Introduction

About This Policy

Your dental coverage is provided under a Policy issued by Cigna Health and Life Insurance Company (“Cigna”) This Policy is a legal contract between You and Us.

Under this Policy, “We”, “Us”, and “Our” mean Cigna. “You” or “Your” refers to the Policyholder whose application has been accepted by Us under the Policy issued. When We use the term “Insured Person” in this Policy, We mean You and any eligible Family Member(s) who are covered under this Policy. You and all Family Member(s) covered under this Policy are listed on the Policy specification page.

The benefits of this Policy are provided only for those services that are Dentally Necessary as defined in this Policy and for which the Insured Person has benefits. The fact that a Dentist prescribes or orders a service does not, in itself, mean that the service is Dentally Necessary or that the service is a Covered Service. Consult this Policy or phone Us at the number shown on myCigna.com if You have any questions regarding whether services are covered.

This Policy contains many important terms (such as “Dentally Necessary” and “Covered Service”) that are defined in the section entitled “Definitions”. Before reading through this Policy, be sure that You understand the meanings of these words as they pertain to this Policy.

We provide coverage to You under this Policy based upon the answers submitted by You and Your Family Member(s) on Your signed individual application. In consideration for the payment of the premiums stated in this Policy, We will provide the services and benefits listed in this Policy to You and Your Family Member(s) covered under the Policy.

Choice of Dentist: Nothing contained in this Policy restricts or interferes with an Insured Person's right to select the Dentist of their choice. You may pay more for Covered Services, however, if the Insured Person receives them from a Dentist that is a Non-Participating Provider.

If an Insured Person is unable to locate an In-Network Provider in his/her area who can provide a service or supply that is covered under the plan, the Insured Person should call customer (1-877-484-5967) to obtain authorization for Out-of-Network Provider coverage. If authorization is obtained for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.

NOTICE: Your actual expenses for covered services may exceed the stated coinsurance percentage or co-payment amount because actual provider charges may not be used to determine insurer and insured payment obligations.

Important Information Regarding Benefits

NOTICE: Your actual expenses for covered services may exceed the stated coinsurance percentage or co-payment amount because actual provider charges may not be used to determine insurer and insured payment obligations.

HC-IMP124

How to File a Claim for Benefits

Notice of Claim: Written notice of claim, or valid receipt with information sufficient to identify the insured must be given within 180 days after a covered loss starts or as soon as reasonably possible. The notice can be given to Us at the address shown on the first page of this Policy or by accessing myCigna.com or to any authorized agent of the insurer. Notice should include the name of the Insured, and claimant if other than the Insured, and the Policy identification number.

Unpaid Premiums: At the time of payment of a claim under this policy, any premiums then due and unpaid or covered by any note or written order may be deducted from the payment.

Claim Forms: When We receive the notice of claim, We will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section. Claim forms can be found by accessing myCigna.com or by calling Member Services.

Proof of Loss: You must give Us written proof of loss within 180 days after the date of the loss, and in the case of a claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 180 days after the termination of the period for which the insurer is liable, except in absence of legal capacity. Proof of loss is a claim form or letter as described above. Canceled checks or receipts are not acceptable. Cigna will not be liable for benefits if it does not receive written proof of loss within this time period. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the insured, later than one year from the time proof is otherwise required.

Assignment of Claim Payments:

We will recognize any assignment made under the Policy, if:

1. It is duly executed on a form acceptable to Us; and
2. a copy is on file with Us; and
3. it is made by a Provider licensed and practicing within the United States.

We assume no responsibility for the validity or effect of an assignment.

Payment for services provided by a Participating Provider is automatically assigned to the Provider unless the Participating Provider indicates that the Insured Person has paid the claim in full. The Participating Provider is responsible for filing the claim and We will make payments to the Provider for any benefits payable under this Policy. Payment for services provided by a Non-Participating Provider are payable to the Insured Person unless assignment is made as above. If payment is made to the Insured Person for services provided by a Non-Participating Provider, the Insured Person is responsible for paying the Non-Participating Provider and Our payment to the Insured Person will be considered fulfillment of Our obligation.

Time Payment of Claims: Benefits will be paid immediately upon receipt of due written proof of loss.

