Introduction

About This Policy

Your dental coverage is provided under a Policy issued by Cigna Health and Life Insurance Company ("Cigna") This Policy is a legal contract between You and Us.

Under this Policy, "We", "Us", and "Our" mean Cigna. "You" or "Your" refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term "Insured Person" in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Dentally Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Dentist prescribes or orders a service does not, in itself, mean that the service is Dentally Necessary or that the service is a Covered Service. Consult this Policy or phone Us at the number shown on myCigna.com if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as "Dentally Necessary" and "Covered Service") that are defined in the section entitled "Definitions". Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member(s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

Choice of Dentist: Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Dentist of their choice. You may pay more for Covered Services, however, if the Insured Person receives them from a Dentist that is a Non-Participating Provider.

Important Information Regarding Benefits

IMPORTANT NOTICE

Your health plan provides that you will not be held financially liable for payments to health care providers for any sums, other than required copayments, coinsurance or deductibles, owed for covered expenses, if Cigna fails to pay for the covered expenses for any reason.

If You or Your dependent(s) are in need of emergency care, whether or not you use a participating provider in the network, Your covered expenses will be reimbursed to you as if You or Your dependent(s) had been treated by a preferred provider.

Subsequent changes in Your coverage shall be evidenced in a separate benefit rider issued to You or Your dependent(s).

Notice Regarding Provider Directories and Provider Networks

If Your Plan utilizes a network of Providers, you will automatically and without charge, receive a separate listing of Participating Providers.

You may also have access to a list of Providers who participate in the network by visiting www.cigna.com; mycigna.com.

Your Participating Provider network consists of a group of local dental practitioners, of varied specialties as well as general practice, who are employed by or contracted with Cigna HealthCare or Cigna Dental Health.

Notice Regarding Standard of Care

Under state law, Cigna is required to adhere to the accepted standards of care in the administration of health benefits. Failure to adhere to the accepted standards of care may subject Cigna to liability for damages.

PLEASE READ THE FOLLOWING IMPORTANT NOTICE: WHILE THIS DENTAL PLAN OFFERS A FULL RANGE OF DENTAL BENEFITS, IT IS NOT BEING OFFERED AS AN ESSENTIAL HEALTH BENEFIT PEDIATRIC ORAL CARE PLAN INTENDED TO SATISFY THE REQUIREMENTS UNDER THE AFFORDABLE CARE ACT.

How to File a Claim for Benefits

Notice of Claim: Written notice of claim must be given within 60 days after a covered loss starts or as soon as reasonably possible. The notice can be given to Us at the address shown on the first page of this Policy or by accessing myCigna.com. Notice should include the name of the Insured, and claimant if other than the Insured, and the Policy identification number.

Unpaid Premiums: At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

Claim Forms: When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section. Claim forms can be found by accessing myCigna.com or by calling Member Services.

Proof of Loss: You must give Us written proof of loss within 90 days after the date of the loss. Proof of loss is a claim form or letter as described above. Canceled checks or receipts are not acceptable. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonable possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Assignment of Claim Payments:

We will recognize any assignment made under the Policy, if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made by a Provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment.

Payment for services provided by a Participating Provider is automatically assigned to the Provider unless the Participating Provider indicates that the Insured Person has paid the claim in full. The Participating Provider is responsible for filing the claim and We will make payments to the Provider for any benefits payable under this Policy. Payment for services provided by a Non-Participating Provider are payable to the Insured Person unless assignment is made as above. If payment is made to the Insured Person for services provided by a Non-Participating Provider, the Insured Person is responsible for paying the Non-Participating Provider and Our payment to the Insured Person will be considered fulfillment of Our obligation.

Time Payment of Claims: Benefits will be paid immediately upon receipt of due written proof of loss.

