IMPORTANT NOTICES

Direct Access to Obstetricians and Gynecologists

You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit www.mycigna.com or contact Customer Service at the phone number listed on the back of your ID card.

Selection of a Primary Care Provider

This plan may require or allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. If your plan requires the designation of a primary care provider, Cigna may designate one for you until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit www.mycigna.com or contact Customer Service at the phone number listed on the back of your ID card.

For children, you may designate a pediatrician as the primary care provider.

Introduction

About This Policy

Your medical coverage is provided under a Policy issued by Cigna Health and Life Insurance Company (“Cigna”). This Policy is a legal contract between You and Us.

Under this Policy, “We”, “Us”, and “Our” mean Cigna. “You” or “Your” refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term “Insured Person” in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Medically Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Physician prescribes or orders a service does not, in itself, mean that the service is Medically Necessary or that the service is a Covered Service. Consult this Policy or phone Us at the number shown on Your Cigna identification card if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as “Medically Necessary” and “Covered Service”) that are defined in the section entitled “Definitions”. Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member(s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

If, within 2 years after the Effective Date of Your participation in the Policy, We discover any fraud or material facts that were INTENTIONALLY misrepresented or that You or Your Family Member (s) knew, but intentionally did not disclose in Your application, We may rescind this Coverage as of the original Effective Date. Additionally, if within 2 years after adding additional Family Member(s) (excluding newborn children of the insured added within 61 days after birth), We discover any material facts that were INTENTIONALLY misrepresented or that You or Your Family Member (s) knew, but did not disclose in Your application, We may rescind coverage for the additional Family Member(s) as of the date he or she originally became effective. If We rescind Your coverage, We will provide you with 30 days advance notice and We will refund all premiums You paid for your Policy less the amount of any claims paid by Cigna. Rescission of Your coverage will result in denial of all pending claims and, if claim payments exceed total premiums paid, then claims previously paid by Cigna will be retroactively denied, obligating You to pay the provider in full for services rendered at the provider’s regular billed rate, not at the Cigna Negotiated Rate.

Choice of Hospital and Physician: Nothing contained in this Policy restricts or interferes with an Insured Person’s right to select the Hospital or Physician of their choice. However, non-emergency services from a Non-Participating Provider are not covered by this Plan.

THIS IS A NETWORK-ONLY PLAN

That means this Plan does not provide benefits for any services You receive from an Out-of-Network Provider except:

- Services for Stabilization and initial treatment of a Medical Emergency, or
- Medically Necessary services that are not available through an In-Network (Participating) Provider

In-Network (Participating) Providers include Physicians, Hospitals, and other health care facilities. Check the provider directory, available at www.mycigna.com, or call the number on Your ID card to determine if a Provider is In-Network (Participating).

Choosing a Primary Care Physician

When You enroll as an Insured Person, You must choose a Primary Care Physician (PCP). Each covered Family Member must also choose a PCP. If You do not select a PCP, we will assign one for You. If Your PCP ceases to be a Participating Physician, You will be able to choose a new PCP.

Your choice of a PCP may affect the specialists and facilities from which You may receive services. Your choice of a specialist may be limited to specialists in Your PCP's medical group or network, including a Limited Network. Therefore, You may not have access to every specialist or Participating Provider in your Service Area. Before You select a PCP, you should check to see if that PCP is associated with the specialist or facility You prefer to use. If the Referral is not possible, You should ask the specialist or facility about which PCPs can make Referrals to them, and then verify the information with the PCP before making your selection.

Changing Primary Care Physicians

You may voluntarily change Your PCP for other reasons but not more than once in any calendar month. We reserve the right to determine the number of times during a Plan Year that You will be allowed to change Your PCP. You may request a change from one Primary Care Physician to another by contacting Us at the Customer Service number on Your ID card. Any such change will be effective on the first day of the month following the month in which the processing of the change request is completed. In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, We will notify You 30 days in advance, for the purpose of selecting a new Primary Care Physician.

If Your PCP Leaves the Network

If Your PCP or In-Network specialist ceases to be a Participating Physician, We will notify You in writing of his or her impending termination at least 30 days in advance of the date the PCP leaves the network and provide assistance in selecting a new PCP or identifying a new In-Network specialist to continue providing Covered Services. If You are receiving treatment from a Participating Provider at the time his or her Participating Provider agreement is terminated, for reasons other than medical incompetence or professional misconduct, You may be eligible for continued care with that Provider.

If You Need A Specialist

Your PCP is important to the coordination of Your care. While this Plan does not require referrals to visit specialists, if You need specialty care You are encouraged to work with Your PCP, who can coordinate Your care and assist You in selecting a specialist appropriate for Your care.

The referral system can be used to keep Your PCP involved in and apprised of all of Your health care needs. If You receive covered services from a specialist in the Plan's network without a referral, You will not be subject to a penalty, and the claims for those Covered Services will be processed according to the applicable in-network level of benefits. Note that You also have the right to receive Covered Services from specialists who do not participate in the Plan's network. However, if You self-refer to an Out-of-Network specialist, You will be responsible for all Out-of-Network costs associated with that Provider.

Referral requirements do not apply to Emergency Services, obstetrical and gynecological care from an In-Network Provider, or pediatric vision or dental care, and mental health and substance use disorder services from an In-Network Provider. Please be aware that obtaining a referral is not itself a guarantee of payment for services.

Network Exception

If Medically Necessary Covered Services are not available through Participating Physicians or Participating Providers, Cigna will, upon the request of an In-Network PCP or Provider:

- Allow Referral to an Out-of-Network (Non-Participating) Provider; and
- Fully reimburse the Out-of-Network (Non-Participating) Provider at the Usual and Customary rate or at an agreed rate:

Prior to denying a request for referral to an Out-of-Network (Non-Participating) Provider, Cigna must provide for a review conducted by a Specialist of the same or similar type of specialty as the Physician or Provider to whom the Referral is requested.

Continuity of Care

There may be instances in which Your PCP or specialist ceases to be a Participating Physician. In such cases, You will be notified and provided assistance in selecting a new PCP or identifying a new In-Network specialist to continue providing Covered Services. However, in special circumstances, You may be able to continue seeing Your PCP or specialist, even though he or she is no longer affiliated with Cigna.

If Your PCP or network specialist terminates his or her agreement with Cigna, or if Cigna terminates the provider's agreement without cause, upon written request to Cigna, You may continue an active course of treatment with Your Provider at the Participating Provider level during a transitional period if:

1. You are under active treatment for a particular injury or sickness, in which case You may continue to receive covered benefits from the treating provider for the injury or sickness for a period of one hundred twenty (120) days from the date of notice of termination; or
2. You entered, or are in the second trimester of pregnancy on the effective date of enrollment, in which case the transitional period includes the delivery and any care until completion of postpartum care; or
3. You are being treated at an In-Network inpatient facility, in which case You may continue to receive covered benefits until You are discharged.