Payment of Claims: Cigna shall within 30 calendar days after receipt of a claim, send by electronic or paper mail to the claimant:

- Payment of the claim.
- Notice of denial of the claim.
- Notice that the proof of loss is inadequate or incomplete.
- Notice that the claim is not submitted on the form required by the health benefit plan, by the contract between the insurer and health care provider or health care facility, or by applicable law.
- Notice that the claim is pending based on nonpayment of fees or premiums.
- If we request additional information and we do not receive the additional information within 90 days after the request is made, we will deny the claim and send the notice of denial to You.

Benefits will be paid directly to Participating Providers unless You instruct Us to do otherwise prior to Our payment. Any benefits due You which are unpaid at Your death will be paid to Your estate.

Cigna is entitled to receive from any Provider of service information about You which is necessary to administer claims on Your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, You have authorized every Provider furnishing care to disclose all facts pertaining to Your care, treatment, and physical condition, upon Our request. You agree to assist in obtaining this information if needed.

Payments of benefits under this Plan neither regulate the amounts charged by Providers of dental care nor attempt to evaluate those services. However, the amount of benefits payable under this Plan will be different for Non-Participating Providers than for Participating Providers.

Physical Examination : Cigna, at its own expense, shall have the right and the opportunity to examine any Insured Person for whom a claim is made, when and so often as We may reasonably require during the pendency of a claim under this Policy.

Continuation

If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

The benefits outlined in the table below show the payment percentages for Covered Expenses **AFTER** any applicable Deductibles have been satisfied unless otherwise stated.

NOTICE: Your actual expenses for covered services may exceed the stated coinsurance percentage or co-payment amount because actual provider charges may not be used to determine your payment obligations.

CIGNA DENTAL PREFERRED PROVIDER INSURANCE <i>The Schedule</i>
For You and Your Dependents
The Schedule
The Dental Benefits Plan offered by your Employer includes two options; in-network and out-of-network benefits. You have the choice at time of service to elect either option. When you select a Participating Provider (in-network provider), this plan pays a greater share of the cost than if you were to select a Non-Participating Provider (out-of-network provider).
Deductibles Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.
Benefit Differential Limitation The difference between the member coinsurance amounts for a Participating Provider and a non-Participating Provider is no more than 30 percentage points, exclusive of any deductibles or copayments.
Participating Provider Payment Participating Provider services are paid based on the Contracted Fee agreed upon by the provider and CHLIC.
Non-Participating Provider Payment Non-Participating Provider services are paid based on the Contracted Fee.

HC-DBW6

Covered Dental Expense: What The Policy Pays For

The benefits described in the following sections are provided for Covered Expenses incurred while covered under this Policy. An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Policy, some of which may limit benefits or result in benefits not being payable.

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;

Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

HC-DEN74

Dental PPO – Participating and Non-Participating Providers

Payment for a service delivered by a Participating Provider is the Contracted Fee*, times the benefit percentage that applies to the class of service, as specified in the Schedule.

The covered person is only responsible for the balance of the Provider's Contracted Fee*. We will pay our portion of the contracted fee and the covered person may be responsible for the balance remaining, but only up to the contracted fee amount. Our providers are precluded from balance billing beyond the contracted fee amount for covered services.

Payment for a service delivered by a non-Participating Provider is the Contracted Fee for that procedure as listed on the Primary Schedule** aligned to the 3-digit zip code for the geographical area where the service is performed, times the benefit percentage that applies to the class of service, as specified in the Schedule. The Primary Schedule is the fee schedule with the lowest Contracted Fees currently being accepted by a Participating Provider in the relevant 3-digit zip code.

The covered person is responsible for the balance of the provider's actual charge.***

Please see illustration below of a sample payment obligation:

COST EXAMPLE

PARTICIPATING PROVIDER

*Contracted Fee = \$95

Benefit percentage = 80%

Plan pays: Contracted Fee times Benefit percentage:

$\$95 \times 80\% = \76

You pay: Contracted Fee minus what plan pays:

$\$95 - \$76 = \$19$

NON-PARTICIPATING PROVIDER

***Actual charge = \$150

**Primary Schedule = \$90

Benefit percentage = 70%

Plan pays: Primary Schedule amount times Benefit percentage:

$\$90 \times 70\% = \63

You pay: Actual Charge minus what plan pays:

$\$150 - \$63 = \$87$

Payment of any benefits will be subject to any applicable deductibles and maximum benefits shown in The Schedule.

