## Cigna pays simple and reliable medical and dental commissions, on-time and twice per month.<sup>2</sup>

Cigna pays the same commission amounts on medical OEP and SEP sales so you can build your portfolio year-round. Plus, with Cigna Dental, you'll be compensated based on a percentage of the entire premium. And, with a 15% family premium discount, you can sell Cigna Dental to eligible dependents.<sup>3</sup>

1. Based on internal data for 2021. Final premium amount is after any applicable subsidy, based on household size and income, from the federal government is applied.

2. Commission payment releases subject to minimum threshold. EFT payment will release with \$5 or more, and mailed paper checks will release with \$300 or more.

3. For each subsequent customer added to a primary policy, a 15% discount is applied to the standard rate. Discount is automatically applied in the quote tool.

Together, all the way.®

## See why clients want Cigna medical plans.

Cigna helps your clients make better decisions about their health. Guiding them with personalized support to get the care and coverage they need at a price they can afford.

### Providing your clients clarity and confidence about their health care choices.