Such continuity of care must be approved in advance by Cigna, and Your doctor must agree to accept our reimbursement rate and to abide by Cigna's policies and procedures and quality assurance requirements. There may be additional circumstances where continued care by a Provider who ceases to be a Participating Provider will not be available, such as when the Provider loses his/her license to practice or retires.

Note Regarding Health Savings Accounts (HSAs)

Cigna offers some plans that are intended to qualify as "high deductible health plans" (as defined in 26 U.S.C. § 223(c)(2)). Plans that qualify as high deductible health plans may allow You, if You are an "eligible individual" (as defined in 26 U.S.C. § 223(c)(1)), to take advantage of the income tax benefits available when You establish an HSA and use the money You deposit into the HSA to pay for qualified medical expenses as allowed under federal tax law.

Cigna does not provide tax advice. **It is Your responsibility to consult with Your tax advisor or attorney about whether a plan qualifies as a high deductible health plan and whether You are eligible to take advantage of HSA tax benefits.**

Important Information Regarding Benefits

Prior Authorization Program

Cigna provides You with a comprehensive personal health solution medical management program which focuses on improving quality outcomes and maximizes value for You.

Prior Authorization For Inpatient Services

Prior Authorization is required for all non-emergency inpatient admissions, and certain other admissions, in order to be eligible for benefits. FAILURE TO OBTAIN PRIOR AUTHORIZATION PRIOR TO AN ELECTIVE ADMISSION to a Hospital or certain other facilities MAY RESULT IN A PENALTY.

Prior Authorization can be obtained by You, Your Family Member(s) or the Provider by calling the number on the back of Your ID card.

To verify Prior Authorization requirements for inpatient services, including which other types of facility admissions require Prior Authorization, You can:

- call Cigna at the number on the back of your ID card, or
- check www.mycigna.com, under "View Medical Benefit Details"

Please note that emergency admissions will be reviewed post admission.

Inpatient Prior Authorization reviews both the necessity for the admission and the need for continued stay in the hospital.

Prior Authorization For Outpatient Services

Prior Authorization is also required for certain outpatient procedures and services in order to be eligible for benefits. FAILURE TO OBTAIN PRIOR AUTHORIZATION PRIOR TO CERTAIN ELECTIVE OUTPATIENT PROCEDURES AND SERVICES MAY RESULT IN A PENALTY.

Prior Authorization can be obtained by You, your Family Member(s) or the Provider by calling the number on the back of Your ID card. Outpatient Prior Authorization should only be requested for non-emergency procedures or services, at least four working days (Monday through Friday) prior to having the procedure performed or the service rendered.

To verify Prior Authorization requirements for outpatient procedures and services, including which procedures and services require Prior Authorization, You can:

- call Cigna at the number on the back of your ID card, or
- check www.mycigna.com, under "View Medical Benefit Details"

PRIOR AUTHORIZATION IS NOT A GUARANTEE OF PAYMENT. Prior Authorization does not guarantee payment of benefits. Coverage is always subject to other requirements of this Policy, such as limitations and exclusions, payment of premium and eligibility at the time care and services are provided.

Retrospective Review

If Prior Authorization was not performed Cigna will use retrospective review to determine if a scheduled or Emergency admission was Medically Necessary. In the event the services are determined to be Medically Necessary, benefits will be provided as described in this Policy. If it is determined that a service was not Medically Necessary, the Insured Person is responsible for payment of the charges for those services.

PRIOR AUTHORIZATION FOR PRESCRIPTION DRUGS

Prior Authorization is required for certain Prescription Drugs and Related Supplies.

For complete, detailed information about Prescription Drug authorization procedures, exceptions and Step Therapy, please refer to the section of this Policy titled "Prescription Drug Benefits".

When Can I Apply?

Application to Enroll or Change Coverage

The Patient Protection and Affordable Care Act of 2010 (PPACA) specifies that an eligible person must enroll for coverage or change plans during the Annual Open Enrollment Period. Persons who fail to enroll or change plans during the Annual Open Enrollment Period must wait until the next Annual Open Enrollment Period to enroll in a plan or to change plans. However, if a person experiences a triggering event as described below, the triggering event starts a 60-day Special Enrollment Period during which an eligible person can enroll and an Insured Person can add dependents and change coverage.

The Annual Open Enrollment Period and Special Enrollment Period are explained below.

Annual Open Enrollment Period

The Annual Open Enrollment Period is a specified period of time each Year during which Individuals who are eligible as described above can apply for coverage or change coverage from one plan to another.

To be enrolled for coverage under this Plan. You must submit a completed and signed application for coverage under this Policy for Yourself and any eligible Dependents, and We must receive that application during the Annual Open Enrollment Period.

Your coverage under this Policy will then become effective upon the earliest day allowable under federal rules for that Year's Open Enrollment Period. **Note: If You do not apply to obtain or change coverage during the Year's Annual Open Enrollment Period, You will not be able to apply again until the following Year's Annual Open Enrollment Period** unless You qualify for a special enrollment period as described below.

Special Enrollment Periods

A special enrollment period occurs when a person experiences a triggering event.

If You experience one of the triggering events listed below, You can enroll for coverage and enroll Your eligible Dependent(s) during a special enrollment period instead of waiting for the next Annual Open Enrollment Period.

Triggering events for a special enrollment period OFF Marketplace are:

- An eligible individual, and any dependent(s), loses his or her minimum essential coverage; or
- An eligible individual and his or her dependent(s) lose employer-sponsored health plan coverage due to voluntary or involuntary termination of employment for reasons other than misconduct, or due to a reduction in work hours; or
- An eligible individual gaining or becoming a dependent by marriage, birth, adoption or placement for adoption, or through a child support order or other court order; or
- An eligible dependent spouse or child loses coverage under an employer-sponsored health plan due to the employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, or death of the covered employee; or
- An eligible individual loses his or her dependent child status under a parent's employer-sponsored health plan; or
- An individual who was not previously a citizen, national or lawfully present individual gains such status; or
- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of an officer, employee or agent of the state Marketplace, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the Marketplace. In such cases, the Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or

- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions, regardless of whether such individual is already enrolled in a qualified health plan. The Marketplace must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan; or
- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan).

