SECTION 1 Changes to Benefits and Costs for Next Year**Section 1.1 Changes to the Monthly Premium**

Cost	2023 (this year)	2024 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$38.70	\$39.90

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs. Please see Section 6 regarding “Extra Help” from Medicare.

Section 1.2 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost sharing, which may offer you lower cost-sharing than the standard cost sharing offered by other network pharmacies for some drugs.

There are changes to our network of pharmacies for next year. An updated *Pharmacy Directory* is located on our website at cigna.com/member-resources. You may also call Customer Service for updated provider information or to ask us to mail you a *Pharmacy Directory*. **Please review the 2024 Pharmacy Directory to see which pharmacies are in our network.**

It is important that you know that we make changes to the pharmacies that are part of your plan during the year. If a mid-year change in our pharmacies affects you, please contact Customer Service so we may assist.

Section 1.3 Changes to Part D Prescription Drug Coverage**Changes to our “Drug List”**

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is in this envelope. The “Drug List” includes many – *but not all* – of the drugs that we will cover next year. If you don’t see your drug on this list, it might still be covered. **You can get the complete “Drug List”** by calling Customer Service (see the back cover) or visiting our website (cigna.com/member-resources).

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the “Drug List” are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online “Drug List” to provide the most up to date list of drugs. If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 7 of your *Evidence of Coverage* and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug

costs. If you receive “Extra Help” and didn’t receive this insert with this packet, please call Customer Service and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages — the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages — the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2023 (this year)	2024 (next year)
Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your Part D drugs until you have reached the yearly deductible. The deductible doesn’t apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus and travel vaccines.	The deductible is \$505. During this stage, you pay Stage 2: Initial Coverage Stage (see table below) cost-sharing for drugs on Tier 1 (Preferred Generic Drugs) and Tier 6 (Select Care Drugs) and the full cost of drugs on Tier 2 (Generic Drugs), Tier 3 (Preferred Brand Drugs), Tier 4 (Non-Preferred Drugs), and Tier 5 (Specialty Tier Drugs) until you have reached the yearly deductible.	The deductible is \$545.

Changes to Your Cost Sharing in the Initial Coverage Stage

For drugs on Tier 3 (Preferred Brand), your cost-sharing in the initial coverage stage is changing from a copayment to a coinsurance. Please see the following chart for the changes from 2023 to 2024.

Stage	2023 (this year)	2024 (next year)
Stage 2: Initial Coverage Stage Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost . Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in these stages, look at Chapter 4, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 If you want to stay in Cigna Secure Rx (PDP)

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan by December 7, you will automatically be enrolled in our Cigna Secure Rx (PDP).

Section 3.2 If You Want to Change Plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare prescription drug plan,
- — OR — You can change to a Medicare health plan. Some Medicare health plans also include Part D prescription drug coverage,
- — OR — You can keep your current Medicare health coverage and drop your Medicare prescription drug coverage.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Cigna Healthcare offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change to a different Medicare prescription drug plan, enroll in the new plan. You will automatically be disenrolled from Cigna Secure Rx (PDP).
- To change to a Medicare health plan, enroll in the new plan. Depending on which type of plan you choose, you may automatically be disenrolled from Cigna Secure Rx (PDP).
 - ☐ You will automatically be disenrolled from Cigna Secure Rx (PDP) if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
 - ☐ If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep Cigna Secure Rx (PDP) for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from Cigna Secure Rx (PDP). If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from Cigna Secure Rx (PDP). To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY users should call 1-877-486-2048).
- To change to Original Medicare without a prescription drug plan, you must either:
 - ☐ Send us a written request to disenroll. Contact Customer Service if you need more information on how to do so.
 - ☐ — or — Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different prescription drug plan or to a Medicare health plan for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.
