POLICY FORM NUMBER: HC-NOT54, et. al.

OUTLINE OF COVERAGE

READ YOUR POLICY CAREFULLY. This outline of coverage provides a very brief description of the important features of your Policy. This is not the insurance contract and only the actual Policy provisions will control. The Policy itself sets forth, in detail, the rights and obligations of both You and Cigna Health and Life Insurance Company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

A. Coverage is provided by Cigna Health and Life Insurance Company (referred to herein as “Cigna”), an insurance company that provides participating provider benefits.

B. To obtain additional information, including Provider information write to the following address or call the toll-free number:

**Cigna
Individual Services – Wisconsin
P. O. Box 30365
Tampa, FL 33630
1-877-484-5967**

C. A Participating Provider Plan enables the Insured to incur lower dental costs by using providers in the Cigna network.

A **Participating Provider - Cigna Dental Preferred Provider** is a Dentist or a professional corporation, professional association, partnership, or any other entity that has a direct or indirect contractual arrangement with Cigna to provide Covered Services at predetermined fees with regard to a particular Policy under which an Insured Person is covered. The providers qualifying as Participating Providers may change from time to time.

A **Non-Participating Provider** (Out of Network Provider) is a provider who does not have a Participating Provider agreement in effect with Cigna for this Policy at the time services are rendered. Covered Expenses for Non-Participating Providers are based on the Contracted Fee which may be less than actual billed charges. Non-Participating Providers can bill you for amounts exceeding Covered Expenses.

D. Covered Services and Benefits

Benefits covered by your Dental Plan include Preventive & Diagnostic Care such as Oral Exams, Cleanings and X-Rays. Your Plan also includes Basic Restorative Care such as fillings and simple extractions. Major Restorative Care is covered under your plan and includes Crowns, Dentures and Bridges. Coverage for Orthodontia is also included under your plan. For a complete listing of covered services, please read your plan documents.

The frequency of certain Covered Services, like cleanings, are limited. Refer to your Policy for specific limitations on frequency under your plan.

BENEFIT SCHEDULE

The benefits outlined in the table below show the payment percentages for Covered Expenses **AFTER** any applicable Deductibles have been satisfied unless otherwise stated.

HC-SOC188.OOC

CIGNA DENTAL PREFERRED PROVIDER INSURANCE <i>The Schedule</i>
For You and Your Dependents
The Schedule
If you select a Participating Provider, your cost will be less than if you select a Non-Participating Provider.
Emergency Services The Benefit Percentage payable for Emergency Services charges made by a Non-Participating Provider is the same Benefit Percentage as for Participating Provider Charges. Dental Emergency services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.
Deductibles Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.
Participating Provider Payment Participating Provider services are paid based on the Contracted Fee agreed upon by the provider and CHLIC.
Non-Participating Provider Payment Non-Participating Provider services are paid based on the Contracted Fee.
Simultaneous Accumulation of Amounts Expenses incurred for either Participating or non-Participating Provider charges will be used to satisfy both the Participating and non-Participating Provider Deductibles shown in the Schedule. Benefits paid for Participating and non-Participating Provider services will be applied toward both the Participating and non-Participating Provider maximum shown in the Schedule.

HC-DEX24.OOC

G. Predetermination of Benefits Program

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

Grievance Procedure

The grievance procedure utilized by Us shall include all of the following:

1. A method whereby the Covered Person who filed the grievance, or the Covered Person's authorized representative, has the right to appear in person before the grievance panel to present written or oral information. 3. Reasonable accommodations to allow the Covered Person, or the Covered Person's authorized representative, to participate in the meeting.
4. The grievance panel shall not include the person who ultimately made the initial determination. If the panel consists of at least three persons, the panel may then include no more than one subordinate of the person who ultimately made the initial determination. The panel may, however, consult with the ultimate decision-maker.
5. The insured member of the panel shall not be an employee of the plan, to the extent possible.
6. Consultation with a licensed health care provider with expertise in the field relating to the grievance, if appropriate.
7. The panel's written decision to the Covered Person shall be signed by one voting member of the panel and include a written description of position titles of panel members involved in making the decision.

