 - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers You as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers You as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers You under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers You as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers You is issued out of the state whose laws govern this Plan, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered You for the longer period of time shall be primary.

Effect on the Benefits Payable

- If this Plan is the Primary Plan, the amount this Plan pays for a Covered Expense will be determined without regard for the benefits payable under any other Plan.

- If this Plan is the Secondary Plan, the amount this Plan pays for a Covered Expense is the Allowable Expense less the amount paid by the Primary plan during a Claim Determination Period.

If while covered under this Plan, You are also covered by another Cigna individual or group Plan, You will be entitled to the benefits of only one Plan. You may choose this Plan or the Plan under which You will be covered. Cigna will then refund any premium received under the other Plan covering the time period both policies were in effect. However, any claim payments made by Cigna under the Plan You elected to cancel will be deducted from any such refund of premium.

Recovery of Excess Benefits

If this Plan is the Secondary Plan and Cigna pays for Covered Expenses that should have been paid by the Primary Plan, or if Cigna pays any amount in excess of what it is obligated to pay, Cigna will have the right to recover the actual overpayment made

Cigna will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If We request, You must execute and deliver to us such instruments and documents as We determine are necessary to secure the right of recovery.

Right to Receive and Release Information

Cigna, without consent or notice to You, may obtain information from and release information to any other Plan with respect to You in order to coordinate Your benefits pursuant to this section. You must provide us with any information We request in order to coordinate Your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, You will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

Medicare Eligibles

CIGNA will pay as the Secondary Plan as permitted by the Social Security Act of 1965 for an Insured Person who is eligible for Medicare.

CIGNA will estimate the amount Medicare would have paid, and pay as secondary to that estimated amount, in the following circumstances:

- An Insured Person who is eligible to enroll in Part B of Medicare, but is not enrolled.

A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for him.

- This reduction will not apply to any Insured Person except as listed under "Cigna will pay as the Secondary Plan..." above.

When You Have a Complaint or Appeal

For the purposes of this section, any reference to the Insured Person also refers to a representative or Provider designated by an Insured Person to act on Your behalf, unless otherwise noted.

We want You to be completely satisfied with the care received. That is why We have established a process for addressing concerns and solving Your problems.

Start with Customer Service

We are here to listen and help. If an Insured Person has a concern regarding a person, a service, the quality of care, contractual benefits, an initial eligibility denial or a rescission of coverage, You can call Our toll-free number and explain Your concern to one of Our Customer Service representatives. Please call Us at the Customer Service Toll-Free Number that appears on Your Benefit Identification card, explanation of benefits, or claim form

We will do Our best to resolve the matter on Your initial contact. If We need more time to review or investigate Your concern, We will get back to You as soon as possible, but in any case within 30 days.

If an Insured Person is not satisfied with the results of a coverage decision, they can start the appeals procedure.

Appeals Procedure

To initiate an appeal, the Insured Person must submit a request for an appeal in writing, within 365 days of receipt of the denial notice, to the following address:

Cigna
National Appeals Organization (NAO)
PO Box 188011
Chattanooga, TN 37422

The Insured Person should state the reason why he or she feels the appeal should be approved and include any information supporting the appeal. If an Insured Person is unable or chooses not to write, he or she may ask to register the appeal by telephone. Call Us at the toll-free number on the Benefit Identification card, explanation of benefits or claim form.

If the appeal involves a coverage decision based on issues of Medical Necessity, clinical appropriateness or Experimental treatment, a medical review will be conducted by a Physician reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. For all other coverage plan-related appeals, a review will be conducted by someone who was a) not involved in any previous decision related to your appeal, and b) not a subordinate of previous decision makers. Provide all relevant documentation with your appeal request.

For required pre-service and concurrent care coverage determinations, Cigna's review will be completed within 15 calendar days. For post-service claims, Cigna's review will be completed within 30 calendar days. If more time or information is needed to make the determination, We will notify the Insured Person in writing to request an extension of up to 15 calendar days and to specify any additional information needed by to complete the review. In the event any new or additional information (evidence) is considered, relied upon or generated by Us in connection with the appeal, We will provide this information to you as soon as possible and sufficiently in advance of the decision, so that you will have an opportunity to respond. Also, if any new or additional rationale is considered by Us, We will provide the rationale to you as soon as possible and sufficiently in advance of the decision so that you will have an opportunity to respond.

The Insured Person will be notified in writing of the decision within five working days after the decision is made, and within the review time frames above if Cigna does not approve the requested coverage.

The Insured Person may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize the Insured Person's life, health or ability to regain maximum function or in the opinion of his or her Physician would cause severe pain which cannot be managed without the requested services; or (b) the appeal involves non-authorization of an admission or continuing inpatient Hospital stay. If you request that your appeal be expedited based on (a) above, you may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited internal appeal would be detrimental to your medical condition.

Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision no later than one hour from the request, and followed up in writing within three calendar days.