Triggering events **do not** include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will have coverage effective dates determined as follows:

- In the case of birth, adoption, placement for adoption, or placement in foster care, coverage is effective for a qualified individual or enrollee on the date of birth, adoption, placement for adoption, or placement in foster care;
- In the case of marriage, or in the case where a qualified individual loses minimum essential coverage, coverage is effective for a qualified individual or enrollee on the first day of the following month.

For all other triggering events the effective dates are:

- For an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month; or
- For an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month.

Triggering events for a special enrollment period ON Marketplace are:

- An eligible individual, and any dependent(s), loses his or her minimum essential coverage pregnancy-related Medicare/Medicaid coverage, or medically needy coverage (only once per calendar year), or the qualified individual or dependent is enrolled in any non-calendar year group or individual health insurance coverage (even if they have the option to renew such coverage). The date of the loss of minimum essential coverage, pregnancy-related coverage, or medically needy coverage is the last day the individual would have coverage under the plan. The date of loss of non-calendar year insurance is the last day of the plan or policy year; or
- An eligible individual and his or her dependent(s) lose employer-sponsored health plan coverage due to voluntary or involuntary termination of employment for reasons other than misconduct, or due to a reduction in work hours; or
- An eligible individual gaining or becoming a dependent through marriage, birth adoption or placement for adoption, or through a child support order or other court order; or
- An eligible dependent spouse or child loses coverage under an employer-sponsored health plan due to the employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, and death of the covered employee; or
- At the option of the Marketplace, the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation, or if the enrollee or his or her dependent dies;
- An eligible individual loses his or her dependent child status under a parent's employer-sponsored health plan; or
- A qualified individual or dependent becomes newly eligible for enrollment in a QHP when they satisfy the Marketplace's citizenship requirement or are released from incarceration;

- An eligible individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and as the result of the error, misrepresentation, or inaction of an officer, employee or agent of the state Marketplace, or of the Department of Health and Human Services (HHS), or its instrumentalities as determined by the Marketplace. In such cases, the Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation or action; or
- An eligible individual adequately demonstrates to the Marketplace that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to that person; or
- An eligible individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions, regardless of whether such individual is already enrolled in a qualified health plan:
 - The enrollee or dependent is determined newly eligible or ineligible for APTC or has a change in eligibility for cost-sharing reductions;
 - A qualified individual or his or her dependent who is enrolled in an eligible employer-sponsored plan is determined newly eligible for APTC based in part on a finding that such individual is ineligible for qualifying coverage in an eligible-employer sponsored plan, including as a result of his or her employer discontinuing or changing available coverage within the next 60 days, provided that such individual is allowed to terminate existing coverage;
 - A qualified individual who was previously ineligible for APTC because of a household income below 100% FPL and who was also ineligible for Medicaid because he or she was living in a non-Medicaid expansion state, either experiences a change in income or moves to a different state, making them newly eligible for APTC.

The Marketplace must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming plan year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan; or

- An eligible individual gains access to new qualified health plans as a result of a permanent move (including a move outside the service area of the individual's current plan) and either (1) had minimum essential coverage for one or more days during the 60 days preceding the date of the move, or (2) was living outside of the United States; or
- The qualified individual who gains or maintains status as an Indian, as defined by section 4 of the Indian Health Care Improvement Act (or their dependent), may enroll in a qualified health plan or change from one qualified health plan to another one time per month; or
- An eligible individual or enrollee demonstrates to the Marketplace, in accordance with guidelines issued by HHS, that he or she meets other exceptional circumstances as the Marketplace may provide; or A qualified individual (or their dependent) who is enrolled in minimum essential coverage and is a victim of domestic abuse or spousal abandonment seeks to enroll in coverage separate from the perpetrator;
- A qualified individual or dependent applies for Marketplace or Medicaid or CHIP coverage during open enrollment or due to a qualifying life event, but is determined ineligible for Medicaid or CHIP after the Exchange open enrollment period has ended or more than 60 days after a qualifying life event;
- The qualified individual or enrollee (or their dependent) adequately demonstrates to the Marketplace that a material error related to plan benefits, service area or premium influenced their decision to purchase a QHP; or
- At the option of the Marketplace, the qualified individual provides satisfactory evidence to verify eligibility for an insurance affordability program or enrollment in a QHP following termination of Exchange enrollment due to a failure to verify such status within established time periods, or is under 100% of the federal poverty level and did not enroll in coverage while waiting for HHS to verify citizenship, status as a national or lawful presence.

Triggering events do not include loss of coverage due to failure to make premium payments on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; and situations allowing for a rescission as specified in 45 CFR 147.128.

The special enrollment period begins on the date the triggering event occurs, and ends on the 61st day following the triggering event. Persons who enroll during a special enrollment period will have coverage effective dates determined as follows):

- In the case of birth, adoption, placement for adoption, or placement in foster care, coverage is effective for a qualified individual or enrollee on the date of birth, adoption, placement for adoption, or placement in foster care;
- In the case of marriage, or in the case where a qualified individual loses minimum essential coverage, coverage is effective for a qualified individual or enrollee on the first day of the following month.

For all other triggering events the effective dates are:

- For an application made between the first and the 15th day of any month, the effective date of coverage will be the first day of the following month;
- For an application made between the 16th and the last day of the month, the effective date of coverage will be the first day of the second following month.

Specific Causes for Ineligibility

Except as described in the Continuation section, an Insured Person **will become ineligible for coverage** under the Policy:

- When premiums are not paid according to the due dates and grace periods described in the premium section.
- For the spouse - when the spouse is no longer married to the Insured.
- For –You and Your Family Member(s) when You no longer meet the requirements listed in the Eligibility Requirements section;
- The date the Policy terminates;
- When the Insured no longer lives in the Enrollment Area.

Remember, it is Your responsibility to notify Cigna immediately of any changes affecting You or any of Your Insured Family Member(s) eligibility for benefits under this Policy.

Continuation

If an Insured Person's eligibility under this Policy would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, that Insured Person has the right to continuation of his or her insurance. Coverage will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. In such a case, coverage will continue without evidence of insurability.

How The Policy Works

Note: Services performed by a Non-Participating (Out-of-Network) Provider are not covered under this Plan except for Emergency Services.

Benefit Schedule

The Benefit Schedule shows the Individual and Family Deductible and Out-of-Pocket Maximums, and the maximum Covered Expense for each type of benefit.

No benefits are payable unless the Insured Person's coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms, conditions, limitations and exclusions of this Policy.

In addition, no benefits are payable unless the Insured Person receives services from a Participating Provider, except as indicated below under "Special Circumstances".

Participating Hospitals, Participating Physicians and Other Participating Providers.

