

# IDOI Provider Roster Update Form

*Illinois Provider Directory Submission Form*

## Instructions

### Purpose

This form is used to submit provider demographic changes for individual health care professionals who are part of a medical group, facility, or hospital for provider data/demographic changes relating to:

- New provider onboarding information
- Updates to previously submitted provider directory information
- Corrections to inaccurate directory listings
- Notification of contract terminations
- Plan-specific participation details (e.g., network participation status and whether the provider is accepting new patients)

### Submission Instructions

This form is based on the Illinois Department of Insurance Uniform Directory Template and is used to submit provider demographic updates as required by state regulation. All fields and terminology reflect the IL-mandated template and must be completed as instructed.

- Complete all required fields marked with an asterisk (\*). Fields marked “(if applicable)” should be completed when relevant.
- Attach additional pages if submitting multiple providers
- For practitioner and group changes, please email completed form(s) to:
  - Medical: [Intake\\_PDM@Evernorth.com](mailto:Intake_PDM@Evernorth.com)
  - Behavioral: [BehavioralPDM@Evernorth.com](mailto:BehavioralPDM@Evernorth.com)
- Per Illinois requirements, no paper or fax submissions can be accepted
- Include any required supporting documentation

### Provider Directory Information: Use and Requirements

We use your demographic information to:

- Publish an online provider directory
- Send communications to providers
- Process claims
- Assign a primary care provider for customers with benefit plans that require one to be selected and the customer has not done so
- Comply with state laws requiring accurate directory listings
- Determine network adequacy

In accordance with Illinois requirements, providers must notify Cigna electronically or in writing:

- Within 10 business days of any changes to the information listed in the provider directory
- Within 20 business days of deciding to cease accepting new patients covered by the plan if the new patient limitation is expected to last 40 business days or longer
