2024 Pharmacy Directory

This Pharmacy Directory was updated in November 2024. For more recent information or other questions, please contact Cigna Healthcare Customer Service at **1-800-668-3813** (TTY 711), October 1 - March 31, 8 a.m. - 8 p.m. local time, 7 days a week. From April 1 - September 30, Monday - Friday, 8 a.m. - 8 p.m. local time. Messaging service used weekends, after hours, and on federal holidays. You can also visit **CignaMedicare.com**.

Introduction

When this Pharmacy Directory refers to ''we,'' ''us,'' or ''our,'' it means Cigna Healthcare Medicare Advantage. When it refers to ''plan'' or ''our plan,'' it means Cigna Premier Medicare (HMO-POS), Cigna Preferred Medicare (HMO), Cigna Preferred Savings Medicare (HMO).

This directory provides a list of your plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and your plan's formulary.

We call the pharmacies on this list our ''network pharmacies'' because we have made arrangements with them to provide prescription drugs to plan customers. In most cases, your prescriptions are covered under your plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 2024. For the most current list, please call Customer Service at **1-800-668-3813** (TTY 711).

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a gray box to distinguish them from other pharmacies in our network that offer standard cost-sharing. If you are a customer of our Cigna Medicare Advantage Primary HMO or Cigna Medicare Advantage TotalCare HMO plans, your cost-share is the same at a standard network pharmacy as it would be at a preferred network pharmacy.

You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order and your method of payment. If you do not receive your prescription drug(s) within this time, please let us know. For more information, please contact us or see the mail order section of this Pharmacy Directory.

This directory is for **Illinois Counties:** Cook, Dekalb, DuPage, Kane, Kankakee, Lake, McHenry and Will including the area that you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our plan. For information on more pharmacies in our plan network not listed in this directory please call Customer Service at **1-800-668-3813** (TTY 711).

If you have questions about any of the above, please see the last cover pages of this directory for information on how to contact us.

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order and your method of payment. If you do not receive your prescription drug(s) within this time, please contact us at the phone number on the cover and TTY number/TRS Relay number 711.

Pharmacy with preferred cost-sharing shown in a gray box.

▲ These pharmacies provide an extended 90-day supply of medication.

✚ These pharmacies support electronic prescribing. ✱ These pharmacies provide 24-hour access.

Your plan will cover home infusion therapy if:
- Your prescription drug is on your plan's formulary or you have a formulary exception
- Your plan has approved your prescription drug for home infusion therapy; and
- Your prescription is written by a doctor; and an authorized prescriber.