Covered Expenses for Participating Providers are based on Our Negotiated Rate. Participating Providers have agreed **NOT** to charge more than the Cigna Negotiated Rates for Covered Services. Participating Providers may charge the Insured Person for services that are not Covered Services under the Policy. In addition, Participating Providers will file claims with Us for the Insured Person, and will request Prior Authorization when it is required.

Be sure to check with the Provider prior to an appointment to verify that the Provider is currently contracted with Cigna.

Special Circumstances

Covered Expenses for the services of a Non-Participating Provider will be paid according to the Participating Provider benefit schedule in certain circumstances as provided below.

Under this circumstance benefits will be provided as follows:

- **Hospital Emergency Services**
Emergency services for an Emergency Medical Condition will be paid at the Participating Provider benefit schedule. Once the patient is Stabilized and his/her condition permits transfer to a Participating Hospital, services of a Non-Participating Hospital will no longer be covered.
- **Physician or other Provider Emergency Services**
Covered Expenses will be paid at the Participating Provider benefit schedule for the initial care of an Emergency Medical Condition.
- **Availability of Participating Providers**
Covered Expenses for services of a Non-Participating Provider will be paid according to the Participating Provider benefit schedule when the non-Emergency, Medically Necessary services of a Participating Provider are unavailable within the Service Area. Refer to the 'Definitions' section of this Policy for a description of the Service Area.

Deductibles

Deductibles are prescribed amounts of Covered Expenses the Insured Person must pay before benefits are available. Deductibles apply to all Covered Expenses as described in the Definitions section of this Policy, unless expressly stated otherwise in the Benefit Schedule. Deductibles do not include any amounts in excess of Maximum Reimbursable Charges, any penalties, or expenses that are not Covered Expenses.

Deductibles will be applied in the order in which an Insured Person's claims are received and processed by Us, not necessarily in the order in which the Insured Person received the service or supply.

Deductible

The Deductible is stated in the Benefit Schedule. The Deductible is the amount of Covered Expenses You must pay for **any** Covered Services (except as specifically stated otherwise in the Benefit Schedule) incurred from Participating Providers each Year before any benefits are available. There are two ways an Insured Person can meet his or her Deductible:

- When an Insured Person meets his or her Individual Deductible, that Insured Person's benefits will be paid accordingly, whether any applicable Family Deductible is satisfied or not.
- If one or more Family Members are covered under this Policy, the Family Deductible will apply. Each Insured Person can contribute up to the individual Deductible amount toward the Family Deductible. Once this Family Deductible is satisfied, no further Individual or Family Deductible is required for the remainder of that Year.

Out-of-Pocket Maximum

The Out-of-Pocket Maximum is the amount of Coinsurance, Deductible, and Copayment each Individual or Family incurs in Covered Expenses from Participating Providers in a Year.

- The Individual Out-of-Pocket Maximum is an accumulation of Covered Expenses. It includes Deductibles, Copayments and Coinsurance for Covered medical and pharmacy Services. Once the Individual Out-of-Pocket Maximum has been met for the Year, for Covered Services, You will no longer have to pay any Coinsurance or Copayment for medical or pharmacy services for Covered Expenses incurred during the remainder of that Year. Non-compliance penalty charges do not apply to the Individual Out-of-Pocket Maximum and will always be paid by You. The amount of the Individual Out-of-Pocket Maximum is described in the Schedule of Benefits section of this Policy.
- The Family Out-of-Pocket Maximum applies if You have a family plan and You and one or more of your Family Member(s) are Insured under this Policy. It is an accumulation of the Individual Covered Expenses, including Deductibles, Copayments and Coinsurance for Covered medical and pharmacy Services, paid by each Family Member for Covered Expenses for medical Covered Services during a Year. Each Insured Person can contribute up to the Individual Out-of-Pocket Maximum toward the Family Out-of-Pocket Maximum. Once the Family Out-of-Pocket Maximum is satisfied in a Year, any remaining Individual Deductibles will be waived for the remainder of the Year. The amounts of the Individual and the Family Out-of-Pocket Maximum are described in the Schedule of Benefits section of this Policy.

Special Limits

There may be limits applied to certain Covered Services in the form of an Annual maximum on the number of visits, days or events the Plan will cover for a specific type of service. The expenses you incur which exceed specific maximums described in this Policy will be Your responsibility. Any Special Limits applicable to benefits in this Plan are described in the Benefit Schedule.

The expenses you incur which exceed specific maximums described in this Policy will be Your responsibility.

Penalties

A Penalty is an amount of Covered Expenses that is:

- Not counted toward any Deductible;
- Not counted toward the Out-of-Pocket Maximum; and
- Not eligible for benefit payment once the Deductible is satisfied.

Penalties will apply under the following circumstances:

- Inpatient Hospital admissions may be subject to a Penalty if You or Your Provider fail to obtain Prior Authorization.
- Free Standing Outpatient Surgical Facility Services may be subject to a Penalty per admission, if You or Your Provider fail to obtain Prior Authorization.
- Certain outpatient surgeries and diagnostic procedures require Prior Authorization. If You or Your Provider fail to obtain Prior Authorization for such an outpatient surgery or diagnostic procedure, You or Your Provider may be responsible for a Penalty, per admission or per procedure.
- Authorization is required prior to certain other admissions and prior to receiving certain other services and procedures. Failure to obtain Authorization prior these admissions or to receiving these services or procedures may result in a Penalty.

Penalties are applied before any benefits are available.

Prescription Drug Benefits

Pharmacy Payments

For Definitions associated with Prescription Drug benefits, refer to the 'Definitions' section of this Policy.

Covered Prescription Drugs and Related Supplies purchased at a Pharmacy are subject to the annual medical Deductible and once the Deductible is satisfied, subject to any applicable Copayments and/or Coinsurance shown in the Benefit Schedule.

Cigna's Prescription Drug List is available upon request by calling the Customer Service number on Your ID card or on www.Cigna.com/ifp-drug-list.

In the event that You request a Brand-name drug that has a Generic equivalent, You will be financially responsible for the amount by which the cost of the Brand-name drug exceeds the cost of the Generic drug, plus the Generic Copayment or Coinsurance shown in the Benefit Schedule.

Your responsibility for covered Prescription Drugs and Related Supplies will always be the lowest of:

- the Copay or Coinsurance for the Prescription Drug, or
- Cigna's discounted rate for the Prescription drug; or
- the Pharmacy's Usual and Customary (U&C) charge for the Prescription Drug.

Usual & Customary (U&C) means the established Pharmacy retail cash price, less all applicable customer discounts that Pharmacy usually applies to its customers, regardless of the customer's payment source.

