Important note: Expedited decisions

If you or your prescriber believe that waiting seven days for a standard decision could seriously harm your life, health or ability to regain maximum function, you can ask for an expedited (fast) decision. If your prescriber indicates that waiting seven days could seriously harm your health, we will automatically give you a decision within 72 hours. If you do not obtain your prescriber's support for an expedited appeal, we will decide if your case requires a fast decision. You cannot request an expedited appeal if you are asking us to pay you back for a drug you already received.
