You are currently enrolled as a member of Cigna-HealthSpring TotalCare (HMO SNP). Next year, there will be some changes to the plan's costs and benefits. This booklet tells about the changes.

What to do now

1. **ASK: Which changes apply to you**
   - Check the changes to our benefits and costs to see if they affect you.
     - It's important to review your coverage now to make sure it will meet your needs next year.
     - Do the changes affect the services you use?
     - Look in Sections 1.1 and 1.5 for information about benefit and cost changes for our plan.
   - Check the changes in the booklet to our prescription drug coverage to see if they affect you.
     - Will your drugs be covered?
     - Are your drugs in a different tier, with different cost sharing?
     - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
     - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
     - Review the 2018 Drug List and look in Section 1.6 for information about changes to our drug coverage.

2. **Check to see if your doctors and other providers will be in our network next year.**
   - Are your doctors in our network?
   - What about the hospitals or other providers you use?
   - Look in Section 1.3 for information about our Provider and Pharmacy Directory.

3. **Think about your overall health care costs.**
   - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
   - How much will you spend on your premium and deductibles?
   - How do your total plan costs compare to other Medicare coverage options?

4. **Think about whether you are happy with our plan.**
2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area.
  - Click “Find health & drug plans.”
  - Review the list in the back of your Medicare & You handbook.
  - Look in Section 3.2 to learn more about your choices.

- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

3. CHOOSE: Decide whether you want to change your plan

- If you want to keep Cigna-HealthSpring TotalCare (HMO SNP), you don’t need to do anything. You will stay in Cigna-HealthSpring TotalCare (HMO SNP).
- If you want to change to a different plan that may better meet your needs, you can switch plans at any time. Your new coverage will begin on the first day of the following month. Look in Section 3.2, page 12 to learn more about your choices.

Section 1.2  Changes to Your Maximum Out-of-Pocket Amount

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

<table>

</tbody>
</table>

Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum.

If you are eligible for Texas Health and Human Services Commission (Medicaid) assistance with Part A and Part B copays, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.

Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.

Once you have paid $0 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

Section 1.3  Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider and Pharmacy Directory is located on our website at www.cignahealthspring.com. You may also call Customer Service for updated provider information or to ask us to mail you a Provider and Pharmacy Directory. Please review the 2018 Provider and Pharmacy Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
● If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.

● If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

● If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

**Section 1.4 Changes to the Pharmacy Network**

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated *Provider and Pharmacy Directory* is located on our website at www.cignahealthspring.com. You may also call Customer Service for updated provider information or to ask us to mail you a *Provider and Pharmacy Directory*. **Please review the 2018 Provider and Pharmacy Directory to see which pharmacies are in our network.**

**Section 1.5 Changes to Benefits and Costs for Medical Services**

Please note that the *Annual Notice of Changes* only tells you about changes to your Medicare benefits and costs.

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, *Benefits Chart (what is covered and what you pay)*, in your 2018 *Evidence of Coverage*. A copy of the *Evidence of Coverage* was included in this envelope.

## Section 1.6 Changes to Part D Prescription Drug Coverage

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is in this envelope. The Drug List we included in this envelope includes many — but not all — of the drugs that we will cover next year. If you don’t see your drug on this list, it might still be covered. You can get the complete Drug List by calling Customer Service (see the back cover) or visiting our website (www.cignahealthspring.com).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. We encourage current members to ask for an exception before next year.
  - To learn what you must do to ask for an exception, see Chapter 9 of your Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)) or call Customer Service.

- **Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a one-time, temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the Evidence of Coverage.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you have received a formulary exception to a medication this year the formulary exception request is approved through the date indicated in the approval letter. A new formulary exception request is only needed if the date indicated on the letter has passed.
Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs ("Extra Help"), the information about costs for Part D prescription drugs may not apply to you. We sent you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug costs. Because you receive "Extra Help" and didn’t receive this insert with this packet, please call Customer Service and ask for the "LIS Rider." Phone numbers for Customer Service are in Section 7.1 of this booklet.

There are four "drug payment stages." How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your Evidence of Coverage for more information about the stages.)

The information below shows the changes for next year to the first two stages — the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages — the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look in your Summary of Benefits or at Chapter 6, Sections 6 and 7, in the Evidence of Coverage.)

Changes to the Coverage Gap and Catastrophic Coverage Stages

For information about your costs in these stages, look at your Summary of Benefits or at Chapter 6, Sections 6 and 7, in your Evidence of Coverage.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 If you want to stay in our plan

**To stay in our plan you don’t need to do anything.** If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2018.

Section 3.2 If you want to change plans

We hope to keep you as a member next year but if you want to change for 2018 follow these steps:

**Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan at any time,
- OR — You can change to Original Medicare at any time.

Your new coverage will begin on the first day of the following month. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2018*, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to https://www.medicare.gov and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Cigna-HealthSpring offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

**Step 2: Change your coverage**

- To change **to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from our plan.
- To change **to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from our plan.
- To change **to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
  - OR — Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

SECTION 4 Deadline for Changing Plans

Because you are eligible for both Medicare and Medicaid you can change your Medicare coverage at any time. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.
SECTION 5 Programs That Offer Free Counseling about Medicare and Texas Health and Human Services Commission (Medicaid)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Texas, the SHIP is called Health Information Counseling & Advocacy Program of Texas (HICAP).

Health Information Counseling & Advocacy Program of Texas (HICAP) is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. Health Information Counseling & Advocacy Program of Texas (HICAP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Health Information Counseling & Advocacy Program of Texas (HICAP) at 1-800-252-3439.

For questions about your Texas Health and Human Services Commission (Medicaid) benefits, contact Texas Health and Human Services Commission (Medicaid) at 1-512-424-6500 or 1-800-252-8263. TTY users should call 1-800-735-2989. Hours are Mon. – Fri. 7:30 a.m. – 5:30 p.m. Ask how joining another plan or returning to Original Medicare affects how you get your Texas Health and Human Services Commission (Medicaid) coverage.

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles, and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
  - Your State Medicaid Office (applications).

- **Help from your state’s pharmaceutical assistance program.** Texas has a program called Kidney Health Care Program that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 5 of this booklet).

- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Texas HIV Medication Program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the Texas HIV Medication Program at 1-800-255-1090.