If You redeem a coupon or offer from a pharmaceutical manufacturer for a drug covered under this Policy, Cigna will not allow the dollar amount of the coupon or offer to reduce Your Annual Deductible, Copayment and/or Coinsurance. Cigna has the right to determine the amount and duration of any reduction, coupon or financial incentive available for any specific drug covered under this Policy.

Authorization, Exception and Appeal Process for Prescription Drugs and Related Supplies

Authorization from Cigna is required for certain Prescription Drugs and Related Supplies, meaning that Your Physician must obtain authorization from Cigna before the Prescription Drug or Related Supply will be covered.

Prior Authorization

When Your Physician prescribes certain Prescription Drugs or Related Supplies, including high cost and Specialty Medications, Cigna requires Your Physician to obtain authorization before the prescription or supply can be filled. Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

Step Therapy

Step Therapy is a type of Prior Authorization. Cigna may require an Insured Person to follow certain steps before covering some Prescription Drugs and Related Supplies, including some higher-cost and Specialty Medications for treatment of conditions including allergies, asthma, diabetes, high cholesterol, mental health and stomach acid reflux. We may require You to try similar Prescription Drugs and Related Supplies, including Specialty Medications, that have been determined to be safe, effective, and more cost effective for most people that have the same condition. The Prescription Drugs and Related Supplies that require Step Therapy can be identified on the Prescription Drug List at www.mycigna.com. If Your Physician prescribes a drug for You that is on the Step Therapy list, after You initially fill the Prescription You and Your Physician will receive a letter from Cigna informing You of the Step Therapy Drug You will be required to use when You refill the Prescription. To obtain Step Therapy Authorization, Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

Exceptions for Prescription Drugs and Related Supplies not on the Prescription Drug List

If Your Physician prescribes a Prescription Drug or Related Supply that is not on Cigna's Prescription Drug List, he or she can request that Cigna make an exception and agree to cover that drug or supply for Your condition. To obtain an exception for a Prescription Drug or Related Supply Your Physician must follow the Prescription Drug and Related Supply Authorization and Exception Request Process as described below.

Prescription Drug and Related Supply Authorization and Exception Request Process

To obtain an exception, Your Physician may call Cigna, or complete the appropriate form and fax it to Cigna to request an exception. Your Physician can certify in writing that You have previously used a Prescription Drug or Related Supply that is on Cigna's Prescription Drug List or in a Step Therapy Protocol, and the Prescription Drug or Related Supply has been detrimental to Your health or has been ineffective in treating Your condition and, in the opinion of Your Physician, is likely to again be detrimental to Your health or ineffective in treating the condition. The exception request will be reviewed and completed by Cigna within 72 hours of receipt.

Expedited Review of a Prior Authorization, Step Therapy or Prescription Drug Exception Request

An expedited review may be requested by Your Physician when You are suffering from a health condition that may seriously jeopardize Your life, health, or ability to regain maximum function or when You are undergoing a current course of treatment using a drug not on Cigna's Prescription Drug List. The expedited review will be reviewed and completed by Cigna within 24 hours of receipt.

If the request is approved, Your Physician will receive confirmation. The Authorization/Exception will be processed in Cigna's pharmacy claim system to allow You to have coverage for those Prescription Drugs or Related Supplies. The length of the Prior Authorization will be granted until You no longer use the Prescription Drug or Related Supply for which the Authorization or Exception was approved. When Your Physician advises You that coverage for the Prescription Drugs or Related Supplies has been approved, You should contact the Pharmacy to fill the prescription(s).

If the request is denied, You and Your Physician will be notified that coverage for the Prescription Drugs or Related Supplies was not authorized.

Appeal of a Prior Authorization, Step Therapy or Prescription Drug Exception Denial

If You, a person acting on your behalf or the prescribing Physician or other prescriber disagree with a coverage decision, You, a person acting on your behalf or the prescribing Physician or other prescriber may appeal that decision in accordance with the provisions of this Policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered. Please see the section of this Policy entitled "WHEN YOU HAVE A COMPLAINT OR AN APPEAL" which describes the process for the External Independent Review.

The P&T Committee makes a reasonable effort to review all new FDA approved drug products (or new FDA approved indications) within 90 days of its release to the market. The business decision team must make a reasonable effort to review a new FDA-approved drug product (or new indications) within 90 days, and make a decision on each new FDA approved drug product (or new FDA approved indication) within 180 days of its release onto the market, or a clinical justification must be documented if this timeframe is not met.

General Provisions

Expenses For Which A Third Party May be Liable

If you incur a Covered Expense for which, in Our opinion, another party may be liable We shall, to the extent permitted by law, be subrogated to all rights, claims or interests which you may have against such party for medical expenses and shall automatically have a lien upon the proceeds designated for medical expense of any recovery by judgment, settlement or award by you from such party to the extent of any benefits paid for such expenses under the Policy. You or your representative shall execute such documents as may be required to secure Our subrogation rights. Note: The coverage under this plan is secondary to any automobile no-fault or similar coverage.

Alternate Cost Containment Provision

We may, in certain situations, approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Policy. The alternate treatment plan must be mutually agreed to by Us, the Insured Person, and the Physician, Provider, or other healthcare practitioner. Our offering an alternate treatment plan in a particular case in no way commits Us to do so in another case, nor does it prevent Us from strictly applying the express benefits, limitations, and exclusions of the Policy at any other time or for the Insured Person.

Other Insurance

The Insured Person may have Other Valid Coverage (with another insurer) which applies to a loss covered by this Policy. Other Valid Coverage may reduce the benefits payable under this Policy. The benefits payable under this Policy will not be reduced by Other Valid Coverage if the Insured Person has notified Us in writing that they do have Other Valid Coverage. The Insured Person must notify Us before a loss begins. The benefits payable under this Policy will be reduced by Other Valid Coverage if the Insured Person has not notified Us in writing (before the loss begins) that the Insured Person does have Other Valid Coverage. The amount of the reduced benefits payable under this Policy will be determined by applying the formula below:

ADD: The benefit which would have been payable under this Policy,

PLUS: The total of the like benefits under all Other Valid Coverage's on the same loss of which We have had notice,

DIVIDED BY: The total like benefits under all valid coverage's for such loss.

When benefits are reduced due to Other Valid Coverage, We will return part of the last premium paid prior to the commencement of a loss covered under this Policy. The proportion We will use to determine the premium refund will be the same proportion We use to determine the benefit reduction in the formula above.

When Other Valid Coverage is written on a provision of service basis, the "like amount" of such other coverage will mean the dollar amount which the services received would have cost if the Insured Person did not have the other coverage.

Medicare Eligibles

Cigna will pay as the Secondary Plan as permitted by the Social Security Act of 1965 for an Insured Person who is enrolled for Medicare.

