

Voiding Log (Bladder Record)

You can complete the highlighted fields on this form online and then print the form for easy reference. Only text that is visible on the form is printed; scrolled text will not print. Any text you enter into these fields will be cleared when you close the form; you cannot save it.

Complete one of these records each day for several days, then take the completed records to your doctor. This information will help you and your doctor see how often you leak urine and what seems to cause the leakage.
