Introduction

About This Policy

Your dental coverage is provided under a Policy issued by Cigna Health and Life Insurance Company (“Cigna”). This Policy is a legal contract between You and Us.

Under this Policy, “We”, “Us”, and “Our” mean Cigna. “You” or “Your” refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term “Insured Person” in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Dentally Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Dentist prescribes or orders a service does not, in itself, mean that the service is Dentally Necessary or that the service is a Covered Service. Consult this Policy or phone Us at the number shown on myCigna.com if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as “Dentally Necessary” and “Covered Service”) that are defined in the section entitled “Definitions”. Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member(s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

Choice of Dentist: Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Dentist of their choice. You may pay more for Covered Services, however, if the Insured Person receives them from a Dentist that is a Non-Participating Provider.

How to File a Claim for Benefits

Notice of Claim: Written notice of claim must be given within 60 days after a covered loss starts or as soon as reasonably possible. The notice can be given to Us at the address shown on the first page of this Policy or by accessing myCigna.com. Notice should include the name of the Insured, and claimant if other than the Insured, and the Policy identification number.

Unpaid Premiums: At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

Claim Forms: When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section. Claim forms can be found by accessing myCigna.com or by calling Member Services.

Proof of Loss: You must give Us written proof of loss within 12 months after the date of the loss, except in absence of legal capacity. Proof of loss is a claim form or letter as described above. Canceled checks or receipts are not acceptable. Cigna will not be liable for benefits if it does not receive written proof of loss within this time period. Failure to submit proof within the timeline shown will not cancel or reduce any claim if You show that it was not reasonably possible to furnish such proof. Proof should be furnished as soon as reasonably possible, and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Assignment of Claim Payments:

We will recognize any assignment made under the Policy, if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made by a Provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment.

Payment for services provided by a Participating Provider is automatically assigned to the Provider unless the Participating Provider indicates that the Insured Person has paid the claim in full. The Participating Provider is responsible for filing the claim and We will make payments to the Provider for any benefits payable under this Policy. Payment for services provided by a Non-Participating Provider are payable to the Insured Person unless assignment is made as above. If payment is made to the Insured Person for services provided by a Non-Participating Provider, the Insured Person is responsible for paying the Non-Participating Provider and Our payment to the Insured Person will be considered fulfillment of Our obligation.

Time Payment of Claims: Benefits will be paid immediately upon receipt of due written proof of loss.

Payment of Claims: Benefits will be paid directly to Participating Providers unless You instruct Us to do otherwise prior to Our payment. Any benefits due You which are unpaid at Your death will be paid to Your estate. Cigna is entitled to receive from any Provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every Provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by Providers of dental care nor attempt to evaluate those services. However, the amount of benefits payable under this Plan will be different for Non-Participating Providers than for Participating Providers.

Physical Examination : Cigna, at its own expense, shall have the right and the opportunity to examine any Insured Person for whom a claim is made, when and so often as We may reasonably require during the pendency of a claim under this Policy.

Who Is Eligible For Coverage

Conditions of Eligibility

This Policy is for residents of the state of Michigan. The Insured must notify Us of all changes that may affect any Insured Person's eligibility under this Policy.

- Your own, or Your spouse's or domestic partner or Your partner to a civil union's children, regardless of age, enrolled prior to age 26, who are incapable of self support due to medically certified continuing mental or physical disability and are chiefly dependent upon the Insured for support and maintenance. Cigna requires written proof of such disability and dependency within 31 days after the child's 26th birthday. Periodically thereafter, but not more often than annually, Cigna may require written proof of such disability or dependency.
- Your own, or Your spouse's or domestic partner or Your partner to a civil union's Newborn children are automatically covered for the first 31 days of life. To continue coverage for a Newborn, You must notify Cigna within 31 days of the Newborn's date of birth that You wish to have the Newborn added as an Insured Family Member, and pay any additional premium required.
- An adopted child, including a child who is placed with you for adoption, is automatically covered for 31 days from the date of adoption or initiation of a suit of adoption. To continue coverage, You must enroll the child as an Insured Family Member by notifying Cigna in writing within 31 days after the date of the court order and paying any additional premium.