Payment of Claims: Benefits will be paid directly to Participating Providers unless You instruct Us to do otherwise prior to Our payment. Any benefits due You which are unpaid at Your death will be paid to Your estate. Cigna is entitled to receive from any Provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every Provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed. Payments of benefits under this Plan neither regulate the amounts charged by Providers of dental care nor attempt to evaluate those services. However, the amount of benefits payable under this Plan will be different for Non-Participating Providers than for Participating Providers.

Physical Examination: Cigna, at its own expense, shall have the right and the opportunity to examine any Insured Person for whom a claim is made, when and so often as We may reasonably require during the pendency of a claim under this Policy.

Who Is Eligible For Coverage

Conditions Of Eligibility

This Policy is for residents of the state of Washington. The Insured must notify Us of all changes that may affect any Insured Person's eligibility under this Policy.

You are eligible for coverage under this Policy when You have submitted a completed and signed application for coverage and have been accepted in writing by Us. Other Insured Persons may include the following Family Member(s):

- Your lawful spouse or domestic partner.
- Your children who have not yet reached age 26.
- Your stepchildren who have not yet reached age 26.
- Your own, or Your spouse's or domestic partner's children, regardless of age, enrolled prior to age 26, who are incapable of self support due to continuing developmental disability or physical handicap and are chiefly dependent upon You for support and maintenance. Cigna may require written proof of such disability and dependency within 31 days after the child's 26th birthday. Cigna may require written proof of such disability or dependency periodically thereafter, but not more frequently than annually after the two year period following the child's attainment of the limiting age.
- Your own, or Your spouse's or domestic partner's Newborn children are automatically covered from the moment of birth, with coverage including, but not limited to, coverage for congenital anomalies of such infant children from the moment of birth. If payment of additional premium is required for coverage, You must notify Cigna within 60 days of the Newborn's date of birth that You wish to have the Newborn added as an Insured Family Member, and pay the additional premium required.
- An adopted child is automatically covered from the date of adoptive or parental placement with You for the purpose of adoption. If payment of additional premium is required for coverage, You must enroll the child as an Insured Family Member by notifying Cigna within 60 days of the date the child was placed with You for the purpose of adoption and paying the additional premium.
- If a court has ordered an Insured to provide coverage for an eligible child (as defined above) coverage will be automatic for the first 31 days following the date on which the court order is issued. To continue coverage, You or the child's other parent or the state agency responsible for enforcement must enroll the child as an Insured Family Member by notifying Cigna in writing within 31 days after the date of the court order and paying any additional premium. Cigna will not deny enrollment of the child on the grounds that the child was born out of wedlock, the child is not claimed as a dependent on Your federal tax return; or the child does not reside with You or in the plan's service area. Cigna will provide to the custodial parent all information necessary for a child to become enrolled. Claims will be accepted from the custodial parent, the provider or the state agency without approval of the non-custodial parent and payment will be made to the person submitting the claim. Coverage cannot be terminated until Cigna receives satisfactory written evidence that the court order is no longer in effect or the child is enrolled in another plan with comparable coverage that takes effect not later than the effective date of disenrollment.

Specific Causes for Ineligibility

An individual **will not be entitled to enroll** as an Insured Person if:

- The individual was previously enrolled under a plan offered or administered by Cigna, any direct or indirect affiliate of Cigna, and his or her enrollment was terminated for cause; or
- The individual has unpaid financial obligations to Cigna or any direct or indirect affiliate of Cigna; or
- The individual was previously enrolled under a plan offered or administered by Cigna and his enrollment was subsequently declared null and void for misrepresentations or omitted information or health history; or

- The individual was previously enrolled under this Policy or another Cigna Individual Dental Policy and terminated his or her enrollment. The individual will be allowed to reenroll 12 months from the effective date of termination.

Except as described in the Continuation section, an Insured Person **will become ineligible for coverage** under the Policy:

- When premiums are not paid according to the due dates and grace periods described in the premium section.
- With respect to Your spouse or domestic partner or partner to a civil union: when the spouse is no longer married to the Insured or when the union is dissolved.
- With respect to You and Your Family Member (s): when you no longer meet the requirements listed in the Conditions of Eligibility section;
- The date the Policy terminates.
- When the Insured no longer lives in the Service Area.

