Make the most of your plan with these perks.

The Cigna Dental Preventive plan gives you the benefits and convenience you’re looking for. You’ll also get access to Healthy Rewards®, which offers exclusive discounts on health and wellness programs and services.³

Enjoy discounts on all plan-covered dental services when you see an in-network dentist, plus:

- Access to thousands of dentists and specialists at convenient nationwide locations
- Coverage for around \$1/day⁷
- One-stop plan access and help choosing the right dentist with the Brighter Score® feature⁴ on myCigna.com⁵ or the [myCigna® App](#)⁶
- 24/7/365 customer service

1. Not all preventive services are covered. Frequency limitations apply. For more information, review plan documents.

2. You may pay more for out-of-network charges if the dentist’s charges exceed the amount Cigna Healthcare reimburses for billed services. Refer to the plan documents for more details.

3. **Healthy Rewards programs are NOT insurance.** Rather, these programs give a discount on the cost of certain goods and services. The customer must pay the entire discounted cost. Some Healthy Rewards programs are not available in all states, and programs may be discontinued at any time. Participating providers are solely responsible for their goods and services.

4. Brighter features may vary by dentist. These and other dentist directory features are for educational purposes only and should not be the sole basis for decision-making. They are not a guarantee of the quality of care that will be provided to individual patients, and you should consider all relevant factors when selecting a dentist.

5. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com

6. The downloading and use of the myCigna mobile app is subject to the terms and conditions of the app and the online store from which it is downloaded. Standard mobile phone carrier and data usage charges apply

7. Sample daily rate is based on a single person and represents the Cigna Healthcare national average rate for all plans (all ages and geographic locations) and reflects rates valid as of December 2024. Subject to change.
