

Cigna Collaborative Care - Listing

Last updated: 4/1/2017

How to use the directory:

- 1) Click your **STATE** in blue below (then select **REGION** if option is provided)
- 2) The directory is organized alphabetically by **CITY/TOWN** and the health care provider's **LAST NAME**
- 3) Once you have located a participating (primary-care) provider, use the "Find a Doctor" tool for additional office locations, contact information and specialists affiliated

Choosing health care services is personal. From convenient locations and caring staff, to cost-effective treatment that works with your health care benefits, there's a lot to consider.

Below is a list of doctors and other health care providers, who with the help of Cigna, have committed to delivering you coordinated care – through an approach called *collaborative care*. They have a team of health experts, working behind the scenes to make sure you get the care, tests and services you need to help you reach your health goals.

When you visit one of the providers listed in this directory, you'll experience a team approach to health care. Because when it comes to health care, no one should be left on their own.
