

MEMORANDUM

TO: Cigna-HealthSpring Providers

FROM: Network Operations

RE: Disaster and Emergency Access to Providers, Services and Medication

Date: August 28, 2019

This memo serves to inform our **Florida** Cigna-HealthSpring providers that due to the state of **FL** declaring a state of emergency in response to **Hurricane Dorian**, our normal requirements are lifted for at least 30 days.

Impacted Counties: Lake, Miami-Dade, Orange, Osceola, and Seminole, Bay, Escambia, Okaloosa, Santa Rosa, Walton, and Polk.

Since this will impact customers in the state of **FL**, as of **August 28, 2019**:

- Authorizations and referrals are waived in full and are not required for customers in the affected counties for Medicare covered benefits and are still subject to plan limitations.
- The declaration will remain effective until further notice. If we do not receive further notification, it will end on **9/27/2019**.
- Cigna-HealthSpring will temporarily reduce plan-approved out-of-network cost-sharing to in-network cost-sharing amounts;
- Waive the 30-day notification requirement to enrollees as long as all the changes (such as reduction of cost-sharing and waiving authorization) benefit the enrollee;
- Allow Part A and Part B and supplemental Part C plan benefits to be furnished at specified non-contracted facilities (note that Part A and Part B benefits must, per 42 CFR § 422.204(b)(3), be furnished at Medicare certified facilities).
 - A physician practicing in an affected county, but treating a MAPD patient who is visiting from an unaffected county/state and unable to leave the area will not require a referral or authorization.
 - A physician practicing in an unaffected county/state, but treating an evacuated MAPD patient who resides in an affected county will not require a referral or authorization.

If you have any questions regarding the requirements, please contact the Provider Customer Service Center at 800-230-6138 for assistance.