See definition section for further explanation of Contracted Fee.

THE FOLLOWING WILL APPLY TO RESIDENTS OF NORTH CAROLINA

Quality of Clinical Care Complaints

For complaints concerning the quality of clinical care delivered by your provider, we shall acknowledge the complaint within 10 working days. The acknowledgment shall advise you that: (1) Cigna will refer the complaint to its quality assurance committee for review and consideration or any appropriate action against your provider and (2) the North Carolina law does not allow for a second-level complaint review for complaints concerning quality of care.

When You Have a Complaint or An Appeal

For the purposes of this section, any reference to "you," "your" or "Yourself" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start with Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you can call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on mycigna.com,
explanation of benefits or claim form

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your Benefit Identification card, explanation of benefits or claim form.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional who is licensed to practice medicine in North Carolina.

For level one appeals we will provide you, within three working days after receiving your request for review, with the name, address and telephone number of the Appeal Coordinator and information on how to submit written material. We will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. Cigna will remain liable for charges during a concurrent review until you are notified of Cigna's decision. You will receive a detailed response in writing for the coverage determination decision in clear terms describing the contractual basis or medical rationale.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration and who is licensed to practice medicine in North Carolina, as determined by Cigna's Dentist reviewer. You may present your situation to the Committee in person or by conference call.

For level two appeals we will acknowledge in writing within 10 working days after we received your request and schedule a Committee review. The acknowledgement will include the name, address, and telephone number of the Appeal Coordinator. The acknowledgement will also include a description of your appeal rights, including the right to: (a) request and receive all information relevant to the review; (b) attend the Committee meeting; (c) present your case to the Committee and submit supporting materials before and at the Committee meeting; (d) ask questions of any Committee member; and (e) be assisted by a representative of your choice such as a Physician, family member, Employer representative, or attorney. An attorney representing Cigna may also attend. For postservice claims, the Committee review will be completed within 30 calendar days. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

Binding Arbitration

To the extent permitted by law, any controversy between Cigna and an insured (including any legal representative acting on Your behalf), arising out of or in connection with this Policy may be submitted to binding arbitration upon written notice by one party to another. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Health Lawyers Association, to the extent that such provisions are not inconsistent with the provisions of this section.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30-day period and the two arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to practice law in the applicable state. If either party refuses or otherwise fails to choose an arbitrator within such 15-working-day-period, the arbitrator chosen shall choose a third arbitrator in accordance with these requirements.

The arbitration hearing shall be held within 30 days following appointment of the third arbitrator, unless otherwise agreed to by the parties. If either party refuses to or otherwise fails to participate in such arbitration hearing, such hearing shall proceed and shall be fully effective in accordance with this section, notwithstanding the absence of such party.

The arbitrator(s) shall render his (their) decision within 30 days after the termination of the arbitration hearing. To the extent permitted by law, the decision of the arbitrator, or the decision of any two arbitrators if there are three arbitrators, shall be binding upon both parties conclusive of the controversy in question, and enforceable in any court of competent jurisdiction.

No party to this Policy shall have a right to cease performance of services or otherwise refuse to carry out its obligations under this Policy pending the outcome of arbitration in accordance with this section, except as otherwise specifically provided under this Policy.

You should be aware and understand that you may be giving up certain rights to have your dispute settled in and by a court if law, unless the law in your state provides for judicial review of arbitration proceedings.

HC-APL163

Terms of the Policy

Entire Contract; Changes: This Policy, including the specification page, endorsements, application, and the attached papers, if any, constitutes the entire contract of insurance. No change in this Policy shall be valid unless approved by an Officer of Cigna and attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

Time Limit on Certain Defenses: After two years from the date coverage is effective under this Policy or under its reinstatement if applicable, no misstatements, made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such two Year period.

