Today’s go-go-go world can lead to emotional health challenges. Employees may not be getting the help they need for a variety of reasons – it’s hard to know where to look, it’s hard to find the time or they may be concerned about what others will think. At Cigna, we understand that physical and mental health are connected. That’s why Cigna includes comprehensive coverage for mental health care and resources for emotional well-being in all of our standard plans.

Employees need support now more than ever
› One in five adults in the United States experiences mental illness in a given year.¹
› 80% of those with depression report having difficulty with work, home or social activities.¹
› Suicide is now one of the three leading causes of death among those aged 15 to 44.²

Network of behavioral health care providers and therapists
› Clinically complete national network of clinicians – counselors, psychiatrists and psychologists.
› 300+ substance use Centers of Excellence locations.³
› Virtual counseling sessions available with over 14,000 clinicians nationwide.⁴
› No prior authorizations for routine counseling.
› Specialty programs provide support for autism, eating disorders, substance use and more.
› Live chat on myCigna.com.