A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for him.

This reduction will not apply to any Insured Person except as listed under "Cigna will pay as the Secondary Plan..." above.

WHEN YOU HAVE A COMPLAINT OR AN APPEAL

For the purposes of this section, any reference to the Insured Person also refers to a representative or provider designated by an Insured Person to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care received. That is why we have established a process for addressing concerns and solving your problems.

Start with Customer Service

We are here to listen and help. If an Insured Person has a concern regarding a person, a service, the quality of care, an initial eligibility denial, a rescission of coverage, or contractual benefits, you can call our toll-free number and explain the concern to one of Our Customer Service representatives. Please call Cigna at the Customer Service Toll-Free Number that appears on your Benefit Identification card, explanation of benefits, or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days.

If an Insured Person is not satisfied with the results of a coverage decision, they can start the appeals procedure.

Appeals Procedure

To initiate an appeal, the Insured Person must submit a request for an appeal in writing, within 180 days of receipt of the denial notice, to the following address:

Cigna
National Appeals Organization (NAO)
PO Box 188011
Chattanooga, TN 37422

The Insured Person should state the reason why he or she feels the appeal should be approved and include any information supporting the appeal. If an Insured Person is unable or chooses not to write, he or she may ask to register the appeal by telephone. Call Us at the toll-free number on the Benefit Identification card, explanation of benefits or claim form.

Requests for a review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Physician reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. The Insured Person may present his or her situation to the Committee in person or by conference call.

We will acknowledge in writing that we have received the request within five working days after the date we receive the request for a Committee review and schedule a Committee review. For required pre-service and concurrent care coverage determinations, the Committee review will be completed within 15 calendar days. For post-service claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify the Insured Person in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. In the event any new or additional information (evidence) is considered, relied upon or generated by Cigna in connection with the appeal, Cigna will provide this information to the Insured Person as soon as possible and sufficiently in advance of the decision, so that the Insured Person will have an opportunity to respond. Also, if any new or additional rationale is considered by Cigna, Cigna will provide the rationale to the Insured Person as soon as possible and sufficiently in advance of the decision so that the Insured Person will have an opportunity to respond.

The Insured Person will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

The Insured Person may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize the Insured Person's life, health or ability to regain maximum function or in the opinion of his or her Physician would cause severe pain which cannot be managed without the requested services; or (b) the appeal involves non-authorization of an admission or continuing inpatient Hospital stay. If the Insured Person requests that the appeal be expedited based on (a) above, the Insured Person may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited internal appeal would be detrimental to the Insured Person's medical condition.

Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

If the Insured Person is not satisfied with Cigna's decision regarding eligibility of an expedited external review, the Insured Person may file a complaint with the Commissioner's office. The Commissioner may make a different determination regarding the Insured Person's eligibility for an expedited external review. The Commissioner's office may be contacted at the following address and telephone number:

Tennessee Department of Commerce and Insurance

Nashville, TN 37423

Independent Review Procedure

If the Insured Person is not fully satisfied with the decision of Cigna's appeal review regarding your Medical Necessity or clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna or any of its affiliates. A decision to request an appeal to an Independent Review Organization will not affect the claimant's rights to any other benefits under the Policy.

There is no charge for you to initiate this independent review process. Cigna will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a determination by Cigna regarding Medical Necessity, clinical appropriateness, healthcare setting, level of care, or effectiveness of the service or treatment the Insured Person requested. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, the Insured Person must notify the Appeals Coordinator within 180 days of the Insured Person's receipt of Cigna's appeal review denial. Cigna will then forward the file to the Independent Review Organization.

The Independent Review Organization will render an opinion within 45 days. When requested and if (a) a delay would be detrimental to the Insured Person's condition, as determined by Cigna's Physician reviewer, or if (b) the Insured Person's appeal concerns an admission, availability of care, continued stay, or health care item or service for which the Insured Person received emergency services, but the Insured Person has not yet been discharged from the facility, the review shall be completed within 72 hours.

If the Insured Person is not satisfied with Cigna's decision regarding eligibility for an expedited external review, the Insured Person may file a complaint with the Commissioner's office. The Commissioner may make a different determination regarding the Insured Person's eligibility for an expedited external review. The Commissioner's office may be contacted at the address and telephone number given below for an Appeal to the State of Tennessee.

A final notice of adverse determination will include a discussion of the decision.

Relevant Information

Relevant Information is any document, record, or other information which (a) was relied upon in making the benefit determination; (b) was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; (c) demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or (d) constitutes a statement of policy or guidance with respect to the Policy concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Dispute Resolution

All complaints or disputes relating to coverage under this Policy must be resolved in accordance with Our grievance procedures. Grievances may be reported by telephone or in writing. All grievances received by Us that cannot be resolved by telephone conversation (when appropriate) to the mutual satisfaction of both the Insured Person and Us will be acknowledged in writing, along with a description of how We propose to resolve the grievance.

Binding Arbitration

To the extent permitted by law, any controversy between Cigna and an insured (including any legal representative acting on Your behalf), arising out of or in connection with this Policy shall be submitted to binding arbitration upon written notice by one party to another. To initiate an appeal, the Insured Person must submit a request for an appeal in writing, within 180 days of receipt of the denial notice. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Health Lawyers Association, to the extent that such provisions are not inconsistent with the provisions of this section.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30-day period and the two arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to practice law in the applicable state. If either party refuses or otherwise fails to choose an arbitrator within such 15-working-day-period, the arbitrator chosen shall choose a third arbitrator in accordance with these requirements. In the case of an arbitration, the Arbitrator shall not have authority to conduct a Class Action, combine or aggregate similar claims of an entity or person not a party to this agreement, or make an award to any person or entity not a party to this agreement.

The arbitration hearing shall be held within 30 days following appointment of the third arbitrator, unless otherwise agreed to by the parties. If either party refuses to or otherwise fails to participate in such arbitration hearing, such hearing shall proceed and shall be fully effective in accordance with this section, notwithstanding the absence of such party. In the case of an arbitration, the Arbitrator shall not have authority to conduct a Class Action, combine or aggregate similar claims of an entity or person not a party to this agreement, or make an award to any person or entity not a party to this agreement.

The arbitrator(s) shall render his (their) decision within 30 days after the termination of the arbitration hearing. To the extent permitted by law, the decision of the arbitrator, or the decision of any two arbitrators if there are three arbitrators, shall be binding upon both parties conclusive of the controversy in question, and enforceable in any court of competent jurisdiction.

No party to this Policy shall have a right to cease performance of services or otherwise refuse to carry out its obligations under this Policy pending the outcome of arbitration in accordance with this section, except as otherwise specifically provided under this Policy.