Remember, it is Your responsibility to notify Cigna immediately of any changes affecting You or any of Your Insured Family Member(s) eligibility for benefits under this Policy.

Continuation

If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

Waiting Periods

An Insured Person may access their dental benefit insurance once he or she has satisfied the following waiting periods.

- there is no waiting period for Class I services.

Covered Dental Expense: What The Policy Pays For

The benefits described in the following sections are provided for Covered Expenses incurred while covered under this Policy. An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Policy, some of which may limit benefits or result in benefits not being payable.

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

Dental PPO – Participating and Non-Participating Providers

Plan pays Cigna DPPO Advantage Participating Providers for Covered Services based on the Contracted Fee that is agreed to by the provider and Cigna. Based on the provider's Contracted Fee, a higher level of plan payment may be made to a Participating Provider resulting in a lower payment responsibility for you. Refer to your provider directory for a list of participating providers. Provider information is subject to change; refer to your provider directory prior to receiving a service. You can access a list of all providers who participate in the Cigna DPPO Advantage network by visiting www.mycigna.com.

Plan payment for a Covered Service delivered by a Cigna DPPO Advantage Participating Provider is the Contracted Fee for that procedure, times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is responsible for the balance of the Contracted Fee.

Plan pays Cigna DPPO Advantage Participating Providers for Covered Services based on the lesser of the Contracted Fee or the Maximum Allowable Charge. The Maximum Allowable Charge is the fee for the Covered Service as listed on the Primary Schedule aligned to the 3-digit zip code for the geographical area where the service is performed, multiplied by the benefit percentage that applies to the class of service, as specified in the Schedule. The Primary Schedule is usually the fee schedule with the lowest Contracted Fees available for acceptance by a Participating Provider in the relevant 3-digit zip code.

The covered person is responsible for the Cigna DPPO Advantage Participating Provider Contracted Fee minus what the plan pays.

Plans pays non-Participating Providers for Covered Services based on the lesser of the non-Participating Provider's actual charge or the Maximum Allowable Charge. The Maximum Allowable Charge is the fee for the Covered Service as listed on the Primary Schedule aligned to the 3-digit zip code for the geographical area where the service is performed, times the benefit percentage that applies to the class of service, as specified in the Schedule. The Primary Schedule is usually the fee schedule with the lowest Contracted Fees available for acceptance by a Participating Provider in the relevant 3-digit zip code.

The covered person is responsible for the non-Participating Provider's actual charge minus what the plan pays. Insurance coverage is only for the class of service referred to in The Schedule, however the covered person is also eligible for discounts for other selected services. Discounts for these select services are not insurance. The covered person will receive discounts from Cigna's contracted health care professionals for these services. Discounts are based on Cigna Dental contracted rates. Please visit our website at mycigna.com for details about this plan.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing Your concerns and solving Your problems.

You can also express that concern in writing. Please call or write to us at the following:

A "Grievance" is a written or an oral complaint submitted by or on behalf of an insured person regarding: (a) denial of health care services or payment for health care services; or (b) issues other than health care services or payment for health care services including, dissatisfaction with health care services, delays in obtaining health care services, conflicts with carrier staff or providers, and dissatisfaction with carrier practices or actions unrelated to health care services.

We will do our best to resolve the matter on your initial contact.

If You are not satisfied with the results of a coverage decision, You can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions involving Adverse Determinations and Noncertification. An Adverse Determination or Noncertification coverage decision is a decision by Cigna to deny, modify, reduce, or terminate payment, coverage, authorization, or provision of health care services or benefits including the admission to or continued stay in a facility.

