## **Introduction**

### **About This Policy**

Your dental coverage is provided under a Policy issued by Cigna Health and Life Insurance Company (“Cigna”) This Policy is a legal contract between You and Us.

Under this Policy, “We”, “Us”, and “Our” mean Cigna. “You” or “Your” refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term “Insured Person” in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Dentally Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Dentist prescribes or orders a service does not, in itself, mean that the service is Dentally Necessary or that the service is a Covered Service. Consult this Policy or phone Us at the number shown on myCigna.com if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as “Dentally Necessary” and “Covered Service”) that are defined in the section entitled “Definitions”. Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member(s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

**Choice of Dentist:** Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Dentist of their choice. You may pay more for Covered Services, however, if the Insured Person receives them from a Dentist that is a Non-Preferred Provider.

## How to File a Claim for Benefits

**Notice of Claim:** Written notice of claim must be given within 60 days after a covered loss starts or as soon as reasonably possible. The notice can be given to Us at the address shown on the first page of this Policy or by accessing myCigna.com. Notice should include the name of the Insured, and claimant if other than the Insured, and the Policy identification number.

**Unpaid Premiums:** At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

**Claim Forms:** When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 10 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section. Claim forms can be found by accessing myCigna.com or by calling Member Services.

**Proof of Loss:** Cigna is entitled to receive from any provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed for consideration of your claim payment. You must give Us written proof of loss within 12 months after the date of the loss, except in absence of legal capacity. Proof of loss is a claim form or letter as described above.

### Assignment of Claim Payments:

We will recognize any assignment made under the Policy, if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made by a Provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment.

Payment for services provided by a Preferred Provider is automatically assigned to the Provider unless the Preferred Provider indicates that the Insured Person has paid the claim in full. The Preferred Provider is responsible for filing the claim and We will make payments to the Provider for any benefits payable under this Policy. Payment for services provided by a Non-Preferred Provider are payable to the Insured Person unless assignment is made as above. If payment is made to the Insured Person for services provided by a Non-Preferred Provider, the Insured Person is responsible for paying the Non-Preferred Provider and Our payment to the Insured Person will be considered fulfillment of Our obligation.

**Time Payment of Claims:** All benefits under this Policy will be paid by Us upon Our receipt of written proof of loss or claim for payment for benefits provided. We shall within 15 working days after such receipt mail to the Insured Person or other person claiming payments under the Policy, payment for such benefits or a letter or notice which states the reasons We may have for failing to pay the claim, either in whole or in part, and which also gives the person so notified a written itemization of any documents or other information needed to process the claim or any portions thereof which are not being paid. Where We dispute a portion of the claim, any undisputed portion of the claim shall be paid by Us. When all of the listed documents or other information needed to process the claim has been received by Us, We shall then have 15 working days within which to process and either mail payment for the claim or a letter or notice denying it, in whole or in part, giving the Insured Person or other person claiming payments under the plan Our reasons for such denial. Receipt of any proof, claim, or documentation by an entity which administrates or processes claims on behalf of an insurer shall be deemed receipt of the same by Us.

If We fail to comply with the statutory claim payment time requirements set forth above, We will pay the claimant 18 percent interest per year on the claim.

**Payment of Claims:** Benefits will be paid directly to Preferred Providers unless You instruct Us to do otherwise prior to Our payment. Any benefits due You which are unpaid at Your death will be paid to Your estate.

Cigna is entitled to receive from any Provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every Provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by Providers of dental care nor attempt to evaluate those services.

The payment or reimbursement for a noncontracting provider of covered dental services shall be the same as the payment or reimbursement for a preferred provider of covered dental services; provided, however, the health benefit plan shall not be required to make payment or reimbursement in an amount which is greater than the actual fee charged by the provider for the dental services rendered.

**Physical Examination :** Cigna, at its own expense, shall have the right and the opportunity to examine any Insured Person for whom a claim is made, when and so often as We may reasonably require during the pendency of a claim under this Policy.

- The date the Policy terminates. Remember, it is Your responsibility to notify Cigna immediately of any changes affecting You or any of Your Insured Family Member(s) eligibility for benefits under this Policy.

## **Continuation**

If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

## BENEFIT SCHEDULE

Following is a Benefit Schedule of the Policy. The Policy sets forth, in more detail, the rights and obligations of both You, your Family Member(s) and Cigna. It is, therefore, important that all Insured Person's **READ THE ENTIRE POLICY CAREFULLY!**

The benefits outlined in the table below show the payment percentages for Covered Expenses **AFTER** any applicable Deductibles have been satisfied unless otherwise stated.