Specific Causes for Ineligibility

An individual **will not be entitled to enroll** as an Insured Person if:

Remember, it is Your responsibility to notify Cigna immediately of any changes affecting You or any of Your Insured Family Member(s) eligibility for benefits under this Policy.

Continuation

If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

For You and Your Dependents
The Schedule
If you select a Participating Provider, your cost will be less than if you select a Non-Participating Provider.
<p>Emergency Services The Benefit Percentage payable for Emergency Services charges made by a Non-Participating Provider is the same Benefit Percentage as for Participating Provider Charges. Dental Emergency services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.</p>
<p>Deductibles Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.</p>
<p>Participating Provider Payment Participating Provider services are paid based on the Contracted Fee agreed upon by the provider and CHLIC.</p>
<p>Non-Participating Provider Payment Non-Participating Provider services are paid based on the Contracted Fee.</p>
<p>Simultaneous Accumulation of Amounts Expenses incurred for either Participating or non-Participating Provider charges will be used to satisfy both the Participating and non-Participating Provider Deductibles shown in the Schedule.</p> <p>Benefits paid for Participating and non-Participating Provider services will be applied toward both the Participating and non-Participating Provider maximum shown in the Schedule.</p>

An Insured Person may access their dental benefit insurance once he or she has satisfied the following waiting periods:

- there is no waiting period for Class I services;
- after 6 consecutive months of coverage dental benefits will increase to include the list of Class II procedures;
- after 12 consecutive months of coverage dental benefits will increase to include the list of Class III procedures .

Covered Dental Expense: What The Policy Pays For

The benefits described in the following sections are provided for Covered Expenses incurred while covered under this Policy. An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Policy, some of which may limit benefits or result in benefits not being payable.

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision.

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

Dental PPO – Participating and Non-Participating Providers

Payment for a service delivered by a Participating Provider is the Contracted Fee, times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is responsible for the balance of the Contracted Fee.

Payment for a service delivered by a non-Participating Provider is the Contracted Fee for that procedure as listed on the Primary Schedule aligned to the 3-digit zip code for the geographical area where the service is performed, times the benefit percentage that applies to the class of service, as specified in the Schedule. The Primary Schedule is the fee schedule with the lowest Contracted Fees currently being accepted by a Participating Provider in the relevant 3-digit zip code.

The covered person is responsible for the balance of the provider's actual charge.

Third Party Liability

You agree to advise Us, in writing, within a reasonable time of Your claim against the third party and to take such action, provide such information and assistance, and execute such documents as We may reasonably require to facilitate enforcement of the claim. You also agree to take no action that may prejudice the rights or interests of Us under this Policy. Failure to provide notice of a claim or to cooperate with Us, or actions that prejudice our rights or interests, may be considered to be a material breach by Us and may subject You to legal action.

We may have a right to a lien, to the extent of benefits advanced, upon any recovery that You receive from the third party, the third party's insurer, or the third party's guarantor. Recovery may be by settlement, judgment or otherwise. The lien will be in the amount of benefits paid by Us under this Policy for the treatment of the Illness, disease, Injury or condition for which the third party is liable. We will be entitled to collect on our lien even if the amount recovered by or for the Insured Person (or his or her estate, parent or legal guardian) from or for the account of such third party as compensation for the Injury, Illness or condition is less than the actual loss suffered by the Insured Person.

Right of Reimbursement

If an Insured Person incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Insured Person may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

WHEN YOU HAVE A GRIEVANCE OR AN APPEAL

For the purposes of this section, any reference to "You," "Your" or "Yourself" also refers to a representative or Provider designated by You to act on Your behalf, unless otherwise noted.

We want You to be completely satisfied with the care You receive. That is why We have established a process for addressing Your concerns or grievances and solving Your problems.

Start with Member Services

We are here to listen and help. If You have a concern or grievance regarding a person, a service, the quality of care, or contractual benefits, You can call Our toll-free number and explain Your concern or grievance to one of Our Customer Service representatives. You can also express that concern or grievance in writing. Please call or write to Us at the following:

Customer Services Toll-Free Number or address on mycigna.com, explanation of benefits or claim form

We will do Our best to resolve the matter on Your initial contact. If We need more time to review or investigate Your concern or grievance, We will get back to You as soon as possible, but in any case within 30 days.