Terms of the Policy

Entire Contract; Changes: This Policy, including the specification page, endorsements, application, and the attached papers, if any, constitutes the entire contract of insurance. No change in this Policy shall be valid unless approved by an Officer of Cigna and attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

Time Limit on Certain Defenses: After two years from the date coverage is effective under this Policy no misstatements, except intentional, fraudulent misstatements, made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such two Year period.

Grace Period: If You purchased Your Plan from a Marketplace and You have elected to receive Your advanced premium tax credit, Your grace period is extended for three consecutive months provided you have paid at least one full month's premium during the benefit year. Coverage will continue during the grace period, however if We do not receive Your premium due in full before the end of the grace period, Your coverage will be terminated as of the last day of the first month of the grace period. Please see "General Provisions", for further information regarding cancellation and reinstatement.

If You did not purchase Your Plan from a Marketplace, or elect to not receive advanced premium tax credit, there is a grace period of 31 days for the receipt at our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 30 days prior to any premium due date that We do not intend to renew this Policy, or the Insured Person notifies Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

Cancellation: We may cancel this Policy only in the event of any of the following:

1. You fail to pay Your premiums as they become due or by the end of the 31 day grace period for plans not purchased from a Marketplace or the 61 day grace period for plans purchased from a Marketplace.
2. On the first of the month following Our receipt of Your written notice to cancel.
3. When You become ineligible for this coverage.
4. If You have committed, or allowed someone else to commit, any fraud or deception, or intentional misrepresentation of material fact in connection with this Policy or coverage.
5. When We cease to offer policies of this type to all individuals in your class. In this event, Tennessee law requires that we do the following: (1) provide written notice to each Insured Person of the discontinuation before the 90th day preceding the date of the discontinuation of the coverage; (2) offer to each Insured Person on a guaranteed issue basis the option to purchase any other individual hospital medical or surgical insurance coverage offered by Us at the time of discontinuation; and (3) act uniformly without regard to any health status related factors of an Insured Person.
6. When We cease offering any plans in the individual market in Tennessee, We will notify You of the impending termination of Your coverage at least 180 days prior to Your cancellation.
7. When the Insured no longer lives in the Enrollment Area.

Any cancellation shall be without prejudice for any claim for Covered Expense incurred before cancellation.

Modification of Coverage: We reserve the right to modify this policy, including Policy provisions, benefits and coverages, so long as such modification is consistent with state or federal law and effective on a uniform basis among all individuals with coverage under this same Policy form. We will only modify this Policy for all Insured Persons in the same class and covered under the same Policy form, and not just on an individual basis. We will send written notice and the change will become effective on the date shown in the notice or on the next scheduled premium due date thereafter. Payment of the premiums will indicate acceptance of the change.

Member Services/Additional Programs: We may, from time to time offer, or arrange for various entities to offer, discounts, benefits, premium or cost share credits, or other consideration to You for the purpose of promoting Your general health and well-being.

Reinstatement: If this Policy cancels because You did not pay Your premium within the time granted You for payment, then We may, upon Your request and at Our discretion, agree to reinstate coverage under this Policy.

If this Policy is reinstated, benefits will be provided only for an Accidental Injury that occurs after the date of reinstatement, or for an Illness that begins more than 10 days after the state of reinstatement. Otherwise, You and Cigna shall have the same rights as existed under the Policy immediately before the due date of the defaulted premium, subject to any amendments or endorsements attached to the reinstated Policy.

Renewal: This Policy renews on a Calendar Year basis.

Fraud: If the Insured Person has committed, or allowed someone else to commit, any fraud or deception in connection with this Policy, then any and all coverage under this Policy shall be rescinded and of no legal force or effect as of the date the first instance of fraud was committed.

Misstatement of Age: In the event the age of any Insured Person has been misstated in the application for coverage, Cigna shall determine premium rates for that Insured Person according to the correct age and there shall be an equitable adjustment of premium rate made so that We will be paid the premium rate appropriate for the true age of the Insured Person. Adjustment of premium rate will be in effect going forward from the date of notification of the change and will not be retroactive.

Legal Actions: You cannot file a lawsuit before 60 days after We have been given written proof of loss. No action can be brought after 3 Years from the time that proof is required to be given.

Conformity With State and Federal Statutes: If any provision of this Policy which, on its Effective Date, is in conflict with the statutes of the state in which it was issued or a federal statute, it is amended to conform to the minimum requirements of those statutes.

Provision in Event of Partial Invalidity: if any provision or any word, term, clause, or part of any provision of this Policy shall be invalid for any reason, the same shall be ineffective, but the remainder of this Policy and of the provision shall not be affected and shall remain in full force and effect.

The Insured Person(s) are the only persons entitled to receive benefits under this Policy. FRAUDULENT USE OF SUCH BENEFITS WILL RESULT IN CANCELLATION OF THIS POLICY AND APPROPRIATE LEGAL ACTION WILL BE TAKEN.

The Effective Date of this Policy is printed on the Cigna identification card and on the Policy specification page.

Cigna is not responsible for any claim for damages or injuries suffered by the Insured Person while receiving care in any Hospital, Free-Standing Outpatient Surgical Facility, Skilled Nursing Facility, or from any Participating or Non-Participating Provider. Such facilities and providers act as Insured Person(s) contractors.

Cigna will meet any Notice requirements by mailing the Notice to the Insured Person at the billing address listed in our records. It is the Insured Person's responsibility to notify Us of any address changes. The Insured Person will meet any Notice requirements by mailing the Notice to:

When an overpayment has been made by US, WE will have the right within 18 months to: (a) recover that overpayment from the person to whom or on whose behalf it was made; or (b) offset the amount of that overpayment from a future claim payment. WE will have the right to recover an overpayment at any time if the insured does not provide complete information, was not eligible for coverage or when material mistakes or fraud have occurred.

In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is incurred. Under this Policy, an expense is incurred on the date the Insured Person(s) receives a service or supply for which the charge is made.

We will pay all benefits of this Agreement directly to, Participating Hospitals, Participating Physicians, and all other Participating Providers, whether the Insured Person has Authorized assignment of benefits or not, unless the Insured Person has paid the claim in full, in which case we will reimburse the Insured Person. In addition, We may pay any covered Provider of services directly when the Insured Person assigns benefits in writing no later than the time of filing proof of loss (claim), except for Foreign Country Provider claims. However, We may, at Our option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to You or Your Dependent, You or Your Dependents are responsible for reimbursing the Provider and Our payment to You will be considered fulfillment of Our obligation.