Grace Period: If You purchased Your Plan from a state exchange and You have elected to receive Your advanced premium tax credit, Your grace period is extended for three consecutive months provided you have paid at least one full month's premium during the benefit year. Coverage will continue during the grace period, however if We do not receive Your premium due in full before the end of the grace period, Your coverage will be terminated as of the last day of the first month of the grace period. Please see "Terms of the Policy", for further information regarding cancellation and reinstatement. Otherwise, if You do not meet the criteria above, there is a 10 day grace period for the receipt of monthly premium policies and 31 days for the receipt of all other premium policies at our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period unless We notify the Insured Person at the billing address listed in Our records at least 30 days prior to any premium due date that We do not intend to renew this Policy, or the Insured Person notify Us that the Insured Person intends for coverage to terminate. The grace period does not affect Our right to cancel or non-renew this Policy. Any premium due and unpaid may be deducted upon payment of a claim under this Policy.

Cancellation: We may cancel this Policy only in the event of any of the following:

1. You fail to pay Your premiums as they become due or by the end of the 10 day grace period for monthly premium policies and the end of the 31 day grace period for the receipt of all other premium notices .
2. On the first of the month following Our receipt of Your written notice to cancel.
3. When You become ineligible for this coverage (see provisions listed under "Specific Causes for Ineligibility).
4. If You have committed, or allowed someone else to commit, any fraud or deception in connection with this Policy or coverage.
5. This policy is renewable at the option of the policyholder unless sufficient written notice of nonrenewal is given to each Insured Person. When We cease to offer policies of this type to all individuals in Your class, North Carolina law requires that we give notice. During the first year of any policy or during the first year following any lapse and reinstatement we will provide written notice to each Insured Person of the discontinuation before the 30th day preceding the premium due date. After one year of continuous coverage, written notice shall be the number of full months most nearly equivalent to one fourth the number of months of continuous coverage from policy inception to the date of mailing of the notice., provided no period of required notice shall exceed two years. We will also offer to each Insured Person on a guaranteed issue basis the option to purchase any other individual dental insurance coverage offered by Us at the time of discontinuation.
6. When the Insured no longer lives in the Service Area (coverage will not be cancelled for dependent children that move out of the Service Area, as long as Insured remains covered).

Any cancellation shall be without prejudice for any claim for Covered Expense incurred before cancellation.

Modification of Coverage: We may modify this policy, including Policy provisions, benefits and coverages, by providing written notice to the Insured Person affected by such modification. Failure of an Insured Person to object in writing to any such proposed modification within 45 days following receipt of notice shall constitute the Insured Person's acceptance of such modification. Modification will be effective on a uniform basis among all individuals with coverage under this same Policy form. We will only modify this Policy for all Insured Persons in the same class and covered under the same Policy form, and not just on an individual basis. We will send written notice and the change will become effective, subject to the 45-day notice period described in the Premiums provision, on the date shown in the notice or on the next scheduled premium due date thereafter. Payment of the premiums will indicate acceptance of the change.

Reinstatement: If this Policy cancels because You did not pay Your premium within the time granted You for payment, and if We, or an agent We have authorized to accept premium, then accepts a late premium payment from You without asking for an application for reinstatement, We will reinstate this Policy immediately. However, if We require an application for reinstatement and give You a conditional receipt for Your late premium payment, We will only reinstate this Policy if either We approve Your reinstatement application, or lacking such approval, upon the forty-fifth day following the date on Our conditional receipt if We have not by that date notified You in writing of Our disapproval of Your application.

If this Policy is reinstated, You and Cigna shall have the same rights as existed under the Policy immediately before the due date of the defaulted premium, subject to any amendments or endorsements attached to the reinstated Policy.

Any premiums accepted in connection with a reinstatement will be applied to a period for which You have not previously paid premium, but not to exceed sixty days prior to the date of reinstatement.

Fraud: Any person with the intent to injure, defraud, or deceive an insurer or insurance claimant is guilty of a crime (Class H felony) which "MAY" subject the person to criminal and civil penalties. If the Insured Person has committed, or allowed someone else to commit, any fraud or deception in connection with this Policy, then any and all coverage under this Policy shall be void and of no legal force or effect.

Misstatement of Age: In the event the age of any Insured Person has been misstated in the application for coverage, Cigna shall determine premium rates for that Insured Person according to the correct age and there shall be an equitable adjustment of premium rate within 60 days of discovery so that We will be paid the premium rate appropriate for the true age of the Insured Person.

Legal Actions: You cannot file a lawsuit before 60 days after We have been given written proof of loss. No action can be brought after 3 Years from the time that proof is required to be given.

