C. A Participating Provider Plan enables the Insured to incur lower dental costs by using providers in the Cigna network.

A **Participating Provider - Cigna Dental Preferred Provider** is a Dentist or a professional corporation, professional association, partnership, or any other entity that has a direct or indirect contractual arrangement with Cigna to provide Covered Services at predetermined fees with regard to a particular Policy under which an Insured Person is covered. A **Non-Participating Provider** (Out of Network Provider) is a provider who does not have a Participating Provider agreement in effect with Cigna for this Policy at the time services are rendered. Covered Expenses for Non-Participating Providers are based on the Contracted Fee which may be less than actual billed charges. Non-Participating Providers can bill you for amounts exceeding Covered Expenses.

Insurance coverage is only for the classes of service referred to in The Schedule, however the covered person is also eligible for discounts for other selected services. Discounts for these select services are not insurance. The covered person will receive discounts from Cigna's contracted health care professionals for these services. Discounts are based on Cigna Dental contracted rates. Please visit our website at www.cigna.com for details about this plan.

CIGNA DENTAL PREFERRED PROVIDER INSURANCE <i>The Schedule</i>
For You and Your Dependents
The Schedule
If you select a Participating Provider, your cost will be less than if you select a Non-Participating Provider.
Emergency Services The Benefit Percentage payable for Emergency Services charges made by a Non-Participating Provider is the same Benefit Percentage as for Participating Provider Charges. Dental Emergency services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.
Deductibles Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.
Participating Provider Payment Participating Provider services are paid based on the Contracted Fee agreed upon by the provider and CHLIC.
Non-Participating Provider Payment Non-Participating Provider services are paid based on the Contracted Fee.

G. Predetermination of Benefits Program

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

H. General Provisions

THE FOLLOWING WILL APPLY TO RESIDENTS OF CONNECTICUT WHEN YOU HAVE A COMPLAINT OR AN APPEAL

For the purposes of this section, any reference to "you," "your" or "Yourself" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted; and "Physician reviewers" are licensed Dentists depending on the care, treatment or service under review.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start with Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you can call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on mycigna.com,
explanation of benefits or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Appeals Procedure

Cigna has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your Benefit Identification card, explanation of benefits or claim form.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a Dentist in the field related to the care under consideration, under the authority of a Connecticut licensed practitioner.

For level one appeals, we will respond in writing to you or your representative and the provider of record with a decision within 15 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination (decision). If more time or information is needed to make a preservice or concurrent coverage determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain the dental functionality that existed prior to the onset of your current condition or in the opinion of your Dentist would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. Cigna's Physician reviewer, in consultation with the treating Dentist, will decide if an expedited appeal is necessary. When an appeal is expedited, Cigna Dental will respond orally with a decision to you and your representative or provider within the lesser of: (a) 72 hours after the appeal is received or (b) two working days after the required information is received, followed up in writing.

For level one appeals, we will respond in writing to you or your representative and the provider of record with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

For postservice claim or administrative appeals, your request must be received before the 14th calendar day following our certified mailing of the level one determination. All postservice claim or administrative appeals will be reviewed and the decision made by someone who was not involved in either the initial or the level one appeal decision.

Most requests for second reviews of Medical Necessity or clinical appropriateness issues will be conducted by the Appeals Committee, which consists of a minimum of three people. Anyone involved in the prior decision may not vote on the Committee. The Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Dentist reviewer. You may present your situation to the Committee in person or by conference call.

We will acknowledge in writing that we have received your level two postservice claim or administrative appeal. For level two appeals involving Medical Necessity, we will write to you to schedule a Committee review.

If the level two appeal involves preservice and concurrent care coverage determinations, the level two review will be completed within 15 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

For postservice claim or administrative appeals, the level two appeal review will be completed no later than 60 calendar days after receipt of your original level one request for appeal, unless you request an extension. If we receive a request for a level two postservice claim appeal on or after the 14th calendar day following our certified mailing of the level one determination: (a) it will be deemed as a request by you for an extension; and (b) the 60-day review period will be suspended on the 14th day we receive no level two appeal, then resume on the day we receive your level two appeal.

You or your representative and the provider of record will be notified in writing of the level two appeal review decision within five business days after the decision is made, and within the Committee review time frames above if the requested coverage is not approved.

You may request that the appeal process be expedited if: (a) the time frames under this process would seriously jeopardize your life, health or ability to regain the dental functionality that existed prior to the onset of your current condition or in the opinion of your Dentist would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. Cigna's Physician reviewer, in consultation with the treating Dentist will decide if an expedited appeal is necessary. When an appeal is expedited, Cigna Dental will respond to you and your representative or provider orally with a decision within the lesser of: (a) 72 hours after the appeal is received or (b) 2 working days after the required information is received, followed up in writing.

Notice of Benefit Determination on Appeal

Every notice of an appeal decision will be provided in writing or electronically and, if an adverse determination, will include: (1) the specific reason or reasons for the denial decision; (2) reference to the specific Policy provisions on which the decision is based; (3) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; (4) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination

regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a medical necessity, experimental treatment or other similar exclusion or limit.

Relevant Information

Relevant Information is any document, record, or other information which (a) was relied upon in making the benefit determination; (b) was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; (c) demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or (d) constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

However, Cigna will not refuse to renew or change the premium schedule for the Policy on an individual basis, but only for all insured's in the same class and covered under the same Policy as You.
2. The Individual Plan is designed for residents of Connecticut who are not enrolled under or covered by any other group or individual health coverage. You must notify Cigna of all changes that may affect any Insured Person's eligibility under the Policy.
3. You or Your Insured Family Member(s) will become ineligible for coverage:
 - When premiums are not paid according to the due dates and grace periods described in the premium section.

4. If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

HC-ELG78.OOC

K. Premium

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals who pay monthly. If You pay quarterly, the quarterly premium amount due is 3 times the monthly premium.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

There is a grace period of 31 days for the receipt at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s)
- b. A change in age of any member which results in a higher premium
- c. A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium on 30 days' prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.
