SECTION 1 Changes to Benefits and Costs for Next Year**Section 1.1 Changes to the Monthly Premium**

Cost	2017 (this year)	2018 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$49.10	\$58.30

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more, if you enroll in Medicare prescription drug coverage in the future.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs.

Section 1.2 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost-sharing, which may offer you lower cost-sharing than the standard cost-sharing offered by other network pharmacies for some drugs.

There are changes to our network of pharmacies for next year. An updated *Pharmacy Directory* is located on our website at www.cigna.com/part-d. You may also call Customer Service for updated provider information or to ask us to mail you a *Pharmacy Directory*. **Please review the 2018 Pharmacy Directory to see which pharmacies are in our network.**

Section 1.3 Changes to Part D Prescription Drug Coverage**Changes to Our Drug List**

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is in this envelope. The Drug List we included in this envelope includes many — *but not all* — of the drugs that we will cover next year. If you don’t see your drug on this list, it might still be covered. **You can get the complete Drug List** by calling Customer Service (see the back cover) or visiting our website (www.cigna.com/part-d).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. **We encourage current members** to ask for an exception before next year.
 - To learn what you must do to ask for an exception, see Chapter 7 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Customer Service.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 3, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you have received a formulary exception to a medication this year the formulary exception request is approved through the date indicated in the approval letter. A new formulary exception request is only needed if the date indicated on the letter has passed.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert with this packet, please call Customer Service and ask for the “LIS Rider.” Phone numbers for Customer Service are in Section 7.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 4, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages — the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages — the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in the enclosed *Evidence of Coverage*.)

Changes to the Deductible Stage

Stage	2017 (this year)	2018 (next year)
Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your Part D drugs until you have reached the yearly deductible.	The deductible is \$400.	The deductible is \$405.

For information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 3 Deciding Which Plan to Choose**Section 3.1 If You Want to Stay in Cigna-HealthSpring Rx Secure (PDP)**

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan by December 7, you will automatically stay enrolled as a member of our plan for 2018.

Section 3.2 If You Want to Change Plans

We hope to keep you as a member next year but if you want to change for 2018 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare prescription drug plan,
- — *OR* — You can change to a Medicare health plan. Some Medicare health plans also include Part D prescription drug coverage,
- — *OR* — You can keep your current Medicare health coverage and drop your Medicare prescription drug coverage.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2018*, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click "Find health & drug plans." **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, Cigna-HealthSpring offers other Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change **to a different Medicare prescription drug plan**, enroll in the new plan. You will automatically be disenrolled from Cigna-HealthSpring Rx Secure (PDP).

- To **change to a Medicare health plan**, enroll in the new plan. Depending on which type of plan you choose, you may automatically be disenrolled from Cigna-HealthSpring Rx Secure (PDP).
 - You will automatically be disenrolled from Cigna-HealthSpring Rx Secure (PDP) if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
 - If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep Cigna-HealthSpring Rx Secure (PDP) for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from Cigna-HealthSpring Rx Secure (PDP). If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from Cigna-HealthSpring Rx Secure (PDP). To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY users should call 1-877-486-2048).

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area are allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.
