## Cigna Preferred Medicare (HMO)

## Cigna Medicare Advantage HMO 2023 Pharmacy Directory

This *Pharmacy Directory* was updated in November 2023. For more recent information or other questions, please contact Cigna Customer Service at 1-800-668-3813 (TTY 711), October 1 – March 31, 8 a.m. – 8 p.m. local time, 7 days a week. From April 1 – September 30, Monday – Friday, 8 a.m. – 8 p.m. local time. Messaging service used weekends, after hours, and on federal holidays. You can also visit [www.CignaMedicare.com](http://www.CignaMedicare.com).

### Introduction

When this *Pharmacy Directory* refers to “we,” “us,” or “our,” it means Cigna Medicare Advantage. When it refers to “plan” or “our plan,” it means Cigna Preferred Medicare (HMO).

This directory provides a list of your plan’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and your plan’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan customers. In most cases, your prescriptions are covered under your plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 2023. For the most current list, please call Customer Service at 1-800-668-3813 (TTY 711).

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a gray box to distinguish them from other pharmacies in our network that offer standard cost-sharing. If you are a customer of our Cigna Medicare Advantage Primary HMO or Cigna Medicare Advantage TotalCare HMO plans, your cost-share is the same at a standard network pharmacy as it would be at a preferred network pharmacy.

You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order and your method of payment. If you do not receive your prescription drug(s) within this time, please let us know. For more information, please contact us or see the mail order section of this *Pharmacy Directory*.

This directory is for **New Jersey Counties:** Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Monmouth, Ocean and Salem including the area that you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our plan. For information on more pharmacies in our plan network not listed in this directory please call Customer Service at 1-800-668-3813 (TTY 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
