POLICY FORM NUMBER: HC-NOT19, et. al.

OUTLINE OF COVERAGE

READ YOUR POLICY CAREFULLY. This outline of coverage provides a very brief description of the important features of your Policy. This is not the insurance contract and only the actual Policy provisions will control. The Policy itself sets forth, in detail, the rights and obligations of both You and Cigna Health and Life Insurance Company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

A. Coverage is provided by Cigna Health and Life Insurance Company (referred to herein as “Cigna”), an insurance company that provides participating provider benefits.

B. To obtain additional information, including Provider information write to the following address or call the toll-free number:

**Cigna
Individual Services – South Carolina

C. A Participating Provider Plan enables the Insured to incur lower dental costs by using providers in the Cigna network.

A **Participating Provider - Cigna Dental Preferred Provider** is a Dentist or a professional corporation, professional association, partnership, or any other entity that has a direct or indirect contractual arrangement with Cigna to provide Covered Services at predetermined fees with regard to a particular Policy under which an Insured Person is covered. The providers qualifying as Participating Providers may change from time to time.

A **Non-Participating Provider** (Out of Network Provider) is a provider who does not have a Participating Provider agreement in effect with Cigna for this Policy at the time services are rendered. Covered Expenses for Non-Participating Providers are based on the Contracted Fee which may be less than actual billed charges. Non-Participating Providers can bill you for amounts exceeding Covered Expenses.

Insurance coverage is only for the classes of service referred to in The Schedule, however the covered person is also eligible for discounts for other selected services. Discounts for these select services are not insurance. The covered person will receive discounts from Cigna's contracted health care professionals for these services. Discounts are based on Cigna Dental contracted rates. Please visit our website at www.cigna.com for details about this plan.

D. Covered Services and Benefits

Benefits covered by your Dental Plan include Preventive & Diagnostic Care such as Oral Exams, Cleanings and X-Rays. Your Plan also includes Basic Restorative Care such as fillings and simple extractions. Major Restorative Care is covered under your plan and includes Crowns, Dentures and Bridges. For a complete listing of covered services, please read your plan documents.

The frequency of certain Covered Services, like cleanings, are limited. Refer to your Policy for specific limitations on frequency under your plan.

G. Predetermination of Benefits Program

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$500.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

H. General Provisions

The Following Will Apply to Residents of South Carolina

When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "you," "your" or "Yourself" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start with Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you can call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on mycigna.com, explanation of benefits or claim form We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your Benefit Identification card, explanation of benefits or claim form.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, we will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

Level-Two Appeal

If you are dissatisfied with our level-one appeal decision, you may request a second review. To start a level-two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Dentist reviewer. You may present your situation to the Committee in person or by conference call.

For level-two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For postservice claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within 5 working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

External Review Procedure

If you are not fully satisfied with the decision of Cigna's level-two appeal review regarding your Medical Necessity or clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna HealthCare or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this external review process. Cigna will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by Cigna. The amount payable for the denied service or treatment must be at least \$500. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process. Postservice issues are not eligible for external review unless you may be held financially responsible for the denied service or treatment. You must first complete Cigna's level-one and level-two appeal processes before you request an external review unless:

- your treating Dentist certifies in writing that you have a serious medical condition or the coverage denial is based on a determination that the recommended or requested health care service or treatment is experimental or investigational. If the requested health care service or treatment is experimental or investigational, your treating Dentist must include information that:
 - (1) you have a life-threatening or seriously disabling condition;
 - (2) at least one of the following applies:
 - (a) standard health care services or treatments have not been effective in improving your condition;
 - (b) standard health care services or treatment are not medically appropriate for you; or
 - (c) the recommended or requested service or treatment is more beneficial than the standard health care service or treatment covered by Cigna; and
 - (3) medical and scientific evidence using accepted protocols demonstrate that the health care service or treatment requested by you that is the subject of the appeal is more beneficial to you than standard health care services or treatments and the adverse risks of the recommended or requested health care service or treatment would not be substantially increased over those of the standard services or treatments.
- You filed an appeal pursuant to Cigna's level-one or level-two processes and Cigna has not issued a written decision within the time frames for making a decision if Cigna has received all the information needed to complete the appeal review and you have not agreed to a delay.

- Cigna has agreed to waive the completion of the level-one or level-two appeal processes.

