

RIGHT TO RECEIVE A GOOD FAITH ESTIMATE OF EXPECTED CHARGES

Under the No Surprises Act

Under the law, health care providers need to give **patients who don't have insurance** or who are not using insurance an estimate of the bill for medical items and services scheduled.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services.
- Make sure your health care provider gives you a Good Faith Estimate in writing, as noted in the schedule below, at least 3 business days before your medical service or item. You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.

Scheduled Appointment	Deliver by
10+	Within 3 Days
3-9 Days	Next Day
< 3 Days	Not Required

- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.