To initiate an appeal, You must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why You feel Your appeal should be approved and include any information supporting Your appeal. If You are unable to or choose not to write, You may ask to register Your appeal by telephone. Call or write to us at the toll-free number or address on Your explanation of benefits or claim form. We will acknowledge in writing that we have received Your request.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, we will respond in writing with a decision within 14 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination (decision). We will respond within 14 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify You in writing, in this case, the decision will be made within 30 days. For appeals based on experimental treatment exclusions, the decision will be made within 20 working days of receipt of the fully documented appeal. Any extension beyond 20 working days will require Your informed written consent.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize Your life, health or ability to regain maximum function or in the opinion of Your Physician would cause You severe pain which cannot be managed without the requested services; or (b) Your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. Your treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

Level Two Appeal

If You are dissatisfied with our level one appeal decision, You may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Physician or Dentist reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician or Dentist reviewer. You may present Your situation to the Committee in person or by conference call.

For level two appeals we will acknowledge in writing that we have received Your request and schedule a Committee review. For required preservice and concurrent care coverage determinations, the Committee review will be completed within 14 calendar days. For postservice claims, the Committee review will be completed within 14 calendar days. We may request additional information if needed by the Committee to complete the review. If more time or information is needed to make the determination, we will notify You in writing.

Any extension will not delay the decision beyond 30 days without Your informed written consent. In the case of appeals based on experimental treatment exclusions, Your informed written consent is needed for any extension beyond 20 working days of receipt of the fully documented appeal. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize Your life, health or ability to regain maximum function or in the opinion of Your Physician would cause you severe pain which cannot be managed without the requested services; or (b) Your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. Your treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

Independent Review Procedure

If You are not fully satisfied with the decision of Cigna's level two appeal review regarding Your issue or if Cigna has exceeded the timelines without good cause and without reaching a decision, You may request that Your appeal be referred to an Independent Review Organization. You may also request that Your appeal be referred to an Independent Review Organization if Cigna does not handle Your Level One or Level Two Appeal within the timeframe described for the Level One or Level Two Appeal. The Independent Review Organization is composed of persons who are not employed by Cigna or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for You to initiate this independent review process. Cigna will abide by the decision of the Independent Review Organization.

To request a review, You must notify the Appeals Coordinator within 180 days of Your receipt of Cigna's level two appeal review denial. Cigna will then forward the file to the Independent Review Organization.

The Independent Review Organization will render an opinion within 30 days. When requested and when a delay would be detrimental to Your condition, as determined by your Physician or Dentist the review shall be completed within three days.

The Independent Review Program is a voluntary program arranged by Cigna.

Binding Arbitration

To the extent permitted by law, any controversy between Cigna and an insured (including any legal representative acting on Your behalf), arising out of or in connection with this Policy may be submitted to binding arbitration upon written notice by one party to another. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Health Lawyers Association, to the extent that such provisions are not inconsistent with the provisions of this section.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30-day period and the two arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to practice law in the applicable state. If either party refuses or otherwise fails to choose an arbitrator within such 15-working-day-period, the arbitrator chosen shall choose a third arbitrator in accordance with these requirements.

The arbitration hearing shall be held within 30 days following appointment of the third arbitrator, unless otherwise agreed to by the parties. If either party refuses to or otherwise fails to participate in such arbitration hearing, such hearing shall proceed and shall be fully effective in accordance with this section, notwithstanding the absence of such party.

The arbitrator(s) shall render his (their) decision within 30 days after the termination of the arbitration hearing. To the extent permitted by law, the decision of the arbitrator, or the decision of any two arbitrators if there are three arbitrators, shall be binding upon both parties conclusive of the controversy in question, and enforceable in any court of competent jurisdiction.

No party to this Policy shall have a right to cease performance of services or otherwise refuse to carry out its obligations under this Policy pending the outcome of arbitration in accordance with this section, except as otherwise specifically provided under this Policy.

Terms of the Policy

Time Limit on Certain Defenses: After two years from the date coverage is effective under this Policy no misstatements, made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such two Year period.

