

# PRESCRIPTION MEDICATION RECALL

## Nature-Throid® and WP Thyroid® tablets

### About this recall.

Your safety, health and well-being are important to us. We want to let you know that on August 28, 2020, RLC Labs announced a voluntary, nationwide recall of all lots (or batches) of Nature-Throid® and WP Thyroid® tablets.

### Why this medication was recalled.

These medications were recalled because they contained less than 90% of their active ingredient. It's important to know that as of August 28<sup>th</sup>, RLC Labs hasn't seen an increase in complaints about medical illness or harmful effects caused by the recalled medication.

### What this medication is used to treat.

Nature-Throid and WP Thyroid are used to treat hypothyroidism (underactive thyroid).

### Check the label on your medication to find out if it was recalled.

Look for the information listed on the next page. If everything matches, your medication was recalled. If it doesn't match, your medication wasn't recalled. If you need help finding this information, you can contact the pharmacy that filled your prescription.

### Here's what you can do if your medication was recalled.