To request a review, you must notify the Appeals Coordinator within 60 days of your receipt of Cigna's level-two appeal denial. Cigna will then forward the file to the Independent Review Organization. Cigna will review all newly submitted information to determine if the appeal can be approved before being sent to the Independent Review Organization.

The Independent Review Organization will render an opinion on standard external review within 45 days.

The Independent Review Program is a voluntary program arranged by Cigna.

Dispute Resolution

All complaints or disputes relating to coverage under this Policy must be resolved in accordance with Our complaint and adverse determination appeal procedures. Complaints and adverse determination appeals may be reported by telephone or in writing. All complaints and adverse determination appeals received by Us that cannot be resolved by telephone conversation (when appropriate) to the mutual satisfaction of both the Insured Person and Us will be acknowledged in writing, along with a description of how We propose to resolve the grievance.

Binding Arbitration

To the extent permitted by law, any controversy between Cigna and an insured (including any legal representative acting on Your behalf), arising out of or in connection with this Policy may be submitted to binding arbitration upon written notice by one party to another. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Health Lawyers Association, to the extent that such provisions are not inconsistent with the provisions of this section.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30-day period and the two arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to practice law in the applicable state. If either party refuses or otherwise fails to choose an arbitrator within such 15-working-day-period, the arbitrator chosen shall choose a third arbitrator in accordance with these requirements.

The arbitration hearing shall be held within 30 days following appointment of the third arbitrator, unless otherwise agreed to by the parties. If either party refuses to or otherwise fails to participate in such arbitration hearing, such hearing shall proceed and shall be fully effective in accordance with this section, notwithstanding the absence of such party.

The arbitrator(s) shall render his (their) decision within 30 days after the termination of the arbitration hearing. To the extent permitted by law, the decision of the arbitrator, or the decision of any two arbitrators if there are three arbitrators, shall be binding upon both parties conclusive of the controversy in question, and enforceable in any court of competent jurisdiction.

No party to this Policy shall have a right to cease performance of services or otherwise refuse to carry out its obligations under this Policy pending the outcome of arbitration in accordance with this section, except as otherwise specifically provided under this Policy.

1. The Policy will renew except for the specific events stated in the Policy. Cigna may change the premiums of the Policy with 31 days written notice to the Insured. However, Cigna will not refuse to renew or change the premium schedule for the Policy on an individual basis, but only for all insured's in the same class and covered under the same Policy as You.
2. The Individual Plan is designed for residents of South Carolina who are not enrolled under or covered by any other group or individual health coverage. You must notify Cigna of all changes that may affect any Insured Person's eligibility under the Policy.
3. You or Your Insured Family Member(s) will become ineligible for coverage:
 - When premiums are not paid according to the due dates and grace periods described in the premium section.

4. If an Insured Person's eligibility under this Plan would terminate due to the Insured's death, divorce or if other Insured Family Member(s) would become ineligible due to age or no longer qualify as dependents for coverage under this Plan; except for the Insured's failure to pay premium, the Insured Person's insurance will be continued if the Insured Person exercising the continuation right notifies Cigna and pays the appropriate monthly premium within 60 days following the date this Policy would otherwise terminate. Any waiting periods in the new Plan will be considered as being met to the extent coverage was in force under this Plan.

HC-ELG58.OOC

K. Premium

The monthly premium amount is listed on the Policy specification page which was sent with this Policy. This monthly premium amount applies to individuals who pay monthly. If You pay quarterly, the quarterly premium amount due is 3 times the monthly premium.

You will be responsible for an additional \$45 charge for any check or electronic funds transfer that is returned to Us unpaid.

There is a grace period of 31 days for the receipt at Our office or P.O. Box of any premium due after the first premium. Coverage will continue during the grace period, however, if We do not receive Your premium before the end of the grace period, Your coverage will be terminated as of the last date for which You have paid premiums.

Your premium may change from time to time due to (but not limited to):

- a. Deletion or addition of a new eligible Insured Person(s)
- b. A change in age of any member which results in a higher premium
- c. A change in residence

These changes will be effective on the first of the month following the change, unless as otherwise stated on Your premium notice.

Cigna also reserves the right to change the premium on 31 days prior written notice to You. However, We will not modify the premium schedule on an individual basis, but only for all Insured Persons in the same class and covered under the same Policy as You. The change will become effective on the date shown on the notice, and payment of the new premiums will indicate acceptance of the change.
