

# NOTICE OF PRIVACY PRACTICES CIGNA HOME DELIVERY PHARMACY

**This notice describes how medical information about you may be used and disclosed, and how you can get access to this information. Please review it carefully.**

## Our privacy commitment

Thank you for giving us the opportunity to serve you. In the normal course of doing business – providing you with pharmaceutical products and services – Cigna Home Delivery Pharmacy<sup>SM</sup> creates records about you and the treatment and services we provide to you. The information we collect is called Protected Health Information (PHI). We take our obligation to keep your PHI secure and confidential very seriously.

We are required by federal and state law to protect the privacy of your PHI and to provide you with this Notice about how we safeguard and use it, and to notify you following a breach of your unsecured PHI.

When we use or give out (“disclose”) your PHI, we are bound by the terms of this Notice. This Notice applies to all electronic or paper records we create, obtain, and/or maintain that contain your PHI. This includes, for example, records about you and the prescription drugs (medication history) and services we provide to you.

## How we protect your privacy

We understand the importance of protecting your PHI. We restrict access to your PHI to authorized workforce members who need that information for your treatment, for payment purposes and/or for health care operations. We maintain technical, physical and administrative safeguards to ensure the privacy of your PHI.

To protect your privacy, only authorized and trained workforce members are given access to our paper and electronic records, and to nonpublic areas where this information is stored.

Workforce members are trained on topics, including:

- ▶ Privacy and data protection policies and procedures, including how paper and electronic records are labeled, stored, filed and accessed.
- ▶ Technical, physical and administrative safeguards in place to maintain the privacy and security of your PHI. Our corporate Privacy Office monitors how we follow the policies and procedures, and educates our organization on this important topic.

## How we use and disclose your PHI

### Uses of PHI without your authorization

We may disclose your PHI without your written authorization if necessary while providing your health benefits. We may disclose your PHI for the following purposes.

- ▶ Treatment:
  - To share with nurses, doctors, pharmacists, optometrists, and other health care professionals in order to fill prescription orders that you or your health care professional submit.

We may also disclose your PHI without your written authorization for other purposes, as permitted or required by law. This includes:

- ▶ Disclosures to others involved in your health care.
  - If you are present or otherwise available to direct us to do so, we may disclose your PHI to others – for example, a family member, a close friend, or your caregiver.
  - If you are in an emergency situation, are not present, or are incapacitated, we will use our professional judgment to decide whether disclosing your PHI to others is in your best interests. Your employer is not permitted to use the PHI we disclose for any purpose other than administration of your benefits. See your employer's health plan or policy documents for information on whether your employer receives PHI and, if so, the identity of the individuals who are authorized to receive your PHI.

**Cancellation.** You may cancel (“revoke”) a written authorization you gave us before. The cancellation, submitted to us in writing, will apply to future uses and disclosures of your PHI. It will not impact disclosures made previously, while your authorization was in effect.

## Your individual rights

You have the following rights regarding the PHI that Cigna Home Delivery Pharmacy creates, obtains, and/or maintains about you.

- **Right to request restrictions.** You may ask us to restrict the way we use and disclose your PHI for treatment, payment and health care operations, as explained in this Notice. For example, your request to restrict (“to not disclose”) information to your health plan or health insurer about a prescription drug for which you pay. You may exercise this right by completing the Request for Prescription Drug Privacy Form and then, when ordering, pay for the prescription in full, out-of-pocket. If you do so, we will not submit any claim or otherwise communicate with your health plan or health insurer about the prescription. The form will remain on file for any remaining refills of the drug. This special form is available online at [myCigna.com](http://myCigna.com) and [myCignaforhealth.com](http://myCignaforhealth.com), or by calling our Customer Service Department at **800.835.3784**.
- **Right to receive confidential communications.** You may ask to receive Cigna Home Delivery Pharmacy communications containing PHI by alternative means or at alternative locations. We will accommodate reasonable requests whenever feasible.
- **Right to inspect and copy your PHI.** You may ask in advance to review or receive a copy of your PHI that is included in certain paper or electronic records we maintain, such as prescription and billing records. Under limited circumstances, we may deny you access to a portion of your records.  
  
You may request that we disclose or send a copy of your PHI to a Health Information Exchange (HIE).

- **Right to amend your records.** You have the right to ask us to correct your PHI contained in our electronic or paper records if you believe it is inaccurate. If we determine that the PHI is inaccurate, we will correct it if permitted by law. If a different health care facility or professional created the information that you want to change, you should ask them to amend the information.
- **Right to receive an accounting of disclosures.** At your request, we will provide a list of the disclosures we have made of your PHI for a specified time period. However, the list will exclude:
  - Disclosures you have authorized.
  - Disclosures made earlier than six years before the date of your request (in the case of disclosures made from an electronic health record, this period may be limited to three years before the date of your request).
  - Disclosures made for treatment, payment and health care operations purposes except when required by law.
  - Certain other disclosures that are excepted by law.

If you request an accounting more than once during any 12-month period, we will charge you a reasonable fee for each accounting report after the first one.

- **Right to name a personal representative.** You may name another person to act as your personal representative. Your representative will be allowed access to your PHI, to communicate with the health care professionals and facilities providing your care, and to exercise all other HIPAA rights on your behalf. Depending on the authority you grant your representative, he or she may also have authority to make health care decisions for you.