If You are not satisfied with the results of a coverage decision, You can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, You must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why You feel Your appeal should be approved and include any information supporting Your appeal. If You are unable or choose not to write, You may ask to register Your appeal by telephone. Call or write to Us at the toll-free number or address on Your Benefit Identification card, explanation of benefits or claim form.

Level One Appeal

Your appeal will be reviewed with a full investigation and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional. The health care professional will have knowledge of the medical condition, procedure or treatment indicated in the appeal; they are licensed in the same profession and have a similar specialty; they were not involved in any part of the initial investigation of the complaint or grievance and were not involved until now in the appeal; and do not have a direct business relationship with You or the initial Provider that recommended the procedure, treatment or service in the appeal.

For level one appeals, We will respond in writing with a decision of the investigation within 30 calendar days after We receive an appeal for a post-service coverage determination. If more time or information is needed to make the determination, We will notify You in writing to request an extension of up to 30 calendar days and to specify any additional information needed to complete the review.

If You are not satisfied with Our level-one appeal decision, You may request a level-two appeal.

Level Two Appeal

If You are dissatisfied with Our level one appeal decision, You may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration. You may present Your situation to the Committee in person or by conference call.

For level two appeals We will acknowledge in writing that We have received Your request and schedule a Committee review. For post-service claims, the Committee review will be completed within 30 calendar days. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

Expedited Appeal

An expedited appeal applies if a grievance is submitted and a Provider, orally or in writing, attests that the time frame for a grievance under a normal Level One Appeal would seriously jeopardize the life or health of the Covered Person or would jeopardize the Covered Person's ability to regain maximum function. A determination will be made by Us not later than 72 hours after receipt of an expedited appeal. Within 10 days after receipt of a determination, the Covered Person may request a determination of the matter by the director under an external appeal process. If the determination by Us is made orally, We shall provide a written confirmation of the determination to the Covered Person not later than 2 business days after the oral determination.

Notice of Benefit Determination on Appeal

Every notice of an appeal decision of the investigation will be provided in writing or electronically and, if an adverse determination, will include:

1. the specific reason or reasons for the denial decision;
2. reference to the specific Policy provisions on which the decision is based;
3. a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined;
4. upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding Your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a medical necessity, experimental treatment or other similar exclusion or limit.

All records related to the grievance will be maintained by Cigna Health and Life Insurance Company for a minimum of two years following the year the grievance was filed.

Relevant Information

Relevant Information is any document, record, or other information which was relied upon in making the benefit determination; was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit or the

claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

External Appeal Process

Once the appeals and grievance process has been exhausted, You have the right to request an external appeal review with DIFS within 127 days after receipt of our adverse decision or coverage denial with the Director of the Michigan Department of Insurance and Financial Services. The request for an external review must be in writing and should include all necessary information and documents pertaining to the adverse decision. Expedited request should be sent within 10 days of Your receipt of a final Adverse Determination. As part of the request for an external review, You must provide written consent authorizing the Director to obtain all necessary medical records from both Us and any health care Provider used for review purposes regarding the decision to deny, limit, reduce or terminate coverage. All medical records used in the external review process will be held in confidence.

DIFS will review the request and may forward the appeal to an independent review organization to assist in the final determination. DIFS can be contacted at:

Non-binding arbitration

To the extent permitted by law, any controversy between Cigna and an insured (including any legal representative acting on Your behalf), arising out of or in connection with this Policy may be submitted to non-binding arbitration upon written notice by one party to another. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Health Lawyers Association, to the extent that such provisions are not inconsistent with the provisions of this section.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30-day period and the two arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to practice law in the applicable state. If either party refuses or otherwise fails to choose an arbitrator within such 15-working-day-period, the arbitrator chosen shall choose a third arbitrator in accordance with these requirements.

The arbitration hearing shall be held within 30 days following appointment of the third arbitrator, unless otherwise agreed to by the parties. If either party refuses to or otherwise fails to participate in such arbitration hearing, such hearing shall proceed and shall be fully effective in accordance with this section, notwithstanding the absence of such party.

