| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall deductible?   | \$8,500 person/ \$17,000 family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?                 | Yes. Preventive care and other services indicated in the chart starting on page 2.  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount, but a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                     |
| Are there other deductibles for specific services?                          | No.   | You don't have to meet deductibles for specific services.   |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | \$10,600 person/ \$21,200 family  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                            | Premiums, balance-billing charges (unless balanced billing is prohibited), penalties for failure to obtain preauthorization for services and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network</u> <u>provider</u> ?             | Yes. See <a href="www.cigna.com/ifp-providers">www.cigna.com/ifp-providers</a> or call 1-866-494-2111 for a list of <a href="network">network</a> providers.                      | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |

| Important Questions  | Answers | Why This Matters:   |