Independent Review Procedure

If you are not fully satisfied with the decision of Cigna's appeal review and the appeal involves medical judgment or a rescission of coverage e, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna any of its affiliates. A decision to request an appeal to an Independent Review Organization will not affect the claimant's rights to any other benefits under the Policy.

There is no charge for you to initiate this independent review. Cigna will abide by the decision of the Independent Review Organization.

To request a review, you must notify the Appeals Coordinator within 180 days of your receipt of Cigna's review denial. Cigna will then forward the file to the Independent Review Organization.

The Independent Review Organization will render an opinion within 45 days. When requested and if (a) a delay would be detrimental to your condition, as determined by Cigna's Physician reviewer, or if (b) your appeal concerns an admission, availability of care, continued stay, or health care item or service for which you received emergency services, but you have not yet been discharged from the facility, the review will be completed within 72 hours.

However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.

Opportunity to Select a Primary Care Physician

Choice of Primary Care Physician:

This medical Policy does not require that the Insured Person selects a Primary Care Physician or obtain a referral from a Primary Care Physician in order to receive all benefits available under this medical Policy. Notwithstanding, a Primary Care Physician may serve an important role in meeting health care needs by providing or arranging for medical care for each Insured Person. For this reason, we encourage the use of Primary Care Physicians and provide the opportunity to select a Primary Care Physician from a list provided by Cigna for each Insured Person. If the Insured person chooses to select a Primary Care Physician, the Primary Care Physician You select for Yourself may be different from the Primary Care Physician You select for each of your Family Members.

Changing Primary Care Physicians:

The Insured Person may request a transfer from one Primary Care Physician to another by contacting us at the member services number, 1-800-Cigna24, on ID card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed. How to File a Claim for Benefits

Notice of Claim: Written notice of claim must be given within 20 days after a covered loss starts or as soon as reasonably possible. The notice may be given to the insurer at its home office or to the insurer's agent. Notice should include the name of the insured and the policy number.

There is no paperwork for claims for services from Participating Providers. You will need to show Your ID card and pay any applicable copayment; Your Participating Provider will submit a claim to Us for reimbursement. Claims for Emergency Services from Non-Participating Providers can be submitted by the Provider if the Provider is able and willing to file on Your behalf. If a Non-Participating Provider is not submitting on Your behalf, You must send Your completed claim form and itemized bills to the claims address listed on Your ID card.

Unpaid Premiums: At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

Claim Forms: When the insurer receives the notice of claim, it will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days, the claimant may meet the proof of loss requirements by giving the insurer a written statement of the nature and extent of the loss within the time limit stated in the 'Proof of Loss' provision

You may also get the required claim forms from www.cigna.com under HealthCare, Important Forms or by calling Member Services using the toll-free number on Your identification card.

Claim Reminders:

 - YOUR MEMBER ID IS SHOWN ON YOUR ID CARD.
 - YOUR ACCOUNT NUMBER IS THE 7-DIGIT POLICY NUMBER SHOWN ON YOUR ID CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM.

Proof of Loss: If the policy provides for periodic payment for a continuing loss, written proof of loss must be given the insurer within 90 days after the end of each period for which the insurer is liable. For any other loss, written proof must be given within 90 days after such loss. If it was not reasonably possible to give written proof in the time required, the insurer shall not reduce or deny the claim for this reason if the proof is filed as soon as reasonably possible. In any event, the proof required must be given no later than 1 year from the time specified unless the claimant was legally incapacitated.

Written notice of claim must be given within 20 days after a covered loss starts or as soon as reasonably possible. The notice may be given to Cigna at Our home office or to an agent of Cigna. Notice should include the name of the insured and the policy number. Proof of loss is a claim form or letter as described above. Canceled checks or receipts are not acceptable. Cigna will not be liable for benefits if it does not receive written proof of loss within this time period.

When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days, the claimant may meet the proof of loss requirements by giving the Us a written statement of the nature and extent of the loss within the time limit stated in the 'Proof of Loss' provision

Assignment of Claim Payments:

Medical Benefits are assignable to the Provider; when you assign benefits to a Provider, you have assigned the entire amount of the benefits due on that claim. If the Provider is overpaid because of accepting a patient's payment on the charge, it is the Provider's responsibility to reimburse the patient. Because of Cigna's contracts with Providers, all claims from contracted Providers should be assigned.

We will recognize and consider any assignment made under the Policy, only if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made by a Provider licensed and practicing within the United States.

We may, at Our option, make payment to You for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to the You or Your Dependents, You or Your Dependents are responsible for paying the Non-Participating Provider and Our payment to You will be considered fulfillment of Our obligation.

We assume no responsibility for the validity or effect of an assignment.

Payment for services provided by a Participating Provider is automatically assigned to the Provider unless the Participating Provider indicates that the Insured Person has paid the claim in full. The Participating Provider is responsible for filing the claim and We will make payments to the Provider for any benefits payable under this Policy.

