SECTION 1 Changes to Benefits and Costs for Next Year**Section 1.1 Changes to the Monthly Premium**

Cost	2017 (this year)	2018 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$0 or \$24.10*	\$0 or \$21.50*

*Cost-sharing is based on your level of Medicaid eligibility.

Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2017 (this year)	2018 (next year)
Maximum out-of-pocket amount Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum. If you are eligible for Medicaid assistance with Part A and Part B copays and deductibles, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. Your costs for covered medical services (such as copays and deductibles) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$6,700	\$6,700 Once you have paid \$6,700 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

Section 1.3 Changes to the Provider Network

There are changes to our network of providers for next year. An updated *Provider and Pharmacy Directory* is located on our website at www.cignahealthspring.com. You may also call Customer Service for updated provider information or to ask us to mail you a *Provider and Pharmacy Directory*. **Please review the 2018 *Provider and Pharmacy Directory* to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.

- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

Section 1.4 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated *Provider and Pharmacy Directory* is located on our website at www.cignahealthspring.com. You may also call Customer Service for updated provider information or to ask us to mail you a *Provider and Pharmacy Directory*. **Please review the 2018 *Provider and Pharmacy Directory* to see which pharmacies are in our network.**

Section 1.6 Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is in this envelope. The Drug List we included in this envelope includes many — *but not all* — of the drugs that we will cover next year. If you don’t see your drug on this list, it might still be covered. **You can get the complete Drug List** by calling Customer Service (see the back cover) or visiting our website (www.cignahealthspring.com).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. **We encourage current members** to ask for an exception before next year.
 - To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Customer Service.
- **Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you have received a formulary exception to a medication this year the formulary exception request is approved through the date indicated in the approval letter. A new formulary exception request is only needed if the date indicated on the letter has passed.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. Because you receive “Extra Help” and didn’t receive this insert with this packet, please call Customer Service and ask for the “LIS Rider.” Phone numbers for Customer Service are in Section 7.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages — the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages — the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look in your *Summary of Benefits* or at Chapter 6, Sections 6 and 7, in the *Evidence of Coverage*.)

Changes to the Deductible Stage

Stage	2017 (this year)	2018 (next year)
Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your drugs until you have reached the yearly deductible.	Your deductible amount is either \$0 or \$400, depending on the level of “Extra Help” you receive.	Your deductible amount is either \$0 or \$405, depending on the level of “Extra Help” you receive. (Look at the separate insert, the “LIS Rider,” for your deductible amount.)

Changes to Your Cost-sharing in the Initial Coverage Stage

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs in your Evidence of Coverage.*

Stage	2017 (this year)	2018 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost.</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost-sharing. For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage.</i></p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost-sharing:</p> <p>All Formulary Drugs:</p> <p>You pay 25% of the total cost or a \$0/\$1.20/\$3.30/15%* copayment for generics or a \$0/\$3.70/\$8.25/15%* copayment for all other drugs.</p> <hr/> <p>Once your total drug costs have reached \$3,700, you will move to the next stage (the Coverage Gap Stage).</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost-sharing:</p> <p>All Formulary Drugs:</p> <p>You pay 25% of the total cost or a \$0/\$1.25/\$3.35/15%* copayment for generics or a \$0/\$3.70/\$8.35/15%* copayment for all other drugs.</p> <hr/> <p>Once your total drug costs have reached \$3,750, you will move to the next stage (the Coverage Gap Stage).</p>

*Cost-sharing is based on your level of “Extra Help.”

Changes to the Coverage Gap and Catastrophic Coverage Stages

The Coverage Gap Stage and the Catastrophic Coverage Stage are two other drug coverage stages for people with high drug costs. **Most members do not reach either stage.**

For information about your costs in these stages, look at your *Summary of Benefits* or at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage.*

SECTION 3 Deciding Which Plan to Choose

Section 3.1 If you want to stay in our plan

To stay in our plan you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2018.

Section 3.2 If you want to change plans

We hope to keep you as a member next year but if you want to change for 2018 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan at any time,
- — OR — You can change to Original Medicare at any time.

Your new coverage will begin on the first day of the following month. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2018*, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Cigna-HealthSpring offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from our plan.
- To change to Original Medicare with a prescription drug plan, enroll in the new drug plan. You will automatically be disenrolled from our plan.
- To change to Original Medicare without a prescription drug plan, you must either:
 - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
 - — or — Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

SECTION 4 Deadline for Changing Plans

Because you are eligible for both Medicare and Medicaid you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 5 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. Here is a list of the State Health Insurance Assistance Programs in each state we serve:

- In Delaware, the SHIP is called Delaware Medicare Assistance Bureau (DMAB)
- In the District of Columbia, the SHIP is called Health Insurance Counseling Project (HICP)
- In Maryland, the SHIP is called Senior Health Insurance Assistance Program

The State Health Insurance Assistance Program (SHIP) is independent (not connected with any insurance company or health plan). It is a state program that gets money from the federal government to give **free** local health insurance counseling to people with Medicare. State Health Insurance Assistance Program (SHIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Delaware’s SHIP, Delaware Medicare Assistance Bureau (DMAB), at 1-302-674-7364 or 1-800-336-9500; the District of Columbia’s SHIP, Health Insurance Counseling Project (HICP), at 1-202-994-6272 or 1-202-724-5622; or Maryland’s SHIP, Senior Health Insurance Assistance Program, at 1-410-767-1100 or 1-800-243-3425.

For questions about your Medicaid benefits, contact:

- In Delaware: Delaware Health & Social Services, Division of Medicaid and Medical Assistance at 1-302-255-9500 or 1-800-372-2022. TTY users should call 711. Hours are Mon. – Fri. 7:30 a.m. – 4:30 p.m.
- In the District of Columbia: Department of Health Care Finance (Medicaid) at 1-202-442-5988. TTY users should call 711. Hours are Mon. – Fri. 8:15 a.m. – 4:45 p.m.
- In Maryland: Medicaid/Medical Assistance, Maryland Department of Health & Mental Hygiene at 1-410-767-6500 or 1-800-492-5231. TTY users should call 711. Hours are Mon. – Fri. 8:00 a.m. – 5:00 p.m.

Ask how joining another plan or returning to Original Medicare affects how you get your Medicaid coverage.

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles, and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
 - Your State Medicaid Office (applications).
- **Help from your state’s pharmaceutical assistance program.** Delaware and Maryland have a program called the State Pharmaceutical Assistance Program that helps people pay for prescription drugs based on their financial need, age, or medical condition. Here is a list of the State Pharmaceutical Assistance Programs in each state we serve:
 - In Delaware, the SPAP is called the Chronic Renal Disease Program (CRDP)
 - In Maryland, the SPAPs are called Primary Adult Care Program (PAC), Maryland — SPDAP, and Maryland Kidney Disease Program
 - There is no SPAP for the District of Columbia

To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 5 of this booklet).

- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Delaware AIDS Drug Assistance Program in Delaware, the DC AIDS Drug Assistance Program in the District of Columbia, or the Maryland AIDS Drug Assistance Program in Maryland. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call Delaware’s ADAP, the Delaware AIDS Drug Assistance Program, at 1-302-744-1050; the District of Columbia’s ADAP, the DC AIDS Drug Assistance Program, at 1-202-671-4900; or Maryland’s ADAP, the Maryland AIDS Drug Assistance Program, at 1-410-767-6535 or 1-800-205-6308.