Grace Period: There is a grace period of 31 days for the receipt at our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 45 days prior to any premium due date that We do not intend to renew this Policy, including the reason for nonrenewal, or the Insured Person notifies Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

We will only modify this Policy for all Insured Persons in the same class and covered under the same Policy form, and not just on an individual basis. We will send written notice and the change will become effective on the date shown in the notice or on the next scheduled premium due date thereafter. Payment of the premiums will indicate acceptance of the change.

Reinstatement: If this Policy cancels because You did not pay Your premium within the time granted You for payment, and if We, or an agent We have authorized to accept premium, then accepts a late premium payment from You without asking for an application for reinstatement, We will reinstate this Policy. However, if We require an application for reinstatement and give You a conditional receipt for Your late premium payment, We will only reinstate this Policy if either We approve Your reinstatement application, or lacking such approval, upon the forty-fifth day following the date on Our conditional receipt if We have not by that date notified You in writing of Our disapproval of Your application.

If this Policy is reinstated, benefits will be provided only for an Accidental Injury that occurs after the date of reinstatement, or for an Illness that begins more than 10 days after the date of reinstatement. Otherwise, You and Cigna shall have the same rights as existed under the Policy immediately before the due date of the defaulted premium, subject to any amendments or endorsements attached to the reinstated Policy.

Conformity With State and Federal Statutes: If any provision of this Policy which, on its Effective Date, is in conflict with the statutes of the state in which it was issued or a federal statute, it is amended to conform to the minimum requirements of those statutes.

Provision in Event of Partial Invalidity: if any provision or any word, term, clause, or part of any provision of this Policy shall be invalid for any reason, the same shall be ineffective, but the remainder of this Policy and of the provision shall not be affected and shall remain in full force and effect.

- In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is incurred. Under this Policy, an expense is incurred on the date the Insured Person(s) receives a service or supply for which the charge is made.
- We will pay all benefits of this Agreement directly to Participating Providers, whether the Insured Person has Authorized assignment of benefits or not, unless the Insured Person has paid the claim in full, in which case we will reimburse the Insured Person. In addition, We may pay any covered provider of services directly when the Insured Person assigns benefits in writing no later than the time of filing proof of loss (claim), except for Foreign Country Provider claims. If We receive a claim from a Foreign Country Provider for Emergency Services, any eligible payment will be sent to the Insured Person. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill our obligation to the Insured Person for those services.
- Any payment of benefits in reimbursement for Covered Expenses paid by an eligible child, or the eligible child's custodial parent or legal guardian, will be made to the eligible child, the eligible child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the eligible child.

- Cigna will provide written notice to You within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any provider contract, if Cigna determines that You or Your Insured Family Member(s) may be materially and adversely affected.
- We will provide the Insured Person with an updated list of local Participating Providers when requested. If the Insured Person would like a more extensive directory, or need a new provider listing for any other reason, please call Cigna at the number on myCigna.com and We will provide the Insured Person with one, or visit our Web site, www.cigna.com.
- If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect. However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.
- Failure by Cigna to enforce or require compliance with any provision herein will not waive, modify or render such provision unenforceable at any other time, whether the circumstances are or are not the same.
- If Insured Person(s) were covered by a prior Individual Cigna Policy that is replaced by this Policy with no lapse of coverage:
 - Any waiting period of this Policy will be reduced by the period the Insured Person was covered under the prior Policy, providing the condition, illness or service was covered under that prior Policy.
 - If a Waiver was applied to the prior Policy, it will also apply to this Policy.
 - Benefits used under the prior Policy will be charged against the benefits payable under this Policy.

Premiums:

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals who pay monthly. If You pay quarterly, the quarterly premium amount due is 3 times the monthly premium.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

There is a grace period of 31 days for the receipt of monthly premium policies and 31 days for the receipt of all other premium policies at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s)
- b. A change in age of any member which results in a higher premium
- c. A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium on 30 days' prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.