Payment for services provided by a Non-Participating Provider are payable to the Insured Person unless assignment is made as above. If payment is made to the Insured Person for services provided by a Non-Participating Provider, the Insured Person is responsible for paying the Non-Participating Provider and our payment to the Insured Person will be considered fulfillment of Our obligation.

Time of Payment of Claims: Benefits for any loss covered by this policy will be paid as soon as Cigna receives proper written proof.

Health insurers shall reimburse all claims or any portion of any claim from an insured or an insured's assignees, for payment under a health insurance policy, within 45 days after receipt of the claim by the health insurer. If a claim or a portion of a claim is contested by the health insurer, the insured or the insured's assignees shall be notified, in writing, that the claim is contested or denied, within 45 days after receipt of the claim by the health insurer. The notice that a claim is contested shall identify the contested portion of the claim and the reasons for contesting the claim.

A health insurer, upon receipt of the additional information requested from the insured or the insured's assignees shall pay or deny the contested claim or portion of the contested claim, within 60 days.

An insurer shall pay or deny any claim no later than 120 days after receiving the claim.

Payment shall be treated as being made on the date a draft or other valid instrument which is equivalent to payment was placed in the United States mail in a properly addressed, postpaid envelope or, if not so posted, on the date of delivery.

All overdue payments shall bear simple interest at the rate of 10 percent per year.

Upon written notification by an insured, an insurer shall investigate any claim of improper billing by a physician, hospital, or other health care Provider. The insurer shall determine if the insured was properly billed for only those procedures and services that the insured actually received. If the insurer determines that the insured has been improperly billed, the insurer shall notify the insured and the Provider of its findings and shall reduce the amount of payment to the Provider by the amount determined to be improperly billed. If a reduction is made due to such notification by the insured, the insurer shall pay to the insured 20 percent of the amount of the reduction up to \$ 500.

Payment of Claims: Benefits will be paid to the insured. Loss-of-life benefits are payable in accordance with the beneficiary designation in effect at the time of payment. If none is then in effect, the benefits will be paid to the insured's estate. Any other benefits unpaid at death may be paid, at the insurer's option, either to the insured's beneficiary or estate.

Claim Determination Procedures Under Federal Law (Provisions of the laws of Florida may supersede)

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the Policy. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on either a pre-service, concurrent, or post-service basis, as described below.

Certain services require Prior Authorization in order to be covered. This Prior Authorization is called a "pre-service medical necessity determination." The Policy describes who is responsible for obtaining this review. The Insured Person or their authorized representative (typically, their health care Provider) must request Medical Necessity determinations according to the procedures described below, in the Policy, and in the Insured Person's Provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, the Insured Person or their representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Policy, in the Insured Person's Provider's network participation documents, and in the determination notices.

Pre-service Medical Necessity Determinations

When the Insured Person or their representative requests a required Medical Necessity determination prior to care, Cigna will notify the Insured Person or their representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 15 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date the Insured Person or their representative responds to the notice.

If the determination periods above would (a) seriously jeopardize the Insured Person's life or health, their ability to regain maximum function, or (b) in the opinion of a Physician with knowledge of the Insured Person's health condition, cause them severe pain which cannot be managed without the requested services, Cigna will make the pre-service determination on an expedited basis. Cigna's Physician reviewer will defer to the determination of the treating Physician, regarding whether an expedited determination is necessary. Cigna will notify the Insured Person or their representative of an expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify the Insured Person or their representative within 24 hours after receiving the request to specify what information is needed. The Insured person or their representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify the Insured Person or their representative of the expedited benefit determination within 48 hours after the Insured Person or their representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If the Insured Person or their representative fails to follow Cigna's procedures for requesting a required preservice medical necessity determination, Cigna will notify them of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless the Insured Person or their representative requests written notification.

Concurrent Medical Necessity Determinations

When an ongoing course of treatment has been approved for an Insured Person and they wish to extend the approval, the Insured Person or their representative must request a required concurrent Medical Necessity determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When the Insured Person or their representative requests such a determination, Cigna will notify them of the determination within 24 hours after receiving the request.

Post-service Medical Necessity Determinations

When an Insured Person or their representative requests a Medical Necessity determination after services have been rendered, Cigna will notify them of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date the Insured Person or their representative responds to the notice.

Post-service Claim Determinations

When an Insured Person or their representative requests payment for services which have been rendered, Cigna will notify them of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date the Insured Person or their representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination:

1. information sufficient to identify the claim;
2. the specific reason or reasons for the adverse determination;
3. reference to the specific plan provisions on which the determination is based;
4. a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary;
5. upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit;
6. information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and
7. in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

Premiums

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals whose monthly payment is deducted directly from their checking account.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

Your premium may change from time to time due to (but not limited to):

- Deletion or addition of a new eligible Insured Person(s)
- A change in age of any Insured Person which results in a higher premium
- A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium 45 days' written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.

Premiums are to be paid by You to Us.

Cigna will not accept the direct or indirect payment of premiums by any person or entity other than You, Your Family Members or an Acceptable Third Party Payor, except as expressly permitted by Cigna in writing.