<b>CIGNA DENTAL PREFERRED PROVIDER INSURANCE</b> <i>The Schedule</i>
<b>For You and Your Dependents</b>
<b>The Schedule</b>
If you select a Preferred Provider, your cost will be less than if you select a Non-Preferred Provider.
<p><b>Emergency Services</b></p> <p>The Benefit Percentage payable for Emergency Services charges made by a Non-Preferred Provider is the same Benefit Percentage as for Preferred Provider Charges. Dental Emergency services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.</p>
<p><b>Deductibles</b></p> <p>Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.</p>
<p><b>Preferred Provider Payment</b></p> <p>Preferred Provider services are paid based on the Contracted Fee agreed upon by the provider and CHLIC.</p>
<p><b>Non-Preferred Provider Payment</b></p> <p>Non-Preferred Provider (Out-of-Network Provider) is a provider who does not have a Preferred Provider agreement in effect with Cigna for this Policy at the time services are rendered. Covered Expenses for Non-Preferred Providers are based on the Primary Schedule aligned to the 3-digit zip code for the geographical area where the service is performed, which may be less than actual billed charges. Non-Preferred Providers can bill You for amounts exceeding Covered Expenses.</p>
<p><b>Simultaneous Accumulation of Amounts</b></p> <p>Expenses incurred for either Preferred or non-Preferred Provider charges will be used to satisfy both the Preferred and non-Preferred Provider Deductibles shown in the Schedule.</p> <p>Benefits paid for Preferred and non-Preferred Provider services will be applied toward both the Preferred and non-Preferred Provider maximum shown in the Schedule.</p>

HC-DBW7

## **Covered Dental Expense: What The Policy Pays For**

The benefits described in the following sections are provided for Covered Expenses incurred while covered under this Policy. An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Policy, some of which may limit benefits or result in benefits not being payable.

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III; the service is started and completed while coverage is in effect.

### **Alternate Benefit Provision**

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

### **Predetermination of Benefits**

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

### **Covered Services**

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

HC-DEN74

## Dental PPO – Preferred and Non-Preferred Providers

Payment for a service delivered by a Preferred Provider is the Contracted Fee, times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is responsible for the balance of the Contracted Fee.

Payment for a service delivered by a non-Preferred Provider is the Contracted Fee for that procedure as listed on the Primary Schedule aligned to the 3-digit zip code for the geographical area where the service is performed, times the benefit percentage that applies to the class of service, as specified in the Schedule. The Primary Schedule is the fee schedule with the lowest Contracted Fees currently being accepted by a Preferred Provider in the relevant 3-digit zip code.

The covered person is responsible for the balance of the provider's actual charge.

The payment or reimbursement for a noncontracting provider of covered dental services shall be the same as the payment or reimbursement for a preferred provider of covered dental services; provided, however, the health benefit plan shall not be required to make payment or reimbursement in an amount which is greater than the actual fee charged by the provider for the dental services rendered.

## **THE FOLLOWING WILL APPLY TO RESIDENTS OF GEORGIA**

### **WHEN YOU HAVE A COMPLAINT OR AN APPEAL**

For the purposes of this section, any reference to "you," "your" or "Yourself" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

#### **Start With Member Services**

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you can call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on mycigna.com,  
explanation of benefits or claim form

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

#### **Appeals Procedure**

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your Benefit Identification card, explanation of benefits or claim form.

#### **Level-One Appeal**

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

#### **Level Two Appeal**

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Physician reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. You may present your situation to the Committee in person or by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For required preservice and concurrent care coverage determinations, the Committee review will be completed within 15 calendar days. For postservice claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

### **Independent Review Procedure**

If you are not fully satisfied with the decision of Cigna's level two appeal review regarding your Medical Necessity or clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna HealthCare or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this independent review process. Cigna will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by Cigna. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, you must notify the Appeals Coordinator within 180 days of your receipt of Cigna's level two appeal review denial. Cigna will then forward the file to the Independent Review Organization.

The Independent Review Organization will render an opinion within 30 days. When requested and when a delay would be detrimental to your condition, as determined by Cigna's Dentist reviewer, the review shall be completed within three days.

The Independent Review Program is a voluntary program arranged by Cigna.

### **Legal Action**

If your plan is governed by ERISA, you have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against Cigna in federal court until you have completed the Level-One and Level-Two Appeal processes. If your Appeal is expedited, there is no need to complete the Level-Two process prior to bringing legal action.

Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 30 days prior to any premium due date that We do not intend to renew this Policy, or the Insured Person notify Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

Any cancellation shall be without prejudice for any claim for Covered Expense incurred before cancellation.

**Modification of Coverage:** We reserve the right to modify this policy, including Policy provisions, benefits and coverages, so long as such modification is consistent with state or federal law and effective on a uniform basis among all individuals with coverage under this same Policy form. We will only modify this Policy for all Insured Persons in the same class and covered under the same Policy form, and not just on an individual basis. We will send written notice and the change will become effective on the date shown in the notice or on the next scheduled premium due date thereafter. Payment of the premiums will indicate acceptance of the change.

**Reinstatement:** If this Policy cancels because You did not pay Your premium within the time granted You for payment, and if We, or an agent We have authorized to accept premium, then accepts a late premium payment from You without asking for an application for reinstatement, We will reinstate this Policy. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill our obligation to the Insured Person for those services.
- Any payment of benefits in reimbursement for Covered Expenses paid by an eligible child, or the eligible child's custodial parent or legal guardian, will be made to the eligible child, the eligible child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the eligible child.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

There is a grace period of 31 days for the receipt at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums.