Once a decision is made, a notice of that decision will be mailed to You. This notice will include the criteria used, the additional information reviewed, the reasons for Our decision, and any references to support Our decision.

If Your health condition is such that the normal grievance procedure would jeopardize Your life or health or Your ability to regain maximum function, an expedited decision will be made as soon as possible, but not more than 72 hours after receipt of the grievance.

All records related to the grievance will be maintained by Cigna for a minimum of 3 years.

If You are not satisfied with the results of a coverage decision, You can start the appeals procedure.

Appeals Procedure

Cigna has an appeals procedure for coverage decisions. To initiate an appeal, You must submit a request for an appeal in writing. You should state the reason why You feel Your appeal should be approved and include any information supporting Your appeal. If You are unable or choose not to write, You may ask to register Your appeal by telephone. Call or write to Us at the toll-free number or address on Your Benefit Identification card, explanation of benefits or claim form.

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

We will respond in writing with a decision within 30 calendar days after We receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, We will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

Notice of Benefit Determination on Appeal

Every notice of an appeal decision will be provided in writing or electronically and, if an adverse determination, will include:

1. the specific reason or reasons for the denial decision;
2. reference to the specific Policy provisions on which the decision is based;
3. a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined;
4. upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding Your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a medical necessity, experimental treatment or other similar exclusion or limit.

Relevant Information

Relevant Information is any document, record, or other information which was relied upon in making the benefit determination; was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

HC-APL430

Binding Arbitration

To the extent permitted by law, any controversy between Cigna and an insured (including any legal representative acting on Your behalf), arising out of or in connection with this Policy may be submitted to binding arbitration upon written notice by one party to another. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Health Lawyers Association, to the extent that such provisions are not inconsistent with the provisions of this section.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30-day period and the two arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to

practice law in the applicable state. If either party refuses or otherwise fails to choose an arbitrator within such 15-working-day-period, the arbitrator chosen shall choose a third arbitrator in accordance with these requirements.

The arbitration hearing shall be held within 30 days following appointment of the third arbitrator, unless otherwise agreed to by the parties. If either party refuses to or otherwise fails to participate in such arbitration hearing, such hearing shall proceed and shall be fully effective in accordance with this section, notwithstanding the absence of such party.

The arbitrator(s) shall render his (their) decision within 30 days after the termination of the arbitration hearing. To the extent permitted by law, the decision of the arbitrator, or the decision of any two arbitrators if there are three arbitrators, shall be binding upon both parties conclusive of the controversy in question, and enforceable in any court of competent jurisdiction.

No party to this Policy shall have a right to cease performance of services or otherwise refuse to carry out its obligations under this Policy pending the outcome of arbitration in accordance with this section, except as otherwise specifically provided under this Policy.

J. Renewability, Eligibility, and Continuation

1. The Policy will renew except for the specific events stated in the Policy. Cigna may change the premiums of the Policy with 60 days written notice to the Insured. However, Cigna will not refuse to renew or change the premium schedule for the Policy on an individual basis, but only for all insured's in the same class and covered under the same Policy as You.
2. The Individual Plan is designed for residents of Wisconsin who are not enrolled under or covered by any other group or individual health coverage. You must notify Cigna of all changes that may affect any Insured Person's eligibility under the Policy.
3. You or Your Insured Family Member(s) will become ineligible for coverage:
 - When premiums are not paid according to the due dates and grace periods described in the premium section.
 - With respect to Your spouse or domestic partner or partner to a civil union: when the spouse is no longer married to the Insured or when the civil union is dissolved.
 - With respect to You and Your Family Member (s): when you no longer meet the requirements listed in the Conditions of Eligibility section;
 - The date the Policy terminates.
 - When the Insured no longer lives in the Service Area.

4. If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

HC-ELG58.OOC

K. Premium

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals who pay monthly. If You pay quarterly, the quarterly premium amount due is 3 times the monthly premium.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

There is a grace period of 31 days for the receipt at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s)
- b. A change in age of any member which results in a higher premium
- c. A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium on 60 days' prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.
