GO YOU.

Healthy Rewards is a discount program. If your health plan includes coverage for any of these services, this program is in addition to, not instead of your plan benefits. Healthy Rewards programs are separate from your health benefits. A discount program is NOT insurance, and you must pay the entire discounted charge. Availability may vary and is subject to change. Health care professionals and service providers who participate in the Cigna Healthy Rewards program are independent practitioners solely responsible for any treatment or services provided. They are not agents of Cigna.