Conformity With State and Federal Statutes: If any provision of this Policy which, on its Effective Date, is in conflict with the statutes of the state in which it was issued or a federal statute, it is amended to conform to the minimum requirements of those statutes.

Provision in Event of Partial Invalidity: if any provision or any word, term, clause, or part of any provision of this Policy shall be invalid for any reason, the same shall be ineffective, but the remainder of this Policy and of the provision shall not be affected and shall remain in full force and effect.

- The Insured Person(s) are the only persons entitled to receive benefits under this Policy. FRAUDULENT USE OF SUCH BENEFITS WILL RESULT IN CANCELLATION OF THIS POLICY AND APPROPRIATE LEGAL ACTION WILL BE TAKEN.
- The Effective Date of this Policy is printed on the Policy specification page.
- Cigna is not responsible for any claim for damages or injuries suffered by the Insured Person while receiving care from any Participating or Non-Participating Provider. Such facilities and providers act as Insured Person(s) contractors.

- Cigna will meet any Notice requirements by mailing the Notice to the Insured Person at the billing address listed in our records. It is the Insured Person's responsibility to notify Us of any address changes. The Insured Person will meet any Notice requirements by mailing the Notice to:

**Cigna
Individual Services
P. O. Box 30365
Tampa, FL 33630-3365**

- When the amount paid by Cigna exceeds the amount for which We are liable under this Policy, We have the right to recover the excess amount from the Insured Person unless prohibited by law.
- In order for an Insured Person to be entitled to benefits under this Policy, coverage under this Policy must be in effect on the date the expense giving rise to a claim for benefits is incurred. Under this Policy, an expense is incurred on the date the Insured Person(s) receives a service or supply for which the charge is made.
- We will pay all benefits of this Agreement directly to Participating Providers, whether the Insured Person has Authorized assignment of benefits or not, unless the Insured Person has paid the claim in full, in which case we will reimburse the Insured Person. In addition, We may pay any covered provider of services directly when the Insured Person assigns benefits in writing no later than the time of filing proof of loss (claim), except for Foreign Country Provider claims. If We receive a claim from a Foreign Country Provider for Emergency Services, any eligible payment will be sent to the Insured Person. The Insured Person is responsible for paying the Foreign Country Provider. These payments fulfill our obligation to the Insured Person for those services.
- Any payment of benefits in reimbursement for Covered Expenses paid by an eligible child, or the eligible child's custodial parent or legal guardian, will be made to the eligible child, the eligible child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the eligible child.
- Cigna will provide written notice to You within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any provider contract, if Cigna determines that You or Your Insured Family Member(s) may be materially and adversely affected.
- If while covered under this Policy, the Insured Person(s) is also covered by another Cigna individual or group Policy, the Insured Person(s) will be entitled to the benefits of only one Policy. Insured Person(s) may choose this Policy or the Policy under which Insured Person(s) will be covered. Cigna will then refund any premium received under the other Policy covering the time period both policies were in effect. However, any claims payments made by Us under the Policy You elect to cancel will be deducted from any such refund of premium.
- Failure by Cigna to enforce or require compliance with any provision herein will not waive, modify or render such provision unenforceable at any other time, whether the circumstances are or are not the same.
- If Insured Person(s) were covered by a prior Individual Cigna Policy that is replaced by this Policy with no lapse of coverage:
 - Any waiting period of this Policy will be reduced by the period the Insured Person was covered under the prior Policy, providing the condition, illness or service was covered under that prior Policy.
 - If a Waiver was applied to the prior Policy, it will also apply to this Policy.
 - Benefits used under the prior Policy will be charged against the benefits payable under this Policy.

Premiums:

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals who pay monthly. If You pay quarterly, the quarterly premium amount due is 3 times the monthly premium.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

Rates will be guaranteed for no less than 12 months.

There is a 10 day grace period for the receipt of monthly premium policies and 31 days for the receipt of all other premium policies at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums. Please see "General Provisions," for further information regarding cancellation and reinstatement.

We will refund unearned premium in the event of your Death or if you wish to discontinue coverage.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s)
- b. A change in age of any member which results in a higher premium
- c. A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium with 45 days' prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You and no more frequently than once in any 12 consecutive month period. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.