If We receive a claim from a Foreign Country Provider for a Medical Emergency, any eligible payment will be sent to the Insured Person. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill our obligation to the Insured Person for those services.

Any payment of benefits in reimbursement for Covered Expenses paid by an eligible child, or the eligible child's custodial parent or legal guardian, will be made to the eligible child, the eligible child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the eligible child.

Cigna will provide written notice to You within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any Provider contract, if Cigna determines that You or Your Insured Family Members may be materially and adversely affected.

Continuation of Care after Termination of a Provider whose participation has terminated:

Cigna will provide benefits to You or Your Insured Family Members at the Participating Provider level for Covered Services of a terminated Provider for the following special circumstances:

- Ongoing treatment of an Insured Person up to the 90th day from the date of the Provider's termination date.
- Ongoing treatment of an Insured Person who at the time of termination has been diagnosed with a terminal illness, but in no event beyond 9 months from the date of the Provider's termination date.

We will provide the Insured Person with an updated list of local Participating Providers when requested. If the Insured Person would like a more extensive directory, or need a new Provider listing for any other reason, please call Cigna at the number on the ID card and We will provide the Insured Person with one, or visit our Web site, www.Cigna.com.

If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect. However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.

Failure by Cigna to enforce or require compliance with any provision herein will not waive, modify or render such provision unenforceable at any other time, whether the circumstances are or are not the same.

If Insured Person(s) were covered by a prior Individual Cigna Policy that is replaced by this Policy with no lapse of coverage, Benefits used under the prior Policy will be charged against the benefits payable under this Policy.

Physical Examination and Autopsy: Cigna, at its own expense, shall have the right and the opportunity to examine any Insured Person for whom a claim is made, when and so often as We may reasonably require during the pendency of a claim under this Policy. In the case of death of an Insured Person, Cigna shall have the right and opportunity to make an autopsy where it is not prohibited by law.

Other Insurance With This Insurer

If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect.

However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.

How to File a Claim for Benefits

Notice of Claim: There is no paperwork for claims for services from Participating Providers. You will need to show Your ID card and pay any applicable copayment; Your Participating Provider will submit a claim to Us for reimbursement. Claims for Emergency Services from Non-Participating Providers can be submitted by the Provider if the Provider is able and willing to file on Your behalf. If a Non-Participating Provider is not submitting on Your behalf, You must send Your completed claim form and itemized bills to the claims address listed on Your ID card.

Unpaid Premiums: At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

Claim Forms: You may get the required claim forms from www.cigna.com under HealthCare, Important Forms or by calling Member Services using the toll-free number on Your identification card.

Claim Reminders:

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT NUMBER WHEN YOU FILE CLAIM FORMS, OR WHEN YOU CALL YOUR Cigna CLAIM OFFICE.
 - YOUR MEMBER ID IS SHOWN ON YOUR ID CARD.
 - YOUR ACCOUNT NUMBER IS THE 7-DIGIT POLICY NUMBER SHOWN ON YOUR ID CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM.

Proof of Loss: You must give Us written proof of loss within 18 months after the date of the loss, except in absence of legal capacity. Proof of loss is a claim form as described above. Canceled checks or receipts are not acceptable. Cigna will not be liable for benefits if it does not receive written proof of loss within this time period.

Assignment of Claim Payments:

Medical Benefits are assignable to the Provider; when you assign benefits to a Provider, you have assigned the entire amount of the benefits due on that claim. If the Provider is overpaid because of accepting a patient's payment on the charge, it is the Provider's responsibility to reimburse the patient. Because of Cigna's contracts with Providers, all claims from contracted Providers should be assigned.

We will recognize and consider any assignment made under the Policy, only if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made by a Provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment.

Time Payment of Claims: All claims and indemnities payable under the terms of this Policy shall be paid immediately following written receipt by Us of due proof of loss.

Claim Determination Procedures Under Federal Law (Provisions of the laws of this state may supersede.)

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the Policy. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on either a pre-service, concurrent, or post-service basis, as described below.

Certain services require Prior Authorization in order to be covered. This Prior Authorization is called a "pre-service medical necessity determination." The Policy describes who is responsible for obtaining this review. The Insured Person or their authorized representative (typically, their health care Provider) must request Medical Necessity determinations according to the procedures described below, in the Policy, and in the Insured Person's Provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, the Insured Person or their representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Policy, in the Insured Person's Provider's network participation documents, and in the determination notices.

Pre-service Medical Necessity Determinations

When the Insured Person or their representative requests a required Medical Necessity determination prior to care, Cigna will notify the Insured Person or their representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 15 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date the Insured Person or their representative responds to the notice.

If the determination periods above would (a) seriously jeopardize the Insured Person's life or health, their ability to regain maximum function, or (b) in the opinion of a Physician with knowledge of the Insured Person's health condition, cause them severe pain which cannot be managed without the requested services, Cigna will make the pre-service determination on an expedited basis. Cigna's Physician reviewer, in consultation with the treating Physician, will decide if an expedited determination is necessary. Cigna will notify the Insured Person or their representative of an expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify the Insured Person or their representative within 24 hours after receiving the request to specify what information is needed. The Insured person or their representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify the Insured Person or their representative of the expedited benefit determination within 48 hours after the Insured Person or their representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If the Insured Person or their representative fails to follow Cigna's procedures for requesting a required pre-service medical necessity determination, Cigna will notify them of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless the Insured Person or their representative requests written notification.

Concurrent Medical Necessity Determinations

When an ongoing course of treatment has been approved for an Insured Person and they wish to extend the approval, the Insured Person or their representative must request a required concurrent Medical Necessity determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When the Insured Person or their representative requests such a determination, Cigna will notify them of the determination within 24 hours after receiving the request.

Post-service Medical Necessity Determinations

When an Insured Person or their representative requests a Medical Necessity determination after services have been rendered, Cigna will notify them of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date the Insured Person or their representative responds to the notice.

Post-service Claim Determinations

When an Insured Person or their representative requests payment for services which have been rendered, Cigna will notify them of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify the Insured Person or their representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and the Insured Person or their representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date the Insured Person or their representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: (1) information sufficient to identify the claim; (2) the specific reason or reasons for the adverse determination; (3) reference to the specific plan provisions on which the determination is based; (4) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; (6) information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and (7) in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

Premiums

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals whose monthly payment is deducted directly from their checking account.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s)
- b. A change in age of any Insured Person which results in a higher premium
- c. A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium on 30 days' prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.

Premiums are to be paid by You to Us.

Cigna will not accept the direct or indirect payment of premiums by any person or entity other than You. or, Your Family Members, except as expressly permitted by Cigna in writing.