The arbitrator(s) shall render his (their) decision within 30 days after the termination of the arbitration hearing. The decision of the arbitrator, or the decision of any two arbitrators if there are three arbitrators, shall be non-binding upon both parties conclusive of the controversy in question, and enforceable in any court of competent jurisdiction.

No party to this Policy shall have a right to cease performance of services or otherwise refuse to carry out its obligations under this Policy pending the outcome of arbitration in accordance with this section, except as otherwise specifically provided under this Policy.

Terms of the Policy

Entire Contract; Changes: This Policy, including the specification page, endorsements, application, and the attached papers, if any, constitutes the entire contract of insurance. No change in this Policy shall be valid unless approved by an Officer of Cigna and attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

Time Limit on Certain Defenses: After three years from the date coverage is effective under this Policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such three Year period. A claim for a loss incurred or disability, as defined in the policy, beginning after 3 years from the date of issue of this policy will not be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss existed before the effective date of coverage of this policy.

Change of Beneficiary: Unless the insured makes an irrevocable designation of beneficiary, the insured has the right to change the beneficiary under this policy. Consent of a beneficiary is not required to surrender this policy, for the assignment of the policy, to change a beneficiary, or to make any other changes in the policy.

Physical Examination and Autopsy: The insurer at its own expense has the right and must be given the opportunity to examine the insured at reasonable times and as frequently as reasonably required during the pendency of a claim under this policy and to make an autopsy in case of death if not forbidden by law

Grace Period: There is a grace period of 31 days for the receipt at our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 30 days prior to any premium due date that We do not intend to renew this Policy, or the Insured Person notify Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

Cancellation: We may cancel this Policy upon written notice, not less than 5 days after delivery to the Insured Person, only in the event of any of the following:

1. You fail to pay Your premiums as they become due or by the end of the 31 day grace period.
2. On the first of the month following Our receipt of Your written notice to cancel.
3. When You become ineligible for this coverage.
4. If You have committed, or allowed someone else to commit, any fraud or deception in connection with this Policy or coverage.
5. When We cease to offer policies of this type to all individuals in Your class, Michigan law requires that we do the following: (1) provide written notice to each Insured Person of the discontinuation before the 90th day preceding the date of the discontinuation of the coverage; and (2) offer to each Insured Person on a guaranteed issue basis the option to purchase any other individual dental insurance coverage offered by Us at the time of discontinuation.
6. When We cease offering all dental plans in the individual market in Michigan in accordance with applicable law, We will notify You of the impending termination of Your coverage at least 180 days prior to Your cancellation.
7. When the Insured no longer lives in the Service Area.

Any cancellation shall be without prejudice for any claim for Covered Expense incurred before cancellation.

Modification of Coverage: We reserve the right to modify this policy, including Policy provisions, benefits and coverages, so long as such modification is consistent with state or federal law and effective on a uniform basis among all individuals with coverage under this same Policy form. We will only modify this Policy for all Insured Persons in the same class and covered under the same Policy form, and not just on an individual basis. We will

send written notice and the change will become effective on the date shown in the notice or on the next scheduled premium due date thereafter. Payment of the premiums will indicate acceptance of the change.

Reinstatement: If this Policy cancels because You did not pay Your premium within the time granted You for payment, and if We, or an agent We have authorized to accept premium, then accepts a late premium payment from You without asking for an application for reinstatement, We will reinstate this Policy. However, if We require an application for reinstatement and give You a conditional receipt for Your late premium payment, We will only reinstate this Policy if either We approve Your reinstatement application, or lacking such approval, upon the forty-fifth day following the date on Our conditional receipt if We have not by that date notified You in writing of Our disapproval of Your application.

If this Policy is reinstated, You and Cigna shall have the same rights as existed under the Policy immediately before the due date of the defaulted premium, subject to any amendments or endorsements attached to the reinstated Policy.

Any premiums accepted in connection with a reinstatement will be applied to a period for which You have not previously paid premium, but not to exceed sixty days prior to the date of reinstatement. There is a \$50 fee for reinstatement.

Fraud: If the Insured Person has committed, or allowed someone else to commit, any fraud or deception in connection with this Policy, then any and all coverage under this Policy shall be void and of no legal force or effect.

