OUTLINE OF COVERAGE

READ YOUR POLICY CAREFULLY. This outline of coverage provides a very brief description of the important features of your Policy. This is not the insurance contract and only the actual Policy provisions will control. The Policy itself sets forth, in detail, the rights and obligations of both You and Cigna Health and Life Insurance Company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

A. Coverage is provided by Cigna Health and Life Insurance Company (referred to herein as “Cigna”), an insurance company that provides preferred provider benefits.

B. To obtain additional information, including Provider information write to the following address or call the toll-free number:

Important Notice of Plan Benefits: Copayment, deductible, and coinsurance options reflect the amount the covered person will pay for Preferred Provider and Non-Preferred Provider benefits. Preferred Provider benefits require use of preferred providers or facilities. Cigna recommends use of preferred providers and facilities, as member out-of-pocket costs could be lower than when using non-preferred providers. Benefits for emergency services requiring immediate medical attention do not require prior authorization or use of preferred providers or facilities. Benefits for Emergency Services will be paid at the Preferred Provider rate.

C. A Preferred Provider Plan enables the Insured to incur lower dental costs by using providers in the Cigna network.

A Preferred Provider (Preferred Provider/Network Provider) is a Dentist or a professional corporation, professional association, partnership, or any other entity that has a direct or indirect contractual arrangement with Cigna to provide Covered Services at predetermined fees with regard to a particular Policy under which an Insured Person is covered. The providers qualifying as Preferred Providers may change from time to time.

A Non-Preferred Provider (Non-Preferred Provider/Out of Network Provider) is a provider who does not have a Preferred Provider agreement in effect with Cigna for this Policy at the time services are rendered. Covered Expenses for Non-Preferred Providers are based on the Contracted Fee which may be less than actual billed charges. Non-Preferred Providers can bill you for amounts exceeding Covered Expenses.

Insurance coverage is only for the class of service referred to in The Schedule, however the covered person is also eligible for discounts for other selected services. Discounts for these select services are not insurance. The covered person will receive discounts from Cigna's contracted health care professionals for these services. Discounts are based on Cigna Dental contracted rates. Please visit our website at www.cigna.com for details about this plan.

D. Covered Services and Benefits

Benefits covered by your Dental Plan include Preventive & Diagnostic Care such as Oral Exams, Cleanings and X-Rays. Your Plan also includes Basic Restorative Care such as fillings and simple extractions. For a complete listing of covered services, please read your plan documents.

The frequency of certain Covered Services, like cleanings, are limited. Refer to your Policy for specific limitations on frequency under your plan.

G. Predetermination of Benefits Program

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

H. General Provisions

THE FOLLOWING WILL APPLY TO RESIDENTS OF GEORGIA WHEN YOU HAVE A COMPLAINT OR AN APPEAL

For the purposes of this section, any reference to "you," "your" or "Yourself" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start With Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you can call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on mycigna.com, explanation of benefits or claim form

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your Benefit Identification card, explanation of benefits or claim form.

Level-One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Physician reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. You may present your situation to the Committee in person or by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For required preservice and concurrent care coverage determinations, the Committee review will be completed within 15 calendar days. For postservice claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

Independent Review Procedure

If you are not fully satisfied with the decision of Cigna's level two appeal review regarding your Medical Necessity or clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna HealthCare or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this independent review process. Cigna will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by Cigna. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, you must notify the Appeals Coordinator within 180 days of your receipt of Cigna's level two appeal review denial. Cigna will then forward the file to the Independent Review Organization.

The Independent Review Organization will render an opinion within 30 days. When requested and when a delay would be detrimental to your condition, as determined by Cigna's Dentist reviewer, the review shall be completed within three days.

The Independent Review Program is a voluntary program arranged by Cigna.