Misstatement of Age: In the event the age of any Insured Person has been misstated in the application for coverage, Cigna shall determine premium rates for that Insured Person according to the correct age and there shall be an equitable adjustment of premium rate made so that We will be paid the premium rate appropriate for the true age of the Insured Person.

Legal Actions: You cannot file a lawsuit before 60 days after We have been given written proof of loss. No action can be brought after 3 Years from the time that proof is required to be given.

Conformity With State and Federal Statutes: If any provision of this Policy which, on its Effective Date, is in conflict with the statutes of the state in which it was issued or a federal statute, it is amended to conform to the minimum requirements of those statutes.

Provision in Event of Partial Invalidity: if any provision or any word, term, clause, or part of any provision of this Policy shall be invalid for any reason, the same shall be ineffective, but the remainder of this Policy and of the provision shall not be affected and shall remain in full force and effect.

- The Insured Person(s) are the only persons entitled to receive benefits under this Policy. FRAUDULENT USE OF SUCH BENEFITS WILL RESULT IN CANCELLATION OF THIS POLICY AND APPROPRIATE LEGAL ACTION WILL BE TAKEN.
- The Effective Date of this Policy is printed on the Policy specification page.
- Cigna is not responsible for any claim for damages or injuries suffered by the Insured Person while receiving care from any Participating or Non-Participating Provider. Such facilities and providers act as Insured Person(s) contractors.
- Cigna will meet any Notice requirements by mailing the Notice to the Insured Person at the billing address listed in our records. It is the Insured Person's responsibility to notify Us of any address changes. The Insured Person will meet any Notice requirements by mailing the Notice to:

**Cigna
Individual Services
P.O. Box 30365
Tampa, FL 33060-3365**

- When the amount paid by Cigna exceeds the amount for which We are liable under this Policy, We have the right to recover the excess amount from the Insured Person unless prohibited by law.
- In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is incurred. Under this Policy, an expense is incurred on the date the Insured Person(s) receives a service or supply for which the charge is made.
- We will pay all benefits of this Agreement directly to Participating Providers, whether the Insured Person has Authorized assignment of benefits or not, unless the Insured Person has paid the claim in full, in which case we will reimburse the Insured Person. In addition, We may pay any covered provider of services directly when the Insured Person assigns benefits in writing no later than the time of filing proof of loss (claim), except for Foreign Country Provider claims. If We receive a claim from a Foreign Country Provider for Emergency Services, any eligible payment will be sent to the Insured Person. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill our obligation to the Insured Person for those services.
- Any payment of benefits in reimbursement for Covered Expenses paid by an eligible child, or the eligible child's custodial parent or legal guardian, will be made to the eligible child, the eligible child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the eligible child.
- Cigna will provide written notice to You within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any provider contract, if Cigna determines that You or Your Insured Family Member(s) may be materially and adversely affected.
- We will provide the Insured Person with an updated list of local Participating Providers when requested. If the Insured Person would like a more extensive directory, or need a new provider listing for any other reason, please call Cigna at the number on myCigna.com and We will provide the Insured Person with one.
- If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect. However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.
- If an insured person has coverage that provides the same benefits under this policy with another carrier (of which Cigna has not received written notice of the loss prior to the occurrence), the only liability Cigna shall be responsible for is the amount which otherwise would have been payable under this policy. Payment will never exceed the total of the incurred expenses or the maximums shown in the schedule.
- Failure by Cigna to enforce or require compliance with any provision herein will not waive, modify or render such provision unenforceable at any other time, whether the circumstances are or are not the same.
- If Insured Person(s) were covered by a prior Individual Cigna Policy that is replaced by this Policy with no lapse of coverage:
 - Any waiting period of this Policy will be reduced by the period the Insured Person was covered under the prior Policy, providing the condition, illness or service was covered under that prior Policy.
 - If a Waiver was applied to the prior Policy, it will also apply to this Policy.
 - Benefits used under the prior Policy will be charged against the benefits payable under this Policy.

Premiums

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals who pay monthly. If You pay quarterly, the quarterly premium amount due is 3 times the monthly premium.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

There is a grace period of 31 days for the receipt at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s);
- b. A change in age of any member which results in a higher premium;
- c. A change in residence.

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium on 30 days' prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.
